A written notice revoking a previously executed proxy should be sent to National Bankshares, Inc., P.O. Box 90002, Blacksburg, Virginia 24062-9002, Attention: James G. Rakes. Unless revoked, the shares represented by properly executed proxies will be voted at the Meeting according to the instructions contained in the proxy. An Annual Report to Stockholders, including the financial statements for the year ended December 31, 2005, is being mailed to you at the same time as this Proxy Statement, but should not be considered proxy solicitation material.

the Securities Act of 1934.

PROPOSAL NO. 1 - ELECTION OF DIRECTORS

Bankshares' articles of incorporation provide that the directors will be divided into three classes (1, 2 and 3) with each class as nearly equal in number as possible and the term of office of each class ending in successive years. The articles of incorporation currently also provide that the number of directors shall be set by the bylaws, but shall not be less than nine, nor more than twenty-six. For the purpose of the election of directors at the Annual Meeting, the number of directors set forth in the bylaws is nine. The current term of office of the Class 1 directors expires at this 2006 Annual Meeting of Stockholders. The terms of Class 2 and Class 3 directors will expire in 2007 and 2008, respectively.

The Board of Directors has nominated the serving Class 1 director, Mary G. Miller, to serve a three-year term to expire at the Annual Meeting of Stockholders in 2009. The remaining serving Class 1 directors, L. Allen Bowman and Paul A. Duncan, are retiring from the Board of Directors at the completion of their term because they have reached mandatory retirement age as set out in Bankshares' bylaws. Therefore, they will not stand for re-election at the upcoming Annual Meeting. The Nominating Committee, consisting entirely of non-management directors, recommended Lawrence J. Ball and Glenn P. Reynolds as nominees for Class 1 director, and they were both nominated by the Board of Directors to serve a three-year term expiring at the Annual Meeting of Stockholders in 2009.

It is the intention of the persons named as proxies, unless instructed otherwise, to vote for the election of the three nominees for Class 1 director. Each nominee has agreed to serve if elected. If any of the nominees shall unexpectedly be unable to serve, the shares represented by all valid proxies will be voted for the remaining nominees and any other person or persons

2

who may be designated by the Board. At this time, the Board knows of no reason why any nominee might be unable to serve.

The following information is provided with respect to the three nominees to serve as Class 1 director and the six incumbent directors who will be continuing in office following the Annual Meeting. All information is provided as of March 3, 2006. No director or nominee is related by blood, marriage or adoption to any other director, nominee or executive officer. No director or nominee serves as a director of any company which has a class of securities registered pursuant to Section 12 of the Securities Exchange Act of 1934, or is subject to the requirements of Section 15(d) of the Exchange Act, or of any company registered as an investment company under the Investment Company Act of 1940. Several Directors also currently serve as a director of one or all of the wholly owned subsidiaries of Bankshares, The National Bank of Blacksburg ("NBB"), Bank of Tazewell County ("BTC") and National Bankshares Financial Services, Inc. ("NBFS"). Each Director, except for Mr. Rakes, has been determined to be independent by the Board of Directors.

Mr. Rakes is the chairman of the Executive Committee, and Mr. Bowman and Dr. Stewart served on the Committee. The Executive Committee met six times in 2005. The Audit Committee, which is chaired by Dr. Stewart, is made up of Mr. Duncan, Mr. Harry and Dr. Lewis. The Audit Committee had four meetings in 2005. In 2005 the Compensation Committee was comprised of Mr. Duncan, Mr. Harry, Dr. Lewis, Dr. Miller, Mr. Peery, Dr. Shuler and Dr. Stewart, and Mr. Bowman served as its chairman. The Compensation Committee met two times during 2005. Mr. Bowman was also the chairman of the Nominating Committee, and Dr. Miller, Mr. Peery and Dr. Shuler were its members. The Nominating Committee met twice in 2005.

### Board Compensation

Members of the Board of Directors of Bankshares are paid \$800 (increased from \$500) for each regular or special Board meeting they attend. They are paid a \$400 committee attendance fee. Directors are also paid annual Board retainer fees in an amount equal to the highest Board annual retainer fee paid by any subsidiary of National Bankshares, Inc. The Bankshares Board annual retainer fee is offset by the amount of annual retainer fees received by each director for his or her service on the Board of Directors of any of the Company's subsidiaries. The chairman of the Audit Committee and the Compensation Committee receive an additional \$1,200 annual retainer fee. The annual retainer fees paid by Bankshares to its directors in 2005 were as follows: Mr. Bowman - \$7,700, Mr. Duncan - \$6,500, Mr. Harry - \$2,500, Dr. Lewis - \$6,500, Dr. Miller - \$6,500, Mr. Peery - \$6,500 and Dr. Stewart - \$3,850.

