**PROXY STATEMENT
FOR ANNUAL MEETING OF STOCKHOLDERS**

To be held on May 17, 2016

INFORMATION CONCERNING SOLICITATION AND THE ANNUAL MEETING

This Proxy Statement and the accompanying proxy card are being furnished in connection with the solicitation by the Board of Directors (the “Board”) of LRAD Corporation, a Delaware corporation, of proxies for use at the 2016 Annual Meeting of Stockholders to be held on May 17, 2016, at 9:00 a.m. local time (the “Annual Meeting”), or at any adjournment or postponement thereof, for the purposes set forth herein and in the accompanying Notice of Annual Meeting. The Annual Meeting will be held at our principal offices located at 16990 Goldentop Road, Suite A, San Diego, California 92127.

We intend to mail or electronically deliver this Proxy Statement, the accompanying proxy card and Notice of Annual Meeting on or about April 7, 2016 to all stockholders of record entitled to vote at the Annual Meeting.

QUESTIONS AND ANSWERS REGARDING THE ANNUAL MEETING AND PROXY STATEMENT

What is a proxy?

A proxy is your legal designation of another person to vote the stock you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document also is called a proxy or a proxy card. General John G. Coburn, Chairman of the Board, and Katherine H. McDermott, Chief Financial Officer and Secretary (the “proxyholders”), have been designated as proxies for the Annual Meeting.

What is a Proxy Statement?

A Proxy Statement is a document that the regulations of the Securities and Exchange Commission (“SEC”) require us to give you when we ask you to sign a proxy card designating the proxyholders as proxies to vote on your behalf. The Proxy Statement includes information about the proposals to be considered at the Annual Meeting and other required disclosures including information about our Board and executive officers.

Who can vote at the Annual Meeting?

We have designated a record date of March 23, 2016 for the Annual Meeting. Only stockholders of record at the close of business on the record date will be entitled to notice of and to vote at the Annual Meeting. At the close of business on March 23, 2016, we had outstanding and entitled to vote 31,798,853 shares of common stock. On all matters to be voted upon at the Annual Meeting, each holder of record of common stock on the record date will be entitled to one vote for each share held. All votes will be tabulated by the inspector of election appointed for the meeting, who will separately tabulate affirmative and negative votes, abstentions and broker non-votes.

Stockholder of Record – Shares Registered in Your Name

If, at the close of business on the record date, your shares were registered directly in your name with our transfer agent, Interwest Transfer Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the Annual Meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to ensure your vote is counted by submitting your proxy by signing and dating the enclosed proxy card and returning it in the postage-paid envelope provided or by voting via the Internet or by telephone by following the instructions provided on the enclosed proxy card. Simply follow the instructions on the accompanying proxy card for each voting method.

Beneficial Owner – Shares Registered in the Name of a Broker, Bank or Other Agent

If, at the close of business on the record date, your shares were not held in your name, but rather in an account at a brokerage firm, bank or other agent, then you are the beneficial owner of shares held in “Street name” and these proxy materials are being forwarded to you by your broker, bank or other agent. The broker, bank or other agent holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker, bank or other agent on how to vote the shares in your account. You are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy issued in your name from your broker, bank or other agent. If your broker holds your shares in its name and you do not instruct your broker how to vote, your broker will nevertheless have discretion to vote your shares on “routine” matters. Your broker will not have discretion to vote on “non-routine” matters absent direction from you. The election of directors (Proposal

1) and the advisory vote on executive compensation (Proposal 3) are considered “non-routine” under applicable rules. The ratification of the appointment of Squar Milner LLP as our independent registered public accounting firm for fiscal 2016 (Proposal 2) is considered “routine” under applicable rules. A broker or other nominee cannot vote without instructions on non-routine matters, and therefore there may be broker non-votes on these proposals.

How can I attend the Annual Meeting?

You will be admitted to the Annual Meeting if you were a stockholder as of the close of business on March 23, 2016, or you have authority to vote under a valid proxy for the Annual Meeting. You should be prepared to present valid photo identification, such as a driver's license or passport, for admittance. In addition, if you are a stockholder of record, your name will be verified against the list of stockholders of record prior to admittance to the Annual Meeting. If you are a beneficial owner, you must provide proof of beneficial ownership on the record date, such as your most recent account statement prior to March 23, 2016, a copy of the voting instruction form provided by your broker, trustee or nominee, or other similar evidence of ownership.

What proposals will be presented at the Annual Meeting?

At the Annual Meeting, stockholders eligible to vote will consider and vote upon (1) the election of six directors to serve for the ensuing year and until their successors are elected, (2) the ratification of the appointment of Squar Milner LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016, (3) an advisory vote on the compensation of our named executive officers and (4) such other business as may properly come before the meeting or any adjournment or postponement thereof.

How does the board recommend I vote on these proposals?

