ANNUAL MEETING OF SHAREHOLDERS

PROXY STATEMENT

INTRODUCTION

The enclosed Proxy is solicited on behalf of the Board of Directors of the Company for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. This Proxy Statement and the enclosed Proxy will be mailed on or about March 24, 2014, to shareholders of record of the Company's Common Stock and Class B Common Stock as of the close of business on February 28, 2014.

At the Annual Meeting, holders of the Company's Common Stock, \$3.00 par value per share ("Common Stock"), and Class B Common Stock, \$3.00 par value per share ("Class B Common Stock"), will be asked to: (i) elect nine individuals to the Board of Directors for a term of one year each, (ii) approve the material terms of the Performance Goals of the Annual Incentive Compensation Plan applicable to 2014 - 2018; (iii) cast an advisory vote on the Company's compensation for its named executive officers; (iv) ratify the appointment of Dixon Hughes Goodman LLP to serve as independent registered public accountants of the Company for 2014, and (v) transact any other business that may properly come before the meeting.

The Board of Directors recommends that the Company's shareholders vote (i) FOR electing the nine (9) nominees for director; (ii) FOR approving the material terms of the Performance Goals of the Annual Incentive Compensation Plan applicable to 2014 - 2018; (iii) FOR approving the Company's executive compensation of its named executive officers; and (iv) FOR ratifying the appointment of Dixon Hughes Goodman LLP to serve as independent registered public accountants of the Company for 2014.

RECORD DATE, VOTE REQUIRED AND RELATED MATTERS

The Board has fixed the close of business on February 28, 2014, as the Record Date for the determination of shareholders entitled to notice of, and to vote at, the Annual Meeting. In accordance with the Company's Charter, each outstanding share of Common Stock is entitled to one vote, and each outstanding share of Class B Common Stock is entitled to 20 votes, exercisable in person or by properly executed Proxy, on each matter brought before the Annual Meeting. Cumulative voting is not permitted. As of February 28, 2014, 12,453,166 shares of Common Stock, representing 12,453,166 votes, were held of record by approximately 2,350 shareholders (including an estimated 1,900 shareholders whose shares are held in nominee names, but excluding approximately 580 participants in the Company's 401(k) Plan who may direct the voting of shares allocated to their accounts), and 866,875 shares of Class B Common Stock, representing 17,337,500 votes, were held by 12 individual shareholders, together representing an aggregate of 29,790,666 votes.

Shares represented at the Annual Meeting by properly executed Proxy will be voted in accordance with the instructions indicated therein unless such Proxy has previously been revoked. If no instructions are indicated, such shares will be voted (i) FOR electing the nine (9) nominees for director; (ii) FOR approving the material terms of the

Performance Goals of the Annual Incentive Compensation Plan applicable to 2014 - 2018; (iii) FOR approving the Company's compensation of its named executive officers; and (iv) FOR ratifying the appointment of Dixon Hughes Goodman LLP to serve as independent registered public accountants of the Company for 2014.

Any Proxy given pursuant to this solicitation may be revoked at any time by the shareholder giving it by (i) delivering to the Secretary of the Company a written notice of revocation bearing a later date than the Proxy, (ii) submitting a later-dated, properly executed Proxy, or (iii) revoking the Proxy and voting in person at the Annual Meeting.

Attendance at the Annual Meeting will not, in and of itself, constitute a revocation of a Proxy. Any written notice revoking a Proxy should be sent to The Dixie Group, Inc., P.O. Box 25107, Chattanooga, Tennessee 37422-5107, Attention: Starr T. Klein, Secretary.

The persons designated as proxies were selected by the Board of Directors and are Daniel K. Frierson, Lowry F. Kline and John W. Murrey, III. The cost of solicitation of Proxies will be borne by the Company.

The presence, in person or by Proxy, of the holders of a majority of the aggregate outstanding vote of Common Stock and Class B Common Stock entitled to vote is necessary to constitute a quorum at the Annual Meeting. In accordance with Tennessee law, Directors are elected by the affirmative vote of a plurality of the votes cast that are represented in person or by Proxy at the Annual Meeting.

The affirmative vote of a majority of the total votes cast is necessary for approval of the material terms of the Performance Goals for the Annual Incentive Compensation Plan applicable to 2014 - 2018.

Ratification of the appointment of Dixon Hughes Goodman LLP to serve as independent registered public accountants of the Company for 2014 will be approved if the votes properly cast favoring ratification exceed the votes cast opposing ratification.

Approval of the Company's executive compensation for its named executive officers will be deemed to have been obtained if the number of votes cast in favor of such compensation exceeds the number of votes cast against such compensation. Abstentions and broker non-votes will have no effect on the outcome.

Shares covered by abstentions and broker non-votes, while counted for purposes of determining the presence of a quorum at the Annual Meeting, are not considered to be affirmative votes. Abstentions and broker non-votes will have no effect upon the election of a nominee for director, so long as such nominee receives any affirmative votes. For purposes of approval of the material terms of the Performance Goals for the Annual Incentive Compensation Plan applicable to 2014 - 2018, abstentions and broker non-votes will be considered negative votes. For purposes of ratification of the appointment of Dixon Hughes Goodman LLP, as independent registered public accountants, abstentions and broker non-votes will not be considered negative votes.

A copy of the Company's Annual Report for the year-ended December 28, 2013, is enclosed herewith.

