On December 30, 2008, the Company amended the 2004 TriCo Bancshares Supplemental Executive Retirement Plan (the "SERP") to comply with Internal Revenue Code Section 409A and make various other modifications. The amendments to the SERP included:

Removal of discretion by the Compensation Committee of the Board (the "Committee") to allow payments to terminated participants to begin prior to age 62, but not before age 55, and replace it with payments automatically beginning upon termination but not before age 55. Reductions in payment amounts for payments beginning prior to age 62 remain unchanged.

Establishment of a delay in receipt of payouts under the SERP until six months after termination for all participants that become participants on or after January 1, 2009 and for participants designated as "Specified Employees" under Internal Revenue Code Section 409A that were participants as of December 31, 2008.

For participants who become participants on or after January 1, 2009, the Normal Retirement Benefit is equal to the participant's final average compensation multiplied by the Target Retirement Percentage, which can range from 0% to 45% depending on the participant's Years of Credited Service. For participants who were participants as of December 31, 2008, the Normal Retirement Benefit remains unchanged and equal to the participant's final average compensation multiplied by the Target Retirement Percentage, which can range from 0% to 75% depending on the participant's Years of Credit Service, the product of which is reduced by the sum of 100% of the participant's Estimated Primary Social Security Benefit and the participant's ESOP Offset.

THE 2005 TRI COUNTIES BANK
DEFERRED COMPENSATION PLAN FOR EXECUTIVES AND DIRECTORS

This Tri Counties Bank Deferred Compensation Plan for Executives and Directors is effective January 1, 2005 and applies only to those Participants in the Plan who serve as certain key Executives of TriCo Bancshares, Tri Counties Bank, and subsidiaries or affiliates thereof (hereinafter, these entities shall be referred to as the "Bank" or the "Employer") who are employed by the Employer on or after January 1, 2005 and those Directors of the Employer on or after this date. It is intended that the Plan will aid in retaining and attracting individuals of exceptional ability by providing them with these benefits.

ARTICLE I - PURPOSE

The purpose of this Deferred Compensation Plan for Executives and Directors (the "Plan") is to provide current tax planning opportunities, as well as supplemental funds for retirement or death, for Executives and Directors of the Employer. It is also intended that the Plan will aid in retaining and attracting Executives and Directors of exceptional ability by providing them with these benefits. The Plan was originally adopted effective January 1, 2005 and is amended and restated as of that date principally to clarify certain provisions

Edgar Filing: TRICO BANCSHARES / - Form 8-K

governed by IRC 409A and to reflect the Plan operations under IRC 409A since January 1, 2005.

ARTICLE II - DEFINITIONS

For the purposes of this Plan, the following terms shall have the meanings indicated, unless the context clearly indicates otherwise:

2.1. Participant

The term "Participant" shall mean those certain key employees or Directors of the Employer who are participating in this Plan as provided in Article III.

2.2. Plan Benefit

"Plan Benefit" means the benefit payable to a Participant as calculated pursuant to Articles IV through V.

2.3. Board

"Board" means the Board of Directors of the Employer.

2.4. Committee

"Committee" means the Compensation and Management Succession Committee of TriCo Bancshares.

1

2.5. Compensation

As it applies to an Executive, the term "Compensation" shall refer to the salary, bonuses or commissions paid to the Executive during his employment with Employer for services performed during a given Deferral Period. The Deferral Period to which a commission relates shall be the Deferral Period when the Executive actually performs the services for which the commission is paid. As it applies to a Director, "Compensation" shall refer to the retainer, meeting and Committee chairmanship fees paid to a Director by the Employer with respect to services performed as a Board member during a given Deferral Period, before reduction for any amounts deferred pursuant to this Plan. Compensation does not include expense reimbursements, any form of non-cash compensation or benefits. Compensation payable after December 31 of a given Deferral Period solely for services performed during the Employer's final payroll period containing that December 31 is treated as Compensation payable for services performed in the subsequent Deferral Period in which the Compensation is paid.

