ACQUIRED PORTFOLIO

NOTES TO COMBINED STATEMENTS OF REVENUES AND CERTAIN OPERATING EXPENSES

1. BASIS OF PRESENTATION

On May 24 and 25, 2017, Urban Edge Properties ("UE", "Urban Edge" or the "Company") acquired a portfolio of seven retail assets (the "Acquired Portfolio" or the "Portfolio") comprised of 1.5 million square feet of gross leasable area and located predominantly in the New York City metropolitan area.

The accompanying combined financial statements have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X of the U.S. Securities and Exchange Commission (the "SEC") for inclusion on Form 8-K/A for the acquisition of real estate properties. The combined financial statements are not representative of the actual operations for the periods presented as revenues and certain operating expenses, which may not be directly attributable to the revenue and expenses expected to be incurred through future operations of the Acquired Portfolio, have been excluded. Such items include general and administrative expenses, depreciation and amortization expenses, interest expense, and interest income.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Use of Estimates — The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the reported amounts of revenue and certain operating expenses during the reporting period. Actual results could differ from those estimates.

Unaudited Interim Statement — The combined statement of revenues and certain operating expenses for the three months ended March 31, 2017, is unaudited. In the opinion of management, all normal recurring adjustments necessary for a fair representation of the combined statement of revenues and certain operating expenses for the interim period have been made.

Revenue Recognition — The Company has the following revenue sources and revenue recognition policies with respect to the Acquired Portfolio:

Base Rent - the Acquired Portfolio recognizes income arising from minimum lease payments from tenant leases.

¶These rents are recognized over the non-cancelable term of the related leases on a straight-line basis which includes the effects of rent steps and rent abatements under the leases.

Expense Reimbursements - the Acquired Portfolio has revenue arising from tenant leases which provide for the recovery of all or a portion of the operating expenses and real estate taxes of the respective property. This revenue is accrued in the same periods as the expenses are incurred.

Operating Expenses — Represents the direct expenses of operating the properties and includes repairs and maintenance, utilities, property insurance, management fees and other property expenses that, with the exception of management fees, are expected to continue in the ongoing operations of the Portfolio. Expenditures for repairs and maintenance are expensed as incurred.

3. LEASES

There are various operating lease agreements in place with tenants of the Acquired Portfolio. The leases provide for the payment of fixed base rents payable monthly in advance as well as reimbursements of real estate taxes, insurance and maintenance costs.

As of March 31, 2017, the future base rental revenue under these non-cancelable operating leases is as follows:

(Amounts in thousands)

Year Ending December 31,	
2017 (Nine months ending December 31, 2017)	\$ 15,840
2018	19,414
2019	16,167
2020	14,355
2021	11,803
Thereafter	45,558

4. TENANT CONCENTRATION

For the three months ended March 31, 2017, and the year ended December 31, 2016, Best Buy accounted for approximately \$2.5 million or 11% (unaudited) of the Acquired Portfolio's annualized base rent. If Best Buy was to default on its leases, the future revenue of the Portfolio may be materially and adversely impacted.

5. RELATED PARTY TRANSACTIONS

Nine affiliated property ownership entities owned the properties that comprise the Acquired Portfolio. The affiliated property ownership entities paid an affiliate of the General Partner property management fees based on agreements under which an affiliate of the General Partner provided management services to the Acquired Portfolio properties. Management fees are calculated as 4% of gross income at Yonkers Gateway Center and 5% of gross income for all other of the Acquired Portfolio properties.

6. COMMITMENTS AND CONTINGENCIES

The properties in the Acquired Portfolio are subject to legal proceedings and claims that arise in the ordinary course of business. These matters are generally covered by insurance. Management believes that the ultimate settlement of these actions will not have a material adverse affect on the Portfolio's results of operations.

7. SUBSEQUENT EVENTS

Pursuant to the Subsequent Events Topic of the FASB ASC, the Company has evaluated subsequent events and transactions through July 31, 2017, the date the combined financial statements were available to be issued, for

potential recognition or disclosure in the combined financial statements. Based on this evaluation, the Company has determined there are no subsequent events required to be disclosed.

