PROXY STATEMENT

August 12, 2002

The enclosed proxy is solicited by the Board of Trustees of Investors Real Estate Trust, a Real Estate Investment Trust (the Company), for use at the Annual Meeting of Shareholders of the Company (the Annual Meeting) to be held on Tuesday, September 24, 2002, at 7:00 p.m. (Central Daylight Time). The Annual Meeting will be held at the International Inn, 1505 North Broadway, Minot, North Dakota. At the Annual Meeting, holders of record of the Company's shares of beneficial interest (Shares) at the close of business on Thursday, August 1, 2002 (the Record Date), are entitled to vote. On the Record Date, the Company had 31,646,599 Shares issued and outstanding, each of which is entitled to one vote at the Annual Meeting.

The cost of soliciting proxies will be borne by the Company. Trustees, officers and employees of the Company may, without additional compensation, solicit proxies by mail, personal interview, telephone and telecopy. This proxy statement and the enclosed proxy card are scheduled to be mailed to shareholders commencing on or about August 12, 2002.

The Company will request banks, brokerage houses and other institutions, nominees or fiduciaries to forward the soliciting material to the beneficial owners of Shares and to obtain authorization for the execution of proxies. The Company will, upon request, reimburse banks, brokerage houses and other institutions, nominees and fiduciaries for their reasonable expenses in forwarding proxy materials to the beneficial owners. If a shareholder is a participant in the Company's Distribution Reinvestment Plan (the Plan), the proxy card represents a voting instruction as to the number of full Shares in the Plan account, as well as any Shares held directly by the shareholder.

All properly executed proxies delivered pursuant to this solicitation and not revoked will be voted at the Annual Meeting as specified in such proxies. If no vote is specified on an executed proxy, the Shares represented by such signed proxy will be voted **FOR** the election of the nine (9) nominees for Trustee, **FOR** the ratification of the appointment of Brady, Martz & Associates, P.C. as the independent auditors of the Company, and, in the proxy holder's discretion, **FOR** such other business as may properly come before the meeting. The nine (9) nominees for Trustee who receive the highest number of votes, voting in person or by proxy at the Annual Meeting, provided a quorum is present and voting, shall be elected as Trustees (Proxy Item No. 1). The affirmative vote of the holders of a majority of the Shares present and voting, in person or by proxy, at the Annual Meeting, provided a quorum is present and voting, will be required to approve the appointment of Brady, Martz & Associates, P.C. as the independent auditors of the Company (Proxy Item No. 2).

In tallying shareholder votes, abstentions (i.e., shares for which a proxy is presented but abstains from voting on one or more matters) and broker non-votes (i.e., shares held by brokers or nominees for which proxies are presented but as to which (i) instructions have not been received from the beneficial owners or persons entitled to vote and (ii) the broker or nominee does not have discretionary voting power on a particular matter because it is a non-routine matter) will be counted for purposes of determining whether a

quorum is present for the conduct of business at the Annual Meeting. However, abstentions and non-votes will not constitute votes for or against any proposal and will be disregarded in determining votes cast.

Any proxy given pursuant to this solicitation may be revoked by the person giving it at any time before its use at the Annual Meeting by delivering to Diane K. Bryantt, the Secretary and Chief Financial Officer of the Company, a written notice of revocation or a duly executed proxy bearing a later date, or by attending the Annual Meeting and voting in person.

INFORMATION CONCERNING THE BOARD OF TRUSTEES

Director Meetings

During the year ended April 30, 2002, the Board held twelve regular meetings and one special meeting. All of the Trustees attended 75% or more of the meetings of the Board and the committees on which they served during the past year.

Committees

The Board has created three committees in order to more effectively direct and review the Company's operations and strategic outlook. In addition, the committees allow management to timely interface with and respond to factors affecting the ongoing operations of the Company. Further, management regularly consults with committee chairmen to review possible actions and seek counsel. Where appropriate, the Board delegates authority to committees (within specified parameters) to finalize the execution of various Board functions. While the committee structure has improved the level of Board oversight, it has also greatly increased the effort and time required of Board members who serve on the various committees.

The Board has established the following committees: Audit, Compensation and Executive. The present members of these committees are indicated in the preceding section of this proxy statement. The Audit Committee of

the Board met four times, while the Compensation and Executive Committees each met twice during the year ended April 30, 2002.

The Audit Committee is composed of four Trustees, three of which are independent as that term is defined in the Nasdaq Marketplace Rules. Information regarding the functions performed by the committee is set forth in the Report of the Audit Committee, included on page 12 of this proxy statement. The Audit Committee is governed by a written charter that has been approved by the Board. The Compensation Committee reviews the compensation of the officers of the Company and the Company's management succession plan. The Executive Committee has all powers of the Board with respect to the management and affairs of the Company, subject to limitations prescribed by the Board and by North Dakota law.

The full board acts as a nominating committee for purposes of selecting individuals to stand for election to the Company's Board of Trustees. The full board will consider nominations from shareholders, provided such suggested nominations are received in writing on or before June 1st of each year. There are no formal nominating procedures or policies in place to be followed in connection with the making of a nomination.