2.6. Elective Deferred Compensation

The term "Elective Deferred Compensation" shall mean the amount of Compensation that a Participant elects to defer pursuant to a Deferral Election Form.

2.7. Deferral Election

"Deferral Election" means an irrevocable election to defer Compensation made by a Participant pursuant to Article III and for which a Deferral Election Form, as prescribed by the Committee, has been timely submitted by the Participant to the Committee. The Deferral Election with respect to any particular Deferral Period cannot be modified or revoked after the deadline provided in Section 3.1 for submitting the Deferral Election Form to the Committee for that Deferral Period. The Committee may prescribe any Deferral Election Form that is consistent with the terms of this Plan. In the event that he fails to file a subsequent Deferral

Edgar Filing: TRICO BANCSHARES / - Form 8-K

Election (or a timely subsequent Deferral Election) for a particular Deferral Period, the Participant's most recent prior Deferral Election shall remain effective as if completed for that subsequent particular Deferral Period and cannot be modified or revoked after the December 15 of the calendar year immediately preceding that Deferral Period.

2.8. Deferral Period

"Deferral Period" means the period over which a Participant has elected to defer a portion of his Compensation. Each calendar year shall be a separate Deferral Period; provided, however, that a Participant's prior Deferral Election may remain effective for a subsequent Deferral Period as described in Section 2.7.

2.9. Account

"Account" means the Account as maintained by the Bank in accordance with Article IV with respect to any deferral of Compensation pursuant to this Plan. A Participant's Account shall be utilized solely as a device for the determination and measurement of the amounts to be paid to the Participant pursuant to the Plan. A Participant's Account shall not constitute or be treated as a trust fund of any kind.

2

2.10. Distribution Election

The term "Distribution Election" shall mean the form of distribution of the Account selected by the Participant on the most recent valid Distribution Election Form. The Committee may prescribe any Distribution Election Form that is consistent with the terms of this Plan.

2.11. Actuarial Equivalent

"Actuarial Equivalent" means equivalence in value between two (2) or more forms and/or times of payment based on a determination by an actuary chosen by the Bank, using sound actuarial assumptions at the time of such determination.

2.12. Determination Date

"Determination Date" means the last day of each calendar month.

2.13. Interest Rate

"Interest Rate" means, with respect to any calendar month, the monthly equivalent of the annual yield of the Moody's Average Corporate Bond Yield Index for the preceding calendar month as published by Moody's Investor Service, Inc. (or any successor thereto) or, if such index is no longer published, a substantially similar index selected by the Board.

2.14. Bonus Interest Rate

"Bonus Interest Rate" means, with respect to any calendar month, the monthly equivalent of three (3) percentage points greater than the annual yield of the Moody's Average Corporate Bond Yield Index for the preceding calendar month as published by Moody's Investor Service, Inc. (or any successor thereto) or, if such index is no longer published, a substantially similar index selected by the Board. The Bonus Interest Rate shall be applied to all deferrals of compensation and the Account provided the Participant remains a Director or Executive of the Company until December 31, 2008. Thereafter, the Bonus Interest Rate applied to all subsequent deferrals and the Account shall be defined as: the monthly equivalent of one (1) percentage point greater than the annual yield of the

Edgar Filing: TRICO BANCSHARES / - Form 8-K

Moody's Average Corporate Bond Yield Index for the preceding calendar month as published by Moody's Investor Service, Inc. (or any successor thereto) or, if such index is no longer published, a substantially similar index selected by the Board.

2.15. Change in Control

A "Change in Control" shall be defined as follows to be interpreted by the Committee in a manner that is consistent with IRC 409A and the related Treasury regulations:

- (a) The acquisition of more than fifty percent (50%) of the value or voting power of the Employer's stock by a person or group;

2.16. Disability

For the purpose of this Plan, the Participant will be considered disabled if:

2.17. Termination or Removal For Cause

A Termination of an Executive's employment or a Removal of a Director shall be "For Cause" if for any of the following reasons:

(b) Participation. A Participant may elect to participate in the Plan with respect to any Deferral Period by submitting a Deferral Election Form to the Committee by December 15 of the calendar year immediately preceding the Deferral Period. This Section 3.1(b) applies for any Deferral Period for which Section 3.1(c) does not apply.