They receive an NBB Board meeting attendance fee of \$500 and they are paid \$400 for each committee meeting they attend. Both Mr. Bowman and Dr. Stewart retired from the NBB Board during 2005. Mr. Bowman served until April 13, and Dr. Stewart served until October 12. They received regular fees for service until their retirement.

In 2005 two former NBB directors, Mr. Bowman and Mr. Duncan, received payments from an NBB Board of Directors deferred compensation plan in which they participated from 1985 to 1989. Mr. Bowman was paid \$5,822 and Mr. Duncan received \$2,180 during 2005.

Mr. Harry and Mr. Rakes, directors of Bankshares who were also members of the Board of Directors of BTC in 2005, are paid an annual retainer of \$4,000, a holiday bonus of \$400 and they receive a fee of \$400 per meeting for their attendance at regular and special BTC Board meetings and committee meetings.

### Board Attendance

During 2005, each incumbent director, except for Dr. Shuler, attended 75% or more of the total number of meetings of the Board of Directors of Bankshares and of the Board committees on which he or she served. Dr. Shuler's obligations in the Virginia House of Delegates prevented his attendance at certain Board and Committee meetings. The Board does not have a formal policy regarding directors' attendance at the Annual Meeting of Stockholders. In 2005, eight of nine Bankshares directors attended the Annual Meeting.

### Communications with Directors

### EMPLOYEE BENEFIT PLANS

Bankshares maintains several qualified and non-qualified employee benefit plans for employees of participating employers in the plans. These benefit plans are described below.

#### Retirement Plans

Until December 31, 2001, NBB maintained a tax-qualified, noncontributory defined benefit retirement plan for qualified employees called The National Bank of Blacksburg Retirement Income Plan (the "NBB Plan"). Effective on December 31, 2001, the NBB Plan was amended; its name was changed to The National Bankshares, Inc. Retirement Income Plan (the NBI Plan); and the Bank of Tazewell County Employee Pension Plan was merged into the NBI Plan. The NBB (now NBI) Plan became effective on February 1, 1984, when NBB amended and restated its previous pension plan. This plan covers all officers and employees who have reached age twenty-one and have had one year of eligible service on the January 1, or July 1 enrollment dates. Employee benefits are fully vested after five years of service, with no partial vesting. Prior to the December 31, 2001 plan amendment, retirement benefits at the normal retirement age of sixty-five were calculated at 66% of the employee's average monthly compensation multiplied by the number of years of service, up to a maximum of twenty-five years. After December 31, 2001, retirement benefits at the normal retirement age are calculated at 1.75% of average monthly compensation multiplied by the number of years of service, up to thirty-five years. Added to this is .65% of "excess monthly average compensation" (defined in the NBI Plan as the amount of the average monthly compensation that is in excess of a participant's monthly Social Security covered compensation, generally the rounded average of the Social Security taxable wage bases) multiplied by the number of years of service, up to thirty-five years. Average monthly compensation is determined by averaging compensation over the five highest paid consecutive years in the employee's final ten years of employment. Retirement benefits under the NBI Plan are normally payable in the form of a straight life annuity, with ten years guaranteed; but other payment options may be elected under certain circumstances. Benefits accrued by participants in the NBB Plan and in the BTC Plan prior to December 31, 2001, will be calculated based upon compensation and

6

service under the old NBB and BTC Plan formulas. Benefits accrued by participants after January 1, 2002, are calculated under the NBI Plan formulas. The compensation covered by the NBI Plan includes the total of all amounts paid to a participant for personal services reported on the participant's federal income tax withholding statement (Form W-2), except that earnings were limited to \$200,000, indexed for the cost of living, until 1994. In 1994, the earnings limit was decreased to \$150,000, which is indexed for the cost of living after 1994. For 2005, covered compensation for Mr. Rakes is \$210,000.

The following table shows the estimated annual benefits payable from

the NBB Plan upon retirement based on specific compensation and years of credited service classifications, assuming retirement on January 1, 2002, at age sixty-five.

