Explanatory Note

On July 14, 2016, Cree, Inc. (“Cree” or the “Company”) filed a Current Report on Form 8-K (the “Original Report”) to report that on July 13, 2016 the Company, together with Cree Sweden AB, a wholly-owned subsidiary of the Company, entered into an Asset Purchase Agreement (the “Purchase Agreement”) with Infineon Technologies AG, a stock corporation (Aktiengesellschaft) organized under the laws of the Federal Republic of Germany. This Amendment No. 1 to Current Report on Form 8-K/A (the “Amended Report”) supplements and amends the Original Report to include the Purchase Agreement as an exhibit hereto. Other than as described herein, the Amended Report does not amend any other information previously filed or furnished in the Original Report.

The representations, warranties, and covenants contained in the Purchase Agreement were made only for the purposes of the Purchase Agreement, were made as of specific dates, were made solely for the benefit of the parties to the Purchase Agreement, and may not have been intended to be statements of fact, but rather, as a method of allocating risk and governing the contractual rights and relationships among the parties to the Purchase Agreement. In addition, such representations, warranties, and covenants may have been qualified by certain omitted disclosures not reflected in the text of the Purchase Agreement and may apply standards of materiality and other qualifications and limitations in a way that is different from what may be viewed as material by the Company’s shareholders. In reviewing the representations, warranties, and covenants contained in the Purchase Agreement, it is important to bear in mind that such representations, warranties, and covenants were not intended by the parties to the Purchase Agreement to be characterizations of the actual state of facts or condition of the Company or its Power and RF Business. Moreover, information concerning the subject matter of the representations and warranties may change after the date of the Purchase Agreement, which subsequent information may or may not be fully reflected in public disclosures. For the foregoing reasons, the representations, warranties, and covenants or any descriptions of those provisions should not be read alone and should instead be read in conjunction with the other information contained in the reports, statements, and other filings that the Company makes with the Securities and Exchange Commission.