Our Board's recommendations are set forth, together with a description of the proposals, in this Proxy Statement. In summary, our Board of Directors recommends that you vote:

• FOR each of the nominees for director named in this Proxy Statement to serve until the Annual Meeting of Stockholders in 2017 and until their successors are duly elected and qualified (see page 4);

• FOR the ratification of the appointment of Squar Milner LLP as our independent registered public accounting firm (see page 12); and

• FOR the approval of the compensation of our executive officers (see page 13).

What vote is required to approve each matter and how are votes counted?

If a quorum is present at the Annual Meeting, the votes required for the proposals to be considered at the Annual Meeting and the treatment of abstentions and broker non-votes in respect of such proposals are as follows:

Election of Directors. The six nominees for director receiving the highest number of votes FOR election will be elected as directors. This is called a plurality. Abstentions and broker non-votes, if any, are not counted for purposes of electing directors and will have no effect on the results of this vote. You may vote either FOR all of the nominees, WITHHOLD your vote from all of the nominees or WITHHOLD your vote from any one or more of the nominees. Votes that are withheld will not be included in the vote tally for the election of directors.

Ratification of Squar Milner LLP as our Independent Registered Public Accounting Firm. The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal is required to ratify Squar Milner LLP as our independent registered public accounting firm for our fiscal year ending September 30, 2016. Abstentions will count as present and entitled to vote for purposes of this proposal and will have the effect of votes against this proposal. Broker non-votes are not considered entitled to vote on this proposal and, as a result, broker non-votes will have no effect on this proposal.

Advisory vote on executive compensation. The affirmative vote of a majority of shares present in person or represented by proxy at the Annual Meeting and entitled to vote on the proposal is required to approve, on an advisory basis, the compensation of our named executive officers. Abstentions will count as present and entitled to vote for purposes of this proposal and will have the effect of votes against this proposal. Broker non-votes are not considered entitled to vote on this proposal and, as a result, broker non-votes will have no effect on this proposal.

How do I vote?

It is important that your shares are represented at the Annual Meeting, whether or not you attend the Annual Meeting in person. To make sure that your shares are represented, we urge you to vote as promptly as possible by signing and dating the enclosed proxy card and returning it in the postage-paid envelope provided or by voting via the Internet or by telephone by following the instructions provided on the enclosed proxy card.

If you are a stockholder of record, there are four ways to vote:

• By calling the toll-free telephone number indicated on your proxy card. Follow the voice prompts to vote your shares and confirm that your instructions have been properly recorded,

• By going to the Internet website indicated on your proxy card. As with telephone voting, you can confirm that your instructions have been properly recorded,

• By signing, dating and returning the accompanying proxy card, or

• By written ballot at the Annual Meeting.

If your shares are held in street name, please follow the voting instructions provided by your bank, broker or other agent. In most cases, you may submit voting instructions by telephone or by Internet to your bank, broker or other agent, or you can sign, date and return a voting instruction form to your bank, broker or other agent. If you provide specific voting instructions by telephone, by Internet or by mail, your bank, broker or other agent must vote your shares as you have directed.

At the Annual Meeting, we will pass out ballots to anyone who wishes to vote in person. If you hold your shares in street name, you must request a legal proxy from your bank, broker or other nominee to vote by ballot at the Annual Meeting.

How can I change or revoke my vote?

You can revoke your proxy at any time before the applicable vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any of the following ways:

• you may submit another properly executed proxy by telephone, by Internet or by signing, dating and returning a later dated proxy card,

• you may send a written notice that you are revoking your proxy to our Corporate Secretary at 16990 Goldentop Road, Suite A, San Diego, California 92127, or

• you may attend the Annual Meeting and vote in person (however, simply attending the Annual Meeting will not, by itself, revoke your proxy).

If your shares are held by your broker, bank or other agent, follow the instructions provided by them.

How many shares must be present to hold the Annual Meeting?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if at least a majority of the outstanding shares as of the close of business on the record date are represented by stockholders present at the meeting or by proxy. At the close of business on the record date, there were 31,798,853 shares outstanding and entitled to vote. Therefore, in order for a quorum to exist, 15,899,427 shares must be represented by stockholders present at the meeting or by proxy. Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other agent) or if you vote in person at the meeting. Abstentions and broker non-votes will be counted towards the quorum requirement.

What if a quorum is not present at the meeting?

If a quorum is not present at the scheduled time of the Annual Meeting, we may adjourn the meeting, either with or without the vote of the stockholders. If we propose to have the stockholders vote whether to adjourn the meeting, the proxyholders will vote all shares for which they have authority in favor of the adjournment. We may also adjourn the meeting if for any reason we believe that additional time should be allowed for the solicitation of proxies. An adjournment will have no effect on the business that may be conducted at the Annual Meeting.

What if a stockholder does not specify a choice for a matter when returning a proxy?