Until December 31, 2001, BTC maintained a tax-qualified non-contributory defined benefit retirement plan for qualified employees under the Bank of Tazewell County Employee Pension Plan (the "BTC Plan"). The BTC Plan was initially effective on October 20, 1965, but was amended in its entirety effective October 20, 1989 and was merged with the NBB Plan to become the NBI Plan on December 31, 2001. The BTC Plan covered all officers and employees who, as of April 20 or October 20 of any year, had reached the age of twenty-one and who had one year of service. Employee benefits were fully vested after five years, with no partial vesting. Benefits generally commenced on the later of a participant reaching age 65 or the date on which the participant completed five years of participation in the BTC Plan. The normal form of benefit was a monthly pension payable during the participant's lifetime with a minimum of 120 monthly payments, but other payment options could be elected under certain circumstances. In general, the standard monthly pension benefit was equal to the sum of (1) 1.5% of "plan compensation" multiplied by the years of credited service (but not in excess of 35 years) at normal retirement date, plus (2) .59% of "plan compensation" in excess of \$800 multiplied by the years of credited service (but not in excess of 35 years). "Plan compensation" is equal to the highest monthly average obtained from the sum of any of a participant's five annual compensation amounts divided by the number of months such participant was compensated during that period. For purposes of this calculation, annual compensation may not exceed \$200,000. In 1994, the earnings limit was decreased to \$150,000, which is indexed for the cost of living after 1994.

Rakes, had twenty-four years of credited service in the NBB and NBI Retirement Income Plans, and at normal retirement he will have twenty-eight years of credited service. On January 1, 2006, Corporate Officer, Brad Denardo, had twenty-three years of credited service in the NBB and NBI Retirement Income Plans, and at normal retirement he will have thirty-four years of credited service. Treasurer J. Robert Buchanan had eight years of service in the NBB and NBI Retirement Plans, and at his normal retirement date he will have seventeen years of credited service. Marilyn B. Buhyoff, Secretary and Counsel, had eighteen years of credited service in the NBB and NBI Retirement Income Plans, and at normal retirement she will have twenty-six years of credited service.

### Other Plans

National Bankshares, Inc. Employee Stock Ownership Plan. Bankshares sponsors a non-contributory Employee Stock Ownership Plan (the "ESOP"), in which NBB, BTC, and NBFS were participating employers for 2005. All full-time employees who are over the age of 21 and who have been employed for one year are eligible to participate. Contributions under the ESOP are discretionary for each participating employer and participants are not permitted to make contributions to the plan. Contributions are allocated to a participant's account based upon a participant's covered compensation, which is W-2 compensation. The contributions are fully vested after five years.

National Bankshares, Inc. Retirement Accumulation Plan. Bankshares sponsors the NBI Retirement Accumulation Plan which qualifies under IRS Code Section 401(k) (the "401(k) plan"). For 2005, NBB, BTC, and NBFS were participating employers. All full-time employees who have one year of service and who are over the age of 21 are eligible to participate. Participants may contribute up to 100% of their total annual compensation to the plan. Employee contributions are matched by the employer at 100% for the first 4% of salary contributed and at 50% of the next 2% of salary contributed. Employees are fully vested at all times in contributions and employer match sums.

Deferred Compensation Plan. From 1985 to 1989 NBB maintained a voluntary deferred compensation plan for its directors, which permitted a director to defer receipt of a portion of directors fees for a period of five years. NBB purchased life insurance on all of the participants in amounts that, in the aggregate, actuarially fund its future liabilities under the program.

## Edgar Filing: NATIONAL BANKSHARES INC - Form DEF 14A

While the insurance policies were purchased under the directors' deferred compensation plan, there is no obligation to use any insurance funds from policy loans or death benefits to curtail the deferred compensation liability. Under the terms of the plan, at age 65, a participant or beneficiary receives 120 monthly benefit payments. The plan also provides for 120 monthly payments to the participant's beneficiary in the event of the participant's death prior to age 65. Mr. Rakes is entitled to receive 120 months of payments of \$1,610.50 at age 65.

### Employment Agreements and Change in Control Arrangements

Bankshares and Mr. Rakes have entered into an employment agreement (the "Agreement") effective January 1, 2002. The Agreement provides for the continued employment of Mr. Rakes as President and Chief Executive Officer of Bankshares and NBB, at an annual base salary of at least \$225,500. In addition, the Agreement provides that Mr. Rakes may be awarded an annual bonus and certain stock-based incentives in the discretion of the Board, as well as employee and executive fringe benefits. The Agreement has a rolling three year term.

