Item 1.01. Entry into a Material Definitive Agreement.

First Mid-Illinois Bancshares, Inc. ("Registrant") announced that it entered into an agreement and plan of merger, dated as of February 14, 2006 (the "Merger Agreement"), with Mansfield Bancorp, Inc. ("Mansfield"), pursuant to which a wholly owned subsidiary of Registrant ("Merger Co.") will merge with and into Mansfield (the "Merger"), with Mansfield continuing as the surviving corporation.

Pursuant to the Merger Agreement, at the effective time of the Merger, each issued and outstanding share of common stock, par value \$100 per share, of Mansfield (each, a "Share"), other than any Shares owned by the Company or any subsidiary thereof (other than in a fiduciary capacity) and any Shares with respect to which appraisal rights have been perfected under the Delaware General Corporation Law, will be canceled and converted automatically into the right to receive \$16,096.58 in cash, without interest. If there are no dissenters, the aggregate consideration is expected to be \$24,000,000.

The Merger is conditioned, among other things, on the approval of the Merger Agreement by the stockholders of Mansfield and the approval of each of the Board of Governors of the Federal Reserve System under the Bank Holding Company Act and the Illinois Department of Financial and Professional Regulation under the Illinois Banking Act.

Registrant and Mansfield have made customary representations, warranties and covenants in the Merger Agreement, including Mansfield making covenants not to solicit inquiries or proposals or enter into any agreement or initiate or participate in any negotiations or discussions with any person or entity concerning an acquisition proposal with respect to Mansfield or its wholly owned subsidiary, Peoples State Bank of Mansfield ("Peoples"). Officers and directors of Mansfield and Peoples who own more than 50% of the outstanding common stock of Mansfield have agreed, in their capacity as stockholders, to vote their shares in favor of the Merger.

The Merger Agreement contains certain termination rights for both Registrant and Mansfield, and provides that, upon termination of the Merger Agreement under certain circumstances, Mansfield may be obligated to pay Registrant a termination fee of \$1 million.

The foregoing description of the Merger Agreement does not purport to be complete and is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit 2 hereto, and is incorporated herein by reference.

AGREEMENT AND PLAN OF MERGER

This AGREEMENT AND PLAN OF MERGER (this "Agreement"), is entered into as of the 14th day of February, 2006, by and among First Mid-Illinois Bancshares, Inc., a Delaware corporation ("First Mid"), First Mid Merger Company, a Delaware corporation and a wholly-owned subsidiary of First Mid ("Merger Co."), and Mansfield Bancorp, Inc., a Delaware corporation (the "Company"). First Mid, Merger Co. and the Company are referred to collectively in this Agreement as the "Parties."

RECITALS

WHEREAS, the boards of directors of each of the Parties have approved and declared it advisable and in the best interests of the Parties and their respective stockholders to effect a transaction, whereby Merger Co. will merge with and into the Company, in the manner and on the terms and subject to the conditions set forth in Article I below (the "Merger"), as a result of which Merger Co. will merge out of existence and the Company will become a wholly owned subsidiary of First Mid;

NOW THEREFORE, in consideration of the premises and the mutual promises herein made, and in consideration of the representations, warranties and covenants herein contained, the Parties agree as follows:

ARTICLE I THE MERGER

1.1 The Merger. At the Effective Time, as defined in Section 1.2, in accordance with this Agreement and the Delaware General Corporation Law, as amended (the "DGCL"), Merger Co. shall be merged with and into the Company, and the Company shall continue as the corporation surviving the Merger (sometimes referred to herein as the "Surviving Corporation").

1.2 Effective Time. As of the Closing, as defined in Section 1.7, with respect to the Merger, the Parties will cause a certificate of merger (the "Certificate of Merger") to be executed and filed with the Delaware Secretary of State as provided in the DGCL. The Merger shall become effective upon the filing of the Certificate of Merger on the Closing Date, as defined in Section 1.7, with the Secretary of State of Delaware or at such time thereafter as is agreed among the Parties, in writing, and specified in the Certificate of Merger (the "Effective Time").

1.3 Effect of the Merger. At and after the Effective Time, the Merger shall have the effects set forth in Section 259(a) of the DGCL. The Certificate of Incorporation and By-Laws of Merger Co., as in effect immediately prior to the Effective Time, shall become the Certificate of Incorporation and By-Laws of the Surviving Corporation, except that Article I of the Certificate of Incorporation of the Surviving Corporation shall be amended immediately after the Effective Time to change the name of the Surviving Corporation to "Mansfield Bancorp, Inc.," and Article I of the By-Laws of the Surviving Corporation shall be amended immediately after the Effective Time to the same effect. Each share of Merger Co. Common Stock issued and outstanding or held as treasury stock immediately prior to the Effective Time shall be converted into one validly

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

issued, fully paid and non-assessable share of Common Stock, \$1.00 par value, of the Surviving Corporation. The directors and officers of the Surviving Corporation shall be the directors and officers of Merger Co. serving immediately prior to the Effective Time, who shall continue in office for the terms provided in the By-Laws of the Surviving Corporation and until their successors are duly elected or appointed and qualified.

1.4 Conversion of Company Common Stock. At the Effective Time, by virtue of the Merger and without any action on the part of the Parties or the stockholders of the Company, each share of common stock of the Company, \$100 per share par value (the "Company Common Stock"), issued and outstanding immediately prior to the Effective Time (other than shares of Company Common Stock to be cancelled pursuant to Section 1.5 and Dissenting Shares to the extent provided in Section 1.6), shall be converted into the right to receive \$16,096.58 in cash (the "Per Share Merger Consideration"). At the Effective Time, each share of Company Common Stock shall no longer be outstanding and shall automatically be canceled and retired and shall cease to exist, and each certificate previously evidencing any such share (other than shares canceled pursuant to Section 1.5 and Dissenting Shares) shall thereafter represent only the right to receive, upon surrender of such certificate in accordance with Section 2.1, the Per Share Merger Consideration. The holders of such certificates previously evidencing such shares of Company Common Stock outstanding immediately prior to the Effective Time shall cease to have any rights with respect thereto except as otherwise provided in this Agreement or by law.

1.5 Cancellation of Treasury Shares. At the Effective Time, each share of Company Common Stock held as treasury stock or otherwise held by the Company or any subsidiary of the Company (other than in a fiduciary capacity), if any, immediately prior to the Effective Time shall automatically be canceled and retired and cease to exist, and no Per Share Merger Consideration shall be exchanged therefor.

1.6 Appraisal Rights. Notwithstanding any other provision of this Agreement to the contrary, shares of Company Common Stock that are outstanding immediately prior to the Effective Time and which are held by stockholders (a) who shall not have voted in favor of adoption of this Agreement and (b) who shall be entitled to and shall have demanded properly in writing appraisal for such shares in accordance with Section 262 of the DGCL ("Dissenting Shares"), shall not be converted into or represent the right to receive the Per Share Merger Consideration in exchange for each such share unless such stockholders fail to perfect, withdraw or otherwise lose their right to appraisal. Such stockholders shall be entitled to receive a cash payment of the appraised value of such Dissenting Shares in accordance with the provisions of the DGCL. If, after the Effective Time, any such stockholder fails to perfect, withdraws or loses his or her right to appraisal, such shares of Company Common Stock shall be treated as if they had been converted as of the Effective Time into the right to receive the Per Share Merger Consideration in exchange for each such share without interest thereon, upon surrender of the certificate or certificates that formerly evidenced such Dissenting Shares in the manner set forth in Article II.

1.7 Closing. The consummation of the transactions contemplated by this Agreement shall take place at a closing (the "Closing") to be held on or as of the first business day of the calendar month following the month in which all of the conditions set forth in Articles VII and VIII of this Agreement have been satisfied, or on such other date as the Parties may mutually agree (the "Closing Date"). In the event of the filing of any motion for rehearing or any appeal from the decision of any regulatory authority approving the transactions contemplated in this Agreement or any legal proceedings of the type contemplated by Sections 7.5 or 8.5, First Mid or the Company may postpone the Closing by written notice to the other Party until such approvals have been obtained or such motion, appeal or litigation has been resolved, but in no event shall such Closing be postponed beyond the close of business on June 30, 2006 (except as

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

may be extended pursuant to Section 10.2(a)(ii)) without the consent of the boards of directors of First Mid and the Company. The Closing shall take place at 10:00 a.m., local time, on the Closing Date at the offices of Schiff Hardin LLP, 6600 Sears Tower, Chicago, Illinois, or at such other place and time upon which the Parties may agree.

