8,300 Shares at a price per Share of \$5.3499. All purchases and sales of Shares referenced above were funded by working capital, which may, at any given time, include margin loans made by brokerage firms in the ordinary course of business. The Reporting Persons do not believe that the information contained in this paragraph is called for by the Items of Schedule 13D and are disclosing it for supplemental informational purposes only.

### Item 4. Purpose of Transaction.

The Reporting Persons purchased the Shares based on the Reporting Persons' belief that the Shares, when purchased, were undervalued and represented an attractive investment opportunity.

As of January 17, 2008, the Notes were not convertible into Shares due to the trading price of the Shares relative to the conversion thresholds set forth in the Notes. The Reporting Person's trading activity in the Shares, include short sales, is related, in part, to a hedging strategy in connection with the Notes.

In late 2007, certain of the Reporting Persons had conversations with representatives of Myca Partners, Inc. ("Myca Partners") regarding the possibility of forming a Section 13(d) group to execute upon an investment strategy with respect to the Issuer. The Reporting Persons ultimately decided not to form such a group with Myca Partners. Myca Partners proceeded to form a Section 13(d) group with respect to the Issuer with certain affiliates of Crescendo Partners, L.P. on January 11, 2008. The Reporting Persons are not members of such group and will make their own independent investment, voting and disposition decisions with respect to the Issuer.

Page 17 of 28 Pages

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed above. The Reporting Persons intend to review their investment in the Issuer on a continuing basis. Depending on various factors including, without limitation, the Issuer's financial position and investment strategy, the price levels of the Shares, conditions in the securities markets and general economic and industry conditions, the Reporting Persons may in the future take such actions with respect to their investment in the Issuer as they deem appropriate including, without limitation, purchasing additional Shares, selling some or all of their Shares, engaging in short selling of or any hedging or similar transaction with respect to the Shares or changing their intention with respect to any and all matters referred to in Item 4.

### Item 5. Interest in Securities of the Issuer.

The aggregate percentage of Shares reported owned by each person named herein is based upon 116,694,356 Shares outstanding, which is the total number of Shares outstanding as reported in the Issuer's Quarterly Report on Form 10-Q, filed with the Securities and Exchange Commission on December 7, 2007.