8

The Agreement also includes a Capital Accumulation Plan ("CAP") for the benefit of Mr. Rakes. Under the Agreement, the total amount allocated to the CAP for the calendar year is established by the Board of Directors with a maximum of \$60,000 per year to be allocated. This total amount is then divided equally between two target areas: (1) return on equity, and (2) return on assets. The amount actually contributed to the CAP for a year is based on Bankshares' performance relative to the average performance of a peer group of banks in the two target areas during that year. A minimum of 85% of the peer group average must be achieved in a target area for any contribution to be made for that target area. The amount of the contribution for each target area increases beyond the minimum contribution to the extent Bankshares' performance exceeds 85% of the peer group average with a maximum contribution for performance which equals 150% or more of the peer group average. Contributions to the CAP for achievements in any calendar year must be made prior to June 1 of the next following year. Accrued CAP benefits become payable on January 1, 2009, or earlier, should Mr. Rakes retire or his employment terminate under certain circumstances. Once the CAP benefits become payable, they are paid over five years unless Mr. Rakes chooses, with the Board's consent, to receive them in a lump sum or over three years. The CAP contribution for 2005 was \$30,000.

The Agreement has provisions which have the effect of continuing Mr. Rakes' benefits and compensation under the Agreement beyond his employment with Bankshares if Bankshares terminates his employment "without cause" (as defined in the Agreement) or Mr. Rakes resigns "for good reason" (as defined in the Agreement). Under these circumstances, Mr. Rakes will continue to receive his base salary and certain executive benefits for 24 months after his employment terminates.

The Agreement also contains provisions which can have the effect of prolonging, enhancing and accelerating Mr. Rakes' benefits and compensation under certain circumstances involving a change in control of Bankshares. A change in control involves circumstances generally where an individual or group acquires 20% or more of Bankshares' stock or a merger occurs which results in a change in the majority of Bankshares' Board of Directors and Bankshares' shareholders do not constitute a majority of the shareholders in the surviving company.

The term of the Agreement is automatically extended for three years from the date of a change in control and Mr. Rakes is entitled to continue to

## Edgar Filing: NATIONAL BANKSHARES INC - Form DEF 14A

receive all of his compensation and benefits during that period, except that he becomes entitled to minimum annual stock-based awards equal to one-third of his Base Salary. In addition, if after a change in control, Mr. Rakes' employment is terminated by Bankshares "without cause" (as defined in the Agreement) or by Mr. Rakes "for good reason" (as defined in the Agreement), he becomes entitled to receive a salary continuance benefit equal to 2.99 times the Executive's average annual compensation includable in the Executive's annual gross income for the period of five years preceding the change in control, a continuation of certain executive benefits for 36 months, and certain enhancements to his retirement benefits.

Mr. Denardo and Mrs. Buhyoff both have entered into change in control agreements with Bankshares. These agreements also define a change in control as an individual or a group acquiring 20% or more of Bankshares' stock, or when a merger occurs in which there is a change in the majority of Bankshares' Board of Directors and Bankshares' shareholders are not a majority of the shareholders in the surviving company. The Agreements provide that Mr. Denardo and Mrs. Buhyoff will be entitled to receive an amount equal to two times their average annual compensation included in annual gross income for the period of five years preceding the change in control if the employer terminates them other than "for cause" (as defined in the Agreements) or if they voluntarily terminate their employment "for good reason" (as defined in the Agreements). The agreements are effective until employment is terminated.

### NOMINATING COMMITTEE

National Bankshares, Inc. has a standing Nominating Committee that has been chaired by Mr. Bowman. Dr. Miller, Mr. Peery and Dr. Shuler served on the Committee in 2005. Each of these directors is independent, as that term is defined in the Nasdaq Stock Market Rules. The Nominating Committee's sole function is to review and recommend nominees for the Board of Directors. A current copy of the Committee's Charter is available on the Company's web site at [www.nationalbankshares.com](http://www.nationalbankshares.com). The Nominating Committee does not have a specific policy with regard to the consideration of any director candidates recommended by stockholders, because the Committee will evaluate all candidates for directors using the same criteria, regardless of the source of the referral. Stockholders wishing to refer director candidates to the Nominating Committee should do so in writing mailed by first class mail to the Committee, c/o National Bankshares, Inc., P.O. Box 90002, Blacksburg, VA 24062-9002.