ARTICLE II EXCHANGE OF CERTIFICATES FOR CASH IN MERGER

2.1 Conversion Fund. At or prior to the Effective Time, First Mid shall make available to Computershare Investor Services (the "Exchange Agent"), for the benefit of the holders of Company Common Stock, for exchange in accordance with this Article II, sufficient cash for payment of the Per Share Merger Consideration pursuant to Section 1.4. Such cash is referred to in this Article II and in Section 4.4 as the "Conversion Fund." First Mid shall be solely responsible for the payment of any fees and expenses of the Exchange Agent.

2.2 Transmittal Letter. Within ten (10) business days after the Closing Date, First Mid shall cause the Exchange Agent to mail to each holder of record of one or more shares of Company Common Stock a letter of transmittal (which shall specify that delivery shall be effected, and risk of loss and title to certificates for shares of Company Common Stock ("Company Stock Certificates") shall pass, only upon delivery of the Company Stock Certificates to the Exchange Agent) and instructions for use in effecting the surrender of the Company Stock Certificates pursuant to this Agreement.

2.3 Payment. Upon proper surrender of a Company Stock Certificate for exchange to the Exchange Agent, together with such properly completed letter of transmittal, duly executed, the holder of such Company Stock Certificate shall be entitled to receive in exchange therefor the Per Share Merger Consideration deliverable in respect of each of the shares of Company Common Stock represented by such Company Stock Certificate, and such Company Stock Certificate shall forthwith be canceled. No interest will be paid or accrued on any Per Share Merger Consideration deliverable upon surrender of a Company Stock Certificate.

2.4 No Further Transfers. After the Effective Time, there shall be no transfers on the stock transfer books of the Company of the shares of Company Common Stock that were issued and outstanding immediately prior to the Effective Time.

2.5 Unclaimed Funds. Any portion of the Conversion Fund that remains unclaimed by the stockholders of the Company for twelve (12) months after the Effective Time shall be paid to the Surviving Corporation, or its successors in interest. Any stockholders of the Company who have not theretofore complied with this Article II shall thereafter look only to the Surviving Corporation, or its successor in interest, for the payment of the Per Share Merger Consideration deliverable in respect of each share of Company Common Stock such stockholder holds as determined pursuant to this Agreement. Notwithstanding the foregoing, none of First Mid, the Surviving Corporation, the Exchange Agent or any other person shall be liable to any former holder of shares of Company Common Stock for any amount delivered in good faith to a public official pursuant to applicable abandoned property, escheat or similar laws.

2.6 Lost, Stolen or Destroyed Certificates. In the event any Company Stock Certificate shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the person claiming such Company Stock Certificate to be lost, stolen or destroyed and, if reasonably required by the Surviving Corporation, the posting by such person of a bond in such amount as the Exchange Agent may determine is reasonably necessary as indemnity against any claim that may be made against it with respect to such Company Stock Certificate, the Exchange Agent will issue in exchange for such lost, stolen or destroyed Company Stock Certificate, and in accordance with Article II, the Per Share Merger

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

Consideration deliverable in respect thereof pursuant to this Agreement.

ARTICLE III REPRESENTATIONS AND WARRANTIES CONCERNING THE COMPANY

The Company hereby represents and warrants to First Mid as follows:

3.1 Organization.

(a) The Company is duly registered as a bank holding company under the Bank Holding Company Act of 1956, as amended (the "BHCA"), is a corporation duly organized, validly existing and in good standing under the laws of the State of Delaware, and has the corporate power and authority to own its properties and to carry on its business as presently conducted. The Company is duly qualified and in good standing as a foreign corporation in the State of Illinois and in each other jurisdiction where the location and character of its properties and the business conducted by it require such qualification, except where the failure to be so qualified would not have a Material Adverse Effect on the Company. As used in this Agreement, "Material Adverse Effect" shall mean, with respect to the Company or First Mid, as the case may be, a material adverse effect on (i) the business, assets, properties, results of operations or financial condition or prospects of a Party and its subsidiaries, taken as a whole or (ii) the ability of a Party to consummate the Merger; provided, however, that a Material Adverse Effect shall not be deemed to result from: (1) changes in banking or similar laws of general applicability or interpretations thereof by Governmental Authorities (as defined in Section 3.5), or other changes affecting depository institutions (including banks and their holding companies) generally, including changes in general economic conditions and changes in prevailing interest and deposit rates; (2) changes in generally accepted accounting principles ("GAAP") or regulatory accounting requirements applicable to banks and their holding companies, as such would apply to the financial statements of a Party on a consolidated basis; (3) changes resulting from transaction expenses (such as legal, accounting, investment banker or other professional fees) incurred in connection with this Agreement and the Merger, including the costs of litigation defending any of the transactions contemplated by this Agreement; and (4) actions or omissions taken by a Party as required hereunder.

(b) Other than Peoples State Bank of Mansfield (the "Bank"), the Company does not own, whether directly or indirectly, any voting stock, equity securities or membership, partnership, joint venture or similar ownership interest in any corporation, association, partnership, limited liability company or other entity.

(c) The Bank is an Illinois state bank, duly chartered and organized, validly existing and currently authorized to transact the business of banking under the laws of the state of Illinois, is a member bank of the Federal Reserve System, and has the requisite power and authority to own its properties and to carry on its business as presently conducted.

3.2 Organizational Documents; Minutes and Stock Records. The Company has furnished to First Mid copies of the certificate of incorporation and by-laws of the Company and the charter and by-laws of the Bank, in each case as amended to the date hereof, together with such other documents as requested by First Mid relating to the authority of the Company or the Bank to conduct their respective businesses. All such documents are complete and correct. The stock registers and minute books of the Company and the Bank are each complete, correct and accurately reflect, in each case in all material respects, all meetings, consents, and other actions of the organizers, incorporators, stockholders, board of directors, and committees of the board of directors of the Company and the Bank, respectively, and all transactions in such entity's capital stock occurring since the initial organization of the Company and the Bank,

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

respectively.

3.3 Capitalization.

(a) The Company. The authorized capital stock of the Company consists of 4,000 shares of common stock, \$100 par value per share, of which 1,491 shares are issued and outstanding and 509 shares are held in treasury. The issued and outstanding shares of Company Common Stock have been duly and validly authorized and issued and are fully paid and nonassessable. The Company Common Stock is subject to no preferences, qualifications, limitations, restrictions or special or relative rights under the Company's certificate of incorporation. There are no options, warrants, agreements, contracts, or other rights in existence to purchase or acquire from the Company any shares of capital stock of the Company, whether now or hereafter authorized or issued.

(b) The Bank. The authorized capital stock of the Bank consists of 2,000 shares of capital stock, \$100 par value per share, all of which are issued and outstanding. The issued and outstanding shares of capital stock of the Bank have been duly authorized and validly issued and are fully paid and nonassessable (except as provided in the Illinois Banking Act) and owned by the Company. There are no options, agreements, contracts, or other rights in existence to purchase or acquire from the Bank any shares of capital stock of the Bank, whether now or hereafter authorized or issued.

3.4 Authorization; No Violation. The execution and delivery of this Agreement and the performance of the Company's obligations hereunder have been duly authorized by the Board of Directors of the Company (the "Company Board"), and do not violate or conflict with the Company's certificate of incorporation and By-Laws, the charter and By-Laws of the Bank, the DGCL, or any applicable law, court order or decree to which either the Company or the Bank is a party or subject, or by which the Company, the Bank, or their respective properties are bound, subject to the approval of this Agreement and the Merger by the stockholders of the Company. Except as set forth on Schedule 3.4, the execution and delivery of this Agreement and the performance of the Company's obligations hereunder do not and will not result in any default or give rise to any right of termination, cancellation or acceleration under any material note, bond, mortgage, indenture or other agreement by which the Company, the Bank, or their respective properties are bound. This Agreement, when executed and delivered, and subject to the regulatory approvals described in Section 3.5, will be a valid, binding and enforceable obligation of the Company, subject to applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors generally and to general principles of equity.

3.5 Consents and Approvals. No consents or approvals of, or filings or registrations with, any court, administrative agency or commission or other governmental authority or instrumentality (each, a "Governmental Authority") or with any third party are necessary in connection with the execution and delivery by the Company of this Agreement and the consummation by the Company of the Merger except for (a) those third-party consents, approvals, filings or registrations set forth on Schedule 3.5, (b) the filing by First Mid of an application with the Board of Governors of the Federal Reserve System (the "Federal Reserve") under the BHCA (the "Federal Reserve Application"), (c) the filing by First Mid of an application with the Illinois Department of Financial and Professional Regulation (the "IDFPR") under the Illinois Banking Act (the "IDFPR Application"), (d) the filing of the Certificate of Merger with the Delaware Secretary of State under Section 252 of the DGCL, and (e) the approval of this Agreement and the Merger by the requisite vote of the stockholders of the Company.