The Board is not aware of any other matter to be brought before the Annual Meeting for a vote of shareholders. If, however, other matters are properly presented, Proxies representing shares of Common Stock and Class B Common Stock will be voted in accordance with the best judgment of the proxy holders.

He has been a director of the Company since January 2014 and is a member of the Company's Audit Committee.

D. Kennedy Frierson, Jr., the Company's Vice President and Chief Operating Officer, is the son of Daniel K. Frierson. No other director, nominee, or executive officer of the Company has any family relationship, not more remote than first cousin, to any other director, nominee, or executive officer.

Considerations with Respect to Nominees

In selecting this slate of nominees for 2014, the Independent Directors of the Board considered the familiarity of the Company's incumbents with the business and prospects of the Company, developed as a result of their service on the Company's Board. The Board believes that such familiarity will be helpful in their service on the Company's Board.

In addition, the Independent Directors of the Board noted the particular qualifications, experience, attributes and skills possessed by its slate of nominees. These qualifications are reflected in the business experience listed under each nominee's name, above. In order of the list of nominees, such information may be summarized as follows: Mr. Brock is experienced in establishing new businesses having been involved in the establishment of both Foxmark Media and CapitalMark Bank and Trust. Dr. Brock has a long history of executive management experience with Astec Industries, Inc., an international manufacturing company, headquartered in Chattanooga, Tennessee. Additionally, Dr. Brock has served with the Company as a director since 1997, including service on the Audit and Executive Committees of the Board. Mr. Daniel K. Frierson has served with the Company in several management and executive capacities his entire adult life, and has been Chief Executive Officer since 1980 and a Board member since 1973. In such capacity, he has been instrumental in planning and implementing the transition of the Company to its current position as a manufacturer of residential and commercial soft floorcovering products. Additionally, Mr. Frierson has experience as a board member of other public companies as well as significant trade group experience relevant to the Company's business. He is well known and respected throughout the industry. Mr. D. Kennedy Frierson, Jr. has served with the Company in various capacities since 1992. He is currently Chief Operating Officer and has most recently led the Company's Masland Residential business. Mr. Hubbard has highly relevant industry experience with businesses that are fiber producers and fiber suppliers, and that have served as fiber suppliers to the Company. Mr. Hubbard's experience in the management of Honeywell Nylon and BASF Corporation, as outlined above, has given him valuable experience in management, relevant to his duties as a Director of the Company. Ms. Murray has a long history of executive management experience at TPC Printing and Packaging, a provider to the specialty packaging business as well as experience with environmental controls and footprint through Greener Planet. Mr. Kline has a long history of management and board level experience with the world's largest bottler and distributor of Coca Cola Products. Additionally, he has an extensive background in business, corporate and securities law. Mr. Kline has served as a Director of the Company for several years, as reflected above, and serves on the Company's Audit, Compensation and Executive Committees. Mr. Murrey has extensive experience in corporate, securities and business law, has experience drawn from board and committee service with several publicly-traded Companies, other than the Company; prior to his retirement in 2001, he represented the Company as counsel. Mr. Owens has extensive business and management experience, having served as President of Coverdell & Company prior to joining the University of Tennessee at Chattanooga. In addition, he has auditing experience having been employed as a certified public accountant.

The Board of Directors recommends that the Company's shareholders vote FOR electing the nine (9) nominees for director.

Meetings of the Board of Directors

The Board of Directors of the Company met six (6) times in 2013.

Committees, Attendance, and Directors' Fees

The Company has a standing Executive Committee, Audit Committee, Retirement Plans Committee, and Compensation Committee. As described in detail below, pursuant to provisions in its charter, the Company's Compensation Committee, which consists entirely of independent directors, also performs the functions of a corporate governance committee and a nominating committee. Copies of the Charter of the Company's Audit Committee and Compensation Committee may be found on the Company's website at www.thedixiegroup.com/investor/investor.html.

Members of the Executive Committee are Daniel K. Frierson, Chairman, J. Don Brock and Lowry F. Kline. Except as otherwise limited by law or by resolution of the Board of Directors, the Executive Committee has and may exercise all of the powers and authority of the Board of Directors for the management of the business and affairs of the Company, which power the Executive Committee exercises between the meetings of the full Board of Directors. The Executive Committee did not meet in 2013.

Members of the Audit Committee are John W. Murrey, III, Chairman, Charles E. Brock, J. Don Brock, Walter W. Hubbard, Lowry F. Kline, Hilda S. Murray, and Michael L. Owens. All of the members of the Audit Committee are "independent directors" as

that term is defined by the applicable rule of the National Association of Securities Dealers, Inc. (“NASD”). The Audit Committee evaluates audit performance, handles relations with the Company’s independent auditors, and evaluates policies and procedures relating to internal accounting functions and controls. The Audit Committee has the authority to engage the independent accountants for the Company. The Audit Committee operates pursuant to an Audit Committee Charter adopted by the Board of Directors. The Audit Committee has implemented pre-approval policies and procedures related to the provision of audit and non-audit services performed by the independent auditors. Under these procedures, the Audit Committee approves the type of services to be provided and the estimated fees related to those services.

The Audit Committee met four (4) times in 2013.

Members of the Retirement Plans Committee are Daniel K. Frierson, Chairman, D. Kennedy Frierson, Jr., and Hilda S. Murray. The Retirement Plans Committee administers the Company’s retirement plans. The Retirement Plans Committee met one (1) time in 2013.

