The Company’s shareholders voted to authorize the Board of Directors to use its discretionary authority to effect a share consolidation, of not less than five-for-one and not more than seven-for-one common share, no par value, of the Company (each, a “Common Share”) and to file the Articles of Amendment giving effect to such common share consolidation at the selected ratio. Prior to and conditional on the shareholder vote in connection with the Common Share Consolidation, on August 13, 2014, the Board of Directors approved the implementation of a share consolidation at a ratio of seven-for-one. As of the Effective Date of the Common Share Consolidation, every seven “old” Common Shares were converted into one “new” Common Share. Toronto Stock Exchange with the symbol “IE” and on the Nasdaq Capital Market with the symbol “IVAN” on a split adjusted basis at the opening of trading on August 18, 2014.

As a result of the Common Share Consolidation, holders of certificates representing “old” Common Shares prior to the Effective Date have the right to receive, upon surrender of those certificates, “new” Common Shares at the ratio of one “new” Common Share for every seven “old” Common Shares. No fractional shares will be issued in connection with the Common Share Consolidation. Instead, holders of “old” Common Shares who otherwise would have received fractional shares will receive the number of “new” Common Shares rounded to the nearest whole number of “new” Common Shares.

Existing shareholders holding Common Share certificates will receive a Letter of Transmittal from the Company’s transfer agent with specific instructions regarding the exchange of shares. Proportionate adjustments will be made to the Company’s outstanding convertible debentures, stock options and restricted share units.

On August 14, 2014, the Company issued a press release with respect to the Common Share Consolidation described above. The press release is filed as Exhibit 99.1 hereto and is incorporated herein by reference.