Board Compensation

During the year ended April 30, 2002, Trustees not employed by the Company received annual fees of \$13,700, plus \$100 for each Board meeting they attended in person or via conference call. Additionally, the Chairman of the Board received an additional \$3,700 for serving as the Chairman and the Vice Chairman of the Board received an additional \$1,800 for serving as the Vice Chairman. Trustees who are employees of the Company do not receive any separate compensation or other consideration, direct or indirect, for service as a Trustee.

Property Management Services

Hoyt Properties, Inc., a provider of property management services (Hoyt Properties), is owned by Steven B. Hoyt, a member of the Board of Trustees. Hoyt Properties manages the following commercial buildings pursuant to written management contracts:

Cold Spring Center.....	St. Cloud, MN
2030 Cliff Road.....	Eagan, MN
Plymouth IV & V.....	Plymouth, MN
Nicollet VII.....	Burnsville, MN
Burnsville Bluffs.....	Burnsville, MN
Pillsbury Business Center.....	Bloomington, MN
Bloomington Business Plaza.....	Bloomington, MN

As compensation for its services, Hoyt Properties receives a monthly fee of five percent of the gross rental income, provided that such management fee is reimbursable by the building's tenants pursuant to the tenant's lease agreement. In the event that the Company is not reimbursed for such fee by a tenant and must pay such fee from our rent proceeds, the annual fee is 3.5% of the gross rental proceeds.

Each of the written management contracts with Hoyt Properties commenced on April 1, 2001, with the exception of the contracts for Bloomington Business Plaza, which commenced on October 1, 2001, Thresher Square, which commenced on January 2, 2002, and Wirth Corporate Center, which commenced on April 1, 2002. All such management contracts may be terminated by either party on 30 days written notice for any reason and without penalty. In Fiscal 2002, the Company paid management fees to Hoyt Properties in the amount of \$321,348, 100% of which has been reimbursed by the tenants. Additionally, during that same period, the Company paid leasing commissions to Hoyt Properties in the amount of \$27,324. The Company believes that all of the terms of the management contracts are commercially reasonable and are on terms no less favorable than we could have obtained from unrelated property management firms.

Acquisition of Bloomington Business Plaza, Thresher Square and Wirth Corporate Center

During Fiscal 2002, the Company acquired three commercial buildings from affiliates of Steven B. Hoyt, a member of the Board of Trustees. In October 2001, the Company acquired the Bloomington Business Plaza, a 121,063 square foot multi-tenant, office/warehouse from a general partnership owned by Mr. Hoyt for a purchase price of \$7.2 million. In January 2002, the Company acquired Thresher Square, a 113,736 square foot, seven-story office building from WPT I, L.L.C., a limited liability company that is 78% owned by Mr. Hoyt, for a purchase price of \$10.9 million. On April 1, 2002, the Company acquired Wirth Corporate Center, an 89,384 square foot, four-story office building from Mr. Hoyt for a purchase price of \$8.6 million.

Director and Executive Officer Loans

As a result of the acquisition of Odell-Wentz & Associates, L.L.C., the company that acted as advisor prior to July 1, 2000, the Company assumed a note receivable from Mr. Mihalick in the amount of \$101,001.80. Proceeds of said note were used to purchase Shares. The note bears interest at New York Prime less 1% and is payable on demand. As of the date of this proxy statement, the note balance is \$94,004 and is current.

On January 16, 2002, the Board of Trustees authorized an UPREIT unit loan program that is available to persons that hold Units worth \$1.0 million or more. Under such loan program, the Company may lend up to 50% of the value of the borrower's Units, with such value to be based on the closing price of Shares on the NASDAQ National Market. Such loans will be for terms of two years or less, they will be secured by the borrower's Units and they will be at a variable interest rate of 1.5% over the interest rate charged to the Company by a participating lender. The interest rate will adjust on the first of each month. In connection with such loans, the Company will charge a .5% loan fee. On January 30, 2002, a loan in the amount of \$3.5 million was made to Steven B. Hoyt, a member of the Board of Trustees, pursuant to the terms of the UPREIT loan program. The Board of Trustees approved such loan. The terms of the loan requires Mr. Hoyt to make quarterly interest payments, beginning April 1, 2002, with the full balance of the principal sum due on or before January 31, 2004. The initial interest rate is equal to the Wall Street Journal Prime Rate as of January 31, 2002, plus 1.5%, which is equal to 6.25%. Mr. Hoyt paid a \$17,500 loan fee on the date of the loan. The principal balance is \$3.5 million and the note is current.

**COMPENSATION COMMITTEE REPORT
ON COMPENSATION OF EXECUTIVE OFFICERS**

General

The Compensation Committee of the Board of Trustees (the Committee) administers the Company's executive compensation program. The Committee is composed entirely of independent Trustees.