Members of the Compensation Committee are Lowry F. Kline, Chairman, Charles E. Brock, Walter W. Hubbard, and John W. Murrey, III. The Compensation Committee administers the Company’s compensation plans, reviews and may establish the compensation of the Company’s officers, and makes recommendations to the Board of Directors concerning such compensation and related matters. The Compensation Committee acts pursuant to a written Charter adopted by the Board of Directors.

The Compensation Committee may request recommendations from the Company’s management concerning the types and levels of compensation to be paid to the Company’s executive officers. Additionally, the Compensation Committee is authorized to engage compensation consultants and may review and consider information and recommendations of compensation consultants otherwise engaged by the Company or the Board of Directors in connection with the assessment, review and structuring of compensation plans and compensation levels. For a description of the Compensation Committee actions with respect to Compensation of Executive Officers in 2013, see Compensation Discussion and Analysis - Compensation for 2013.

Annually, the Compensation Committee reviews the performance of the Chief Executive Officer against goals and objectives established by the Committee as part of the process of determining his compensation. The Compensation Committee reports to the Board on its performance review.

In addition to its responsibilities with respect to executive and director compensation, the Compensation Committee discharges responsibilities with respect to corporate governance. In that capacity, the Compensation Committee develops and, recommends for board approval, corporate governance guidelines.

The Compensation Committee’s Charter also includes the duties of a nominating committee. Only nominees approved by a majority of the Compensation Committee are recommended to the full Board. In selecting and approving director nominees, the independent directors that make up the Committee consider, among other factors, the existing composition of the Board and the mix of Board members appropriate for the perceived needs of the Company. The Compensation Committee believes continuity in leadership and board tenure increase the Board’s ability to exercise meaningful board oversight. Because qualified incumbent directors provide stockholders the benefit of continuity of leadership and seasoned judgment gained through experience as a director of the Company, the Compensation Committee will generally give priority as potential candidates to those incumbent directors interested in standing for re-election who have satisfied director performance expectations, including regular attendance at, preparation for and meaningful participation in Board and committee meetings.

The Compensation Committee also considers the following in selecting the proposed nominee slate:

at all times, at least a majority of directors must be “independent” in the opinion of the Board as determined in accordance with NASDAQ standards;

at all times at least three members of the Board must satisfy heightened standards of independence for Audit Committee members; and

at all times the Board should have at least one member who satisfies the criteria to be designated by the Board as an “audit committee financial expert.”

In selecting the current slate of director nominees, the Committee considered overall qualifications and the requirements of the make up of the Board of Directors rather than addressing separate topics such as diversity in its selection. The Board considered the value of the incumbents’ familiarity with the Company and its business as well as the considerations outlined above under the heading Considerations with Respect to Nominees.

The Compensation Committee met three (3) times in 2013.

Nominations for Director - Stockholder Recommendations

Generally, the Board will consider stockholder recommendations of proposed director nominees if such recommendations are timely received. To be timely for next year's annual meeting, recommendations must be received in writing at the principal executive offices of the Company no later than November 22, 2014. In addition, any stockholder director nominee recommendation must include the following information:

• the proposed nominee's name and qualifications and the reason for such recommendation;

• the name and record address of the stockholder(s) proposing such nominee;

• the number of shares of stock of the Company which are beneficially owned by such stockholder(s); and

• a description of any financial or other relationship between the stockholder(s) and such nominee or between the nominee and the Company or any of its subsidiaries.

In order to be considered by the Board, any candidate proposed by one or more stockholders will also be required to submit appropriate biographical and other information equivalent to that required of all other director candidates.

Board Leadership Structure

Mr. Daniel K. Frierson currently serves as the Chairman of the Board and the Chief Executive Officer of the Company. The positions of Chief Executive Officer and Chairman of the Board are combined. Executive sessions of the Board are chaired by the chairman of the Compensation Committee, Lowry Kline, who, as noted above, has extensive management and Board experience independent of his experience with the Company. Mr. Kline and the independent directors set their own agenda for meetings in executive session and may consider any topic relevant to the Company and its business. The Company believes that regular, periodic, meetings held in executive session, in the absence of management members or management directors, provide the Board an adequate opportunity to review and address issues affecting management or the Company that require an independent perspective. Additionally, the Company's Audit Committee holds separate executive sessions with the Company's independent registered public accounts, internal auditor and management. This Committee also sets its own agenda and may consider any relevant topic in its executive sessions.

Director Attendance

During 2013, no director attended fewer than 75% of the total number of meetings of the Board of Directors and any Committee of the Board of Directors on which he served. All directors are invited and encouraged to attend the annual meeting of shareholders. In general, all directors attend the annual meeting of shareholders unless they are unable to do so due to unavoidable commitments or intervening events. Eight (8) of the nine incumbent directors attended the 2013 annual meeting of shareholders.

Director Compensation

Directors who are employees of the Company do not receive any additional compensation for their services as members of the Board of Directors. Non-employee directors receive an annual retainer of \$24,000, payable one-half in cash and one-half in value of Performance Units under the Directors Stock Plan. Performance Units are redeemable upon a director's retirement for an equivalent number of shares of the Company's Common Stock, and the number of units issued is determined generally by the market value of the Company's Common Stock on the date of grant of the units. In addition to the annual retainer, directors who are not employees of the Company receive \$1,500 for each Board meeting attended and \$1,000 for each committee meeting attended (\$1,500 for the Committee Chairman). Fees

for attending telephonic meetings are one-half those for in-person meetings, such that each non-employee director receives \$750 per telephonic board meeting and \$500 per committee meeting (\$750 for the Chairman of the Committee). For an additional discussion of Director Compensation, see the tabular information below under the heading, "Director Compensation."