3.6 Company Financial Statements. The unaudited financial statements of the Company (parent only) for the years ended December 31, 2005 and 2004, filed with the Federal Reserve on Form Y-6, and financial statements of the Bank contained

The financial statements and balance sheets included on Schedule 3.6 are collectively referred to herein as the "Company Financial Statements" .

3.7 No Undisclosed Liabilities. The Company has no liabilities, whether accrued, absolute, contingent, or otherwise, existing or arising out of any transaction or state of facts existing on or prior to the date hereof, except (a) as and to the extent disclosed, reflected or reserved against in the Company Financial Statements, (b) as and to the extent arising under contracts, commitments, transactions, or circumstances identified in the Schedules provided for herein, excluding any liabilities for Company breaches thereunder, (c) liabilities, not material in the aggregate and incurred in the Ordinary Course of Business, which, under GAAP, would not be required to be reflected on a balance sheet, and (d) liabilities incurred after the date of the latest Company Financial Statements in the Ordinary Course of Business. An action taken in the "Ordinary Course of Business" shall mean an action taken in the ordinary course of business of a Party or one of its direct or indirect subsidiaries, as applicable, consistent with past custom and practice (including with respect to quantity and frequency) and where for such action to be taken, no separate authorization by the Party's Board of Directors or the board of directors of a subsidiary, as applicable, is required. Any liabilities incurred in connection with litigation or judicial, administrative or arbitration proceedings or claims against a Party or any of its subsidiaries shall not be deemed to be incurred in the Ordinary Course of Business.

(a) Each outstanding loan, loan agreement, note, lease or other borrowing agreement, any participation therein and any guaranty, renewal or extension thereof (collectively, "Loans") reflected on the books and records of the Bank is evidenced by appropriate and sufficient documentation and constitutes the legal, valid and binding obligation of the obligor named therein, enforceable in accordance with its terms, except to the extent such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or other similar laws affecting the enforcement of creditors' rights and remedies generally from time to time in effect and by applicable laws which may effect the availability of equitable remedies. No obligor named in any Loan has provided notice (whether written or, to the knowledge of the Company, oral) to the Company or the Bank that such obligor intends to attempt to avoid the enforceability of any term of any Loan under any such laws or equitable remedies, and no Loan is subject to any valid defense, set-off, or counterclaim that has been asserted with respect to such Loan. All Loans that are secured, as evidenced by the appropriate and sufficient ancillary security documents, are so secured by valid, perfected and enforceable liens. Neither the Bank nor the Company has entered into any loan repurchase agreements.

(b) The reserves for loan and lease losses shown on each of the balance sheets contained in the Company Financial Statements are adequate in the judgment of management and consistent with the standards of the Federal Reserve and under GAAP to provide for incurred and probable losses, net of recoveries relating to loans and leases previously charged off, on loans and leases outstanding (including accrued interest receivable) as of the applicable date of such balance sheet. There are no breaches, defaults or repudiations by the Company or the Bank under any Company Material Contract that could give rise to a right of termination or claim for material damages under such Company Material Contract, and no event has occurred that, with the lapse of time or the election of any other party, will become such a breach or default by the Company or the Bank. To the knowledge of the Company, no breach, default or repudiation by any other party under any Company Material Contract has occurred or is threatened that will or could impair the ability of the Company or the Bank to enforce any of its rights under such Company Material Contract.

(b) Except as set forth on Schedule 3.13(b), and as may be imposed by applicable securities laws and the documents and instruments governing the terms of such securities, none of the Company Investment Securities is subject to any restriction, whether contractual or statutory, that materially impairs the ability of the Company or the Bank freely to dispose of such investment at any time. None of the Company Benefit Plans is a "defined benefit plan" (as defined in Section 414(j) of the Code). None of the Company, the Banks and the Bank Subsidiaries has, and has ever had, an affiliate that would be treated as a single employer together with the Company or the Bank (an "ERISA Affiliate") under Section 414 of the Code.

(b) Neither the Company nor the Bank has entered into or maintained any Company Benefit Plan which includes any change of control provisions which would cause an increase or acceleration of benefits or benefit entitlements to employees or former employees of the Company or the Bank or any other increase in the liabilities of the Company or the Bank under such Benefit Plan as a result of the transactions contemplated by this Agreement.

(c) Neither the Company nor the Bank maintains or participates, and has ever maintained or participated, in a multiemployer plan within the meaning of Section 3(37) of ERISA. Nothing has occurred since the date of such determination letter that would adversely affect such determination or the qualified tax exempt status of such ERISA Plan and its related funding instrument.

(e) Each Company Benefit Plan is, and since its inception, has been administered in material compliance with its terms and with all applicable laws, rules and regulations governing such Company Benefit Plan, including the rules and regulations promulgated by the Department of Labor, the Pension Benefit Guaranty Corporation and the IRS under ERISA, the Code or any other applicable law. Neither the Company nor any affiliate of the Company that is a fiduciary with respect to any Company Benefit Plan, has breached any of the responsibilities, obligations or duties imposed on it by ERISA. No Company Benefit Plan is currently the subject of a submission under IRS Employee Plans Compliance Resolution System or any similar system, nor under any Department of Labor amnesty program, and neither the Company nor the Bank anticipates any such submission of any Company Benefit Plan.

(f) There is no litigation, claim or assessment pending or, to the Company's knowledge, threatened by, on behalf of, or against any of the Company Benefit Plans or against the administrators or trustees or other fiduciaries of any of the Company Benefit Plans that alleges a violation of applicable state or federal law. To the Company's knowledge, there is no reasonable basis for any such litigation, claim or assessment.

(g) No Company Benefit Plan fiduciary or any other person has, or has had, any liability to any Company Benefit Plan participant, beneficiary or any other person under any provisions of ERISA or any other applicable law by reason of any action or failure to act in connection with any Company Benefit Plan, including, but not limited to, any liability by any reason of any payment of, or failure to pay, benefits or any other amounts or by reason of any credit or failure to give credit for any benefits or rights. Every Company Benefit Plan fiduciary and official is bonded to the extent required by Section 412 of ERISA.

(h) All accrued contributions and other payments to be made by the Company or the Bank to any Company Benefit Plan through the date hereof have been timely made or reserves adequate for such purposes have been set aside therefor and are reflected in the Company Financial Statements. Neither the Company nor the Bank is in default in performing any of its contractual obligations under any of the Company Benefit Plans or any related trust agreement or insurance contract. There are no outstanding liabilities with respect to any Company Benefit Plan other than liabilities for benefits to be paid to participants in such Company Benefit Plan and their beneficiaries in accordance with the terms of such Company Benefit Plan.

(i) No Company Benefit Plan provides for payment of any amount which, considered in the aggregate with amounts payable pursuant to all other Company Benefit Plans, would exceed the amount deductible for federal income tax purposes by virtue of Sections 280G or 162(m) of the Code.

(j) There are no obligations or liabilities, whether outstanding or subject to future vesting, for any post-retirement benefits to be paid to participants under any of the Company Benefit Plans.

(b) Except as set forth on Schedule 3.21, the Company or the Bank has ownership of, or such other rights by license, lease or other agreement in and to, the Company Intellectual Property as is necessary to permit the Company and the Bank to use the Company Intellectual Property in the conduct of their respective businesses as presently conducted. All such licenses, leases or agreements are in full force and effect and will continue to be in full force and effect after the Closing, and the Company and the Bank are not in breach or default, and no other party is, to the best of the Company's knowledge, in breach or default or under any such license, lease or agreement. Neither the Company nor the Bank has received notice (whether written or, to the knowledge of the Company, oral) alleging that the Company or the Bank has infringed or violated any trademark, trade name, copyright, patent, trade secret right or other proprietary right of others, and to the Company's knowledge, it has not committed any such violation or infringement. Other than as set forth on Schedule 3.21, to the Company's knowledge, there is no reason to believe that, upon consummation of the transactions contemplated hereby, the Company or the Bank will be in any way more restricted in its use of any of the Company Intellectual Property than it was on the date hereof under any contract to which the Company or the Bank is a party or by which it is bound, or that use of such Company Intellectual Property by the Company or the Bank will, as a result of such consummation, violate or infringe the rights of any person, or subject First Mid, the Company or the Bank to liability of any kind, under any such contract.

