(1) Each performance-based restricted stock unit represents a contingent right to receive one share of Issuer common stock.

Vesting is subject to the Issuer's achievement of performance goals based upon cumulative revenue growth over a three-year performance period ending on December 31, 2021 and continued employment through March 1, 2022. The number of vested units will be settled by the Issuer in Issuer common stock on such date. The stated number of units awarded reflects target performance. Depending upon actual performance during the performance period, the actual number of units vested may range from 0% to 120% of the stated number of units awarded.