Independent Directors

The Board has determined that Charles E. Brock, Dr. J. Don Brock, Walter W. Hubbard, Lowry F. Kline, Hilda S. Murray, John W. Murrey, III, and Michael L. Owens are independent within the meaning of the standards for independence set forth in the Company's corporate governance guidelines, which are consistent with the applicable Securities and Exchange Commission ("SEC") rules and NASDAQ standards.

Executive Sessions of the Independent Directors

The Company's independent directors meet in executive session at each regularly scheduled quarterly meeting of the Board, with the chair of the Compensation Committee serving as chair of such executive sessions.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, and regulations of the SEC thereunder, require the Company's executive officers and directors and persons who beneficially own more than 10% of the Company's Common Stock, as well as certain affiliates of such persons, to file initial reports of such ownership and monthly transaction reports covering any changes in such ownership with the SEC and the National Association of Securities Dealers. Executive officers, directors and persons owning more than 10% of the Company's Common Stock are required by SEC regulations to furnish the Company with all such reports they file. Based on its review of the copies of such reports received by it, the Company believes that, during fiscal year 2013, all filing requirements applicable to its executive officers, directors, and owners of more than 10% of the Company's Common Stock were complied with, with the exception of one filing for W. Derek Davis, which was inadvertently filed one day late.

Management Succession

Periodically, the Board reviews a succession plan, developed by management, addressing the policies and principles for selecting successors to the Company's executive officers, including the Company's CEO. The succession plan includes an assessment of the experience, performance and skills believed to be desirable for possible successors to the Company's executive officers.

Certain Transactions Between the Company and Directors and Officers

The Company's Compensation Committee has adopted written policies and procedures concerning the review, approval or ratification of all transactions required to be disclosed under the SEC's Regulation S-K, Rule 404. These policies and procedures cover all related party transactions required to be disclosed under the SEC's rules as well as all material conflict of interest transactions as defined by relevant state law and the rules and regulations of NASDAQ that are applicable to the Company, and require that all such transactions be identified by management and disclosed to the Company's Compensation Committee for review. If required and appropriate under the circumstances, the Compensation Committee will consider such transactions for approval or ratification. Full disclosure of the material terms of any such transaction must be made to the Compensation Committee, including:

- the parties to the transaction and their relationship to the Company, its directors and officers;
- the terms of the transaction, including all proposed periodic payments; and
- the direct or indirect interest of any related parties or any director, officer or associate in the transaction.

To be approved or ratified, the Compensation Committee must find any such transaction to be fair to the Company. Prior approval of such transactions must be obtained generally, if they are material to the Company. If such transactions are immaterial, such transactions may be ratified and prior approval is not required. Ordinary employment transactions may be ratified.

Certain Related Party Transactions

During its fiscal year ended December 28, 2013, the Company purchased a portion of its products needs in the form of fiber, yarn, carpet and dyeing services from Engineered Floors, and its subsidiary Bentley Dye Services, an entity substantially controlled by Robert E. Shaw, a shareholder of the Company. Mr. Shaw has reported holding approximately 10.2% of the Company's Common Stock, which, as of year-end, represented approximately 4.1% of the

total vote of all classes of the Company's Common Stock. Engineered Floors is one of several suppliers of such services to the Company. Total purchases from Engineered Floors (including Bentley Dye Services) for 2013 were approximately \$12.1 million; or approximately 8.4% of all the Company's comparable purchases in 2013. In accordance with the terms of its charter, the Compensation Committee reviewed the Company's supply relationship with Engineered Floors. The dollar value of Mr. Shaw's interest in the transactions with Engineered Floors is not known to the Company.

REPORT OF THE AUDIT COMMITTEE OF THE BOARD OF DIRECTORS

The Audit Committee of the Board of Directors is composed of seven members, each of whom is an independent, non-employee director. The Audit Committee operates under a written Audit Committee Charter adopted and approved by the Board of Directors. The Charter is reviewed at least annually by the Committee. While the Committee has the responsibilities and powers set forth in its written charter, it is not the duty of the Committee to plan or conduct audits. This function is conducted by the Company's management and its independent registered public accountants.

The Committee has reviewed and discussed with management the audited financial statements of the Company for the year ended December 28, 2013 (the "Audited Financial Statements"). In addition, the Committee has discussed with Ernst & Young LLP the matters required by Statement on Auditing Standards No. 61, "Communications with Audit Committees" (SAS 61), as amended and as adopted by the Public Company Accounting Oversight Board (PCAOB) in Rule 3200T.

The Committee also has received the written report, disclosure and the letter from Ernst & Young LLP required by PCAOB Rule 3526, "Communication with Audit Committees Concerning Independence", and the Committee has reviewed, evaluated, and discussed with that firm the written report and its independence from the Company. The Committee also has discussed with management of the Company and Ernst & Young LLP such other matters and received such assurances from them as the Committee deemed appropriate.

On November 11, 2013, the Audit Committee of the Board of Directors confirmed its engagement of Ernst & Young LLP ("E&Y") to audit the Company's consolidated financial statements as of and for the year ending December 28, 2013, and the effectiveness of the Company's internal control over financial reporting as of December 28, 2013. Upon completion of all procedures related to filing the Company's Annual Report on Form 10-K for the year ended December 28, 2013, the engagement of E&Y will end.