If you indicate a choice on your proxy on a particular matter to be acted upon, the shares will be voted as indicated. If you are a stockholder of record and you return a signed proxy card but do not indicate how you wish to vote, the proxyholders will vote your shares in the manner recommended by our Board of Directors on all matters presented in this Proxy Statement and as the proxyholders may determine in their discretion with respect to any other matters properly presented for a vote at the Annual Meeting. If you do not return a proxy card, your shares will not be voted and will not be deemed present for the purpose of determining whether a quorum exists.

If you are a beneficial owner and the organization holding your account does not receive instructions from you as to how to vote those shares, under the rules of various national and regional securities exchanges, that organization may exercise discretionary authority to vote on routine proposals but may not vote on “non-routine” proposals. As a beneficial owner, you will not be deemed to have voted on such “non-routine” proposals. The shares that cannot be voted by brokers on “non-routine” matters are called broker non-votes. Broker non-votes will be deemed present at the Annual Meeting for purposes of determining whether a quorum exists for the Annual Meeting. The election of directors (Proposal 1) and the advisory vote on executive compensation (Proposal 3) are considered “non-routine” under applicable rules. The ratification of the appointment of Squar Milner LLP as our independent registered public accounting firm for fiscal 2016 (Proposal 2) is considered “routine” under applicable rules.

What does it mean if I receive more than one proxy card?

If you hold your shares in more than one account, you will receive a proxy card for each account. To ensure that all of your shares are voted, please sign, date and return the proxy card for each account or vote via the Internet or by telephone following the instructions provided on the proxy card for each account.

How will voting on any other business be conducted?

Although we do not know of any business to be considered at the Annual Meeting other than the proposals described in this Proxy Statement, if any other business properly comes before the Annual Meeting, your proxy or voting instruction gives authority to the proxyholders to vote on those matters in their discretion.

May I propose matters for consideration at next year’s annual meeting or nominate individuals to serve as directors?

Yes. If you wish to propose a matter for consideration at next year's annual meeting or if you wish to nominate a person for election as one of our directors, see the information set forth in "Stockholder Proposals" and "Stockholder Nominations" below.

How can I find out the results of the voting at the Annual Meeting?

We will announce preliminary voting results at the Meeting and publish final results in a Current Report on Form 8-K within four business days following the Annual Meeting.

Where can I access an electronic copy of the Proxy Statement and Annual Report on Form 10-K for the fiscal year ended September 30, 2015?

You may access an electronic copy of the Proxy Statement, form of proxy card, and the Annual Report on Form 10-K for the fiscal year ended September 30, 2015 at: www.proxyvote.com.

**PROPOSAL ONE
ELECTION OF DIRECTORS**

Settlement of Proxy Contest

On January 14, 2016, we received a notice from Iroquois Master Fund Ltd. ("Iroquois") expressing Iroquois' intention to nominate two directors to stand for election at the Annual Meeting and solicit proxies in favor of its nominees (the "Nomination Notice"). Following receipt of the Nomination Notice, members of our Board met with representatives of Iroquois telephonically and in person, including in-person meetings in Washington, D.C. and in San Francisco, CA. During the second week of March 2016, all of the members of our Nominating and Corporate Governance Committee completed their meetings and interviews of the Iroquois Board nominees and representatives of our Board discussed with Iroquois resolution of the proxy contest, and our and Iroquois' legal representatives prepared documents to reflect the resolution.

On March 11, 2016, we entered into an agreement (the “Investors Agreement”) with Iroquois and certain of its affiliates (the “Stockholder Group”) pertaining to the election of directors at the Annual Meeting. Pursuant to the Investors Agreement:

The Board expanded the size of the Board to seven (7) directors and appointed Scott L. Anchin and Daniel H. McCollum to fill the vacancies created by the expansion, and appointed either Mr. Anchin or Mr. McCollum to each committee of the Board.

The Board nominated Scott L. Anchin, Thomas R. Brown, Laura M. Clague, General John G. Coburn, Daniel H. McCollum and Richard H. Osgood III for election at the 2016 Annual Meeting, is recommending a vote for such nominees and is soliciting proxies for the election of such nominees at the 2016 Annual Meeting. We also agreed to hold the 2016 Annual Meeting no later than July 31, 2016.

We agreed that the Board and each committee of the Board would take all action necessary to cause the Board to have no more than six (6) directors from the 2016 Annual Meeting until the expiration of the Standstill Period (as defined below).

The Stockholder Group agreed to irrevocably withdraw their letter expressing an intention to nominate director candidates (the “Nomination Letter”), and we agreed to pay to the Stockholder Group their legal and advisory fees in connection with the Nomination Letter, up to a maximum of \$130,000.

The Stockholder Group agreed to vote at the 2016 Annual Meeting in favor of the Board nominees and for the other matters recommended by the Board for stockholder approval.