(c) The Company IT Assets operate and perform in all material respects in accordance with their documentation and functional specifications and otherwise as required by the Company and the Bank in connection with their respective businesses, and have not materially malfunctioned or failed within the past three (3) years. "Company IT Assets" means the computers, computer software, firmware, servers, workstations, routers, hubs, switches, data communications lines and all other information technology equipment, and all associated documentation, owned or leased by the Company or the Bank. To the knowledge of the Company, the Company IT Assets do not contain any worms, viruses, bugs, faults or other devices or effects that (i) enable or assist any person or entity to access without authorization the Company IT Assets, or (ii) otherwise significantly adversely affect the functionality of the Company IT Assets, except as disclosed in its documentation. No fact or condition exists with respect to the business, operations or assets of the Company or the Bank which the Company has reason to believe may cause the Federal Reserve Application, the IDFPF Application or any of the other regulatory approvals referenced in Section 7.3 or 8.3 to be denied or unduly delayed.

3.23 Conduct of Business in Normal Course. Except as disclosed in the Company Financial Statements, and except for actions taken in connection with entering into this Agreement, since September 30, 2005, the businesses of each of the Company and the Bank have been conducted only in the Ordinary Course of Business.

3.24 Change in Business Relationships. Neither the Company nor the Bank has received notice (whether written or, to the knowledge of the Company, oral), whether on account of the transactions contemplated by this Agreement or otherwise, (a) that any customer, agent, representative, supplier, vendor or business referral source of the Company or the Bank intends to discontinue, diminish or change its relationship with the Company or the Bank, the effect of which would be material to the Company and the Bank, taken as a whole, or (b) except as otherwise disclosed in or as contemplated by this Agreement, that any executive officer of the Company or the Bank intends to terminate or substantially alter the terms of his or her employment. There have been no complaints or disputes (in each case set forth in writing) with any customer, employee, agent, representative, supplier, vendor, business referral source or other parties that have not been resolved which are reasonably likely to be material to the Company and the Bank, taken as a whole.

3.25 Brokers' and Finders' Fees. Except as set forth in Schedule 3.25, neither the Company nor the Bank has incurred any liability for brokerage commissions, finders' fees, or like compensation with respect to the transactions contemplated by this Agreement.

3.26 Section 280G Payments. Neither the execution of this Agreement nor the consummation of the transactions contemplated hereby will result in any payment that would be deemed an "excess parachute payment" under Section 280G of the Code.

3.27 No Omissions. None of the representations and warranties contained in Article III, in the Schedules provided for herein by the Company or in the Company Financial Statements is false or misleading in any material respect or omits to state a fact herein or therein necessary to make such statements not misleading in any material respect.

The obligation to take all appropriate actions shall not be construed as including an obligation to accept any terms of or conditions to a consent, authorization, order, or approval of, or any exemption by, any Governmental Authority or other party that are not acceptable to First Mid, in its sole reasonable discretion, or to change the business practices of First Mid or any of its subsidiaries in a manner not acceptable to First Mid, in its sole reasonable discretion. In advance of filing any applications for such regulatory approvals, First Mid shall provide the Company and its counsel with a copy of such applications (but excluding any information contained therein regarding First Mid and its business or operations for which confidential treatment has been requested) and any amendment thereto and any response to any comments from any regulatory authority thereon, and provide an opportunity to comment thereon, and thereafter shall promptly advise the Company and its counsel of any material communication received by First Mid or its counsel from any regulatory authorities with respect to such applications.

5.6 Reasonable and Diligent Efforts. The Parties shall use reasonable and diligent efforts in good faith to satisfy the various conditions to Closing and to consummate the Merger as soon as practicable. None of the Parties will intentionally take or intentionally permit to be taken any action that would be in breach of the terms or provisions of this Agreement (including any action that would impair or impede the timely obtainment of the regulatory approvals referenced in Sections 7.3 and 8.3) or that would cause any of the representations contained herein to be or become untrue.

5.7 Publicity. In furtherance of the foregoing, the First Mid and the Company acknowledge that immediately after execution of this Agreement they shall issue a joint news release and First Mid shall file the same with the Commission on Form 8-K.

5.8 No Conduct Inconsistent with this Agreement.

(a) The Company shall not, and shall cause the Bank to not, during the term of this Agreement, directly or indirectly, solicit, encourage or facilitate inquiries or proposals or enter into any agreement with respect to, or initiate or participate in any negotiations or discussions with any person or entity concerning, any proposed transaction or series of transactions involving or affecting the Company or the Bank (or the securities or assets of any of them) that, if effected, would constitute an acquisition of control of either the Company or a Bank within the meaning of 12 U.S.C. ss.1817(j) (disregarding the exceptions set forth in 12 U.S.C. ss.1817(j)(17)) and the regulations of the Federal Reserve thereunder (each, an "Acquisition Proposal"), or furnish any information to any person or entity proposing or seeking an Acquisition Proposal.

(b) Notwithstanding the foregoing, in the event that the Company Board determines in good faith and after consultation with outside counsel, that in light of a Superior Acquisition Proposal (as defined herein) it is necessary to pursue such Superior Acquisition Proposal in order to act in a manner consistent with such Board's fiduciary duties, the Company Board may, in response to an Acquisition Proposal which was not solicited by or on behalf of the Company or the Bank or which did not otherwise result from a breach of Section 5.8(a), subject to its compliance with Section 5.8(c), (i) furnish information with respect to the Company or the Bank to such person or entity making such Superior Acquisition Proposal pursuant to a customary confidentiality agreement that is no less restrictive than the Confidentiality Agreement, (ii) participate in discussions or negotiations regarding such Superior Acquisition Proposal, (iii) withdraw, modify or otherwise change in a manner adverse to First Mid, the Company's recommendation to its stockholders with respect to this Agreement and the Merger, and/or (iv) terminate this Agreement in order to thereafter enter into an agreement with respect to such Superior Acquisition Proposal; provided, however, that the Company Board may not terminate this Agreement pursuant to this Section 5.8(b) unless and until (x) five (5) business days have elapsed following the delivery to First Mid of a written notice of such determination by the Company Board and during such five (5) business-day period, the Company and the Bank otherwise cooperate with First Mid with the intent of enabling the Parties to engage in good faith negotiations so that the Merger and other transactions contemplated hereby may be effected and (y) at the end of such five (5) business-day period the Company Board continue reasonably to believe the Acquisition Proposal at issue constitutes a Superior Acquisition Proposal. A "Superior Acquisition Proposal" shall mean any Acquisition Proposal containing terms which the Company Board determines in its good faith judgment (based on the advice of an independent financial advisor) to be more favorable to the Company's stockholders than the Merger and for which financing, to the extent required, is then committed or which, in the good faith judgment of the Company Board, is reasonably capable of being obtained by such third party, but shall exclude any Acquisition Proposal the terms of which were made known to the Company Board prior to the date of this Agreement.

(c) In addition to the obligations of the Company set forth in Section 5.8(a) and (b), the Company shall immediately advise First Mid orally and in writing of any request for information or of any Acquisition Proposal, the material terms and conditions of such request or Acquisition Proposal and the identity of the person or entity making such request or Acquisition Proposal. First Mid agrees to hold in confidence all such information pursuant to the Confidentiality Agreement.

5.11 Untrue Representations and Warranties. During the term of this Agreement, if any Party becomes aware of any facts, circumstances or of the occurrence or impending occurrence of any event that would cause one or more of such Party's representations and warranties contained in this Agreement to be or to become untrue as of the Closing Date then:

(a) such Party shall promptly give detailed written notice thereof to the other Parties; and

(b) such Party shall use reasonable and diligent efforts to change such facts or events to make such representations and warranties true, unless the same shall have been waived in writing by the other Party or Parties.

From and after the date of this Agreement through the Closing, the Company shall deliver to First Mid all reports filed by the Company or the Bank with any regulator or Governmental Authority.

5.14 Dissent Process. First Mid will have the right to participate in all negotiations and proceedings relating thereto. The Company will not make any payment with respect to, or settle or offer to settle, any appraisal demands without First Mid's prior written consent.

6.3 No Rights or Remedies. Nothing in this Article shall confer upon any Company Employee or his or her legal representative, any rights or remedies, including any right to employment, or continued employment, for any specified period, or any nature or kind whatsoever under or by reason of this Agreement.

