## Explanatory Note

On February 24, 2016, the Board of Directors of AAON, Inc., a Nevada corporation (the “Company” or “Registrant”), approved the adoption of the Company’s 2016 Long-Term Incentive Plan (the “Plan”) subject to approval of the stockholders of the Registrant. The stockholders of the Registrant subsequently approved the Plan at the annual meeting of stockholders on May 24, 2016. The Plan provides that, in addition to the 3,400,000 shares authorized in connection with the adoption of the Plan (the “New Shares”), shares that remained available for grant under the Registrant’s 2007 Long-Term Incentive Plan, as amended (the “Prior Plan”) and any awards under the Prior Plan that expire or terminate for any reason without having been exercised in full, or are forfeited or canceled, will be available for awards under the Plan.

The purpose of this Registration Statement on Form S-8 is to register with the Securities and Exchange Commission (the “Commission”) 3,839,702 shares of the Registrant’s common stock, par value \$0.004 per share (the “Common Stock”), consisting of (i) the New Shares, and (ii) 439,702 shares that were previously registered by the Registrant (the “Carryover Shares”) under the Prior Plan on Form S-8, filed with the Commission on November 2, 2015 (Registration No. 333-207737) (the “Prior Registration Statement”). A post-effective amendment to the Prior Registration Statement to deregister the Carryover Shares is being filed contemporaneously with the filing of this Registration Statement.

Item 4. Description of Securities.

Not applicable.

Item 5. Interests of Named Experts and Counsel.

Luke A. Bomer, a shareholder of the law firm Johnson & Jones, P.C., which passed upon the legality of the securities which may be issued under the Plan, is the Secretary of the Registrant. Members of Johnson & Jones, P.C. beneficially own less than 1% of the issued and outstanding Common Stock of the Registrant as of August 2, 2016.

Item 6. Indemnification of Officers and Directors.

The Registrant's Articles of Incorporation provide that the Registrant shall indemnify its directors to the fullest extent permitted by Nevada law. Further, the Registrant's Articles of Incorporation provide that the Registrant may, by specific action of its Board of Directors, indemnify any or all other persons allowed to be indemnified under Nevada law. The Registrant's Articles of Incorporation further provide that no director shall be personally liable to the Registrant or its stockholders for damages for breach of fiduciary duty as a director or officer, except for liability for (a) acts or omissions which involve intentional misconduct, fraud or a knowing violation of law, or (b) the payment of distributions in violation of Section 78.300 of the Nevada Revised Statutes. Moreover, the provisions would apply to claims against a director for violations of certain laws, including federal securities laws. In addition, the Registrant may enter into indemnification agreements with its directors and officers. We have also obtained policies that insure our directors and officers against liabilities they may incur in their capacity as directors and officers. These provisions, agreements and policies may have the practical effect, in certain cases, of eliminating the ability of stockholders to collect monetary damages from directors and officers.

Item 7. Exemption from Registration Claimed.

Not applicable.

Item 8. Exhibits.

See the attached Exhibit Index on the page immediately following the signature pages hereto, which is incorporated herein by reference.

Item 9. Undertakings.

(a) The undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

- (ii) To reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in this registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than 20 percent change in the maximum aggregate offering price set forth in the “Calculation of Registration Fee” table in the effective registration statement;
- (iii) To include any material information with respect to the plan of distribution not previously disclosed in this registration statement or any material change to such information in this registration statement;

provided, however, that paragraphs (a)(1)(i) and (a)(1)(ii) of this section do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in periodic reports filed with or furnished to the Commission by the registrant pursuant to Section 13 or Section 15(d) of the Exchange Act that are incorporated by reference in this registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) The undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Commission such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