The Stockholder Group agreed to customary standstill restrictions during the period (the “Standstill Period”) beginning on the date of the Investors Agreement and ending on the earlier of (a) ten (10) business days prior to the deadline for submission of stockholder nominations for our 2017 annual meeting of stockholders pursuant to our bylaws (the “2017 Notification Deadline”) and (b) such date, if any, as we breach the Investors Agreement and such breach has not been cured within fifteen (15) days following written notice of such breach; which period will be extended if we notify the Stockholder Group at least fifteen (15) days prior to the 2017 Notification Deadline that the Board intends to nominate and recommend the election of each of Mr. Anchin and Mr. McCollum (or their replacements, as applicable) as nominees at our 2017 annual meeting of stockholders on the slate of director candidates recommended by the Board through the earlier of (i) ten (10) business days prior to the deadline for submission of stockholder nominations for our 2018 annual meeting of stockholders pursuant to our bylaws and (ii) such date, if any, as we breach the Investors Agreement and such breach has not been cured within fifteen (15) days following written notice of such breach.

If either Mr. Anchin or Mr. McCollum is unable to serve on the Board or resigns from the Board (for any reason other than following a breach of the Investors Agreement by the Stockholder Group or their affiliates) during the Standstill Period, the Stockholder Group is entitled to designate a replacement nominee to be approved by the

Nominating and Corporate Governance Committee and appointed to the Board.

The foregoing is not a complete description of the Investors Agreement. For a further description of the Investors Agreement and a copy of the Investors Agreement, please see our Current Report on Form 8-K filed with the SEC on March 14, 2014.

Director Nominees

The Board of Directors currently consists of seven directors. General John G. Coburn, Thomas R. Brown, Laura M. Clague, and Richard H. Osgood III were elected to our Board of Directors at the 2015 annual meeting of stockholders. Scott L. Anchin and Daniel H. McCollum were nominated pursuant to the Investors Agreement. Pursuant to the Investors Agreement, if either of Mr. Anchin or Mr. McCollum is unable to serve on the Board or resigns from the Board (for any reason other than following a breach of the Investors Agreement by the Stockholder Group) during the Standstill Period, the Stockholder Group is entitled to designate a replacement nominee to be approved by our Nominating and Corporate Governance Committee and appointed to the Board.

Each director to be elected will hold office until the next annual meeting of stockholders and until his or her successor is elected and has qualified, or until such director's earlier death, resignation or removal. The Board, upon recommendation by our Nominating and Corporate Governance Committee, has nominated the nominees listed below for election to our Board of Directors. The Board of Directors has determined to reduce the size of the Board of Directors from seven to six directors effective at the Annual Meeting when the term of service has ended for Mr. Dennis J. Wend, who has served as a director since 2013 and has brought valuable insight and expertise to the Board of Directors during his tenure.

We encourage our Board members to attend our annual meeting of stockholders. All nominees who were members of the Board at the time attended the 2015 annual meeting of stockholders.

Nomination Process

In considering candidates for election to the Board, the Nominating and Corporate Governance Committee seeks to assemble a Board that, as a whole, possesses the appropriate balance of professional, management and industry experience, qualifications, attributes, skills, expertise and involvement in areas that are of importance to our business and professional reputation. The Nominating and Corporate Governance Committee also considers other board service, business, financial and strategic judgment of potential nominees, and desires to have a Board that represents a diverse mix of backgrounds, perspectives and expertise consisting of directors who complement and strengthen the skills of other directors and who also exhibit integrity, collegiality, sound business judgment and any other qualities that the Nominating and Corporate Governance Committee views as critical to effective functioning of the Board. Each of the nominees for election to the Board has demonstrated a successful track record of strategic, business and financial planning and operating skills. In addition, each of the nominees for election to the Board has experience in management and leadership development and an understanding of operating and corporate governance issues for a public company such as LRAD Corporation.

Voting

Shares represented by executed proxies will be voted, if authority to do so is not withheld, for the election of the six nominees named below. In the event that any nominee should be unavailable for election as a result of an unexpected occurrence, such shares will be voted for the election of such substitute nominee as management may propose. Each person nominated for election has agreed to serve if elected, and management has no reason to believe that any nominee will be unable to serve. On March 11, 2016, Mr. Brown resigned as our President and Chief Executive Officer effective June 30, 2016. The Board has commenced a search for Mr. Brown's replacement as our President and Chief Executive Officer and expects to appoint Mr. Brown's successor to the Board to fill the vacancy created by Mr. Brown's resignation. The Board may also take action at June 30, 2016 to reduce the size of the Board. Except pursuant to the Investors Agreement, there are no arrangements or understandings between us and any other person pursuant to which they or any other director has been selected as a director or nominee at the Annual Meeting.

The six candidates receiving the highest number of affirmative votes cast at the meeting will be elected directors.

For the reasons set forth in this Proxy Statement, and in particular, each nominee's qualifications and experience described below, the Board unanimously recommends a vote IN FAVOR of each of the Board's nominees for director.

Nominees

The names of the nominees and certain information about them are set forth below. Such information includes their present positions, principal occupations and public company directorships held in the past five years as well as the specific experience, qualifications, attributes or skills of each nominee that led the Board to believe that, as of the date of this Proxy Statement, the nominee is qualified to serve on the Board. However, each member of the Board may have a variety of reasons for believing a particular person would be an appropriate Board member, and these views may differ from the views of other members of the Board.

