The information required by this section is incorporated by reference from the section entitled “Proposal 1—Election of Directors” in the Proxy Statement. Item 405 of Regulation S-K calls for disclosure of any known late filing or failure by an insider to file a report required by Section 16 of the Exchange Act. Our bylaws provide that the Board shall consist of not less than two and not more than seven directors. The Board currently consists of seven members. The Board has fixed the size of the Board to be elected in 2018 at seven members. Our company recognizes compensation expense for stock option awards on a straight-line basis over the applicable service period of the award, which is the vesting period. Share-based compensation expense is based on (1) the grant date fair value estimated using the Black-Scholes method. The amounts in the “Stock Awards” and “Option Awards” columns reflect the aggregate fair value of awards of stock or options calculated as of the grant date. These amounts do not represent cash paid to or realized by any of the recipients during the years indicated.

(2) In 2017 and 2018 the employment agreement for Mr. Calvert provided for a base salary of \$288,603 and other compensation for health insurance and an automobile allowance. During the year ended December 31, 2017, Mr. Calvert agreed to forego \$27,796 of cash compensation due to him and accept 71,273 shares of our common stock

The common stock issued to Mr. Calvert is subject to a “lock up agreement” that prohibits Mr. Calvert from selling the shares until the earlier of (i) the sale of the Company; (ii) the successful commercialization of BioLargo’s products or technologies as demonstrated by its receipt of at least \$3,000,000 in cash, or the recognition of \$3,000,000 in revenue, over a 12-month period from the sale of products and/or the license of technology; and (iii) the Company’s breach of the employment agreement between the Company and Calvert dated May 2, 2017 and resulting in Calvert’s termination. (See “Employment Agreements—*Dennis P. Calvert*” and “Outstanding Equity Awards at Fiscal Year-End” below for more details).

Calvert, 1,500,000 shares of common stock, subject to a “lock-up agreement” whereby the shares remain unvested until the (3) occurrence of certain events. As no such events occurred during 2017, and thus no shares vested, the value of the award in 2017 was recorded as zero. (See “Employment Agreements—*Dennis P. Calvert*” and “Outstanding Equity Awards at Fiscal Year-End” below for more details.)

On May 2, 2017, pursuant to his employment agreement, we granted to our president, Dennis P. Calvert, an option to purchase 3,731,322 shares of the Company’s common stock. The option is a non-qualified stock option, exercisable at \$0.45 per share, the closing price of our common stock on the grant date, exercisable for ten years from the date of grant, and vesting in equal increments on the anniversary of the option agreement for five years. (4) Any portion of the option which has not yet vested shall immediately vest in the event of, and prior to, a change of control, as defined in the employment agreement. The option cliff vests in 4 equal amounts on each anniversary of the option agreement. The option agreement contains the other terms standard in option agreements issued by the Company, including provisions for a cashless exercise. "Disability" as used in the Calvert Employment Agreement means physical or mental incapacity or illness rendering Mr. Calvert unable to perform his duties on a long-term basis (i) as evidenced by his failure or inability to perform his duties for a total of 120 days in any 360-day period, or (ii) as determined by an independent and licensed physician whom Company selects, or (iii) as determined without recourse by the Company's disability insurance carrier. All other terms in the 2007 agreement remain the same in the Code Employment Agreement.

In addition, Mr. Code will be eligible to participate in incentive plans, stock option plans, and similar arrangements as determined by our board of directors. When such benefits are made available to our senior employees, Mr. Code is also eligible to receive health insurance premium payments for himself and his immediate family, a car allowance of \$800 per month, paid vacation of four weeks per year plus an additional two weeks per year for each full year of service during the term of the agreement up to a maximum of 10 weeks per year, life insurance equal to three times his base salary and disability insurance.

The Code Employment Agreement further requires Mr. Code to keep certain information confidential, not to solicit customers or employees of our company or interfere with any business relationship of our company, and to assign all inventions made or created during the term of the Code Employment Agreement as "work made for hire".

On February 10, 2017, we and Mr. Dargan further extended his engagement agreement. The extension provides for an additional term to expire September 30, 2017 (the “Extended Term”), and is retroactively effective to the termination of the prior extension on October 1, 2016. This more recent extension again compensates Mr. Dargan through the issuance of an option to purchase 300,000 shares of the Company’s common stock. The strike price of the option is \$0.69 per share, which is equal to the closing price of the Company’s common stock on February 10, 2017, expires February 10, 2027, and vests over the term of the engagement with 125,000 shares having vested as of February 10, 2017, and the remaining shares to vest 25,000 shares monthly beginning March 1, 2017, and each month thereafter, so long as his agreement is in full force and effect.

On December 31, 2017, we and Mr. Dargan further extended his engagement agreement. The extension provides for an additional term to expire September 30, 2018 (the “Extended Term”), and is retroactively effective to the termination of the prior extension on October 1, 2017. This more recent extension again compensates Mr. Dargan through the issuance of an option to purchase 300,000 shares of the Company’s common stock. The strike price of the option is \$0.39 per share, which is equal to the closing price of the Company’s common stock on December 29, 2017, expires December 31, 2027, and vests over the term of the engagement with 75,000 shares having vested as of December 31, 2017, and the remaining shares to vest 25,000 shares monthly beginning January 31, 2018, and each month thereafter, so long as his agreement is in full force and effect.

On January 16, 2019, we and Mr. Dargan formally agreed to extend his engagement agreement. The extension provides for an additional term to expire September 30, 2019, and is retroactively effective to the termination of the prior extension on September 30, 2018. Mr. Dargan has been serving as the Company’s Chief Financial Officer since such termination pursuant to the terms of the December 31, 2017 extension. This extension again compensates Mr. Dargan through the issuance of an option to purchase 300,000 shares of the Company’s common stock, at a strike price equal to the closing price of the Company’s common stock on January 16, 2019 of \$0.223, to expire January 16, 2029, and to vest over the term of the engagement with 75,000 shares having vested as of December 31, 2018, and the remaining shares to vest 25,000 shares monthly beginning January 31, 2019, and each month thereafter, so long as the engagement agreement is in full force and effect. The Option was issued pursuant to the Company’s 2018 Equity Incentive Plan. The issuance of the Option is Mr. Dargan’s sole source of compensation for the extended term. As was the case in all prior terms of his engagement, there is no cash component of his compensation for the Extended Term. Mr. Dargan is eligible to be reimbursed for business expenses he incurs in connection with the performance of his services as the Company’s Chief Financial Officer (although he has made no such requests for reimbursement in the past). All other provisions of the Engagement Agreement not expressly amended pursuant to the Engagement Extension Agreement remain the same, including provisions regarding indemnification and arbitration of disputes.

On August 7, 2007, our Board adopted the BioLargo, Inc. 2007 Equity Incentive Plan (“2007 Plan”) as a means of providing our directors, key employees and consultants additional incentive to provide services. Both stock options and stock grants were made under this plan, as administered by the Compensation Committee. The plan automatically terminated on September 7, 2017 (10 years from the date of adoption by the Company’s stockholders).

The plan allows for the grant of stock options, restricted stock awards, stock bonus awards, stock appreciation rights, restricted stock units and performance awards in any combination, separately or in tandem. Our company has adopted a policy that all transactions between our company and its executive officers, directors and other affiliates must be approved by a majority of the members of our board of directors and by a majority of the disinterested members of our board of directors, and must be on terms no less favorable to our company than could be obtained from unaffiliated third parties.