6.4 401(k) Plan. The Bank maintains the 401(k) Plan, which shall be terminated effective prior to the Effective Time. The Bank shall also terminate the group annuity contract with Transamerica Life Insurance and Annuity Company held in the name of the Trustees for the 401(k) Plan prior to the Effective Time, so that no provision for payment of 401(k) Plan benefits in the form of annuities shall be available on or after the Effective Time. All 401(k) Plan participants shall fully vest and have a nonforfeitable interest in their accounts under the 401(k) Plan, determined as of the Effective Time. As soon as practicable after the receipt of a favorable determination letter from the IRS as to the tax qualified status of the 401(k) Plan upon its termination under Section 401(a) of the Code (the "Determination Letter"), distribution of the benefits under the 401(k) Plan shall be made to 401(k) Plan participants pursuant to the terms of the 401(k) Plan; provided that distributions of benefits under the 401(k) Plan may be made in the ordinary course pursuant to the terms of the 401(k) Plan to 401(k) Plan participants who do not remain in the employ of the Company or the Bank or commence employment with First Mid pursuant to Section 6.2. From and after the date of this Agreement, and in anticipation of such determination and distribution, the Company and the Bank and their respective representatives, prior to the Effective Time, and First Mid and the Surviving Corporation and their respective representatives after the Effective Time, shall use reasonable and diligent efforts to apply for and obtain such favorable Determination Letter from the IRS. In the event that the Company and the Bank and their respective representatives prior to the Effective Time, and First Mid and the Surviving Corporation and their respective representatives after the Effective Time, reasonably determine that the 401(k) Plan cannot obtain a favorable Determination Letter, or that the amounts held therein cannot be so applied, allocated or distributed without causing the 401(k) Plan to lose its tax qualified status, the Company and the Bank prior to the Effective Time, and First Mid and the Surviving Corporation after the Effective Time, shall take such action as they may determine with respect to the distribution of benefits to the 401(k) Plan participants, provided that the assets of the 401(k) Plan shall be held or paid only for the benefit of the 401(k) Plan participants, and provided further that in no event shall any portion of the amounts held in the 401(k) Plan revert, directly or indirectly, to the Company, the Bank, First Mid or the Surviving Corporation. On the effective date of termination of the 401(k) Plan, the 401(k) Plan shall be amended to require, to the extent permitted under Section 401(k) of the Code and regulations thereunder and this Agreement, 401(k) Plan participants who remain in the employ of the Company or the Bank after the Closing or who commence employment with First Mid pursuant to Section 6.2 to directly transfer the balances in their 401(k) Plan accounts on such date that are attributable to pre-tax contributions into accounts under the First Retirement and Savings Plan of First Mid (the "First Mid 401(k) Plan"); provided that the amounts so rolled over shall be invested only in those options available under the First Mid 401(k) Plan on the Closing Date or options added to the First Mid 401(k) Plan thereafter, and, provided further, that the First Mid 401(k) Plan will only accept a transfer of amounts that are not subject to an annuity form of

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

distribution under the terms of the 401(k) Plan or the group annuity contract referred to above. The First Mid 401(k) Plan will accept a direct transfer that satisfies the requirements of the preceding sentence.

7.12 Minimum Net Worth. The Company shall have prepared a balance sheet as of the Closing Date (the "Closing Balance Sheet"), as determined in conformity with past practices and policies of the Company and GAAP applied on a basis consistent with the preparation of the Company Financial Statements, which shall show that shareholders' equity in the Company, adjusted to reflect the following adjustments, specifications and charges (which adjustments, specifications and charges shall be made by the Company on or prior to the Closing Date), shall be equal to or greater than \$14,000,000 (the "Minimum Adjusted Net Worth"):

8.6 Opinion of Counsel. The Company shall have received the opinion of Schiff Hardin LLP, special counsel for First Mid, dated as of the Closing Date, and in form substantially similar to Exhibit D and reasonably satisfactory to the Company and its counsel.

8.7 Other Documents. The Company shall have received at the Closing all such other customary documents, certificates, or instruments as they may have reasonably requested evidencing compliance by First Mid with the terms and conditions of this Agreement.

ARTICLE IX

NON-SURVIVAL OF REPRESENTATIONS, WARRANTIES AND COVENANTS

9.1 Non-Survival. None of the representations, warranties, covenants and agreements in this Agreement shall survive the Effective Time, except for those covenants or agreements contained herein which by their terms apply in whole or in part after the Effective Time.

ARTICLE X

GENERAL

10.1 Expenses. Except as otherwise provided in this Section 10.1, all costs and expenses incurred in the consummation of this transaction, including any brokers' or finders' fees, shall be paid by the Party incurring such cost or expense.

(a) The Company shall bear and pay the costs and expenses incurred in connection with the preparation and mailing of the Proxy Statement.

(b) In the event that this Agreement is terminated by First Mid because the Company committed a material breach of its material obligations under this Agreement, unless such breach is a result of the failure by First Mid to perform and comply in all material respects with any of its material obligations under this Agreement which are to be performed or complied with by it prior to or on the date of such termination, then, provided First Mid is in material compliance with all of its material obligations under this Agreement, the Company shall reimburse First Mid in an amount, not to exceed \$250,000, for the out-of-pocket expenses and costs, subject to verification thereof, that First Mid (i) has incurred in furtherance of this Agreement and the transactions contemplated herein and (ii) is reasonably expected to incur as a result of the Company's breach of this Agreement, including, but not limited to, reasonable fees of professionals engaged for such purpose by or on behalf of First Mid; provided, however, that except as provided in Section 10.1(c), such sums shall constitute liquidated damages and the receipt thereof shall be First Mid's sole and exclusive remedy under this Agreement. Notwithstanding the foregoing, if this Agreement is terminated by First Mid as a result of the Company's willful breach of this Agreement (which shall not include termination of this Agreement pursuant to Section 5.8), then in addition to recovery of its out-of-pocket

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

expenses and costs, First Mid shall be entitled to recover such other amounts, including consequential damages, as it may be entitled to receive at law or in equity.

(c) In the event that this Agreement is terminated (i) by First Mid as a result of a breach by the Company of its covenant in Section 5.8(a); (ii) by the Company or First Mid pursuant to Section 10.2(a)(v); (iii) in the event that the stockholders of the Company do not approve this Agreement and the Merger by the requisite vote thereof on or before the date specified in Section 10.2(a)(ii); or (iv) pursuant to Sections 10.2(a)(ii) or 10.2(a)(iii) and within six months after the date of such termination the Company or the Bank has either consummated or entered into a definitive agreement relating to an Acquisition Proposal which was made known to any member of the Company Board and not disclosed to First Mid prior to the date of such termination; then the Company shall pay to First Mid a termination fee equal to \$1,000,000. The payment of such sum shall constitute liquidated damages and the receipt thereof shall be First Mid's sole and exclusive remedy under this Agreement.

(d) In the event that this Agreement is terminated by the Company because First Mid committed a material breach of its material obligations under this Agreement, unless such breach is a result of the failure by the Company or the Bank to perform and comply in all material respects with any of its material obligations under this Agreement which are to be performed or complied with by it prior to or on the date of such termination, then, provided the Company is in material compliance with all of its material obligations under this Agreement, First Mid shall reimburse the Company in an amount, not to exceed \$250,000, for the out-of-pocket expenses, subject to verification thereof, that the Company (i) has incurred in furtherance of this Agreement and the transactions contemplated herein and (ii) is reasonably expected to incur as a result of First Mid's breach of this Agreement, including, but not limited to, reasonable fees of professionals engaged for such purpose by or on behalf of the Company; provided, however, that such sums shall constitute liquidated damages and the receipt thereof shall be the Company's sole and exclusive remedy under this Agreement. Notwithstanding the foregoing, if this Agreement is terminated by the Company as a result of First Mid's willful breach of this Agreement, then in addition to recovery of its out-of-pocket expenses and costs, the Company shall be entitled to recover such other amounts, including consequential damages, as it may be entitled to receive at law or in equity.

(e) In the event this Agreement is terminated pursuant to Section 10.2(a)(ii) because First Mid fails to obtain all of the necessary regulatory approvals described in Sections 7.3 and 8.3 for any reason other than regulatory matters relating solely to the Company or the Bank, First Mid shall pay to the Company \$250,000, provided, however, that such sums shall constitute liquidated damages and the receipt thereof shall be the Company's sole and exclusive remedy under this Agreement.

