This Information Statement contains a brief summary of the material aspects of the Actions approved by the Majority Stockholder.

AMENDMENT TO COMPANY'S CERTIFICATE OF INCORPORATION TO INCREASE THE COMPANY'S AUTHORIZED SHARES

The Majority Stockholder, on November 2, 2018, authorized the increase of the Company's shares of authorized Common Stock from 240,000,000 to 340,000,000.

The Majority Stockholder believes that it is advisable and in the best interests of the Company and its shareholders effect an Increase of Authorized Shares in order to provide additional shares that could be issued for raising of additional equity capital or other financing activities, stock dividends or the exercise of stock options and warrants and to provide additional shares that could be issued in an acquisition or other form of business combination and to better position the Company for future trading should a transaction be entered into and completed. The future issuance of additional shares of Common Stock on other than a pro rata basis to existing stockholders will dilute the ownership of the current stockholders, as well as their proportionate voting rights.

THERE CAN BE NO ASSURANCE THAT A SUITABLE BUSINESS OPPORTUNITY WILL BE EFFECTED FOLLOWING THE COMPLETION OF THE INCREASE IN AUTHORIZED SHARES OF COMMON STOCK.

Attached as **Exhibit A** and incorporated herein by reference is the text of the Certificate of Amendment to Certificate of Incorporation (the “Amended Certificate”) as approved by the Majority Stockholder. The Increase in Authorized Shares will be effected by filing the Amended Certificate with the Secretary of State of New York, which is expected to occur approximately twenty (20) days after the mailing of this Information Statement. The Increase in Authorized Shares will become effective upon such filing.

Effects of Amendment.

The following table summarizes the principal effects of the Increase in the Authorized Shares:

	Pre-Increase	Post-Increase
<i>Common Shares</i>		
<i>Issued and Outstanding</i>	148,900,182	148,900,182
<i>Authorized</i>	240,000,000	340,000,000

Potential Anti-takeover effects of the increase in authorized shares.

The implementation of the Increase in Authorized Shares will have the effect of increasing the proportion of unissued authorized shares to issued shares. Under certain circumstances this may have an anti-takeover effect. These authorized but unissued shares could be used by the Company to oppose a hostile takeover attempt or to delay or prevent a change of control or changes in or removal of the Board, including a transaction that may be favored by a majority of our shareholders or in which our shareholders might receive a premium for their shares over then-current market prices or benefit in some other manner. For example, without further stockholder approval, the Board could issue and sell shares, thereby diluting the stock ownership of a person seeking to effect a change in the composition of our Board or to propose or complete a tender offer or business combination involving us and potentially strategically placing shares with purchasers who would oppose such a change in the Board or such a transaction.

Although an increased proportion of unissued authorized shares to issued shares could, under certain circumstances, have a potential anti-takeover effect, the proposed amendments to our Certificate of Incorporation is not in response to any effort of which we are aware to accumulate the shares of our Common Stock or obtain control of the Company. There are no plans or proposals to adopt other provisions or enter into other arrangements that may have material anti-takeover consequences.

The Board does not intend to use the consolidation as a part of or a first step in a “going private” transaction pursuant to Rule 13e-3 under the Securities Exchange Act of 1934, as amended. Moreover, we are currently not engaged in any negotiations or otherwise have no specific plans to use the additional authorized shares for any acquisition, merger or consolidation.

Dissenters’ Rights.

No dissenters’ or appraisal rights are available to our stockholders under the New York Business Corporation Law in connection with the proposed amendment to our Certificate of Incorporation to effect the Increase in Authorized Shares.

Actions to be taken.

This Information Statement contains a brief summary of the material aspects of the Actions approved by the Majority Stockholder.

The Name Change and the Increase in Authorized Shares will become effective on the date that is twenty (20) calendar days after the mailing of this information statement to stockholders.

We currently expect that such effective date will be on or about November ___, 2018.

If multiple stockholders sharing an address have received one copy of this Information Statement or any other corporate mailing and would prefer the Company to mail each stockholder a separate copy of future mailings, you may mail notification to, or call the Company at, its principal executive offices. Additionally, if current stockholders with a shared address received multiple copies of this Information Statement or other corporate mailings and would

prefer the Company to mail one copy of future mailings to stockholders at the shared address, notification of such request may also be made by mail or telephone to the Company's principal executive offices.