(c) Part-Year Participation. In the case of the Deferral Period in which a Participant first becomes eligible to participate in the Plan and who is not participating in any other account balance plan of the Employer (determined according to Treasury Regulation 1.409A-1(c)(2)), a Deferral Election Form must be submitted to the Committee within thirty (30) days after the Participant first becomes eligible to participate in the Plan. In addition, such Deferral Election Form shall be effective only with regard to Compensation paid for services performed following the submission of the Deferral Election Form to the Committee (determined on a pro-rata basis to the extent required by Treasury regulation 1.409A-2(a)(7)(i)). The determination of when a Participant first becomes eligible to participate in the Plan shall be made according to Treasury regulation 1.409A-2(a)(7)(ii).

3.2. Form of Deferral and Minimum Deferral

(a) Deferral Election. A Participant may elect in the Deferral Election Form to defer any portion of his Compensation for the Deferral Period immediately following the calendar year when the Deferral Election Form is submitted to the Committee as provided in Section 3.1(b). The amount to be deferred shall be stated as a dollar amount or percentage of Compensation and must not be less than two thousand four hundred dollars (\$2,400) during the Deferral Period.

(b) Deferrals in the Event of Part-Year Participation. In the case of the first year in which a Participant becomes eligible to participate in the Plan (see paragraph 3.1(c)) he must defer at least two hundred dollars (\$200) per month (stated as a dollar amount or percentage of Compensation) for each of the months remaining in the Deferral Period (\$200 x number of months remaining).

(c) Transition Rules. Notwithstanding any provision in this Section 3.2 to the contrary, the Committee may authorize a deferral election to the extent consistent with the transition rules and during the transition relief period provided under IRC 409A and the related guidance issued in Treasury regulations and by the Internal Revenue Service.

ARTICLE IV - DEFERRED COMPENSATION ACCOUNT

4.1. Accounts

For record keeping purposes only, an Account shall be maintained for each Participant.

4.2. Elective Deferred Compensation

A Participant's Elective Deferred Compensation shall be credited to the Participant's Account as the corresponding non-deferred portion of the Compensation becomes or would have become payable. Any withholding of taxes or other amounts with respect to Elective Deferred Compensation that is required by state, federal or local law shall be withheld from the Participant's non-deferred Compensation to the maximum extent possible with any excess being withheld from the Participant's Account. Any such withholding of taxes or other amounts from the Participant's Account shall comply with Treasury regulation 1.409A-3(j)(4)(vi) and 1.409A-3(j)(4)(xi), to the extent applicable.

4.3. Employer Discretionary Contributions

Employer may make Discretionary Contributions to Participants' Accounts. Discretionary Contributions shall be credited at such times and in such amounts as the Board in its sole discretion shall determine. The amount of the Discretionary Contributions shall be evidenced in a special Deferral Election Form approved by the Board.

4.4. Interest

Beginning January 1, 2005 and subject to the provisions of Section 5.4 with respect to a Termination for Cause, each Participant's Account shall be credited monthly with interest earned based on the Interest Rate or Bonus Interest Rate.

Edgar Filing: TRICO BANCSHARES / - Form 8-K

Interest earned shall be calculated as of each Determination Date based upon the average daily balance of the Account since the preceding Determination Date and shall be credited to the Participant's Account at that time. For each Determination Date preceding the Participant's Separation from Service (including a Separation from Service after a Change in Control), as defined in Section 5.4, his Account shall be credited with interest earned at the Bonus Interest Rate specified in Section 2.14. For each Determination Date following the Participant's Separation from Service (including a Separation from Service after a Change in Control), his Account shall be credited with interest earned at the Interest Rate specified in Section 2.13.

