Item 2.02. Results of Operations and Financial Condition.

On June 26, 2008, the Company announced its financial results for the quarter ended May 29, 2008. The full text of the press release issued in connection with the announcement is attached as Exhibit 99.1 to this Current Report on Form 8-K.

Item 2.05. Costs Associated with Exit or Disposal Activities.

In the fourth quarter of fiscal 2007, the Company began pursuing a number of initiatives to drive greater cost efficiencies and revenue growth across its operations. These initiatives include workforce reductions in certain areas of the Company as the Company's business is realigned. Additional initiatives include establishing certain operations closer in location to the Company's global customers, evaluating functions more efficiently performed through partnerships or other outside relationships and reducing the Company's overhead costs to meet or exceed industry benchmarks.

In the third quarter and first nine months of 2008, the Company recorded charges of \$8 million and \$29 million, respectively, for employee severance and related costs, a write-down of certain facilities to their fair values, and relocation and retention bonuses. Since the fourth quarter of 2007, the Company has incurred \$48 million due to the restructuring initiatives. The Company anticipates that it will incur some level of restructure charges through the end of fiscal 2008 as it continues to implement these initiatives, but is currently unable to estimate the aggregate amount of the charges.

This Current Report on Form 8-K contains forward-looking statements regarding future restructure charges. Actual events or results may differ materially from those contained in the forward-looking statements. Please refer to the documents the Company files on a consolidated basis from time to time with the Securities and Exchange Commission, specifically the Company's most recent Form 10-K and Form 10-Q. These documents contain and identify important factors that could cause the actual results for the Company on a consolidated basis to differ materially from those contained in our forward-looking statements (see Certain Factors). Although we believe that the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, levels of activity, performance or achievements. We are under no duty to update any of the forward-looking statements after the date of this report to conform to actual results.
