PROXY STATEMENT

General

This Proxy Statement is furnished in connection with the solicitation of proxies by the Board of Directors of The Brazil Fund, Inc. (the "Fund") for use at the Annual Meeting of Stockholders, to be held at the offices of Deutsche Investment Management Americas Inc., ("DeIM" or the "Investment Manager"), part of Deutsche Asset Management, 25th Floor, 345 Park Avenue (at 51st Street), New York, New York 10154, on Wednesday, July 9, 2003 at 10:45 a.m., Eastern time, and at any adjournments thereof (collectively, the "Meeting").

This Proxy Statement, the Notice of Annual Meeting and the proxy card are first being mailed to stockholders on or about May 19, 2003, or as soon as practicable thereafter. Any stockholder giving a proxy has the power to revoke it by mail (addressed to the Secretary at the principal executive office of the Fund, 345 Park Avenue, New York, New York 10154) or in person at the Meeting, by executing

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

a superseding proxy or by submitting a notice of revocation to the Fund. All properly executed proxies received in time for the Meeting will be voted as specified in the proxy or, if no specification is made, for each proposal referred to in the Proxy Statement.

The presence at any stockholders' meeting, in person or by proxy, of stockholders entitled to cast a majority of the votes entitled to be cast shall be necessary and sufficient to constitute a quorum for the transaction of business. For purposes of determining the presence of a quorum for transacting business at the Meeting, abstentions and broker "non-votes" will be treated as shares that are present but which have not been voted. Broker non-votes are proxies received by the Fund from brokers or nominees when the broker or nominee has neither received instructions from the beneficial owner or other persons entitled to vote nor has discretionary power to vote on a particular matter. Accordingly, stockholders are urged to forward their voting instructions promptly.

Abstentions and broker non-votes will not be counted in favor of, but will have no other effect on, the vote for the proposal which requires the approval of a majority of shares voting at the Meeting.

Holders of record of the common stock of the Fund at the close of business on May 9, 2003 (the "Record Date") will be entitled to one vote per share on all business of the Meeting and any adjournments. There were 16,373,688 shares of common stock outstanding on the Record Date.

The Fund provides periodic reports to all stockholders which highlight relevant information, including investment results and a review of portfolio changes. You may receive an additional copy of the annual report for the fiscal year ended June 30, 2002 and a copy of the semiannual report for the six-month period ended December 31, 2002, without charge, by calling 800-349-4281 or 800-294-4366 or writing the Fund at 345 Park Avenue, New York, New York 10154.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934 and Section 30(j) of the Investment Company Act of 1940, as amended (the "1940 Act"), as applied to a fund, require the Fund's Officers and Directors, investment manager, investment advisor, affiliates of the Fund's investment manager and investment advisor, and persons who beneficially own more than ten percent of a registered class of the Fund's outstanding securities ("Reporting Persons"), to file reports of ownership of the Fund's securities and changes in such ownership with the Securities and Exchange Commission (the "SEC") and the New York Stock Exchange. Such persons are required by SEC regulations to furnish the Fund with copies of all such filings.

Based on a review of reports filed by the Fund's directors and executive officers, the Investment Manager, officers and directors of the Investment Manager, affiliated persons of the Investment Manager and beneficial holders of 10% or more of the Fund's outstanding stock, and written representations by the Reporting Persons that no year-end reports were required for such persons, all filings required by Section 16(a) of the Securities Exchange Act of 1934 for the fiscal year ended June 30, 2002 were timely except that David Wasserman (a former Director of Zurich Scudder Investments, Inc.), Kesop Yun and Susan Kaufman Purcell each filed a Form 3 late. As a convenience to the directors, the Investment Manager assists the directors in making their Section 16 filings.

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

According to filings made with the SEC in April 2003, March 2003, January 2003, February 2003 and February 2000, respectively, for reporting ownership as of December 31 of the previous year, the following owned beneficially more than 5% of the Fund's outstanding stock:

Schedule 13D, Carrousel Fund Ltd, 3A Harrington Road, London SW7 3ES, reported beneficial ownership of 1,565,800 shares, or 9.52% of the Fund's shares. On May 15, 2003, Carrousel Fund Ltd amended its filing to state that as of May 8, 2003, prior to the record date, it reports beneficial ownership of 810,800 shares, or 4.9% of the Fund's shares.