At that time, the Committee approved the engagement of Dixon Hughes Goodman LLP to serve as independent registered public accountants for the Company for fiscal 2014.

During the fiscal years ended December 28, 2013 and December 29, 2012, Ernst & Young's reports on the Registrant's financial statements did not contain an adverse opinion or disclaimer of opinion, and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the fiscal years ended December 28, 2013 and December 29, 2012 and the subsequent periods through the date of this report, (i) there were no disagreements between the Registrant and Ernst & Young on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Ernst & Young, would have caused Ernst & Young to make reference to the subject matter of the disagreements in connection with its reports on the Registrant's financial statements, and (ii) there were no reportable events as that term is described in Item 304(a)(1)(v) of Regulation S-K.

During the two most recent fiscal years and through the date of this report, neither the Registrant nor anyone on its behalf consulted with Dixon Hughes Goodman regarding any of the following:

- (i) The application of accounting principles to a specific transaction, either completed or proposed;
- (ii) The type of audit opinion that might be rendered on the Registrant's financial statements, and none of the following was provided to the Registrant:
 - (a) a written report; or (b) oral advice that Dixon Hughes Goodman concluded was an important factor considered by the Registrant in reaching a decision as to an accounting, auditing or financial reporting issue; or
- (iii) Any matter that was subject of a disagreement, as that term is defined in Item 304(a)(1)(iv) of Regulation S-K, or a reportable event, as described in Item 304(a)(1)(v) of Regulation S-K.

Based on the foregoing review and discussions and relying thereon, the Committee has recommended to the Company's Board of Directors the inclusion of the Company's Audited Financial Statements in the Company's Annual Report on Form 10-K for the year ended December 28, 2013, to be filed with the Securities and Exchange Commission.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Committee sets compensation for the Company's executive officers, and its decisions are reported to and reviewed by the Board of Directors. The Compensation Committee currently consists of four independent directors chosen annually by the Board.

Compensation of the Company's executive officers is intended to be competitive with compensation offered by other companies generally similar to the Company in size and lines of business. In determining what types and levels of compensation to offer, the Committee may review relevant, publicly available data and, from time to time, it may receive advice and information from professional compensation consultants.

The Elements of Executive Officer Compensation

Compensation for each of the Company's executive officers consists generally of base salary, retirement plan benefits and other customary employment benefits, as well as potential cash incentive awards and stock plan awards pursuant to an annual incentive plan reviewed and adopted by the Committee at the beginning of each year. The annual incentive plan is customarily structured so that a significant portion of each executive's potential, annual compensation may consist of equity awards, the value of which is tied to increases in the value of the Company's common stock.

Compensation for 2013. Effective February 14, 2013, the Compensation committee selected performance goals and a range of possible incentives for the Company's 2013 Incentive Compensation Plan (the "2013 Plan"). Pursuant to the 2013 Plan, each executive officer had the opportunity to earn a Cash Incentive Award, a Primary Long-Term Incentive Award of restricted stock, and an award of restricted stock denominated as "Career Shares." The potential range of cash incentives and conditions to vesting of the restricted stock awards are described below.

For 2013, each executive officer also received customary retirement plan benefits and other customary employment benefits, as in prior years.

Salary for 2013. The base salaries for the executive officers were adjusted on August 1, 2013. The current salaries are: Mr. Daniel K. Frierson - \$625,000; Mr. D. Kennedy Frierson, Jr. - \$320,000; Mr. Paul C. Comiskey - \$300,000; Mr. Jon A. Faulkner - \$270,000 and Mr. W. Derek Davis - \$230,000. See the 2013 Summary Compensation Table for an explanation of the amount of salary and other compensation elements in proportion to total compensation.

Potential Incentive Awards. The CEO and all executive officers whose responsibilities primarily relate to corporate level administration had the opportunity to earn a cash payment ranging from 15% to no more than 75% of such executive's base salary. Forty percent of the amount of the potential award was based on achievement of specified levels of operating income from continuing operations for the Company's residential business operations, as adjusted for unusual items, 40% of the amount was based on achievement of specified levels of the Company's consolidated operating income, as adjusted for unusual items, and 20% of the amount was based on achievement of specified levels of the Company's commercial business operating income, as adjusted for unusual items.

Executive officers whose responsibilities primarily relate to one of the Company's business units, had the opportunity to earn a cash payment ranging from 15% to no more than 75% of such participant's base salary. Fifty percent of the amount was based on achievement of specified levels of their annual business unit operating income, as adjusted for unusual items, 25% was based on the achievement of specified levels of the Company's consolidated operating income, as adjusted for unusual items, and 25% was based on achievement of specified levels of the annual operating income of the Company's other business units, as adjusted for unusual items.

The Compensation Committee retained the discretion to reduce any award by up to 30% of the amount otherwise earned based on the participant's failure to achieve individual performance goals set by the committee.

The Committee also retained discretion to eliminate unusual items from its assessment of whether specified operating income levels were achieved.

Primary Long-Term Incentive Share Awards and Career Shares Awards. The incentive plan provided for two possible awards of restricted stock: Primary Long-Term Incentive Share Awards and Career Share Awards. Receipt of the Primary Long-Term Incentive Share Awards and Career Share Awards were made contingent on the Company's achievement of minimum adjusted levels of operating income and, in the case of Career Share Awards, improvement

in operating income levels as adjusted. Awards were granted in 2014 for 2013, as described more fully below and in the footnotes to the accompanying tables.

