The vesting period for the non-qualified stock options is over four years with the first 50% of such awards vesting at the end of the second-year anniversary of the grant date and the remainder vesting 25% annually on each of the following two anniversaries thereafter. The vesting period for the time-based restricted stock units is 100% of such awards vesting on the four-year anniversary of the grant date. The vesting for the performance-based restricted stock units is 100%, as may be applicable, on the three-year anniversary of the grant date, unless early vesting requirements are met and based on the performance targets set forth on Exhibit 10.2 hereto.