URBAN EDGE PROPERTIES AND URBAN EDGE PROPERTIES LP
UNAUDITED PRO FORMA FINANCIAL INFORMATION

On May 24 and 25, 2017, Urban Edge Properties (the "Company") and its operating partnership, Urban Edge Properties LP (the "Operating Partnership", and together with the Company, "Urban Edge"), acquired a portfolio of seven retail assets (the "Acquired Portfolio" or the "Portfolio") comprising 1.5 million square feet of gross leasable area, predominantly in the New York City metropolitan area. The Portfolio was purchased for a total purchase price of \$325 million. At closing, Urban Edge funded the transaction through the issuance of approximately \$122 million of Operating Partnership units, the assumption of approximately \$33 million of existing debt, the issuance of approximately \$126 million of non-recourse, secured debt and approximately \$44 million of cash.

The unaudited pro forma consolidated balance sheet as of March 31, 2017 and unaudited pro forma consolidated statements of operations for the three months ended March 31, 2017 and the year ended December 31, 2016, are based upon the historical financial statements of the Company and the historical financial statements of the Acquired Portfolio.

The unaudited pro forma consolidated balance sheet as of March 31, 2017 has been prepared as if the acquisition had occurred on that date. The unaudited pro forma consolidated statements of operations for the three months ended March 31, 2017 and the year ended December 31, 2016, have been prepared as if the acquisition had occurred on January 1, 2016, the beginning of the most recent full fiscal year. The unaudited pro forma consolidated financial information has also been prepared including certain other pro forma adjustments, as described in the accompanying notes to the pro forma financial information.

The following pro forma financial information and accompanying notes should be read in conjunction with: (i) the Company's unaudited historical consolidated financial statements set forth in its Quarterly Report on Form 10-Q as of and for the three months ended March 31, 2017, as filed with the Securities and Exchange Commission ("SEC") on May 3, 2017; (ii) the Company's audited historical consolidated financial statements set forth in its Annual Report on Form 10-K as of and for the year ended December 31, 2016, as filed with the SEC on February 16, 2017; and (iii) the Acquired Portfolio's combined statements of revenue and certain operating expenses set forth in this Current Report on Form 8-K/A.

The pro forma adjustments reflected in the unaudited pro forma consolidated financial information are based upon currently available information and certain assumptions and estimates; therefore, the actual effects of these transactions will differ from the pro forma adjustments. However, the Company's management considers the pro forma adjustments to be factually supportable and to appropriately represent the expected impact of items that are directly attributable to the acquisition by the Company. In management's opinion, all adjustments necessary to reflect the effects of these transactions have been made.

The unaudited pro forma consolidated statements of operations are not necessarily indicative of what the Company's actual results of operations would have been had it completed the above acquisition on January 1, 2016, nor does it purport to represent its future operations.

URBAN EDGE PROPERTIES AND URBAN EDGE PROPERTIES LP
 NOTES TO PRO FORMA CONSOLIDATED FINANCIAL STATEMENTS
 (Unaudited)

PRO FORMA ADJUSTMENTS

Consolidated balance sheet

(a) Reflects the historical consolidated balance sheet of Urban Edge as of March 31, 2017 as presented in its Quarterly Report on Form 10-Q for the quarter ended March 31, 2017.

(b) Reflects the impact of the acquisition of the Portfolio as if it had occurred on March 31, 2017.

(c) Reflects the assets and liabilities acquired at fair value. The acquired assets and liabilities were allocated based on the Portfolio's aggregate purchase price of \$325 million, inclusive of transaction costs of \$10.2 million. The following table summarizes the purchase price allocation as of the Portfolio's acquisition date.

	Amount (in thousands)
Land	\$84,711
Buildings and improvements	262,766
Identified intangible assets	66,853
Identified intangible liabilities	(78,185)
Debt premium	(920)
	\$335,225

(d) Reflects the cash paid by the Company as partial consideration for the acquisition of the Portfolio.

(e) Reflects the \$10.2 million of transaction costs incurred in connection with the Portfolio acquisition, \$0.9 million of which were accrued prior to March 31, 2017. In January 2017, the FASB issued an update ("ASU 2017-01") Clarifying the Definition of a Business, which changes the definition of a business to exclude acquisitions where substantially all of the fair value of the assets acquired are concentrated in a single identifiable asset or a group of similar identifiable assets. While there are various differences between the accounting for an asset acquisition and a business combination, the largest impact is that transaction costs are capitalized for asset acquisitions rather than expensed. Accordingly, the Company has accounted for the Portfolio acquisition as an asset acquisition in accordance with ASU 2017-01, and transaction costs incurred, including closing costs, were capitalized as part of the aggregate purchase price.