The Primary Long-Term Incentive Share Award was designed as a possible award of restricted shares, in value equal to no more than 35% of the executive's base salary as of the beginning of 2013 plus any cash incentive award paid for such year. The Primary Long-Term Incentive Share Awards vest ratably over three years.

Career Shares were designed as a possible award of restricted stock valued at 20% of each executive officer's base salary as of the beginning of the year. In accordance with past practice, any such award, if earned, would be granted in 2014. The Career

Share Awards granted in 2014 with respect to 2013 vest when the participant becomes (i) qualified to retire from the Company and (ii) has retained such shares for 24 months following the grant date. Awards granted to a participant who is age 60 or is already age 60 or older, vest ratably over the stated vesting or retention period of such awards. Additionally, Career Share Awards are subject to accelerated vesting or forfeiture under certain conditions as follows: death, disability or a change in control will result in immediate vesting of Career Share Awards; termination without cause will also result in immediate vesting of Career Share Awards; voluntary termination of employment prior to retirement, or termination for cause will result in forfeiture of all unvested awards; upon retirement, vesting will accelerate to the extent that the Company has recognized compensation expense related to the shares subject to the awards.

2014 Awards. Cash Awards were made to the following named executive officers in 2014 for 2013: Mr. Daniel K. Frierson - \$326,650, Mr. D. Kennedy Frierson, Jr. - \$148,532, Mr. Paul B. Comiskey - \$151,174, Mr. W. Derek Davis - \$120,810 and Mr. Jon A. Faulkner - \$127,003.

Primary Long-Term Incentive Share Awards were granted in 2014 with respect to 2013 for the following named executive officers: Mr. Daniel K. Frierson - 22,586 shares, Mr. D. Kennedy Frierson, Jr. - 10,407 shares, Mr. Paul B. Comiskey - 10,219 shares, Mr. W. Derek Davis - 8,299 shares and Mr. Jon A. Faulkner - 8,839 shares.

Career Share Awards were granted in 2014 with respect to 2013 for the following named executive officers: Mr. Daniel K. Frierson - 8,151 shares, Mr. D. Kennedy Frierson, Jr. - 3,785 shares, Mr. Paul B. Comiskey - 3,639. Mr. W. Derek Davis - 2,984 shares and Mr. Jon A. Faulkner - 3,202 shares.

The 2014 Incentive Compensation Plan. Following year-end, the Committee adopted changes to the incentive plan for 2014. The plan is similar in structure to the plan adopted for 2013, as described in detail above; however, the percentage weight given to operating income achievement levels was adjusted to 50%, 30% and 20%, respectively, for Company, Residential and Contract business unit results with respect to the CEO and corporate level officers, and 55%, 30%, and 15%, respectively, for business unit, Company, and other business unit results, with respect to officers whose primary responsibility relates to one of the Company's business units. Additionally, for 2014 the highest possible incentive award level is adjusted to a maximum of 105% of executive compensation, and the level of career share awards is increased to 35% and 30%, respectively, of the Chief Operating Officer's and Chief Financial Officer's base salary, with vesting of such awards occurring ratably over 5 years beginning on the participant's 6th birthday.

Retirement Plans and Other Benefits. The Company's compensation for its executive officers also includes the opportunity to participate in two retirement plans, one qualified and one non-qualified for federal tax purposes, and certain health insurance, life insurance, relocation allowances, and other benefits. Such benefits are designed to be similar to the benefits available to other exempt, salaried associates of the Company, and to be comparable to and competitive with benefits offered by businesses with which the Company competes for executive talent.

Executive officers may elect to contribute a limited amount of their compensation to the qualified plan and make deferrals into the non-qualified plan (up to 90% of total compensation). Although the plans permit the Company to make discretionary contributions in an aggregate amount equal to up to 3% of the executive officer's cash compensation, for 2013 the Company made a contribution of 2% to the qualified plan, while no Company contributions were made to the non-qualified plan.

Compensation Considerations for 2013. The tax effect of possible forms of compensation on the Company and on the executive officers is a factor considered in determining types of compensation to be awarded. Similarly, the accounting treatment accorded various types of compensation may be an important factor used to determine the form of compensation. For 2013, the Committee considered the tax effects of the possible grant of cash incentives and equity incentive awards that may not qualify as "incentive compensation" under Section 162m of the Internal Revenue Code and concluded that no executive would have compensation that exceeded the applicable threshold. The Company held its first "Say on Pay" vote at its annual meeting in 2013. At that meeting approximately 99% of the votes cast were "For" approval of our executive compensation as described in the Proxy Statement for that meeting. The Committee intends to consider these results as part of its ongoing review of executive compensation.

Termination Benefits. The Company's restricted stock awards provide for acceleration of vesting of awards under certain circumstances upon termination of the participant's employment.

Upon retirement of a Participant, all Long-Term Incentive Plan and Career Share restricted stock awards vest to the extent such awards have been expensed in the Company's financial statements. As of year-end, Daniel K. Frierson, Paul B. Comiskey and W. Derek Davis were the only Named Executive Officers eligible for retirement in accordance with the terms of the restricted stock awards. If Mr. Frierson had retired at year end, the number of shares subject to such awards that would have vested and the value of such shares would have been 64,558 shares and \$718,004. If Mr. Comiskey had retired at year end, the number of shares subject to such awards that would have vested and the value of such shares would have been 27,658 shares and \$311,096. If Mr. Davis had retired at year end, the number of shares subject to such awards that would have vested and the value of such shares would have been 19,733 shares and \$235,447. For purposes of valuing the foregoing awards, the Company used the year-end market value of the Company's Common Stock, which was \$12.09/share. Vesting of the restricted stock award made in 2006 to Mr. Frierson of 119,873 shares of Class B Common Stock and 5,127 shares of Common Stock is contingent, in all events other than a change-in-control, on meeting the market condition of the award prior to June 6, 2014.

