Item 1.01. Entry Into a Material Definitive Agreement.

CorVel Corporation (the "Company") entered into an employment agreement effective May 26, 2006 with Dan Starck (the "Employment Agreement") in connection with Mr. Starck's appointment as President and Chief Operating Officer of the Company.

Pursuant to the terms of the Employment Agreement, Mr. Starck will receive an initial annual base salary of \$330,000, subject to periodic review and adjustment (the "Base Salary"). For the remainder of calendar year 2006, Mr. Starck will be eligible to receive, in the Company's sole discretion, a guaranteed bonus of \$75,000, provided that he completes at least six months of employment with the Company before the end of calendar year 2006, and he will be eligible to receive, in the Company's sole discretion, an additional bonus of up to \$75,000 based upon certain performance criteria to be determined by the Company's Board of Directors. For calendar year 2007 and each calendar year thereafter during the term of the Employment Agreement, Mr. Starck will be eligible to receive, in the Company's sole discretion, a discretionary annual bonus of up to 70% of his Base Salary upon meeting certain expectations, or up to 100% of his Base Salary for exceeding such expectations. The bonus amount will be based on the following factors: (1) the financial performance of the Company as determined and measured by the Company's Board of Directors and Chief Executive Officer; and (2) Mr. Starck's achievement of management targets and goals as set by the Company.

Upon the recommendation of the Company's Chief Executive Officer and approval of the Company's Board of Directors, Mr. Starck also will be granted options to purchase an aggregate of 100,000 shares of the Company's common stock (the "Common Stock") under and pursuant to the terms of its Restated 1988 Executive Stock Option Plan and its option agreements (the "Plan"). One option to purchase 50,000 shares of Common Stock will vest 25% on the first anniversary of the grant date, and the remaining 75% of the shares subject to the option will vest in 36 successive equal monthly installments upon completion of each month of service by Mr. Starck after the first anniversary of the grant date. The other option to purchase 50,000 shares of Common Stock will vest based on the achievement of certain performance criteria, approved by the Company's Board of Directors and Compensation Committee, relating to earnings growth. The exercise price for all such options will be determined on the date of grant in accordance with the terms established under the Plan. Pursuant to the terms of the option agreements, in the event that Mr. Starck is terminated at any time after a corporate change in control transaction, the vesting of his options will accelerate and become fully vested.

The Employment Agreement continues until terminated upon written notice by either party at any time for any reason (the "Term"). Pursuant to the terms of the Employment Agreement, if (i) the Company terminates Mr. Starck's employment other than for "cause" (as such term is defined in the Employment Agreement), because of his death, or as a result of disability or (ii) Mr. Starck terminates his employment within 60 days following a reduction in his Base Salary to an annual amount less than \$297,000, Mr. Starck will be entitled to continued payment of his then current Base Salary for (a) a minimum of twenty-six weeks and (b) an additional week for each calendar quarter of service provided to the Company during the Term, provided that the total of such payments shall not exceed the Base Salary for one year and in any event shall cease at such time as Mr. Starck is gainfully employed elsewhere, and provided further that such payments shall be conditioned on Mr. Starck signing a general release of all known and unknown claims against the Company. Mr. Starck also will be entitled to certain "gross-up" payments not to exceed \$500,000 to offset any applicable excise taxes imposed pursuant to Sections 280G and 4999 of the Internal Revenue Code of 1986, as amended.

The foregoing is a summary of the material terms of the Employment Agreement and the options granted to Mr. Starck. Such summary does not purport to be complete and is qualified in its entirety by reference to the full text of the Employment Agreement and the two option agreements (including addendums thereto), copies of which are attached hereto as Exhibits 10.1, 10.2 and 10.3 and are incorporated herein by reference.

Item 5.02. Departure of Directors or Principal Officers; Election of Directors; Appointment of Principal Officers.