(f) Reflects the \$33 million of existing debt assumed in connection with the acquisition of Yonkers Gateway Center and the issuance of \$126 million of non-recourse, secured debt. In conjunction with the issuance of debt, the Company extinguished \$78.6 million of the existing historical debt of the Portfolio, with the exception of the \$33 million mortgage secured by Yonkers Gateway Center.

(g) Reflects the issuance of 4,525,699 Operating Partnership units valued at \$27.02 per unit, as partial consideration for the acquisition of the Portfolio.

(h) Reflects the settlement of the existing fee and leasehold interests in the Company's ground lease at Yonkers Gateway Center through the acquisition of the remaining fee and leaseholds interests in the property as a part of the Portfolio acquisition. As a result, the Company wrote-off the existing intangible assets and liabilities. Refer to

adjustment (c) and (l) to the pro forma consolidated statements of income.

Consolidated statement of operations

(a) Reflects the historical consolidated statements of operations of Urban Edge for the three months ended March 31, 2017 and the year ended December 31, 2016, as presented in its Quarterly Report on Form 10-Q for the quarter ended March 31, 2017 and its Annual Report on Form 10-K for the year ended December 31, 2016, respectively.

(b) Reflects the historical operations of the Acquired Portfolio as presented in the accompanying combined statements of revenues and certain operating expenses.

15

(c) Reflects the amortization of the existing above and below market lease intangibles incurred prior to the acquisition. Refer to adjustment (h) to the pro forma consolidated balance sheet.

(d) Reflects the amortization of below market in-place leases. The below-market rents are accreted to revenue over the remaining terms of the respective leases, which generally range from 5 to 25 years.

(e) Reflects the amortization of above market in-place leases. The above-market rents are amortized to revenue over the remaining terms of the respective leases, which generally range from 5 to 25 years.

(f) Reflects the depreciation expense of the acquired assets and liabilities in the Portfolio based on the fair values disclosed above in adjustment (c) to the pro forma consolidated balance sheet. Depreciation is recognized on a straight-line basis over estimated useful lives which range from 3 to 40 years.

(g) Reflects the amortization expense of the acquired in-place lease intangible assets based on the fair values disclosed above in adjustment (c) to the pro forma consolidated balance sheet. Tenant related intangibles and improvements are amortized on a straight-line basis over the related lease term, including any bargain renewal options.

(h) Reflects the pro forma effect of the termination of the management agreement in place prior to the acquisition and execution of new management agreement with the Company. In addition, this adjustment includes amounts required to eliminate the salaries and supervision expenses associated with the historical operations of the Portfolio.

(i) Reflects the interest expense incurred on debt issued and assumed in connection with the transaction, as described above in adjustment (f) to the consolidated balance sheet. In conjunction with the issuance of new debt, the Company extinguished \$78.6 million of the existing historical debt of the Acquired Portfolio. Prior to acquisition, the Portfolio had historical interest expense of \$5.1 million for the twelve months ended December 31, 2016 and \$0.8 million for three months ended March 31, 2017 in connection with this extinguished debt.

The new debt issued and secured by the properties of One Lincoln Center, the Plaza at Woodbridge, and the Plaza at Cherry Hill, each bear interest at the one month LIBOR rate plus 160 basis points. The current underlying one month LIBOR rate, as used in these pro forma adjustments, was 1.16%. An increase (decrease) of 0.125% in LIBOR would increase (decrease) the annual pro forma interest expense by \$0.1 million. The remainder of the Portfolio's interest expense is represented by fixed rate mortgages and is not expected to vary.

(j) Reflects the amortization of the debt premium on the mortgage loan assumed at Yonkers Gateway Center.

(k) As partial consideration for the Portfolio acquisition, the Company issued 4,525,699 Operating Partnership units valued at \$27.02 per unit. This adjustment reflects the net income attributable to unitholders in the Operating Partnership.

(l) Reflects the accelerated amortization of intangible assets related to existing leases at Yonkers Gateway Center. Refer to adjustment (h) to the pro forma consolidated balance sheet.