Form 3, State Teacher's Retirement System of Ohio, 275 East Broad Street, Columbus, Ohio, 43215, reported beneficial ownership of 998,900 shares, or 6.08% of the Fund's shares.

Schedule 13G/A, President & Fellows of Harvard College, c/o Harvard Management Company, 600 Atlantic Avenue, Boston, MA 02110, reported beneficial ownership of 3,847,901 shares, or 23.4% of the Fund's shares.

Schedule 13G/A, Lazard Freres & Company, LLC, 30 Rockefeller Plaza, 59th Floor, New York, NY 10020, reported beneficial ownership of 1,526,900 shares, or 9.3% of the Fund's shares.

Schedule 13G, UBS AG/NY, 299 Park Avenue, New York, NY 10171, reported beneficial ownership of 872,400 shares, or 5.5% of the Fund's outstanding stock.

Except as noted above, to the best of the Fund's knowledge, as of April 30, 2003, no other person owned beneficially more than 5% of the Fund's outstanding stock.

Honorary Director

Mr. Roberto Teixeira da Costa serves as an Honorary Director of the Fund. Honorary Directors are invited to attend all Board meetings and to participate in Board discussions, but are not entitled to vote on any matter presented to the Board. Mr. da Costa became a Director of the Fund in 1993 and retired from the Board in 2001.

10

Committees of the Board -- Board Meetings

The Board of Directors of the Fund met five times during the fiscal year ended June 30, 2002. The Noninterested Directors also held two additional meetings with their counsel. Each Director attended at least 75% of the total number of meetings of the Board of Directors and of all committees of the Board on which he or she served as regular members, except Mr. Yun, who attended 60% of the meetings.

The Board of Directors, in addition to an Executive Committee, has an Audit Committee, a Valuation Committee and a Committee on Independent Directors.

Audit Committee

The Board has an Audit Committee, consisting of those Directors who are not interested persons of the Fund or of the Investment Manager ("Noninterested Directors") as defined in the 1940 Act, which met twice during the fiscal year ended June 30, 2002. The members of the Audit Committee are independent, as

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

independence is defined in the listing standards of the New York Stock Exchange. The Audit Committee reviews with management and the independent accountants for the Fund, among other things, the scope of the audit and the controls of the Fund and its agents, reviews and discusses with management the Fund's annual audited financial statements, reviews the auditor's required communications regarding the scope and results of the audit that may assist the Audit Committee in overseeing management's financial reporting and disclosure process, reviews and approves in advance the type of services to be rendered by independent accountants, recommends the selection of independent accountants for the Fund to the Board, reviews matters related to the independence of the Fund's independent accountants and in general considers and reports to the Board on matters regarding the Fund's accounting and bookkeeping practices.

The Board of Directors has adopted a written charter for the Audit Committee.

At a meeting held on April 2, 2003, the Board of Directors of the Fund, including a majority of the Noninterested Directors, selected PricewaterhouseCoopers LLP to act as independent accountants for the Fund for the fiscal year ending June 30, 2004. The Fund's financial statements for the fiscal year ended June 30, 2002 were audited by PricewaterhouseCoopers LLP. The following table sets forth the aggregate fees billed for professional services rendered by PricewaterhouseCoopers LLP¹:

Audit Fees	Financial Information Systems Design and Implementation Fees	All Other Fees ²
\$91,300	\$0	\$21,690,948

The fees disclosed in the table above under the caption "Audit Fees" are the aggregate fees for professional services rendered for the audit of the Fund for the most recent fiscal year. The fees disclosed under the captions "Financial Information Systems Design and Implementation Fees" and "All Other Fees" include fees billed for services, if any, during the most recent fiscal year to the Fund, DeIM and all entities controlling, controlled by, or under common control with DeIM that provide services to the Fund.

¹ In addition to the amount shown in the table, PricewaterhouseCoopers LLP billed fees during the year ended June 30, 2002 of approximately \$7,209,923 for professional services rendered for audit and tax services provided to other DeIM-advised funds.