9

In considering candidates for director, the Nominating Committee seeks individuals who meet the following minimum criteria. The candidate must be an individual of the highest character and integrity. He or she must be able to work well with others and must be free of any conflict of interest that would violate law or regulation or interfere with the proper performance of a director's responsibilities. The candidate should be willing to devote sufficient time to the business of the Board. Finally, he or she should have the capacity to represent the best interests of the stockholders as a whole in a balanced way. The Nominating Committee insures that the Board of Directors will have a sufficient number of independent directors to fill all Board and Committee positions that require independent directors. In addition, the Nominating Committee seeks directors who have good business experience as well as directors who have experience in academia and public service. The Committee looks for directors who are knowledgeable about and reside in the locations in which the Company and its subsidiaries do business and who have the ability and willingness to refer new business to the Company. Finally, the Nominating Committee seeks candidates who reflect the Company's belief that gender and ethnic diversity provide additional perspectives that are helpful to the Board of Directors.

## Edgar Filing: NATIONAL BANKSHARES INC - Form DEF 14A

The Nominating Committee actively solicits the names of potential Board candidates from the directors and officers of Bankshares and, as stated here, will consider candidates suggested by stockholders. Information about potential candidates is sought from diverse sources, and the Nominating Committee compares the experience, expertise and personal qualities of the potential candidates with the experience, expertise, and personal qualities that are identified as being desirable for the Board of Directors at any given time.

### COMPENSATION COMMITTEE REPORT ON COMPENSATION OF EXECUTIVE OFFICERS OF THE COMPANY

The Compensation Committee of the Bankshares Board is responsible for administering the policies governing the annual compensation paid to executive officers of Bankshares, including the Chief Executive Officer.

#### Executive Officer Compensation

The Company's compensation program for its executive officers consists of a base salary and periodic grants of stock options. Mr. Rakes also receives an annual performance bonus and is considered for contributions to the Capital Accumulation Plan under his employment agreement. (see "Employment Agreements and Change in Control Arrangements") The stock option grants, annual performance bonus and Capital Accumulation Plan contributions are all directly linked to the performance of Bankshares. In addition, contributions by NBB and BTC, as participating employers, to the National Bankshares, Inc. Employee Stock Ownership Plan on behalf of employees, including executive officers, have been historically based upon a percentage of net profits.

The salaries of Bankshares' executive officers, except for Mr. Rakes, are within salary ranges established for each officer position. The ranges are developed after considering a salary survey published annually by the Virginia Bankers Association and after reviewing salary information about comparable local jobs and evaluating the economic conditions that are unique to the locations in which Bankshares and its subsidiaries do business. In establishing salary ranges, the Company balances the need to offer salaries that are competitive with peers with the need to maintain careful control of salaries and benefits expense. Mr. Rakes reports to the Compensation Committee on executive officer compensation at least annually.

#### Compensation of Chief Executive Officer

As Chairman, President and Chief Executive Officer, Mr. Rakes is and has been compensated pursuant to the employment agreement which is described under "Employment Agreements and Change in Control Arrangements" above. The Board of Directors received independent outside guidance in designing the compensation arrangements included in the employment agreement.

The principal components of Mr. Rakes' compensation under the employment agreement are salary, incentive bonuses and Company contributions for his benefit to the Capital Accumulation Plans. In 1999, the Board of Directors added stock options granted under the National Bankshares, Inc. 1999 Employee Stock Option Plan. The Stock Option Plan promotes the success of the Company by providing an incentive to key employees (including Mr. Rakes) that promotes the identification of their personal interest with the long-term financial interests of Bankshares.

10

Mr. Rakes' compensation is substantially tied to the performance of Bankshares. The Committee determined his annual salary increase after

## Edgar Filing: NATIONAL BANKSHARES INC - Form DEF 14A

subjectively assessing Mr. Rakes' contributions to the success of the Company. In measuring Bankshares' success, the Committee, among other things, compared the Company's results to local, regional and national peers. To determine an annual salary increase for Mr. Rakes, the Committee also reviewed salaries paid to other individuals holding similar positions. The Committee consulted an annual salary survey published by the Virginia Bankers Association, and it reviewed other available public documents from peer institutions to determine comparable salaries. Annual incentive bonuses and awards of stock options were also based upon the Committee's subjective evaluation of Mr. Rakes' contributions to the success of the Company. In determining the amount of Mr. Rakes' performance bonus for 2005 and the award of stock options in late 2005, the Committee considered that Bankshares again achieved record net income of over \$12.42 million. The contribution to Mr. Rakes' Captial Accumulation Plan was determined using objective measures of annual performance, specifically the comparison of Bankshares' return on assets and return on equity in 2005 with the average performance of a peer group of bank holding companies.

