Item 1.01 Entry into a Material Definitive Agreement.

Following the successful reinvestment in a tax efficient manner of the \$26.3 million advance payment made by the State of New York for property taken by the power of eminent domain, the Board of Directors and management of Gyrodyne Company of America, Inc. (the "Company") have determined that it is in the best interests of the Company to discontinue the automatic daily extensions of the three-year term of the Company's employment agreements with each of Stephen V. Maroney, President, Chief Executive Officer, Chief Financial Officer and Treasurer of the Company, and Peter Pitsiokos, Chief Operating Officer, Secretary and Chief Compliance Officer of the Company (the "Employment Agreements").

Under the Employment Agreements, both the Company and the executives have the right to discontinue such automatic daily extensions of the three-year term by delivering notice to that effect. Accordingly, on June 12, 2009, the Company and Messrs. Maroney and Pitsiokos mutually agreed to terminate the automatic extension provisions of the Employment Agreements. As a result, the term of the Employment Agreements shall end on June 12, 2012. All other terms and provisions of the Employment Agreements shall remain in effect for the three-year balance of the term. Other than the status of Messrs. Maroney and Pitsiokos as executive officers and shareholders of the Company, there is no material relationship between the Company and the executive officers.

The decision to discontinue the automatic daily extensions of the Employment Agreements' three-year terms is consistent with the Company's strategic plan to position the Company over the next three years for a liquidity event that will maximize shareholder value by managing during such period of time the Company's existing rental properties, the redevelopment of the Company's remaining 68 acres in Flowerfield and the condemnation lawsuit against the State of New York for just compensation.
