A related person transaction is a consummated or currently proposed transaction in which we were or are to be a participant and the amount involved exceeds \$120,000, and in which a related person (i.e., any director or executive officer or nominee for director, or any member of the immediate family of such person) has or will have a direct or indirect material interest. The Company was not a participant in any related person transactions since the beginning of the Company's last fiscal year and no such transactions are currently proposed with the exception that the Company in January 2008 completed the closing of the acquisition of all the issued and outstanding membership interests of iSYS from Mr. Jin Kang, the sole owner-member of iSYS, pursuant to the terms of a Membership Interest Purchase Agreement, dated as of January 2, 2008, between the Company, iSYS, and Jin Kang. Mr. Kang presently serves as the President of iSYS, LLC. Pursuant to the terms of the Membership Interest Purchase Agreement, the Company paid Jin Kang the following consideration at the closing: (i) \$5,000,000 in cash, (ii) \$2,000,000 principal amount in an Installment Cash Promissory Note, which bears simple annual interest at the initial rate of 7% through December 31, 2008, and thereafter the simple interest rate will increase to 10% from January 1, 2009 through the date of maturity, which will be on the earlier of either April 1, 2009 or the filing by the Company of its Annual Report on Form 10-K for the year ending December 31, 2008, and (iii) the issuance of 1,500,000 shares of Company common stock. The Company also issued an additional 3,000,000 shares of Company common stock in the name of Jin Kang, which shares were delivered into escrow to be held subject to the satisfaction of certain earnout provisions under the Membership Interest Purchase Agreement, and which shares are subject to return to the Company in the event such earnout provisions are not achieved under the terms of the Membership Interest Purchase Agreement. Under the terms of the Membership Interest Purchase Agreement, Jin Kang also entered into an Employment and Non-Compete Agreement, dated as of January 4, 2008.

The Company's Corporate Governance Guidelines state that the Board intends that, at all times, a substantial majority of its directors will be considered independent under relevant AMEX and SEC guidelines. The Corporate Governance and Nominating Committee conducts an annual review of the independence of the members of the Board and its Committees and reports its findings to the full Board. Based on the report and recommendation of the Corporate Governance Committee, the Board has determined that each of the non-employee directors and nominees Messrs. Taubman, Ritter, Oxley, Norwood, and Guenther satisfies the independence criteria (including the enhanced criteria with respect to members of the Audit Committee with the exception of Oxley) set forth in the applicable AMEX listing standards and SEC rules. Each Board Committee consists entirely of independent, non-employee directors.

For a director to be considered independent, the Board must determine that the director does not have any direct or indirect material relationships (including vendor, supplier, consulting, legal, banking, accounting, charitable and family relationships) with WidePoint, other than as a director and shareholder. AMEX listing standards also impose certain per se bars to independence, which are based upon a director's relationships with WidePoint currently and during the three years preceding the Board's determination of independence.

20

The Board considered all relevant facts and circumstances in making its determinations, including the following:

No non-employee director receives any direct compensation from WidePoint other than under the director compensation program described in this proxy statement.

No immediate family member (within the meaning of the AMEX listing standards) of any non-employee director is an employee of WidePoint or otherwise receives direct compensation from WidePoint.

Edgar Filing: WIDEPOINT CORP - Form 10-K/A

No non-employee director (or any of their respective immediate family members) is affiliated with or employed in a professional capacity by WidePoint's independent accountants.

No non-employee director is a member, partner, or principal of any law firm, accounting firm or investment banking firm that receives any consulting, advisory or other fees from WidePoint.

No WidePoint executive officer is on the compensation committee of the board of directors of a company that employs any of our non-employee directors (or any of their respective immediate family members) as an executive officer.

No non-employee director (or any of their respective immediate family members) is indebted to WidePoint, nor is WidePoint indebted to any non-employee director (or any of their respective immediate family members).

No non-employee director serves as an executive officer of a charitable or other tax-exempt organization that received contributions from WidePoint.

Non-management members of the Board of Directors conduct at least two regularly-scheduled meetings per year without members of management being present. Mr. Ritter serves as the presiding director of such meetings. Following an executive session of non-employee directors, the presiding director may act as a liaison between the non-employee directors and the Chairman, provide the Chairman with input regarding agenda items for Board and Committee meetings, and coordinate with the Chairman regarding information to be provided to the non-employee directors in performing their duties.

Audit Committee Policies and Procedures For Pre-Approval of Independent Auditor Services

The following describes the Audit Committee's policies and procedures regarding pre-approval of the engagement of the Company's independent auditor to perform audit as well as permissible non-audit services for the Company.

Edgar Filing: WIDEPOINT CORP - Form 10-K/A

For audit services, the independent auditor will provide the Committee with an engagement letter during the March-May quarter of each year outlining the scope of the audit services proposed to be performed in connection with the audit of the current fiscal year. If agreed to by the Committee, the engagement letter will be formally accepted by the Committee at an Audit Committee meeting held as practicably as possible following receipt of the engagement letter. The independent auditor will submit to the Committee for approval an audit services fee proposal after acceptance of the engagement letter.

For non-audit services, Company management may submit to the Committee for approval (during May through September of each fiscal year) the list of non-audit services that it recommends the committee engage the independent auditor to provide for the fiscal year. The list of services must be detailed as to the particular service and may not call for broad categorical approvals. Company management and the independent auditor will each confirm to the Audit Committee that each non-audit service on the list is permissible under all applicable legal requirements. In addition to the list of planned non-audit services, a budget estimating non-audit service spending for the fiscal year may be provided. The Committee will consider for approval both the list of permissible non-audit services and the budget for such services. The Committee will be informed routinely as to the non-audit services actually provided by the independent auditor pursuant to this pre-approval process.

22

To ensure prompt handling of unexpected matters, the Audit Committee delegates to its Chairperson the authority to amend or modify the list of approved permissible non-audit services and fees. The Chairperson will report any action taken pursuant to this delegation to the Committee at its next meeting.

All audit and non-audit services provided to the Company are required to be pre-approved by the Committee. The Chief Financial Officer of the Company will be responsible for tracking all independent auditor fees against the budget for such services and report at least annually to the Audit Committee.