BOARD AND COMMITTEE MATTERS AND CORPORATE GOVERNANCE MATTERS

Corporate Governance

We maintain a corporate governance page on our website that includes key information about our corporate governance initiatives, including our Code of Business Conduct and Ethics, our Charters for the committees of the Board, and our Whistleblower Protection Policy. The corporate governance page can be found at www.lradx.com by clicking on "Investors," and then on "Governance." The information contained on our website is not incorporated by reference into and does not form a part of this Proxy Statement.

Our policies and practices reflect corporate governance initiatives that are designed to be compliant with the listing requirements of the NASDAQ Stock Market and the corporate governance requirements of applicable securities laws, including:

- A majority of our Board members are independent of our company and our management;
- All members of our standing Board committees are independent of our company and our management;
- The independent members of our Board meet regularly without the presence of management;
- We have a clear code of business conduct and ethics that applies to our principal executive officers, our directors and all of our employees, and is monitored by our Audit Committee;
- The charters of the board committees clearly establish their respective roles and responsibilities; and
- We have a hotline available to all employees, and our Audit Committee has procedures in place for the anonymous submission of employee complaints on accounting, internal accounting controls, or auditing matters.

Board of Directors

Our Board currently consists of seven directors: General John G. Coburn (Chair), Scott L. Anchin, Thomas R. Brown, Laura M. Clague, Daniel H. McCollum, Richard H. Osgood III and Dennis J. Wend. Upon the election of the directors at the Annual Meeting, the size of the Board will reduce to six directors. During the fiscal year ended September 30, 2015, our Board held five meetings. All directors serving on the Board during the fiscal year ended September 30, 2015 attended at least 75% of the aggregate of the total number of the meetings of the Board and the total number of meetings held by all committees of the Board on which he or she served (in each case during the period in which he or she served).

Independence of the Board

As required under the NASDAQ Stock Market listing standards, a majority of the members of a listed company's board of directors must qualify as "independent," as affirmatively determined by the board of directors. After review of all relevant transactions or relationships between each director, or any of his or her family members, and us, our senior management and our independent registered public accounting firm, our Board has affirmatively determined that Mr.

Anchin, Ms. Clague, General Coburn, Mr. McCollum, Mr. Osgood and Mr. Wend are independent directors within the meaning of the applicable NASDAQ listing standards.

Board Leadership Structure

Thomas R. Brown currently serves as Chief Executive Officer and General John G. Coburn serves as Chairman of the Board. On March 11, 2016, Mr. Brown resigned as our President and Chief Executive Officer effective June 30, 2016. The Board has commenced a search for Mr. Brown's replacement as our President and Chief Executive Officer and expects to appoint a replacement prior to the effective date of Mr. Brown's resignation. The Board does not have a formal policy with respect to separation of the offices of Chairman of the Board and Chief Executive Officer, and the Board believes that it should maintain flexibility to select our Chief Executive Officer, Chairman and board leadership structure from time to time. The Board believes that it is currently in our best interest, and that of our stockholders, for Mr. Brown and his replacement to serve as Chief Executive Officer and General Coburn to serve as Chairman. The Board believes that separating these positions allows the Chief Executive Officer to focus on day-to-day business operations, while allowing the Chairman of the Board to lead the Board of Directors in its primary role of review and oversight of management.

Role of Board in Risk Oversight

Our management is primarily responsible to manage risk and inform the Board regarding our most material risks. The Board has oversight responsibility of the processes established to monitor and manage such risks. The Board believes that such oversight function is the responsibility of the entire Board through frequent reports and discussions at regularly scheduled Board meetings. In addition, the Board has delegated specific risk management oversight responsibility to the Audit Committee and to the independent members of the Board. In particular, the Audit Committee oversees management of risks related to accounting, auditing and financial reporting and maintaining effective internal controls for financial reporting. The Compensation Committee oversees risk management related to our executive compensation plans and arrangements. The independent directors on the Board oversee risk management related to the nomination of director candidates and our corporate governance practices. The Board believes that the leadership structure described above under "Board Leadership Structure" facilitates the Board's oversight of risk management because it allows the Board, working through its committees to participate actively in the oversight of management's actions. These specific risk categories and our risk management practices are regularly reviewed by the entire Board in the ordinary course of regular Board meetings.

Executive Sessions

As required under NASDAQ listing standards, during the calendar year ended December 31, 2015, our independent directors met at least twice in regularly scheduled executive sessions at which only independent directors were present.

