During the last five years, none of the Reporting Persons has not (i) been convicted in a criminal proceeding (excluding traffic violations or similar misdemeanors) or (ii) been a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result of such proceeding was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

CUSIP No. 82988R203 **SCHEDULE 13D** Page 5 of 9

Item 3. Source and Amount of Funds or Other Consideration.

Each of the Reporting Person acquired beneficial ownership of the Securities with his own personal funds and not with borrowed funds.

Item 4. Purpose of Transaction.

The Reporting Persons believe the securities of the Issuer are significantly undervalued. The Reporting Persons believe the Issuer operates in a highly strategic area of the technology industry with an attractive competitive position and a compelling product set, the value of which is not reflected in the Issuer's current market value. The Reporting Persons believe there are strategic and operational opportunities for the Issuer that would meaningfully increase value to shareholders and are willing to initiate a dialogue with the Issuer's management and Board of Directors (the "Board") regarding those opportunities.

At the same time, the Reporting Persons believe that each of Betsy Bernard, Richard O'Connell, Jonathan Sandelman and Joseph Beatty have demonstrated extremely poor judgement in the oversight of the business of the Issuer and the Issuer's management. As such, the Reporting Persons believe that the Issuer would be better positioned to capitalize on strategic and operational opportunities and increase shareholder value if the current Board was reconstituted by removing such members of the Board and replacing them with individuals whom the Reporting Persons believe are more likely to oversee the Issuer with a greater degree of success. To that end, the Reporting Persons would be supportive of an effort to remove each of Betsy Bernard, Richard O'Connell, Jonathan Sandelman and Joseph Beatty from the Board and to replace such directors with individuals better aligned with the interests of the Issuer's shareholders.

Depending upon overall market conditions, other investment opportunities available to the Reporting Persons, and the availability of securities of the Issuer at prices that would make the purchase or sale of such securities desirable, the Reporting Persons may endeavor (i) to increase or decrease their respective positions in the Issuer through, among other things, the purchase or sale of securities of the Issuer on the open market or in private transactions, on such terms and at such times as the Reporting Persons may deem advisable and/or (ii) to enter into transactions that increase or hedge their economic exposure to the Common Stock without affecting their beneficial ownership of shares of Common Stock.

No Reporting Person has any present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D except as set forth herein or such as would occur upon or in connection with completion of, or following, any of the actions discussed herein. The Reporting Persons may take positions and/or make proposals with respect to potential changes in the operations, management, the certificate of incorporation and bylaws, Board composition, ownership, capital or corporate structure, dividend policy, strategy and plans of the Issuer as a means of enhancing shareholder value or may change their intention with respect to any and all matters referred to in Item 4. The Reporting Persons intend to review their investment in the Issuer on a continuing basis and may from time to time in the future express their views to and/or meet with management, the Board, other shareholders or third parties, including, potential acquirers, service providers and financing sources, and/or formulate plans or proposals regarding the Issuer, its assets or its securities. Such proposals or positions may include one or more plans that relate to or would result in any of the actions set forth in subparagraphs (a) - (j) of Item 4 of Schedule 13D.