(f) In the event this Agreement is terminated pursuant to Section 10.2(a)(ii) because First Mid fails to obtain all of the necessary regulatory approvals described in Sections 7.3 and 8.3 because of regulatory matters relating solely to the Company or the Bank, the Company shall pay to First Mid \$250,000, provided, however, that except as provided in Section 10.1(c), such sums shall constitute liquidated damages and the receipt thereof shall be First Mid's sole and exclusive remedy under this Agreement. All costs and expenses reasonably estimated to have been incurred by the Company shall be either paid or accrued for on or prior to the Closing Date; provided, however, that nothing in this Section 10.1 shall be deemed to relieve the Surviving Company of its liability to pay any expenses incurred in connection with this Agreement following the Closing.

10.2 Termination

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

(a) This Agreement may be terminated:

(i) at any time by written agreement between First Mid and the Company;

(ii) by either First Mid or the Company if the Closing has not occurred (other than through the failure of any Party seeking to terminate this Agreement to comply fully with its material obligations under this Agreement) by June 30, 2006, or such later date agreed to by the Parties, provided, however, that such termination date shall automatically be extended until July 31, 2006, if the sole impediment to Closing is a delay in the Federal Reserve's approval of the Federal Reserve Application;

(iii) by First Mid by written notice to the Company, if (A) any of the conditions in Article VII has not been satisfied as of the Closing Date or if satisfaction of such a condition is or becomes impossible (other than through the failure of First Mid to comply with its obligations under this Agreement); and (B) First Mid has not waived such condition on or before the Closing Date;

(iv) by the Company by written notice to First Mid, if (A) any of the conditions in Article VIII has not been satisfied as of the Closing Date or if satisfaction of such a condition is or becomes impossible (other than through the failure of the Company or the Bank to comply with its obligations under this Agreement); and (B) the Company has not waived such condition on or before the Closing Date; or

(v) by the Company, if pursuant to Section 5.8(b) the Company Board determines that its fiduciary duties require it to accept an unsolicited Acquisition Proposal from a third party, or by First Mid if an Acquisition Proposal from a third party is accepted by the Company or consummated, in each case by written notice to the other Party.

(b) Any termination of this Agreement shall not affect any rights accrued prior to such termination.

10.3 Confidential Information. First Mid and the Company each covenant that, in the event the transactions contemplated by this Agreement are not consummated, each such Party will keep in strict confidence and return all documents containing any information concerning the properties, business, and assets of the other Party that may have been obtained in the course of negotiations or examination of the affairs of each other Party either prior or subsequent to the execution of this Agreement (other than such information as shall be in the public domain or otherwise ascertainable from public or outside sources), except to the extent that disclosure is required by judicial process or governmental or regulatory authorities.

10.4 Tax Treatment. The parties agree that the Merger is intended to be treated as an acquisition by First Mid of the stock of the Company for federal and state income tax purposes, and agree to take no position inconsistent with such treatment.

10.5 Non-Assignment. Neither this Agreement nor any of the rights, interests or obligations of the Parties under this Agreement shall be assigned by any Party (whether by operation of law or otherwise) without the prior written consent of the other Party. Notwithstanding the foregoing, First Mid or Merger Co. may assign its rights hereunder to another wholly owned subsidiary of First Mid. Subject to the foregoing, this Agreement shall be binding upon and inure to the benefit of the respective successors and assigns of the Parties.

This Agreement ("Agreement") is made and entered into as of the ___ day of February, 2006, by and between the undersigned stockholders (each, a "Stockholder," and collectively, the "Stockholders"), of Mansfield Bancorp, Inc., a Delaware corporation (the "Company"), and First Mid-Illinois Bancshares, Inc., a Delaware corporation ("First Mid").

WITNESSETH:

WHEREAS, the Company, First Mid and First Mid Merger Company, a Delaware corporation and a wholly-owned subsidiary of First Mid, have entered into an Agreement and Plan of Merger dated as of the date hereof (the "Merger Agreement") (capitalized terms used but not defined in this Agreement shall have the meanings given them in the Merger Agreement);

WHEREAS, each of the Stockholders is a director or executive officer of the Company or its wholly owned subsidiary, Peoples State Bank of Mansfield;

the effect that the Stockholder is a party to this Agreement and has committed to vote in favor of the transactions contemplated by the Merger Agreement.

Section 2. Term of Agreement. This Agreement shall be effective from the date hereof and shall terminate and be of no further force and effect upon the earlier of (i) the Effective Time (as defined in the Merger Agreement), or (ii) the termination of the Merger Agreement in accordance with its terms, which includes termination in the event the Company Board determines that its fiduciary duties require it to accept an unsolicited Acquisition Proposal from a third party pursuant to Section 5.8(b) of the Merger Agreement.

Section 3. Covenants of Stockholders. Each Stockholder agrees not to, except to the extent required by this Agreement, grant any proxies, deposit any Company Common Shares into a voting trust or enter into a voting agreement with respect to any Company Common Shares or, without the prior written approval of First Mid, solicit, initiate or encourage any inquiries or proposals for a merger or other business combination involving the Company.

Section 4. Representations and Warranties of Stockholders. Each Stockholder represents and warrants to First Mid that, except as noted on Schedule 1: (a) such Stockholder owns and is entitled to vote in accordance with such Stockholder's commitments under this Agreement the number of Company Common Shares set forth opposite his or her name on Schedule 1 hereto, and, except as disclosed on Schedule 3.3(a) of the Merger Agreement, does not own or have any right to acquire any Company Common Shares not listed on Schedule 1; (b) such Stockholder has the right, power and authority to execute, deliver and perform under this Agreement; such execution, delivery and performance will not violate, or require any consent, approval, or notice under any provision of law or result in the breach of any outstanding agreements or instruments to which such Stockholder is a party or is subject; and this Agreement has been duly executed and delivered by such Stockholder and constitutes a legal, valid and binding agreement of such Stockholder, enforceable in accordance with its terms; (c) except as set forth in the next sentence, such Stockholder's Company Common Shares listed as owned on Schedule 1 hereto are now and will remain owned by such Stockholder, free and clear of all voting trusts, voting agreements, proxies, liens, claims, liabilities, security interests, marital property rights or any other encumbrances whatsoever (other than (i) pledges for loans entered into in the ordinary course and (ii) rights of First Mid and encumbrances respecting such Company Common Shares created pursuant to this Agreement or the Merger Agreement); and (d) other than this Agreement and the Merger Agreement, there are no outstanding options, warrants or rights to purchase or acquire, or agreements related to, such Stockholder's Company Common Shares. Notwithstanding anything contained in this Agreement to the contrary, at any time prior to the Closing, each Stockholder shall be permitted to transfer ownership and voting rights of up to an aggregate of five percent (5%) of such Stockholder's Company Common Shares listed as owned on Schedule 1 to a family member of such Stockholder without obtaining First Mid's prior consent or approval of such transfer. For purposes of the preceding sentence, "family member" shall mean any child, step-child, grandchild, parent, step-parent, grandparent, spouse, sibling, nephew, niece, mother-in-law, father-in-law, son-in-law, daughter-in-law, brother-in-law or sister-in-law and shall include adoptive relationships.

Section 5. Representations and Warranties of First Mid. First Mid has the right, power and authority to execute and deliver this Agreement; such execution and delivery will not violate, or require any consent, approval, or notice under any provision of law or result in the breach of any outstanding agreements or instruments to which First Mid is a party or is subject; and this Agreement has been duly executed and delivered by First Mid and constitutes a legal, valid and binding agreement of First Mid, enforceable in accordance with its terms.

Section 6. Transferability. Neither this Agreement nor any of the rights,

interests or obligations hereunder shall be assigned by any of the parties hereto (whether by operation of law or otherwise) without the prior written consent of the other parties, except that First Mid may assign this Agreement to a direct or indirect wholly owned subsidiary or affiliate of First Mid, provided that no such assignment shall relieve First Mid of its obligations hereunder.

Section 7. Specific Performance. The parties hereto agree that irreparable damage would occur in the event that any of the provisions of this Agreement was not performed by any of the Stockholders in accordance with its specific terms or was otherwise breached. It is accordingly agreed that First Mid shall be entitled to injunctive relief to prevent breaches of this Agreement by the Stockholders and to enforce specifically the terms and provisions hereof in addition to any other remedy to which First Mid is entitled at law or in equity.

Section 8. Further Assurances. Each Stockholder agrees to execute and deliver all such further documents and instruments and take all such further action as may be necessary or appropriate in order to consummate the transactions contemplated hereby.

Section 9. Entire Agreement and Amendment.

(a) Except for the Merger Agreement and its ancillary agreements and instruments, this Agreement contains the entire agreement between the parties hereto with respect to the transactions contemplated hereunder and supersedes all prior arrangements or understandings with respect hereto.