Members of the Compensation Committee: L.A. Bowman, Chairman, P.A. Duncan, J.H. Harry, J.M. Lewis, M.G. Miller, W.A. Peery, J.M. Shuler, J.R. Stewart.

### COMPENSATION COMMITTEE INTERLOCKS AND INSIDER PARTICIPATION

As stated, in 2005 Mr. Bowman, Mr. Duncan, Mr. Harry, Dr. Lewis, Dr. Miller, Mr. Peery, Dr. Shuler and Stewart made up the Compensation Committee of Bankshares. None of these individuals is now, or has in the past been, an officer or employee of Bankshares or of Bankshares' subsidiaries. Dr. Shuler serves on the Salary and Personnel Committee of NBB. Mr. Harry is a member of the Board of Directors of BTC, which serves as BTC's compensation committee after excluding inside bank directors. No executive officer of Bankshares, NBB, BTC or NBFS served as a director of another entity which had an executive officer serving on the Bankshares Compensation Committee. No executive officer of Bankshares, NBB, BTC or NBFS served as a member of the compensation committee of another entity which had an executive officer who served as a director of Bankshares. None of the members of the Bankshares Compensation Committee, or any business organizations or persons with whom they may be associated, has had any transactions with Bankshares or its subsidiaries, except as explained in "Certain Transactions with Officers and Directors" below.

### AUDIT COMMITTEE REPORT

During 2000 the Audit Committee of the Board of Directors developed a formal charter for the Committee, which was approved by the full Board on May 10, 2000. The Charter was amended on February 11, 2004. The Charter reflects standards set forth in Securities and Exchange Commission regulations and Nasdaq Stock Market Rules.

The Audit Committee monitors the integrity of the Bankshares financial reporting process and its systems of internal controls concerning finance, accounting and legal compliance. Each of the Audit Committee members satisfies the definition of an independent director as established in the Nasdaq Stock Market Rules. Although each member of the Audit Committee has extensive business experience, the Committee has identified Dr. Lewis as the financial expert, because he has a background which involves financial oversight responsibilities. Dr. Lewis currently oversees the preparation of financial statements in his role as President of New River Community College. He previously served as the College's Chief Financial Officer.

In discharging its oversight responsibility with regard to the audit process, the Audit Committee has reviewed and discussed the audited consolidated financial statements with management, discussed with the independent auditors Yount, Hyde & Barbour the matters to be discussed by Statement of Auditing

## Edgar Filing: NATIONAL BANKSHARES INC - Form DEF 14A

Standards No. 61 (Communication with Audit Committees), received communications from the auditors as to their independence required by Independence Standards Board Standard No. 1 and discussed with them their independence.

Based upon its review and discussions with management and Yount, Hyde & Barbour, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in Bankshares Annual Report on Form 10-K for the year ended December 31, 2005, to be filed with the Securities and Exchange Commission.

The following fees were paid to Yount, Hyde & Barbour, P.C.,

Certified Public Accountants & Management Consultants, for services provided to Bankshares for the years ended December 31, 2005 and December 31, 2004. The Audit Committee determined that the provision of non-audit services by Yount, Hyde & Barbour P.C. did not compromise the firm's ability to maintain its independence.

### CERTAIN TRANSACTIONS WITH OFFICERS AND DIRECTORS

Both NBB and BTC extend credit in the ordinary course of business to Bankshares' directors and executive officers and corporations, business organizations and persons with whom Bankshares' directors and executive officers are associated at interest rates prevailing for comparable transactions with the general public at the time credit is extended. These extensions of credit are made with the same requirements as to collateral as those prevailing at the time for comparable transactions with other persons. In the opinion of management, none of such presently outstanding transactions with directors and executive officers involve a greater than normal risk of collectibility or present other unfavorable features.

### SELECTION OF AUDITORS

The Board of Directors has selected the firm of Yount, Hyde & Barbour, P.C. to perform an independent audit of Bankshares and its subsidiaries for fiscal year 2006.
