PLAN OF DISTRIBUTION

The shares being offered by the selling stockholders were issued by us in our acquisition of Pacific Broadband Communications, Inc. pursuant to an Agreement and Plan of Reorganization dated November 11, 2001. The shares of common stock were issued pursuant to an exemption from the registration provisions of the Securities Act. The selling stockholders represented to us that they were acquiring the shares for investment and with no present intention of distributing the shares.

We will not receive any proceeds from the sale of the shares. Each of the selling stockholders may sell its shares directly or through broker-dealers or underwriters who may act solely as agents or who may acquire shares as principals. The distribution of the shares may be effected in one or more transactions that may take place through the Nasdaq National Market, including block trades or ordinary broker's transactions, or through privately negotiated transactions, or through a combination of any such methods of sale, at market prices prevailing at the time of sale, at prices related to such prevailing market prices or negotiated prices. Usual and customary or specifically negotiated brokerage fees or commissions may be paid by the selling stockholders in connection with such sales.

Edgar Filing: JUNIPER NETWORKS INC - Form S-3/A

The aggregate proceeds to the selling stockholders from the sale of the shares will be the purchase price of the common stock sold less the aggregate agents' commissions if any, and other expenses of issuance and distribution not borne by us. The selling stockholders and any dealers or agents that participate in the distribution of the shares may be deemed to be underwriters within the meaning of the Securities Act, and any profit on the sale of such shares by them and any commissions received by any such dealers or agents might be deemed to be underwriting discounts and commissions under the Securities Act.

The selling stockholders may effect transactions by selling shares directly or through broker-dealers acting either as principal or as agent, and such broker-dealers may receive compensation in the form of usual and customary or specifically negotiated underwriting discounts, concessions, or commissions from the selling stockholders.

To the extent required, the specific shares of common stock to be sold, the names of the selling stockholders, purchase price, public offering price, the names of any such agent, dealer or underwriter, and any applicable commission or discount with respect to a particular offering will be set forth in an accompanying prospectus supplement.

Table of Contents

We have agreed to bear certain expenses of registration of the common stock under the federal and state securities laws and of any offering and sale hereunder not including certain expenses, such as commissions of dealers or agents, and fees attributable to the sale of the shares.

This offering will terminate on the earliest of (a) two years after the SEC has declared the Registration Statement effective or (b) the date on which all shares offered hereby have been sold by the selling stockholders.

Any securities covered by this prospectus which qualify for sale pursuant to Rule 144 under the Securities Act may be sold under that Rule rather than pursuant to this prospectus.

There can be no assurance that a selling stockholder will sell any or all of the shares of common stock offered by it hereunder.

LEGAL MATTERS

The validity of the shares of common stock offered hereby has been passed upon for us by the general counsel of Juniper Networks.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

Edgar Filing: JUNIPER NETWORKS INC - Form S-3/A

Section 145 of the Delaware General Corporation Law permits a corporation to include in its charter documents, and in agreements between the corporation and its directors and officers, provisions expanding the scope of indemnification beyond that specifically provided by current law.

Article Eighth of our Amended and Restated Certificate of Incorporation provides for the indemnification of directors and officers to the fullest extent permissible under Delaware law.

Article VI of our Bylaws provides for the indemnification of officers, directors and third parties acting on behalf of Juniper Networks if such person acted in good faith and in a manner reasonably believed to be in and not opposed to our best interest, and, with respect to any criminal action or proceeding, the indemnified party had no reason to believe his or her conduct was unlawful.

We have entered into indemnification agreements with our directors and officers, in addition to indemnification provided for in our Bylaws, and intend to enter indemnification agreements with any new directors and officers in the future. The indemnification agreements may require us, among other things, to indemnify our directors and officers against certain liabilities that may arise by reason of their status or service as directors and officers (other than liabilities arising from willful misconduct of culpable nature), to advance their expenses incurred as a result of any proceeding against them as to which they could be indemnified, and to obtain directors and officers insurance, if available on reasonable terms.

ITEM 17. UNDERTAKINGS

We hereby undertake:

1. To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration Statement:
 - (a) to include any prospectus required by Section 10(a)(3) of the Securities Act;
 - (b) to reflect in the prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement;
 - (c) to include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement;
2. That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
3. To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.
4. That, for the purpose of determining any liability under the Securities Act, each filing of Juniper Networks' annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offering therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.
5. Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of Juniper Networks pursuant to the foregoing provisions or otherwise, Juniper Networks has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by Juniper Networks of expenses incurred or paid by a director, officer or controlling person of Juniper Networks in the successful defense of any action, suit, or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, Juniper Networks will, unless in the opinion of its counsel the matter has

been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.
