Item 1.01 Entry into a Material Definitive Agreement.

On March 22, 2013, Ligand entered into an agreement permitting it to pay off \$7.0 million of principal on its outstanding debt earlier than planned. As a result of this prepayment and of principal payments pursuant to the previous debt amortization schedule, Ligand has paid off, as of today, \$8.4 million of its \$27.5 million in debt which had been outstanding as of the beginning of 2013. Accordingly, its new principal debt balance is \$19.1 million, which is expected to be amortized and fully paid off by August 2014. The following provides more details about the matter. As previously announced, on January 24, 2011 Ligand and certain of its subsidiaries entered into a Loan and Security Agreement (the "Loan and Security Agreement") with Oxford Finance Corporation. The Loan and Security Agreement provided for Oxford Finance to make a \$20,000,000 term loan to Ligand, and Ligand immediately borrowed the \$20,000,000. In addition, as previously announced, on January 23, 2012 Ligand and certain of its subsidiaries and Oxford Finance LLC entered into a Fourth Amendment to Loan and Security Agreement (the "Fourth Amendment to Loan and Security Agreement"). The Fourth Amendment to Loan and Security Agreement increased the Loan and Security Agreement's secured term loan credit facility from \$20,000,000 to up to \$30,000,000; Ligand immediately borrowed \$7,500,000 of the additionally-authorized \$10,000,000 against two Secured Promissory Notes.

On March 22, 2013, Ligand and certain of its subsidiaries and Oxford Finance LLC entered into a Sixth Amendment to Loan and Security Agreement (the "Sixth Amendment to Loan and Security Agreement"). The Sixth Amendment to Loan and Security Agreement allowed a prepayment of \$5,090,760 on the original \$20,000,000 Secured Promissory Note given on January 24, 2011 pursuant to the Loan and Security Agreement, a prepayment of \$1,018,261 on the \$4,000,000 Secured Promissory Note given on January 23, 2012 pursuant to the Fourth Amendment to Loan and Security Agreement, and a prepayment of \$890,979 on the \$3,500,000 Secured Promissory Note given on January 23, 2012 pursuant to the Fourth Amendment to Loan and Security Agreement. The Sixth Amendment to Loan and Security Agreement did not change the interest rate, interest payment schedule and maturity date established pursuant to the Loan and Security Agreement and the Fourth Amendment to Loan and Security Agreement, as applicable. The remaining principal amounts were, subject to Ligand making the prepayment, re-amortized over the remaining scheduled term of the Secured Promissory Notes.

Ligand immediately prepaid the \$7,000,000 as contemplated by the Sixth Amendment to Loan and Security Agreement, together with, as contemplated by the Loan and Security Agreement, as amended, an aggregate prepayment fee of \$70,000 (1% of the \$7,000,000 aggregate prepayment) and an aggregate prorated final-payment fee of \$420,000 (6% of the \$7,000,000 aggregate prepayment).

The foregoing summary of the material terms of the Sixth Amendment to Loan and Security Agreement does not purport to be complete and is qualified in its entirety by reference to the Sixth Amendment to Loan and Security Agreement, a copy of which is filed as Exhibit 10.1 hereto and incorporated herein by reference.