The objective of the Company's executive compensation program is to develop and maintain executive reward programs that contribute to the enhancement of shareholder value while attracting, motivating and retaining key executives who are essential to the long-term success of the Company. As discussed in detail below, the Company's executive compensation program consists of both fixed (base salary) and variable (incentive) annual compensation elements. Variable compensation consists of an annual cash bonus awarded from the annual incentive bonus program described below. Each year, the Committee evaluates executive compensation by reviewing the following: (i) the Company's performance during the year, (ii) individual performance during the year based on previously defined objectives, and (iii) compensation data of companies that are considered to be similar to the Company for performance purposes.

Base Salary

Base salaries for the executive officers of the Company, including the Chief Executive Officer, are designed to compensate such individuals for their sustained performance. For the calendar year ended December 31, 2001, base salaries were established by evaluating the responsibilities of the position held, the experience of the particular individual, a comparison of salaries paid for comparable positions by other companies in the real estate industry and the Committee's desire to achieve the appropriate mix between fixed compensation and incentive based compensation. Salary information for companies that are similar to the Company was obtained by reference to the public disclosures made in the Securities and Exchange Commission filings by such companies.

It is the Company's policy that base salaries of the executive officers, including the Chief Executive Officer, will generally be increased on January 1 of each year by the greater of the consumer price index or five percent (5%). Such increase may be increased or decreased, at the discretion of the Committee, based on, among other things, the individual's performance over the past year, changes in the individual's responsibility or necessary adjustments to maintain base salaries that are competitive with industry practices and similar companies. For the prior year, executive base salaries were increased by 5%.

Incentive Bonus Program

The annual cash incentive bonus program is designed to provide incentive compensation to the Company's employees, including the Chief Executive Officer, by linking bonus compensation to the Company's annual performance. The Company considers Funds From Operations (FFO) to be a useful measure of performance for an equity REIT. As such, the Company has created an incentive bonus program wherein a bonus pool is established in an amount equal to ten percent (10%) of the Company's increase in Funds From Operation (FFO) per diluted Share. Such increase in FFO is based on an equivalent basis each fiscal year, with such calculation approved by the Committee. The bonus pool is capped at an amount equal to the total base salaries of the top three highly compensated executive officers and no one person may be awarded more than 40% of the total bonus pool in any one year. The Chief Executive Officer and the Chief Operating Officer are responsible for determining the amount to be granted to each executive officer and each employee based on the achievement of predetermined objectives agreed upon by the employee and the Committee prior to the start of each fiscal year. Approximately 75% of the bonus pool is paid out on or before May 15 of each year, with the remaining 25% paid out upon the completion of the Company's annual financial report. The Summary Compensation Table shows the bonuses paid under the annual cash incentive bonus program to the Company's Chief Executive Officer and the other Named Executive Officers during the year ended April 30, 2002.

Executive base salary is not based on the Company's annual performance. Rather, base salary is based on what pay level is necessary to attract and retain executives capable of properly managing the Company's daily operations and functions. Regardless of the Company's performance, base salary will only increase or decrease to the extent necessary to attract and retain executives who possess the skills necessary to effectively manage the Company's daily operations. The Board does not use base salary as a reward for performance. The annual bonus program as described above is the only form of compensation tied to company performance. If the Company increases its FFO from the prior year, the executives are rewarded accordingly. If the Company's performance does not improve, there is no bonus.

The current compensation program is policy only and may be changed by the Board at anytime without notice to or approval by the shareholders. The Company is in a very competitive industry where success is based largely on the ability of senior management to properly identify, acquire, and manage real estate properties. Therefore, to properly manage and grow the Company, it may be necessary to increase the base salary and cash incentive bonus program in order to attract and retain qualified executives.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Trustees (the Audit Committee) oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls.

In fulfilling its oversight responsibilities, the Audit Committee reviewed with management the audited financial statements, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit

Committee reviewed with the Company's independent auditors, Brady, Martz & Associates, P.C., who is responsible for expressing an opinion on the conformity of those audited financial statements with auditing standards generally accepted in the United States of America, the independent auditor's judgment as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Audit Committee under generally accepted auditing standards and, specifically, under SAS 61. Additionally, the Audit Committee discussed with the independent auditors their independence from management and the Company, including the matters in the written disclosures and the letter from the independent accountants required by the Independence Standards Board Standard No. 1, and has considered the compatibility of non-audit services with the auditors' independence.

The Audit Committee discussed with the Company's internal and independent auditors the overall scope and plans for their respective audits. The Audit Committee meets with the internal and independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Audit Committee recommended to the Board, and the Board approved, that the audited financial statements be included in the Annual Report on Form 10-K405 for the year ended April 30, 2002, for filing with the Securities and Exchange Commission. The Audit Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors.

The Audit Committee is governed by a written charter that was approved by the Board on May 10, 2000, and is attached as Exhibit A to the Definitive Proxy Statement on Schedule 14A dated August 10, 2001.

- The NAREIT Equity Index, which is an index prepared by the National Association of Real Estate Investment Trusts (NAREIT), which includes all tax qualified equity REITs listed on the New York Stock Exchange, the American Stock Exchange and the NASDAQ National Market.
