Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.

Amended and Restated Articles of Association

On May 14, 2014, Frank's International N.V. (the "Company") amended and restated its Articles of Association (as amended, the "Articles"), effective as of May 14, 2014 immediately upon the approval by the Company's shareholders (as described below). The amendments effected the following changes:

the authorized capital of the Company was increased from EUR 2,400,000 to EUR 7,980,960;

a clarification that the Company's board of managing directors (the "Management Board"), with approval by the Company's board of supervisory directors (the "Supervisory Board"), has the authority to determine the reservation and distribution of the Company's profits (remaining after the payment of the dividend on the Company's preferred stock), giving the Management Board, with approval by the Supervisory Board, the ability to resolve to pay quarterly dividends, annual dividends and other distributions;

the removal of the general fifteen days' notice period for convening shareholder meetings, since applicable law and New York Stock Exchange regulations may require a different period;

the inclusion of a provision as required under Dutch law to enable the Company to apply a record date (known under Dutch law as a "registration date") when convening a shareholders meeting, which according to Dutch law as presently in force is required to be the twenty-eighth day before the day of the meeting; and

an amendment to the liquidation proceeds clause in the Articles in order to clarify that upon the liquidation of the Company, the entitlement of the holders of the Company's preferred stock will be limited to their unpaid dividends for previous years, the pro rata dividend for the current year and the nominal amount paid for those shares and whatever sum remains will be paid to the holders of the Company's common shares in proportion to their shareholdings.

The foregoing description of the amendments is not complete and is qualified in its entirety by reference to the full text of the Articles, as amended and restated, which is filed as Exhibit 3.1 to this Current Report on 8-K and incorporated in this Item 5.03 by reference.