Stockholder Communications with the Board

We have adopted a formal process by which stockholders may communicate with our Board. The Board recommends that stockholders initiate any communications with the Board in writing and send them in care of Investor Relations by mail to our principal offices, 16990 Goldentop Road, Suite A, San Diego, CA 92127. This centralized process will assist the Board in reviewing and responding to stockholder communications in an appropriate manner. The name of any specific intended Board recipient should be noted in the communication. The Board has instructed Investor Relations to forward such correspondence only to the intended recipients; however, the Board has also instructed Investor Relations, prior to forwarding any correspondence, to review such correspondence and, in its discretion, not to forward certain items if they are deemed of a personal, illegal, commercial, offensive or frivolous nature or otherwise inappropriate for the Board's consideration. In such cases, that correspondence will be forwarded to our corporate Secretary for review and possible response. This information is also contained on our website at www.lradx.com.

Information Regarding the Board Committees

During the full fiscal year ended September 30, 2015, the Board had three standing committees: the Audit Committee, the Compensation Committee and the Nominating and Corporate Governance Committee, which was organized on March 18, 2015. The current charters for the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee can be found on our website at www.lradx.com.

• discusses with management and the independent registered public accounting firm the results of the annual audit and the results in our quarterly financial statements; and

reviews and approves all related party transactions on an ongoing basis.

The Audit Committee has the authority to retain special legal, accounting or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Audit Committee is composed of Ms. Clague (Chair), Mr. Anchin, General Coburn and Mr. Wend. The Audit Committee met four times during fiscal 2015.

The Board annually reviews the NASDAQ listing standards definition of independence for audit committee members and has determined that all members of our Audit Committee are independent under applicable SEC rules and NASDAQ listing standards. Our Board has determined that each member of the Audit Committee is able to read and understand fundamental financial statements, including our company's balance sheet, income statement and cash flow statement. Our Board has also determined that Ms. Clague qualifies as an "audit committee financial expert," as defined in applicable SEC rules. In making such determination, the Board made a qualitative assessment of Ms. Clague's level of knowledge and experience based on a number of factors, including Ms. Clague's formal education and experience.

Compensation Committee

The Compensation Committee assists in the implementation of, and provides recommendations with respect to, our general and specific compensation policies and practices for our company's executives. The Compensation Committee also administers our 2005 Equity Incentive Plan. Among other functions, the Compensation Committee:

- reviews and approves the performance goals and objectives for executive officers, including our Chief Executive Officer;

- evaluates the Chief Executive Officer's performances in light of those goals and objectives and recommends to the Board the Chief Executive Officer's compensation levels;

- recommends to the Board the compensation of executive officers other than the Chief Executive Officer;

- reports on executive compensation for inclusion in our company's proxy statements;

- reviews annually the Board compensation and makes related recommendations to the Board; and

- reviews annually the Compensation Committee's written charter and the committee's performance and reports the same to the Board.

The Compensation Committee has the authority to retain special legal or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Compensation Committee is composed of Mr. Osgood (Chair), Mr. Anchin, General Coburn and Mr. Wend. The Compensation Committee held five meetings during fiscal 2015. Each member of the Compensation Committee is independent under applicable NASDAQ listing standards, an “outside director” as defined in Section 162(m) of the Internal Revenue Code and a “non-employee director” as defined in Rule 16b-3 under the Exchange Act.

Nominating and Corporate Governance Committee

The Nominating and Corporate Governance Committee identifies and recommends to our Board of Directors individuals qualified to become members of the Board, reviews and advises our Board of Directors with respect to corporate governance principals and policies, and oversees the annual evaluation of the Board’s effectiveness. Among other functions, the Nominating and Corporate Governance Committee:

• identifies and evaluates qualified candidates to become members of our Board of Directors;

• recommends nominees for election as directors at the next annual meeting of stockholders (or special meeting of stockholders at which directors are to be elected);

• recommends candidates to fill vacancies on our Board of Directors;

• makes recommendations to our Board of Directors regarding the membership of the committees of our Board of Directors;

• considers, develops and recommends to our Board of Directors policies and procedures with respect to the nomination of directors and other corporate governance matters; and

• oversees the evaluation of our Board of Directors.

The Nominating and Corporate Governance Committee has the authority to retain special legal or other advisors or consultants as it deems necessary or appropriate to carry out its duties. The Nominating and Corporate Governance Committee is composed of General Coburn (chair), Ms. Clague, Messrs. McCollum, Osgood and Wend. The Nominating and Corporate Governance Committee held one meeting during fiscal 2015.

Each member of the Nominating and Corporate Governance Committee is independent under applicable NASDAQ listing standards.

Director Nominations

The Nominating and Corporate Governance Committee makes recommendations to the full Board for nominations to fill vacancies on the Board and for selecting the management nominees for the directors to be elected by our stockholders at each annual meeting.