4.5. Determination of Accounts

Each Participant's Account as of each Determination Date shall consist of the balance of the Participant's Account as of the immediately preceding Determination Date, plus the Participant's Elective Deferred Compensation credited and any Employer Discretionary Contributions and any interest earned, minus the amount of any distributions made since the immediately preceding Determination Date.

4.6. Vesting of Accounts

Each Participant shall be vested in the amounts credited to such Participant's Account and earnings thereon as follows:

(a) Amounts Deferred. A Participant shall be one hundred percent (100%) vested at all times in the amount of Compensation elected to be deferred under this Plan and Interest thereon, subject to the provisions of Section 5.6.

(b) Employer Discretionary Contributions. Employer Discretionary Contributions and Interest thereon shall be vested as set forth in the special Deferral Election Form described in Section 4.3, subject to the provisions of Section 5.6.

4.7. Statement of Accounts

The Bank shall submit to each Participant, within thirty (30) days after the close of each calendar year and at such other time as determined by the Bank, a statement setting forth the balance to the credit of the Account maintained for a Participant.

ARTICLE V - PLAN BENEFITS

5.1. Plan Benefit

The Employer shall pay a Plan Benefit according to the provisions of this Article V.

7

5.2. Death Benefit

Upon receiving notice of the death of a Participant, the Employer shall pay to the Participant's Beneficiary(ies) a Plan Benefit as follows:

(a) If the Participant dies after his Plan Benefit payment has begun pursuant to the terms of this Plan, then the amount payable shall be the remaining unpaid balance of the Participant's Account, and shall be paid in the same form as payments were being made prior to the Participant's death.

Edgar Filing: TRICO BANCSHARES / - Form 8-K

(b) If the Participant dies while serving as an Executive or Director of the Employer, or before his Plan Benefit payment has begun pursuant to the terms of this Plan, then the amount payable shall be equal to the Participant's Account, and shall be payable as provided in Section 5.4. Any notice required under this provision shall be in writing and shall include an original death certificate.

5.3. Unforeseeable Emergency Distributions

Upon a finding that a Participant has suffered an Unforeseeable Emergency, the Committee may, in its sole discretion, make distributions from the Participant's Account prior to the time specified for payment of his Plan Benefit under the Plan. Any distribution made pursuant to this provision must be made in accordance with IRC 409A and the related Treasury regulations, and must not exceed the amount required (including anticipated taxes on the distribution) to meet the emergency financial need and not reasonably available from other resources of the Participant (including reimbursement or compensation by insurance, liquidation of the Participant's assets to the extent such liquidation itself would not cause severe financial hardship). Each request for distribution due to an Unforeseeable Emergency shall be made at such time and in such manner as the Committee shall determine, and shall be effective in accordance with such rules as the Committee shall establish from time to time. Any distribution under this Section 5.3 shall be paid to the Participant in a single lump sum as soon as administratively practicable following receipt of the appropriate forms and information required by and acceptable to the Committee.

5.4. Distribution Following a Separation From Service

Upon his Separation from Service, a Participant shall be entitled to a Plan Benefit equal to his Account. In the event of a Termination for Cause, notwithstanding the preceding sentence, the Plan Administrator shall retain the sole discretion to determine whether the interest on such contributions will be forfeited. A Separation from Service means the Participant's separation from service (within the meaning of IRC 409A and related Treasury regulations and Internal Revenue Service guidance, including death or Disability) from the Employer, and any Related Employer as defined in IRC 414(b) and (c). A Separation from Service shall occur as of the date that a Participant's performance of bona-fide services for the Employer and any Related Employer is permanently reduced to a level less than twenty percent (20%) of the average level of services performed in the preceding thirty-six (36) month period.

