EXPLANATORY NOTE

The purpose of this Current Report on Form 8-K is to file with the Securities and Exchange Commission (the “SEC”) certain supplemental information in compliance with SEC rules and regulations relating to our acquisition of Qvidian Corporation (“Qvidian”). The SEC rules require us to file certain acquisition information (the “Required Information”). We initially filed certain Qvidian historical financial information for the period ending December 31, 2016 and certain Qvidian historical financial information and certain Upland Software, Inc. (“Upland”) pro forma financial information for the periods ending September 30, 2017 and December 31, 2016. The SEC rules now, due to a lapse of time, require us to supplementally file portions of the Required Information for the period ending December 31, 2017. Our initial filing was timely filed and contained all information required by the SEC rules. None of that information has changed since it was filed. This supplemental filing merely extends the period pertaining to certain of the Required Information. For ease of reference, below is a more detailed description of each of our initial filing and the Required Information contained therein.

As previously reported, on November 16, 2017 Upland completed its acquisition of Qvidian, a Massachusetts-based provider of cloud-based RFP and sales-proposal automation software, pursuant to an Agreement and Plan of Merger dated November 16, 2017, by and among Upland, Qvidian, Quest Acquisition Corporation I, a Delaware Corporation and wholly owned subsidiary of Upland (the “Merger Sub”), and Christian Meininger, as Securityholder Representative (the “Merger Agreement”). Pursuant to the Merger Agreement and the General Corporation Law of the State of Delaware, at the closing of the transactions contemplated therein (the “Closing”), the Merger Sub merged with and into Qvidian (the “Merger”), with Qvidian continuing as the surviving corporation of the Merger and a wholly owned subsidiary of Upland. Subsequent to Closing, in order to comply with the SEC’s rules and regulations, Upland timely filed on January 26, 2018 a Current Report on Form 8-K with the SEC containing the following financial information:

- a. The unaudited pro forma condensed combined financial statements of Upland Software, Inc. and Qvidian Corporation as of and for the nine months ended September 30, 2017 and the year ended December 31, 2016,
- b. The audited consolidated balance sheet of Qvidian Corporation as of December 31, 2016, the audited consolidated statement of operations, comprehensive loss, changes in stockholders' deficit and cash flows for the year then ended, and the notes related thereto, and
- b. The unaudited condensed consolidated financial statements of Qvidian Corporation, including the condensed consolidated balance sheet as of September 30, 2017 and December 31, 2016, and the unaudited condensed consolidated statements of operations, comprehensive loss and cash flows of Qvidian Corporation for the nine months ended September 30, 2017 and 2016, and the notes related thereto.

The purpose of this supplemental filing on a Current Report on Form 8-K is to timely file updated unaudited pro forma condensed consolidated financial information of Upland for the year ended December 31, 2017, which contains the unaudited statements of operations of each of:

- Qvidian for the twelve months ended December 31, 2017, and
- Upland for the twelve months ended December 31, 2017.

Thus, the updated pro forma financial information merely adds:

- 61 days of historical results of Qvidian, covering the period from October 1, 2017 through the effective closing on November 30, 2017, and
- 2 fiscal quarters of historical results of Upland, covering the period from July 1, 2017 through December 31, 2017.

This supplemental pro forma financial information is provided for informational purposes only and does not purport to represent what the actual consolidated results of operations or the consolidated financial position of Upland would have been had the Merger occurred on the dates assumed therein, nor is it necessarily indicative of future consolidated

This supplemental pro forma financial information should be read in conjunction with the accompanying notes thereto and the audited consolidated financial statements and accompanying notes thereto of Upland contained in its annual report on Form 10-K for the year ended December 31, 2017.