Director Qualifications

The Nominating and Corporate Governance Committee believes that new candidates for director should have certain minimum qualifications, including having the knowledge, capabilities, experience and contacts that complement those currently existing within our company; ability and qualifications to provide our management with an expanded opportunity to explore ideas, concepts and creative approaches to existing and future issues, and to guide management through the challenges and complexities of building a quality company; ability to meet contemporary public company board standards with respect to general governance; stewardship, depth of review, independence, financial certification, personal integrity and responsibility to stockholders; genuine desire and availability to participate actively in the development of our future; and an orientation toward maximizing stockholder value in realistic time frames. The Nominating and Corporate Governance Committee also intends to consider for new Board members such factors as ability to contribute strategically through relevant industry background and experience, on either the vendor or the end user side; strong current industry contacts; ability and willingness to introduce and open doors to executives of potential customers and partners; current employment as the Chief Executive Officer of an acoustic products, media, advertising, military or government supply company larger than our company; independence from our company and current Board members; and a recognizable name that would add credibility and value to our company and its stockholders. The Nominating and Corporate Governance Committee does not have a formal policy regarding diversity, but as described above considers a broad range of attributes and characteristics in identifying and evaluating nominees for election to the Board. The Nominating and Corporate Governance Committee views diversity broadly to include diversity of experience, skills and viewpoint in addition to more traditional diversity concepts. The Nominating and Corporate Governance Committee may modify these qualifications from time to time.

Evaluating Nominees for Director

The Nominating and Corporate Governance Committee reviews candidates for director nominees in the context of the current composition of our Board, our operating requirements and the long-term interests of stockholders. In conducting this assessment, the Nominating and Corporate Governance Committee currently considers, among other factors, diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board and our company, to maintain a balance of knowledge, experience and capability. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews such directors' overall service to our company during their term, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair such directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee must be independent, which determination is based upon applicable NASDAQ listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee then uses its network of contacts to compile a list of potential candidates, but may also engage, if it deems appropriate, a professional search firm. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the background and qualifications of possible candidates after considering the function and needs of our Board. The Nominating and Corporate Governance Committee meets to discuss and consider such candidates' qualifications and then selects a nominee for recommendation to our Board by majority vote. To date, neither the Nominating and Corporate Governance Committee nor any predecessor to the Nominating and Corporate Governance Committee has paid a fee to any third party to assist in the process of identifying or evaluating director candidates.

Stockholder Nominations

The Nominating and Corporate Governance Committee applies the same guidelines (described above) to stockholder nominees as applied to nominees from other sources. Any stockholder who wishes to recommend for the Nominating and Corporate Governance Committee or the Board of Director's consideration a prospective nominee to serve on the Board may do so by giving the candidate's name and qualifications in writing to the Chair of the Nominating and Corporate Governance Committee at the following address: 16990 Goldentop Road, Suite A, San Diego, California 92127.

Code of Business Conduct and Ethics

We have adopted a “Code of Business Conduct and Ethics,” a code of ethics that applies to all employees, including our executive officers. A copy of the Code of Business Conduct and Ethics is posted on our Internet site at www.lradx.com. In the event we make any amendments to, or grant any waivers of, a provision of the Code of Business Conduct and Ethics that applies to the principal executive officer, principal financial officer, or principal accounting officer that requires disclosure under applicable SEC rules, we intend to disclose such amendment or waiver and the reasons therefor on a Form 8-K or on our next periodic report.

PROPOSAL TWO RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected Squar Milner LLP as our independent registered public accounting firm for the fiscal year ending September 30, 2016. A representative of Squar Milner LLP is expected to be present at the Annual Meeting. If present, the representative will have the opportunity to make a statement if he or she desires to do so and is expected to be available to respond to appropriate questions. Stockholder ratification of the selection of Squar Milner LLP is not required by our bylaws or otherwise. However, we are submitting the selection of Squar Milner LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the selection, the Audit Committee will consider whether or not to retain that firm. Even if the selection is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interest of our company and our stockholders.

The affirmative vote of a majority of the votes cast at the meeting, either in person or by proxy, is required to ratify the selection of Squar Milner LLP. Abstentions will be counted toward the tabulation of votes cast on proposals presented to the stockholders for the purpose of determining a quorum and will have the same effect as negative votes. Broker non-votes are counted towards a quorum, but are not counted for any purpose in determining whether this matter has been approved.

Audit Committee Pre-Approval Policies and Procedures

All audit and non-audit services are pre-approved by the Audit Committee, which considers, among other things, the possible effect of the performance of such services on the registered public accounting firm's independence. The Audit Committee pre-approves the annual engagement of the principal independent registered public accounting firm, including the performance of the annual audit and quarterly reviews for the subsequent fiscal year, and pre-approves specific engagements for tax services performed by such firm. The Audit Committee has also established pre-approval policies and procedures for certain enumerated audit and audit related services performed pursuant to the annual engagement agreement, including such firm's attendance at and participation at Board and committee meetings; services of such firm associated with SEC registration statements, periodic reports and other documents filed with the SEC or other documents issued in connection with securities offerings, such as comfort letters and consents; such firm's assistance in responding to any SEC comment letters; and consultations with such firm as to the accounting or disclosure treatment of transactions or events and/or the actual or potential impact of final or proposed rules, standards or interpretations by the SEC, Public Company Accounting Oversight Board, Financial Accounting Standards Board, or other regulatory or standard-setting bodies. The Audit Committee is informed of each service performed pursuant to its pre-approval policies and procedures.

