**STATEMENT ON SCHEDULE 13D/A**

This Amendment No. 2 amends and supplements the Statement on Schedule 13D (the "Initial Statement") filed by Kinder Morgan, Inc. on January 28, 2000, relating to the common units ("Common Units") of Kinder Morgan Energy Partners, L.P. (such Initial Statement, as amended and supplemented by Amendment No. 1 dated September 16, 2002, the "Statement"). Capitalized terms used but not defined herein have the meanings ascribed to them in the Initial Statement. All references to numbers of Common Units give effect to a two-for-one Common Unit split by the Issuer on August 31, 2001.

**Item 3. Source and Amount of Funds or Other Consideration**

Item 3 of the Statement is supplemented as follows:

On November 19, 2004, the Issuer completed the acquisition of TransColorado Gas Transmission Company, a Colorado general partnership, from the Reporting Person for \$275 million, consisting of approximately \$210 million in cash and 1,400,000 Common Units. The value of the Common Units was determined based on the closing price of the Common Units on the New York Stock Exchange on November 18, 2004. The transaction was approved by the relevant boards of directors following the receipt of fairness opinions from separate investment banking firms.

**Item 5. Interest in Securities of the Issuer**

Item 5 of the Statement is supplemented as follows:

The Reporting Person's response in Item 3 is incorporated herein by reference. As a result of the transaction reported in response to Item 3, as of November 19, 2004, the Reporting Person beneficially owned directly 8,838,095 Common Units, representing 6.02% of the outstanding Common Units based on the number of outstanding Common Units as of the most recent practicable date, and beneficially owned through wholly-owned subsidiaries an additional 5,517,640 Common Units, representing 3.75% of the outstanding Common Units. The Reporting Person had sole voting and dispositive power with respect to the Common Units owned directly, and with respect to the Common Units owned by wholly-owned subsidiaries, shared voting and dispositive power with those wholly-owned subsidiaries. Thus, as of November 19, 2004, the Reporting Person had direct and indirect beneficial ownership of 14,355,735 Common Units, representing 9.77% of the outstanding Common Units. The persons listed on Appendix A disclaim any beneficial ownership of the Common Units owned by the Reporting Person. No person other than as set forth in the response to this Item 5 has the right to receive or the power to direct the receipt of distributions from, or the proceeds from the transfer of, the Common Units beneficially owned by the Reporting Person.