² All Other Fees includes \$1,094,176 for services in connection with risk management, taxation, attest/agreed upon procedures, review of filings with the SEC and testing of internal controls for DeIM and other related entities that provide support for the operations of the funds.

The Fund's Audit Committee gave careful consideration to the non-audit related services provided by PricewaterhouseCoopers LLP to the Fund, DeIM and entities controlling, controlled by or under common control with DeIM that provide services to the Fund, and, based in part on certain representations and information provided by PricewaterhouseCoopers LLP, determined that the provision of these services was compatible with maintaining PricewaterhouseCoopers LLP's independence.

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

Representatives of PricewaterhouseCoopers LLP are not expected to be present at the Meeting, but will be available by telephone to respond to appropriate questions and to make a statement if they wish to do so.

Audit Committee Report

In connection with the audited financial statements as of and for the fiscal year ended June 30, 2002 included in the Fund's Annual Report for the fiscal year ended June 30, 2002 (the "Annual Report"), at a meeting held on August 21, 2002, the Audit Committee considered and discussed the annual audited financial statements with management and the independent accountants, and discussed the audit of such financial statements with the independent accountants.

The Audit Committee also discussed with the independent accountants the matters required to be discussed by Statement On Auditing Standards No. 61 (Communications with Audit Committees). The independent accountants provided to the committee the written disclosure and the letter required by Independence Standards Board Standard No. 1 (Independence Discussions with Audit Committees), and the Audit Committee discussed with representatives of the independent accountants their firm's independence.

The members of the Audit Committee are not professionally engaged in the practice of auditing or accounting and are not employed by the Fund for accounting, financial management or internal control. Moreover, the Audit Committee relies on and makes no independent verification of the facts presented to it or representations made by management or the independent accountants. Accordingly, the Audit Committee's oversight does not provide an independent basis to determine that management has maintained appropriate accounting and financial reporting principles or policies, or internal controls and procedures, designed to assure compliance with accounting standards and applicable laws and regulations. Furthermore, the Audit Committee's considerations and discussions referred to above do not provide assurance that the audit of the Fund's financial statements has been carried out in accordance with auditing standards generally accepted in the United States of America or that the financial statements are presented in accordance with accounting principles generally accepted in the United States of America.

Based on its consideration of the audited financial statements and the discussions referred to above with management and the independent accountants and subject to the limitation on the responsibilities and role of the Audit Committee set forth in the Audit Committee's Charter and those discussed above, the Audit Committee of the Fund recommended to the Board of Directors of the Fund that the audited financial statements be included in the Fund's Annual Report.

The Audit Committee currently consists of Messrs. Froewiss (Chairman), Callander, Luers, Nogueira and Yun and Dr. Purcell.

12

Committee on Independent Directors

The Board has a Committee on Independent Directors consisting of the Noninterested Directors. The Committee met once during the fiscal year ended June 30, 2002. The Committee is charged with the duty of making all nominations for Noninterested Directors and consideration of other related matters. The Committee met on April 2, 2003 to nominate the nominees for Noninterested Directors presented in this proxy statement. Stockholders' recommendations as to

Edgar Filing: BRAZIL FUND INC - Form DEF 14A

nominees received by management are referred to the Committee for its consideration and action.

The Executive Committee acts when the full Board of Directors is not in session. Messrs. Bratt and Hale are the members of the Executive Committee of the Fund. The Executive Committee did not meet during the fiscal year ended June 30, 2002.

Valuation Committee

The Valuation Committee monitors the valuation of portfolio securities and other investments and, as required by the Fund's valuation policies when the full Board is not in session, determines the fair value of illiquid and other portfolio holdings after consideration of all relevant factors, which determinations are reported to the full Board. Messrs. Bratt and Froewiss members of the Valuation Committee, with Messrs. Callander and Hale as alternates. The Valuation Committee met once during the fiscal year ended June 30, 2002.