No termination benefit was paid to or accrued for any executive officer named in the accompanying tables in the fiscal year ended December 28, 2013.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis, set forth above, with management.

Based on our review and the discussions we held with management, we have recommended to the Board of Directors that the Compensation Discussion and Analysis be included in the Company's Proxy Materials.

Respectfully submitted,

SHAREHOLDER PROPOSALS
FOR INCLUSION IN NEXT YEAR'S PROXY STATEMENT

In the event any shareholder wishes to present a proposal at the 2015 Annual Meeting of Shareholders, such proposal must be received by the Company on or before November 21, 2014, to be considered for inclusion in the Company's proxy materials. All shareholder proposals should be addressed to the Company at its principal executive offices, P.O. Box 25107, Chattanooga, Tennessee 37422-5107, Attention: Corporate Secretary, and must comply with the rules and regulations of the Securities and Exchange Commission.

COMMUNICATIONS WITH THE BOARD OF DIRECTORS

Shareholders who wish to communicate with members of the Board, including the independent directors individually or as a group, may send correspondence to them in care of the Secretary at the Company's corporate headquarters, 104 Nowlin Lane, Suite 101, Chattanooga, TN 37421.

PROPOSAL TWO

TO CONSIDER AND APPROVE THE MATERIAL TERMS OF THE PERFORMANCE GOALS OF THE ANNUAL INCENTIVE COMPENSATION PLAN APPLICABLE TO 2014 - 2018.

The Company seeks generally to preserve its ability to claim tax deductions for compensation paid to its executive officers. Section 162(m) of the Internal Revenue Code (the code) sets limits on deductibility for compensation paid to (i) the Chief Executive Officer and (ii) the other most highly compensated executive officers whose compensation is reported in the Summary Compensation Table (covered employees). "Qualified performance based compensation", as defined in the Code, (which can include compensation from stock options, SARS, stock units, stock payments, cash awards and grants of restricted stock) is not subject to the applicable deductibility limits if certain conditions are met. One of the conditions is shareholder approval of the material terms of the performance goals under which compensation is paid.

On March 5, 2014, the Compensation Committee approved the material terms of the Annual Incentive Compensation Plan applicable to 2014 - 2018. The material terms of the performance goals upon which awards may be based are being submitted to you for shareholder approval at the Annual Meeting, in order to allow awards granted under the plan to satisfy the requirements for "qualified performance-based compensation" under the Code, thereby allowing the company to take a federal income tax deduction for the related compensation expense notwithstanding the limitations of Section 162(m).

Material Terms of the Performance Goals

Under the Annual Incentive Compensation Plan applicable to 2014 - 2018, cash incentive and stock based incentive awards may be granted based on achievement of the plan's performance goals. The stock based incentive awards consist of Long Term Incentive Share Awards and Career Share Awards, as described above under the heading Primary Long Term Incentive Share Awards and Career Share Awards.

The material terms of the performance goals for such awards consist of: (i) the class of employees eligible to receive the awards (eligible employees); (ii) the performance criteria on which goals are based (performance criteria); and (iii) the maximum payout of an award that can be provided to any employee and to all covered employees under the plan during a specified period (maximum payout).

Eligible Employees

All covered employees and any additional key executives chosen by the compensation committee are eligible to receive awards under the plan. This group is comprised of approximately 20 individuals.

Performance Criteria-2014 - 2018

The performance Criteria related to awards under the Annual Incentive Compensation Plan applicable to 2014 - 2018, include the following measures: minimum levels of corporate (Company) and business unit Operating Income, as adjusted for specific and unusual items, and a minimum level of profitability (with respect to Career Share Awards).

Cash Incentive Awards

The Cash Incentive Award component is equal to a range of from 15% to a maximum of 105% of base salary as of the beginning of the year.

The percentage weight given to Operating Income achievement levels was set at 50%, 30% and 20%, respectively, for Company, residential, and contract business unit results to determine the cash incentive for the Chief Executive Officer and all other participants whose primary responsibility is at the corporate level.

The percentage weight given to Operating Income achievement levels was set at 55%, 30% and 15%, respectively, for business unit, Company, and other business unit results, to determine the cash incentive for officers whose primary responsibility relates to one of the Company's business units.

Share Based Awards

The plan also provides that each participant may earn a restricted stock award consisting of Long Term Incentive Shares and Career Shares.

Vesting of the restricted share awards of Long Term Incentive Shares and Career Shares is as described above for 2013, except in the case of the Company's Chief Operating Officer and Chief Financial Officer whose Career Share Awards for 2014, if received, will vest ratably over 5 years from the individual's 6th birthday.

Maximum Payout

The maximum Annual Cash Incentive Award that could be paid to any one participant for 2014 - 2018 is \$750,000 and the maximum amount of cash awards that can be paid to all covered employees is \$2,500,000.

The maximum Annual value of stock based awards that could be issued to any one participant in would be \$650,000 and the maximum value of stock awards that could be issued to all covered employees would be \$2,500,000.