In the event, however, that the Participant is a Specified Employee at the time of his Separation from Service, the Participant's right to receive any distribution of the Participant's Account will be delayed until the earlier of his death or the first day of the seventh month following his Separation from Service. A Specified Employee shall have the meaning given this term in IRC 409A and the related Treasury regulations; provided, that as permitted in those Treasury regulations, the Specified Employees and the application of the six-month delay rule of IRC 409A(a)(2)(B)(i) to the Specified Employees shall be determined according to rules adopted and consistently applied by the Committee in its sole discretion.

8

5.5. Distribution Upon a Change in Control

If he so elects, a Participant shall be entitled to a Plan Benefit equal to his Account if he is serving as an Executive or Director upon a Change in Control prior to the Participant's Separation from Service.

5.6. Benefit Payment Elections and Subsequent Modifications Thereto

Edgar Filing: TRICO BANCSHARES / - Form 8-K

Other than for those circumstances that specifically provide to the contrary, a Plan Benefit shall be paid in accordance with the Participant's most recent valid Distribution Election. A Participant must irrevocably elect the time and form for the payment of his Plan Benefit by the later of (i) December 31, 2008 or (ii) the date by which his first Deferral Election Form must be submitted to the Committee according to Section 3.1(b) or 3.1(c), as the case may be.

A Participant can elect payment of his Plan Benefit upon a Change in Control prior to his Separation from Service. If he does not elect such a payment of his Plan Benefit or if a Change in Control does not occur prior to his Separation from Service, a Participant's Plan Benefit shall be payable only upon his Separation from Service as provided in Section 5.4. A Participant can elect the following form of payment for his entire Plan Benefit:

(i) A lump sum.

(ii) Substantially equal annual payments for a period as designated by the Participant of five (5), ten (10) or fifteen (15) years. The amount of each annual payment shall be determined by dividing the Participant's Account on the Determination Date immediately preceding the month of the annual payment by the number of years remaining in the designated installment period.

A Participant may irrevocably elect one form of payment for his entire Plan Benefit upon a Change in Control prior to his Separation from Service and another form of payment for his entire Plan Benefit upon his Separation from Service. A Participant's election as to the form of payment for his Plan Benefit upon his Separation from Service shall apply for the payment of his Plan Benefit in the event of his death, as provided in Section 5.2. A Participant's Plan Benefit shall be paid according to his most recent valid Distribution Election submitted to the Committee. In the event that a Participant has not submitted to the Committee a valid Distribution Election, his Plan Benefit shall be paid in annual payments for ten (10) years.

A Participant may modify his Distribution Election as to the form of payment for his Plan Benefit upon a Change in Control and/or his Separation from Service, however any such modification

(i) shall not be valid or effective if made within twelve (12) months of the date of the first payment under the Participant's previous valid Distribution Election;

(ii) may not add an election for or remove a previously elected payment upon a Change in Control under Section 5.5; and

(iii) except in the case of the Participant's Separation from Service due to his death or Disability, the first payment for which such election is made must be deferred for a period of at least five (5) years from the date of the Participant's previous valid Distribution Election for that payment. For the purposes of a Participant's modification of his Distribution Election, a Participant's right to receive any annual installment payment under this Section 5.6 is treated as the right to receive a single payment as provided in Treasury regulation 1.409A-2(b)(2)(iii). A Participant's modified Distribution Election shall be made by submitting a Deferral Election Form to the Committee.

Notwithstanding any provision in the immediately preceding paragraph to the contrary, the Committee may authorize changes to the times and forms of payment permitted under this Section 5.6 to the extent consistent with the transition rules and during the transition relief period provided under IRC 409A and the

Edgar Filing: TRICO BANCSHARES / - Form 8-K

related guidance issued in Treasury regulations and by the Internal Revenue Service.

9

5.7. Withholding Payroll Taxes

The Employer shall withhold from payments made hereunder any taxes required to be withheld from such payments under federal, state or local law. However, a Beneficiary may elect not to have withholding for federal income tax pursuant to Section 3405(a)(2) of Internal Revenue Code, or any successor provision thereto.

