### **Item 1.01. Entry into a Material Definitive Agreement**

On March 29, 2007, Textron Financial Corporation's ("Textron Financial") wholly-owned affiliate, Textron Financial Floorplan Master Note Trust (the "Trust"), issued \$588.25 million of notes pursuant to its dealer floorplan securitization program (the "Floorplan Securitization Program"). The privately placed investment grade notes consisted of \$526.5 million Class A notes and \$23.5 million Class B notes offered to third-party investors and included an unrated \$38.25 million non-interest bearing subordinated Class C note retained by Textron Receivables Corporation III ("TRC III"), a wholly-owned subsidiary of Textron Financial (collectively, the "Series 2007-A Term Notes"). The Class A notes have an interest rate of one-month LIBOR plus 0.06% per year and the Class B notes have an interest rate of one-month LIBOR plus 0.21% per year. The expected principal payment date for the Series 2007-A Term Notes is in March 2010 and the final payment date for the Series 2007-A Term Notes is in March 2012. Citigroup Global Markets Inc., Banc of America Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated and J.P. Morgan Securities Inc. acted as initial purchasers.

The Series 2007-A Term Notes and the \$641.7 million of Series 2006-A Notes and the \$802.25 million of Series 2005-A Notes previously issued by the Trust are all secured primarily by a revolving pool of dealer floorplan receivables originated from time to time by Textron Financial and sold to TRC III. TRC III further conveys such receivables to the Trust. Textron Financial will remain as servicer of the receivables. As owner of the Trust, TRC III retains a residual interest in the assets of the Trust.

In connection with the issuance of the Series 2007-A Term Notes, Textron Financial and the Trust entered into a Series 2007-A Supplement to the Amended and Restated Indenture, by and among the Trust, The Bank of New York, as indenture trustee, and Textron Financial, as servicer, pursuant to which the Series 2007-A Term Notes were issued and collections, defaults and other amounts in respect of the receivables are allocated to the Series 2007-A Term Notes (the "Agreement"). The summary of the Agreement set forth in this Item 1.01 is qualified in its entirety by reference to the text of the Agreement which is filed as Exhibit 4.1 and is incorporated by reference herein.

Pursuant to the Floorplan Securitization Program documents, Textron Financial, TRC III and the Trust have made representations and warranties regarding the receivables as well as their businesses and properties and are required to comply with various covenants, servicing procedures, reporting requirements and other customary requirements for similar securitized facilities. The Floorplan Securitization Program documents also include usual and customary early amortization events and events of default for securitized facilities of this nature. The sale of receivables under the Floorplan Securitization Program is an off-balance sheet arrangement.