General

The Compensation Committee has the authority to establish, review and certify achievement of the performance criteria and to administer and interpret the Incentive Compensation Plan. The plan also provides that the Committee may, in its discretion, reduce, but not increase, any participant's award (by an amount equal to up to 30% of such award) based on subjective criteria related to the individuals' performance during the year.

In accordance with past practice, determination of whether and to what extent awards under the plan applicable to 2014 will be granted, will be made by the Compensation Committee during the first quarter of 2015.

The affirmative vote of a majority of the total votes cast that are represented in person or by proxy at the Annual Meeting is necessary for approval of the material terms of the performance goals for the plan. Abstentions and broker non-votes will be treated as negative votes in determining whether a majority of the total votes cast has been obtained.

The board of Directors recommends that the Company's shareholders vote FOR approval of the material terms of the Performance Goals of the Annual Incentive Compensation Plan applicable to 2014 - 2018.

PROPOSAL THREE

ADVISORY VOTE ON EXECUTIVE COMPENSATION

As required under recent amendments to the Securities Exchange Act of 1934, our stockholders may cast an advisory vote on the compensation of our Named Executive Officers, as described in this proxy statement.

Our executive compensation programs are designed to attract, motivate, and retain our Named Executive Officers, who are critical to our success. Please read the Compensation Discussion and Analysis for additional details about our executive compensation programs, including information about the fiscal 2013 compensation of our Named Executive Officers.

We are asking our Shareholders to indicate their support for our Named Executive Officer compensation as described in this proxy statement. This proposal, commonly known as a "say-on-pay" proposal, gives our stockholders the opportunity to express their views on our Named Executive Officers' compensation. This vote is not intended to

address any specific item of compensation, but rather the overall compensation of our Named Executive Officers and the philosophy, policies and practices described in this proxy statement. We recommend that stockholders vote, on an advisory basis, "FOR" the following resolution:

"RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the Company's named executive officers, as discussed and disclosed in the Compensation Discussion and Analysis, the executive compensation tables and related narrative executive compensation disclosure in this proxy statement."

The above resolution will be deemed to be approved if it receives the affirmative vote of a majority of the total votes cast on Proposal Three at the annual meeting. Abstentions and broker non-votes are not considered to be votes cast and, accordingly, will have no effect on the outcome of the vote. As this vote is an advisory vote, the outcome is not binding on us with respect to future executive compensation decisions, including those relating to our named executive officers. Our Board of Directors and our Compensation Committee, however, value the opinions of our stockholders, and to the extent there is any significant vote against the Named Executive Officer compensation as disclosed in this proxy statement, the Compensation Committee will consider our stockholders' concerns and will evaluate whether any actions are necessary to address those concerns.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR THE APPROVAL OF PROPOSAL THREE.
PROPOSAL FOUR

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTANTS FOR 2013

The firm of Ernst & Young LLP served as independent registered public accountants for the Company for fiscal year 2013. Subject to ratification of its decision by the Company's shareholders, the Company has selected the firm of Dixon Hughes Goodman LLP to serve as its independent registered public accountants for its 2014 fiscal year. A representative of Dixon Hughes Goodman LLP is expected to be present at the Annual Meeting and will have the opportunity to make a statement if he so desires and to respond to appropriate questions from shareholders. Representatives of Ernst & Young and Dixon Hughes Goodman will be available to make a statement and answer questions either in person or by telephone.

The Board of Directors recommends that you vote in favor of Proposal Three. In the event that the Company's shareholders do not ratify the selection of Dixon Hughes Goodman LLP as independent registered public accountants for fiscal 2014, the Board of Directors will consider other alternatives, including appointment of another firm to serve as independent registered public accountants for fiscal 2014.

AUDIT FEES DISCUSSION

The following table sets forth the fees paid to Ernst & Young LLP for services provided during fiscal years 2012 and 2013:

	2013	2012
Total Audit Fees (1)	\$791,461	\$563,775

Represents fees for professional services provided in connection with the audit of the Company's annual financial statements, and audit of the effectiveness of internal control over financial reporting during the 2013, review of the (1) Company's quarterly financial statements, review of other SEC filings and technical accounting issues. Amounts include \$70,032 and \$69,000 related to the review of acquisitions by the Company in 2013 and 2012, respectively. Additionally, 2012 includes \$6,000 related to the review of an SEC comment letter to the Company.

It is the policy of the Audit Committee to pre-approve all services provided by its independent registered public accountants. In addition, the Audit Committee has granted the Chairman of the Audit Committee the power to pre-approve any services that the Committee, as a whole, could approve. None of the fees were approved by the Audit Committee pursuant to the de minimis exception of Reg S-X T Rule 2-01(c)(7)(i)(C).

ADDITIONAL INFORMATION

The entire cost of soliciting proxies will be borne by the Company. In addition to solicitation of proxies by mail, proxies may be solicited by the Company's directors, officers, and other employees by personal interview, telephone, and telegram. The persons making such solicitations will receive no additional compensation for such services. The Company also requests that brokerage houses and other custodians, nominees, and fiduciaries forward solicitation materials to the beneficial owners of the shares of Common Stock held of record by such persons and will pay such brokers and other fiduciaries all of their reasonable out-of-pocket expenses incurred in connection therewith.

OTHER MATTERS

As of the date of this Proxy Material, the Board does not intend to present, and has not been informed that any other person intends to present, any matter for action at the Annual Meeting other than those specifically referred to herein. If other matters should properly come before the Annual Meeting, it is intended that the holders of the proxies will vote in accordance with their best judgment.