Transactions with and Remuneration of Directors and Officers

The aggregate direct remuneration incurred by the Fund for payment to Noninterested Directors was \$77,139, including expenses, for the fiscal year ended June 30, 2002. Each such Noninterested Director currently receives fees, paid by the Fund, of \$750 per Directors' meeting attended and an annual Director's fee of \$6,000, except for Mr. Nogueira who as a Resident Brazilian Director receives an annual fee of \$12,000. Effective January 1, 2003, the Lead Director of the Noninterested Directors (currently Mr. Callander) and the Chairman of the Audit Committee (currently Mr. Froewiss) each receives an additional \$2,500 annual fee for serving in that capacity. Each Director also receives \$250 per committee meeting attended (other than audit committee meetings and meetings held for the purpose of considering arrangements between the Fund and the Investment Manager or an affiliate of the Investment Manager, for which such Director receives a fee of \$750). DeIM supervises the Fund's investments, pays the compensation and certain expenses of its personnel who serve as Directors and Officers of the Fund, and receives a management fee for its services. Several of the Fund's Officers and Directors are also officers, directors or employees of DeIM and participate in the fees paid to that firm (see "Investment Manager"), although the Fund makes no direct payments to them.

The following Compensation Table provides, in tabular form, the following data:

Column (1) All Directors who receive compensation from the Fund.

Column (2) Aggregate compensation received by a Director from the Fund.

Columns (3) and (4) Pension or retirement benefits accrued or proposed to be paid by the Fund. The Fund does not pay such benefits to its Directors.

Column (5) Total compensation received by a Director from the Fund, plus compensation received from all funds managed by DeIM for which a Director serves. The total number of funds from which a Director receives such compensation is also provided in column (5). Generally, compensation received by a Director for serving on the Board of a closed-end fund is greater than the compensation received by a Director for serving on the Board of an open-end

Other Matters

The Board of Directors does not know of any matters to be brought before the Meeting other than that mentioned in this Proxy Statement. The appointed proxies will vote on any other business that comes before the Meeting or any adjournment thereof in accordance with their best judgment.

Miscellaneous

Proxies will be solicited by mail and may be solicited in person or by telephone by Officers of the Fund or personnel of DeIM. The Fund has retained Georgeson Shareholder Communications, Inc. ("Georgeson"), 17 State Street, New York, New York 10004 to assist in the proxy solicitation. The cost of its services is estimated at \$9,500 plus expenses. The costs and expenses connected with the solicitation of the proxies and with any further proxies which may be solicited by the Fund's Officers or Georgeson, in person or by telephone, will be borne by the Fund. The Fund will reimburse banks, brokers, and other persons holding the Fund's shares registered in their names or in the names of their nominees, for their expenses incurred in sending proxy material to and obtaining proxies from the beneficial owners of such shares.

As the meeting date approaches, certain stockholders may receive a telephone call from a representative of Georgeson if their votes have not been received. Authorization to permit Georgeson to execute proxies may be obtained by telephonic or electronically transmitted instructions from stockholders of the Fund. Proxies that are obtained telephonically will be recorded in accordance with the procedures described below. The Fund believes that these procedures are reasonably designed to ensure that both the identity of the stockholder casting the vote and the voting instructions of the stockholder are accurately determined.

If a stockholder wishes to participate in the Meeting, but does not wish to give a proxy by telephone or electronically, the stockholder may still submit the proxy card originally sent with this proxy statement or attend in person. Should stockholders require additional information regarding the proxy or a replacement proxy card, they may contact Georgeson toll-free at 1-866-884-8045. Any proxy given by a stockholder is revocable until voted at the Meeting.

In the event that sufficient votes in favor of the proposal set forth in the Notice of this Meeting are not received by July 9, 2003, the persons named as appointed proxies on the enclosed proxy card may propose one or more adjournments of the Meeting to permit further solicitation of proxies. Any such adjournment will require the affirmative vote of the holders of a majority of the shares present in person or by proxy at the session of the meeting to be adjourned. The persons named as appointed proxies on the enclosed proxy card will vote in favor of such adjournment those proxies which they are entitled to vote in favor of the proposal for which further solicitation of proxies is to be made. They will vote against any such adjournment those proxies required to be voted against such proposal. The costs of any such additional solicitation and of any adjourned session will be borne by the Fund.
