Item 2.05 Costs Associated With Exit or Disposal Activities.

On March 28, 2015, Best Buy Canada, Ltd. ("Best Buy Canada"), a wholly owned subsidiary of Best Buy Co., Inc. ("Best Buy" or the "registrant") announced it is consolidating Future Shop and Best Buy stores and websites under the Best Buy brand. As a result, 66 Future Shop locations will permanently close. In addition, 65 Future Shop stores will be temporarily closed for one week as they begin the transition to the Best Buy brand.

The costs of implementing these changes primarily consist of lease exit costs, employee severance and transition costs, and asset impairments. The registrant expects to incur total pre-tax restructuring charges and non-restructuring impairments in the range of C\$250 million to C\$350 million (approximately US\$200 million to US\$280 million), or GAAP diluted earnings per share of US\$0.41 to US\$0.58. The registrant expects that the majority of these charges will be recorded in the first quarter of fiscal 2016. The total charges include between C\$175 million and C\$225 million (approximately US\$140 million to US\$180 million) of cash charges – primarily related to future rent obligations and severance – that will be paid over the next 5 years.

The registrant also expects its GAAP and non-GAAP diluted earnings per share to be negatively impacted in fiscal 2016 in the range of US\$0.10 to US\$0.20 due primarily to a temporary increase in operational expenses associated with consolidation activities and store disruptions resulting from our investments to support the Best Buy multi-channel customer experience. Due to the transitional nature of the majority of these costs, the registrant does not expect this negative earnings per share impact to continue into future years.

The amount of the restructuring charges noted above are estimates, and the actual charges could vary materially based on a number of factors, including but not limited to the following: foreign currency exchange rate fluctuations, the level of employee terminations; factors relating to real estate, such as sale proceeds and the timing and amount of sublease income and other related expenses; and changes in management's assumptions.

Item 7.01 Regulation FD Disclosure.

On March 28, 2015, Best Buy issued a news release announcing the events described in Item 2.05 above, as well as plans for Best Buy Canada to invest up to C\$200 million (approximately US\$160 million) to build a leading multi-channel customer experience.

The news release issued on March 28, 2015, is furnished as Exhibit 99 to this Current Report on Form 8-K and shall not be deemed "filed" for purposes of Section 18 of the Securities Exchange Act of 1934, as amended, or otherwise subject to liability of that Section unless the registrant specifically incorporates it by reference in a document filed under the Securities Act of 1933, as amended, or the Securities Exchange Act of 1934, as amended.
