Item 4.01. Changes in Registrant's Certifying Accountant.

Previous Independent Registered Public Accounting Firm:

(a) On April 15, 2014, Eco-Shift Power Corp. (the "Company") dismissed the registered independent public accounting firm, Schwartz Levitsky Feldman LLP ("SLF").

SLF's report on the financial statements for the year ended December 31, 2013 and their predecessor auditor's report on the financial statements for the year ended December 31, 2012 contained no adverse opinion or disclaimer of (b) opinion and was not qualified or modified as to uncertainty, audit scope or accounting principle, except that those reports contained an explanatory paragraph that raised substantial doubt about the Company's ability to continue as a going concern.

Our Board of Directors participated in and approved the decision to change independent accounting firm. During the years ended December 31, 2013 and 2012, and in the subsequent period through April 15, 2014, the date of (c) dismissal of SLF, there have been no disagreements with SLF or their predecessor auditor on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements if not resolved to the satisfaction of SLF or their predecessor auditor would have caused them to make reference thereto in their report on the financial statements for such year.

(d) We have authorized SLF to respond fully to the inquiries of the successor registered independent public accounting firm.

(e) During the years ended December 31, 2013 and 2012, and in the subsequent period through April 15, 2014, the date of dismissal of SLF, there have been no reportable events as defined in Item 304(a)(1)(v) of Regulation S-K.

The Company has provided a copy of the above disclosures to SLF and requested SLF to provide it with a letter (f) addressed to the U.S. Securities and Exchange Commission stating whether or not SLF agrees with the above disclosures. A copy of SLF's response letter is attached hereto as Exhibit 16.1.

New Independent Registered Public Accounting Firm:

On April 15, 2014, the Company engaged SRCO Professional Corporation, Chartered Accountant ("SRCO") as the Company's new independent registered public accounting firm. During the years ended December 31, 2013 and 2012, and the subsequent interim period prior to the engagement of SRCO, the Company has not consulted SRCO regarding (i) the application of accounting principles to any specified transaction, either completed or proposed; (ii) the type of audit opinion that might be rendered on the Company's financial statements, and either a written report was provided to the registrant or oral advice was provided that the new accountant concluded was an important factor considered by the registrant in reaching a decision as to the accounting, auditing or financial reporting issue; or (iii) any other matter that was the subject of a disagreement between us and our former auditor or was a reportable event (as described in Items 304(a)(1)(iv) or Item 304(a)(1)(v) of Regulation S-K, respectively).

Item 9.01 Financial Statements and Exhibits.