(b) This Agreement may not be modified, amended, altered or supplemented except upon the execution and delivery of a written agreement executed by the parties hereto.

Section 10. Notices. Each notice, demand or other communication which may be or is required to be given under this Agreement shall be in writing and shall be deemed to have been properly given when delivered personally at the address set forth herein for First Mid or the address on Schedule 1 for each of the Stockholders, when sent by facsimile or other electronic transmission to the respective facsimile transmission numbers of the parties with telephone confirmation of receipt, or the day after sending by recognized overnight courier or if by the United States registered or certified mail, return receipt requested, postage prepaid two days after deposit therein.

Section 11. General Provisions. This Agreement shall be governed by the laws of the State of Illinois. This Agreement may be executed in counterparts, each of which shall be deemed to be an original. Headings are for convenience only and shall not affect the meaning of this Agreement. Any term of this Agreement which is invalid or unenforceable shall be ineffective only to the extent of such invalidity or unenforceability without rendering invalid or unenforceable the remaining terms of this Agreement.

EMPLOYMENT AGREEMENT

This Employment Agreement (the "Agreement") is made and entered into this ___ day of _____, 2006, by and between First Mid-Illinois Bancshares, Inc. ("the Company"), a corporation with its principal place of business located in Mattoon, Illinois, and _____ ("Manager"); provided, however, that this Agreement shall become effective on the Closing Date (the "Closing Date") as defined in the Agreement and Plan of Merger of even date herewith by and among the Company, First Mid Merger Company and Mansfield Bancorp, Inc.

In consideration of the promises and mutual covenants and agreements contained herein, the parties hereto acknowledge and agree as follows:

ARTICLE ONE
TERM AND NATURE OF AGREEMENT

1.01 Term of Agreement. The term of this Agreement shall commence as of the Closing Date and shall continue until _____, 200___; provided, that the term of this Agreement shall end if and when the Manager's employment terminates in the manner described in Section 4.01 or 4.02 of this Agreement. Thereafter, unless Manager's employment with the Company has been previously terminated, Manager shall continue his employment with the Company on an at will basis and, except as provided in Articles Five, Six and Seven, this Agreement shall terminate unless extended by mutual written agreement.

1.02 Employment. The Company agrees to employ Manager and Manager accepts such employment by the Company on the terms and conditions herein set forth. The duties of Manager shall be determined by the Company's Chief Executive Officer and Manager shall adhere to the policies and procedures of the Company and shall follow the supervision and direction of the Chief Executive Officer or his designee in the performance of such duties. During the term of his employment, Manager agrees to devote his full working time, attention and energies to the diligent and satisfactory performance of his duties hereunder. Manager shall not, while he is employed by the Company, engage in any activity which would (a) interfere with, or have an adverse effect on, the reputation, goodwill or any business relationship of the Company or any of its subsidiaries; (b) result in economic harm to the Company or any of its subsidiaries; or (c) result in a breach of Section Six of the Agreement.

ARTICLE TWO
COMPENSATION AND BENEFITS

While Manager is employed with the Company during the term of this Agreement, the Company shall provide Manager with the following compensation and benefits:

2.01 Base Salary. The Company shall pay Manager an annual base salary of \$_____ per fiscal year, payable in accordance with the Company's customary payroll practices for management employees. The Chief Executive Officer or his designee may review and adjust Manager's base salary from year to year; provided, however, that during the term of Manager's employment, the Company shall not decrease Manager's base salary.

2.02 Incentive Compensation Plan. Manager shall participate in the First Mid-Illinois Bancshares, Inc. Incentive Compensation Plan in accordance with the

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

terms and conditions of such Plan. Pursuant to the Plan, Manager shall have an opportunity to receive incentive compensation of up to a maximum of 15% of Manager's annual base salary. The incentive compensation payable for a particular fiscal year will be based upon the attainment of the performance goals in effect under the Plan for such year and will be paid in accordance with the terms of the Plan and at the sole discretion of the Board.

2.03 Vacation. Manager shall be entitled to ___ (___) weeks of paid vacation each year during the term of this Agreement.

2.04 Other Benefits. Manager shall be eligible (to the extent he qualifies) to participate in any other retirement, health, accident and disability insurance, or similar employee benefit plans as may be maintained from time to time by the Company for its other management employees subject to and on a consistent basis with the terms, conditions and overall administration of such plans.

2.05 Business Expenses. Manager shall be entitled to reimbursement by the Company for all reasonable expenses actually and necessarily incurred by him on its behalf in the course of his employment hereunder and in accordance with expense reimbursement plans and policies of the Company from time to time in effect for management employees.

2.06 Withholding. All salary, incentive compensation and other benefits provided to Manager pursuant to this Agreement shall be subject to withholding for federal, state or local taxes, amounts withheld under applicable employee benefit plans, policies or programs, and any other amounts that may be required to be withheld by law, judicial order or otherwise or by agreement with, or consent of, Manager.

ARTICLE THREE DEATH OF MANAGER

This Agreement shall terminate prior to the end of the term described in Section 1.01 upon Manager's termination of employment with the Company due to his death. Upon Manager's termination due to death, the Company shall pay Manager's estate the amount of Manager's base salary plus his accrued but unused vacation time earned through the date of such death and any incentive compensation earned for the preceding fiscal year that is not yet paid as of the date of such death.

ARTICLE FOUR TERMINATION OF EMPLOYMENT

Manager's employment with the Company may be terminated by Manager or by the Company at any time for any reason. Upon Manager's termination of employment prior to the end of the term of the Agreement, the Company shall pay Manager as follows:

4.01 Termination by the Company for Other than Cause. If the Company terminates Manager's employment for any reason other than Cause, the Company shall pay Manager the following:

(a) An amount equal to Manager's monthly base salary in effect at the time of such termination of employment for a period of twelve (12) months thereafter. Such amount shall be paid to Manager periodically in accordance with the Company's customary payroll practices for management employees; provided, however, that Company may delay payment of such amount to the extent required by law.

(b) The base salary and accrued but unused paid vacation time earned through the date of termination and any incentive compensation earned for the preceding fiscal year that is not yet paid.

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

(c) Continued coverage for Manager and/or Manager's family under the Company's health plan pursuant to Title I, Part 6 of the Employee Retirement Income Security Act of 1974 ("COBRA") and for such purpose the date of Manager's termination of employment shall be considered the date of the "qualifying event" as such term is defined by COBRA. During the period beginning on the date of such termination and ending at the end of the period described in Section 4.01(a), Manager shall be charged for such coverage in the amount that he would have paid for such coverage had he remained employed by the Company, and for the duration of the COBRA period, Manager shall be charged for such coverage in accordance with the provisions of COBRA.

For purposes of this Agreement, "Cause" shall mean Manager's (i) conviction in a court of law of (or entering a plea of guilty or no contest to) any crime or offense involving fraud, dishonesty or breach of trust or involving a felony; (ii) performance of any act which, if known to the customers, clients, stockholders or regulators of the Company, would materially and adversely impact the business of the Company; (iii) act or omission that causes a regulatory body with jurisdiction over the Company to demand, request, or recommend that Manager be suspended or removed from any position in which Manager serves with the Company; (iv) substantial nonperformance of any of his obligations under this Agreement; (v) misappropriation of or intentional material damage to the property or business of the Company or any affiliate; or (vi) breach of Article Five or Six of this Agreement.

4.02 Termination Following a Change in Control. Notwithstanding Section 4.01, if, following a Change in Control and prior to the end of the term of this Agreement, Manager's employment is terminated by the Company (or any successor thereto) for any reason other than Cause, or if Manager terminates his employment because of a decrease in his then current base salary or a substantial diminution in his position and responsibilities, the Company (or any successor thereto) shall pay Manager the following:

(a) An amount equal to Manager's monthly base salary in effect at the time of such termination of employment for a period of twelve (12) months thereafter. Such amount shall be paid in accordance with the Company's or successor's customary payroll practices for management employees.

(b) The base salary and accrued but unused paid vacation time earned through the date of termination and any incentive compensation earned for the preceding fiscal year that is not yet paid.

(c) Continued coverage for Manager and/or Manager's family under the Company's health plan pursuant to Title I, Part 6 of the Employee Retirement Income Security Act of 1974 ("COBRA") and for such purpose the date of Manager's termination of employment shall be considered the date of the "qualifying event" as such term is defined by COBRA. During the period beginning on the date of such termination and ending at the end of the period described in Section 4.02(a), Manager shall be charged for such coverage in the amount that he would have paid for such coverage had he remained employed by the Company, and for the duration of the COBRA period, Manager shall be charged for such coverage in accordance with the provisions of COBRA.

