Entry into 10b5-1 Plans by our CEO and CFO

On December 9, 2014, David J. Campisi, the President and Chief Executive Officer of Big Lots, Inc. (“we,” “us,” “our” or the “Company”), established a trading plan intended to comply with the requirements of Rule 10b5-1 of the Securities Exchange Act of 1934, as amended (a “10b5-1 Plan”). The plan directs us to withhold shares of Company common stock from Mr. Campisi in order to satisfy tax obligations that may arise if any shares are issued to him in March of 2015 pursuant to the partial vesting of a performance-based restricted stock units award. The award was granted to Mr. Campisi in March of 2014, and one-third of the award has the potential to vest in March of 2015, subject to the satisfaction of applicable performance conditions. In the event that all or part of such portion of the award vests, we will withhold a number of shares necessary to satisfy Mr. Campisi’s tax obligations.

On December 11, 2014, Timothy A. Johnson, our Executive Vice President and Chief Financial Officer, established a 10b5-1 Plan providing for a third-party broker to sell shares of Company common stock that may be issued to him in March of 2015 pursuant to the partial vesting of a performance-based restricted stock units award. The award was granted to Mr. Johnson in March of 2014, and one-third of the award has the potential to vest in March of 2015, subject to the satisfaction of applicable performance conditions. In the event that all or part of such portion of the award vests, the broker will sell the shares issued to Mr. Johnson on the vesting date.

Each of the above-described 10b5-1 Plans was adopted during an authorized trading period and when the officer adopting the plan was not in possession of material non-public information. Transactions under these 10b5-1 Plans will be reported through Form 144 and Form 4 filings made with the Securities and Exchange Commission, as appropriate.

The information disclosed in this Item 7.01 is being furnished, not filed. By furnishing the information in this Item 7.01, the Company is making no admission as to the materiality of such information.