5.8. Commencement of Payments

6.2. Amendments

Any Beneficiary designation may be changed by a Participant without the consent of any designated Beneficiary by the filing of a new Beneficiary designation with the Committee. SUPPLEMENTAL EXECUTIVE RETIREMENT PLAN

ARTICLE I

PURPOSE; EFFECTIVEDATE

The purpose of this Supplemental Executive Retirement Plan (the "Plan") is to provide supplemental retirement benefits for certain key employees of TriCo Bancshares, Tri Counties Bank, and subsidiaries or affiliates thereof (the "Employer") who are employed by the Employer on, or after January 1, 2004. It is intended that the Plan will aid in retaining and attracting individuals of exceptional ability by providing them with these benefits. The Plan is hereby amended and restated effective January 1, 2009.

ARTICLE II

DEFINITIONS

For the purposes of this Plan, the following terms shall have the meanings indicated, unless the context clearly indicates otherwise:

2.1 Actuarial Equivalent.

"Actuarial Equivalent" means equivalence in value between two or more forms and/or times of payment based on the fully phased in (i.e., applicable percentage of 100%) Applicable Interest Rate and Applicable Mortality table defined in IRS Code 417(e)(3). The Applicable Interest Rate will be determined by the rate for the month prior to the beginning of the calendar year in which a distribution occurs or would occur. The Applicable Interest Rate and Applicable Mortality table are selected and published by the Secretary of the Treasury.

2.2 Board.

"Board" means the Board of Directors of TriCo Bancshares.

2.3 Change in Control.

A "Change in Control" means the occurrence of any of the following events with respect to Tri Counties Bank (the "Bank") or its parent holding company, TriCo Bancshares ("Bancorp"):

(a) Merger: A merger into or consolidation with another corporation, or merger of another corporation into Bank or Bancorp, and as a result less than 50% of the combined voting power of the resulting corporation immediately after the merger or consolidation is held by persons who were stockholders of Bank or Bancorp immediately before the merger or consolidation;

(b) Acquisition of Significant Share Ownership: One person, or more than one person acting as a group, acquires (or has acquired during the twelve (12) month period ending on the date of the most recent acquisition by such person or persons) ownership of stock possessing thirty percent (30%) or more of the total voting power of the stock of Bank or Bancorp (this constitutes acquisition of "Effective Control"). No Change in Control shall occur if additional voting shares are acquired by a person or persons who possessed Effective Control prior to acquiring additional shares. This subpart (b) shall not apply to beneficial ownership of voting shares held in a fiduciary capacity by an entity of which Bank or Bancorp directly or indirectly beneficially owns 50% or more of the outstanding voting securities, or voting shares held by an employee benefit plan maintained for the benefit of the Bank's employees.

Edgar Filing: TRICO BANCSHARES / - Form 8-K

(c) Change in Board Composition: A majority of the members of the Board of Directors of Bank or Bancorp is replaced during any 12-month period by directors whose appointment or election is not endorsed by a majority of the members of the Board of Directors of Bank or Bancorp before the date of the appointment or election. This subparagraph shall only apply with respect to Bancorp if no other corporation is a majority shareholder of Bancorp.

(d) A sale of substantially all of the assets of Bank or Bancorp. A Change in Control shall only occur with respect to Bancorp if Bancorp (i) is a majority shareholder of the Bank; (ii) is a majority shareholder of any corporation in a chain of corporations in which each corporation is a majority shareholder of another corporation in the chain, ending in the Bank; or (iii) is otherwise a "Relevant Corporation" as that term is used and defined in Code section 409A. For purposes of this section, majority shareholder means a shareholder owning more than 50% of the total fair market value and total voting power of the Bank, Bancorp, or a corporation in the chain referenced above. No Change in Control shall occur unless the event constitutes a "Change in the Ownership of a Corporation," a "Change in the Effective Control of a Corporation," or a "Change in the Ownership of a Substantial Portion of the Assets of a Corporation," as defined under Code section 409A.

4

2.4 Committee.

"Committee" means the Compensation and Benefits Committee of the Board of Directors of TriCo Bancshares.