For purposes of this Agreement, "Change in Control" shall have the meaning as set forth in the First Mid-Illinois Bancshares, Inc. 1997 Stock Incentive Plan.

4.03 Other Termination of Employment. If, prior to the end of the term of this Agreement, the Company terminates Manager's employment for Cause, or if Manager terminates his employment for any reason other than as described in Section 4.02 above, the Company shall pay Manager the base salary and accrued but unused paid vacation time earned through the date of such termination and any incentive

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

compensation earned for the preceding fiscal year that is not yet paid.

ARTICLE FIVE CONFIDENTIAL INFORMATION

5.01 Non-Disclosure of Confidential Information. During his employment with the Company, and after his termination of such employment with the Company, Manager shall not, in any form or manner, directly or indirectly, use, divulge, disclose or communicate to any person, entity, firm, corporation or any other third party, any Confidential Information, except as required in the performance of Manager's duties hereunder, as required by law or as necessary in conjunction with legal proceedings.

5.02 Definition of Confidential Information. For the purposes of this Agreement, the term "Confidential Information" shall mean any and all information either developed by Manager during his employment with the Company and used by the Company or its affiliates or developed by or for the Company or its affiliates of which Manager gained knowledge by reason of his employment with the Company that is not readily available in or known to the general public or the industry in which the Company or any affiliate is or becomes engaged. Such Confidential Information shall include, but shall not be limited to, any technical or non-technical data, formulae, compilations, programs, devices, methods, techniques, procedures, manuals, financial data, business plans, lists of actual or potential customers, lists of employees and any information regarding the Company's or any affiliate's products, marketing or database. The Company and Manager acknowledge and agree that such Confidential Information is extremely valuable to the Company and may constitute trade secret information under applicable law. In the event that any part of the Confidential Information becomes generally known to the public through legitimate origins (other than by the breach of this Agreement by Manager or by other misappropriation of the Confidential Information), that part of the Confidential Information shall no longer be deemed Confidential Information for the purposes of this Agreement, but Manager shall continue to be bound by the terms of this Agreement as to all other Confidential Information.

5.03 Delivery upon Termination. Upon termination of Manager's employment with the Company for any reason, Manager shall promptly deliver to the Company all correspondence, files, manuals, letters, notes, notebooks, reports, programs, plans, proposals, financial documents, and any other documents or data concerning the Company's or any affiliate's customers, database, business plan, marketing strategies, processes or other materials which contain Confidential Information, together with all other property of the Company or any affiliate in Manager's possession, custody or control.

ARTICLE SIX NON-COMPETE AND NON-SOLICITATION COVENANTS

6.01 Covenant Not to Compete. During the term of this Agreement and for a period of one year following the later of (i) the termination of Manager's employment for any reason or (ii) the last day of the term of the Agreement, Manager shall not, on behalf of himself or on behalf of another person, corporation, partnership, trust or other entity, within the Illinois counties of Champaign, Piatt, DeWitt or McLean:

(a) Directly or indirectly own, manage, operate, control, participate in the ownership, management, operation or control of, be connected with or have any financial interest in, or serve as an officer, employee, advisor, consultant, agent or otherwise to any person, firm, partnership, corporation, trust or other entity which owns or operates a business similar to that of the Company or its affiliates.

(b) Solicit for sale, represent, and/or sell Competing Products to any

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

person or entity who or which was the Company's customer or client during the last year of Manager's employment. "Competing Products," for purposes of this Agreement, means products or services which are similar to, compete with, or can be used for the same purposes as products or services sold or offered for sale by the Company or any affiliate or which were in development by the Company or any affiliate within the last year of Manager's employment.

6.02 Covenant Not to Solicit. For a period of one year following the later of (i) the termination of Manager's employment for any reason or (ii) the last day of the term of this Agreement, Manager shall not:

(a) Attempt in any manner to solicit from any client or customer business of the type performed by the Company or any affiliate or persuade any client or customer of the Company or any affiliate to cease to do such business or to reduce the amount of such business which any such client or customer has customarily done or contemplates doing with the Company or any affiliate, whether or not the relationship between the Company or affiliate and such client or customer was originally established in whole or in part through Manager's efforts.

(b) Render any services of the type rendered by the Company or any affiliate for any client or customer of the Company.

(c) Solicit or encourage, or assist any other person to solicit or encourage, any employees, agents or representatives of the Company or an affiliate to terminate or alter their relationship with the Company or any affiliate.

(d) Cause to be done, directly or indirectly, any acts which may impair the relationship between the Company or any affiliate with their respective clients, customers or employees.

ARTICLE SEVEN REMEDIES

Manager acknowledges that compliance with the provisions of Articles Five and Six herein is necessary to protect the business, goodwill and proprietary information of the Company and that a breach of these covenants will irreparably and continually damage the Company for which money damages may be inadequate. Consequently, Manager agrees that, in the event that he breaches or threatens to breach any of these provisions, the Company shall be entitled to both (a) a temporary, preliminary or permanent injunction in order to prevent the continuation of such harm; and (b) money damages insofar as they can be determined. In addition, the Company will cease payment of all compensation and benefits under Articles Three and Four hereof. In the event that any of the provisions, covenants, warranties or agreements in this Agreement are held to be in any respect an unreasonable restriction upon Manager or are otherwise invalid, for whatsoever cause, then the court so holding shall reduce, and is so authorized to reduce, the territory to which it pertains and/or the period of time in which it operates, or the scope of activity to which it pertains or effect any other change to the extent necessary to render any of the restrictions of this Agreement enforceable.

ARTICLE EIGHT MISCELLANEOUS

8.01 Successors and Assignability.

(a) No rights or obligations of the Company under this Agreement may be transferred except that the Company will require any successor (whether direct or indirect, by purchase, merger, consolidation or otherwise) to all or substantially all of the business and/or assets of the Company to expressly

Edgar Filing: FIRST MID ILLINOIS BANCSHARES INC - Form 8-K

assume and agree to perform this Agreement in the same manner and to the same extent that the Company would be required to perform it if no such succession had taken place.

(b) No rights or obligations of Manager under this Agreement may be assigned or transferred by Manager other than his rights to payment or benefits hereunder which may be transferred only by will or the laws of descent and distribution.

8.02 Entire Agreement. This Agreement contains the entire agreement between the parties with respect to the subject matter hereof and may not be modified except in writing by the parties hereto; provided, however, that any amendment or modification that the Company in its sole discretion deems necessary to comply with the American Jobs Creation Act, and regulations promulgated thereunder, shall not require the consent of Manager as long as such amendment or modification does not reduce the absolute dollar amount of benefits payable hereunder. Furthermore, the parties hereto specifically agree that all prior agreements, whether written or oral, relating to Manager's employment by the Company shall be of no further force or effect from and after the date hereof.

8.03 Severability. If any phrase, clause or provision of this Agreement is deemed invalid or unenforceable, such phrase, clause or provision shall be deemed severed from this Agreement, but will not affect any other provisions of this Agreement, which shall otherwise remain in full force and effect. If any restriction or limitation in this Agreement is deemed to be unreasonable, onerous or unduly restrictive, it shall not be stricken in its entirety and held totally void and unenforceable, but shall be deemed rewritten and shall remain effective to the maximum extent permissible within reasonable bounds.

8.04 Controlling Law and Jurisdiction. This Agreement shall be governed by and interpreted and construed according to the laws of the State of Illinois. The parties hereby consent to the jurisdiction of the state and federal courts in the State of Illinois in the event that any disputes arise under this Agreement.

The acquisition is expected to close during the second quarter of 2006. The transaction is subject to certain conditions, including approval by Mansfield shareholders and regulatory approvals. The directors and officers of Mansfield and Peoples, who own a majority of the outstanding stock of Mansfield, have agreed to vote their shares in favor of the acquisition. Operational integration will begin immediately following closing of the transaction and is expected to be completed during the third quarter of 2006.

Bill Rowland, Chairman and CEO of First Mid said, "We are delighted to welcome the customers and employees of Peoples to the First Mid family. It is a profitable, well-managed bank, and the transaction is a fine opportunity for First Mid to grow its customer base and create value for our shareholders."

"Peoples represents a good cultural fit with First Mid," Rowland continued. "We have operated in communities such as Mansfield, Mahomet and Weldon for over 140 years and know how to provide state-of-the-art financial services from a community base and with a personal touch. First Mid is an organization which will carry on our commitment to community banking within our markets. They will be able to add products and services which we have not been able to offer.
