Item 5. Other Events

As previously reported, on August 25, 2003 the California Public Utilities Commission (CPUC) announced that it had denied a rehearing of its decision approving a settlement with our subsidiary San Diego Gas & Electric Company (SDG&E) allocating between customers and shareholders the profits from intermediate-term purchase power contracts that SDG&E had entered into prior to California's electric utility industry restructuring.

As a result of the CPUC decision we recognized additional after-tax income of \$65 million in the third quarter of 2003.

As also previously reported, an advocacy group for small consumers petitioned the California Court of Appeals to review the CPUC's decision approving the settlement. On December 30, 2003 the Court of Appeals granted the petition for review. We expect that the Court of Appeals will affirm the CPUC's decision. A decision is expected by the third quarter of 2004.