2.5 Compensation.

"Compensation" means the base salary and bonuses paid to a Participant and considered to be "wages" for purposes of federal income tax withholding. 2.6 Disability.

"Disabled" means that the Participant is

(a) unable to engage in any substantial gainful activity by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve months; or

(b) by reason of any medically determinable physical or mental impairment which can be expected to result in death or can be expected to last for a continuous period of not less than twelve months, receiving income replacement benefits for a period of not less than three months under an accident and health plan covering the Bank's employees. The Bank may, in its discretion, rely on a determination by the Social Security Administration or an insurance carrier (if the definition of "disability" applied by the carrier is consistent with this section) in determining whether a Participant is Disabled, and may require the Participant to submit proof of such determination. The term "Disabled" shall be interpreted consistently with Code section 409A.

3.1 Eligibility and Participation

(a) Eligibility. Eligibility to participate in the Plan is limited to those employees of the Employer that are designated, from time to time, by the Board.

(b) Participation. If the Board determines that a Participant's employment performance is no longer at a level which deserves reward through participation in this Plan, but does not terminate the Participant's employment with the Employer, participation herein and eligibility to receive benefits hereunder shall be limited to the Participant's vested interest in such benefits, as determined by the Applicable Percentage, as of the date designated by the Board. In such an event, the benefits payable to the Participant shall be based solely on the Participant's Years of Credited Service and Compensation as of the date designated by the Board.

3.3 Eligibility for Benefits.

(a) Retirement on Normal Retirement Date: The Applicable Percentage for a Participant whose employment with the Employer terminates on or after the Normal Retirement Date shall be 100%.

(c) Termination Without Cause (termination other than Early or Normal retirement, death, Disability, Voluntary Termination or Termination with Cause as defined in 3.4). If the Participant's employment is terminated by the Employer without cause, the Participant's Applicable Percentage shall be 100% and the Participant shall be eligible to receive benefits pursuant to the Target Retirement Percentage accrued as of the effective date of Termination.

(d) Voluntary Termination. If the Employee's employment is terminated by voluntary resignation other than for Early Retirement, the Employee shall be entitled to be paid the following benefits:

(i) If the Applicable Percentage is one hundred percent (100%) as of the date of termination, the Participant shall be entitled to be paid the Target Retirement Percentage of the Supplemental Retirement Benefits.

(e) Termination Following a Change in Control: In the event a Participant is terminated pursuant to a Change in Control, the Applicable Percentage shall be 100%. A termination shall be deemed to be in connection with a Change in Control if, within two (2) years following the occurrence of a Change in Control: The Participant's employment with the Employer is terminated by either the Employee or the Employer other than because of a Termination for Cause, as defined in 3.4 .

(v) The Employer does not adopt a new deferred compensation plan that would be aggregated with any terminated arrangement under Treasury regulations section 1.409A-1(c), if a Participant participated in both arrangements, within three (3) years following the date the Employer takes all necessary action to irrevocably terminate and liquidate the Plan; or

Such trust or trusts may be irrevocable, but the assets thereof shall be subject to the claims of the Employer's creditors. To the extent any benefits provided under the Plan are actually paid from any such trust, the Employer shall have no further obligation with respect thereto, but to the extent not so paid, such benefits shall remain the obligation of, and shall be paid by, the Employer.

No part of the Amount payable shall, prior to actual payment, be subject to seizure or sequestration for the payment of any debts, judgments, alimony or separate maintenance owed by a Participant or any other person, nor be transferable by operation of law in the event of a Participant's or any other person's bankruptcy or insolvency.

9.5 Not a Contract of Employment.

The terms and conditions of this Plan shall not be deemed to constitute a contract of employment between the Employer and the Participant, and the Participant (or his Beneficiary) shall have no rights against the Employer except as may otherwise be specifically provided herein. Moreover, nothing in this Plan shall be deemed to give a Participant the right to be retained in the service of the Employer or to interfere with the right of the Employer to discipline or discharge him at any time.