The Audit Committee has considered the role of Squar Milner LLP in providing services to us for the fiscal year ended September 30, 2015 and has concluded that such services are compatible with such firm's independence.

Our Board of Directors recommends a vote IN FAVOR of the ratification of the selection of our independent registered public accounting firm.

**PROPOSAL THREE
ADVISORY VOTE ON EXECUTIVE COMPENSATION**

Consistent with the vote of our stockholders, our Board of Directors has determined to submit the approval of our executive compensation annually to our stockholders on a non-binding basis. This proposal, commonly known as a "say-on-pay" proposal, gives stockholders the opportunity to express their views on the compensation of our named executive officers. The vote is not intended to address any specific item of compensation, but rather the overall compensation of our named executive officers. Our executive compensation program received the support of stockholders holding 94.7% of our stock that was voted on the matter at our 2015 annual meeting of stockholders.

Our executive compensation program is designed to attract, motivate and retain a talented team of executives. We seek to accomplish this goal in a way that rewards performance that is aligned with our stockholders' long-term interests. We believe that our executive compensation program satisfies this goal and is strongly aligned with the long-term interests of our stockholders.

In accordance with the requirements of Section 14A of the Exchange Act, we are including in this Proxy Statement a separate resolution, subject to a non-binding stockholder vote, to approve the compensation of our named executive officers as disclosed in this Proxy Statement. Accordingly, the following resolution is submitted for stockholder vote at the 2016 Annual Meeting:

"RESOLVED, that the stockholders of LRAD Corporation approve, on an advisory basis, the compensation of its named executive officers as disclosed in the tabular disclosure regarding named executive officer compensation and the accompanying narrative disclosure in the Proxy Statement for the 2016 Annual Meeting."

As an advisory vote, this proposal is not binding. However, the Compensation Committee, which is responsible for designing and administering our executive compensation program, values the opinions expressed by stockholders in their vote on this proposal and will continue to consider the outcome of the vote when making future compensation decisions for named executive officers.

Our Board of Directors recommends that stockholders vote FOR the approval, on an advisory basis, of the compensation of our named executive officers, as disclosed in this Proxy Statement.

Executive Officer and Employee Incentive Plan

On October 16, 2015, the Compensation Committee of our Board recommended, and the Board approved, an incentive bonus plan for fiscal year 2016 designed to motivate our employees to achieve our financial objectives and to reward them for their achievements when our objectives are met. All of our employees will be entitled to participate in the incentive plan. Target bonus amounts vary based on a percentage of the employee’s base salary, which are 50% of base salary for executive officers and range from 10% to 50% of base salary for other employees depending on their level of responsibility. A bonus payment will be made at three levels, including at 50% of target, at 100% of target and at 200% of target, depending upon the achievement by our company of specified earnings per share goals. For purposes of the earnings per share calculation, the number of shares outstanding will be held constant as of October 1, 2015.

Original solicitation of proxies by mail may be supplemented by telephone, telegram or personal solicitation by

directors, officers or other regular employees of our company. No additional compensation will be paid to directors, officers or other regular employees for such services.

Householding of Proxy Materials

In some cases, stockholders holding their shares in a brokerage or bank account who share the same surname and address and have not given contrary instructions received only one copy of the proxy materials. This practice is designed to reduce duplicate mailings and save printing and postage costs. If you would like to have a separate copy of our annual report and/or proxy statement mailed to you or to receive separate copies of future mailings, please submit your request to the address or phone number that appears on your proxy card. We will deliver such additional copies promptly upon receipt of such request.

In other cases, stockholders receiving multiple copies at the same address may wish to receive only one. If you now receive more than one copy, and would like to receive only one copy, please submit your request to the address or phone number that appears on your proxy card. A copy of our Annual Report to the Securities and Exchange Commission on Form 10-K for the fiscal year ended September 30, 2015 has been made available on-line or will be mailed upon request by our proxy service. Exhibits to the Form 10-K are available without charge upon written request to the Secretary at LRAD Corporation, 16900 Goldentop Road, Suite A, San Diego, California 92127.

Electronic Delivery of Proxy Materials and Annual Reports

If you are a stockholder of record, you may request and consent to electronic delivery of our future proxy materials and annual reports by following the instructions on your proxy card. If your shares are held in street name, please contact your broker, bank or other nominee and ask about the availability of electronic delivery. If you select electronic delivery, we will discontinue mailing the proxy materials and annual reports to you beginning next year and you will be sent an e-mail message notifying you of the Internet address or addresses where you may access the proxy materials and annual report. Your consent to electronic delivery will remain in effect until you revoke it. If you selected electronic delivery last year, we will not mail the materials to you this year and you will receive an e-mail message with the Internet address where you may access the proxy materials and annual report for the current year.
