PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS
April 29, 2004

This Proxy Statement and the enclosed form of proxy are furnished to the Shareholders of ASTRONICS CORPORATION, a New York corporation ("Astronics" or the "Company"), in connection with the solicitation of proxies by the Board of Directors of the Company for use at the Annual Meeting of Shareholders (the "Annual Meeting") to be held on Thursday, April 29, 2004 at 10:00 a.m., and at any adjournment thereof, for the purposes set forth in the accompanying Notice of Annual Meeting of Shareholders. In addition to solicitation by mail, to the extent necessary to ensure sufficient representation at the Annual Meeting, solicitations may be made by personal interview, telecommunication by officers and other regular employees of the Company. The cost of this proxy solicitation will be borne by the Company. It is contemplated that this Proxy Statement and the related form of proxy will be first sent to shareholders on March 26, 2004.

If the enclosed proxy is properly executed and returned, and the Shareholder specifies a choice on the proxy, the shares represented thereby will be voted (or withheld from voting) in accordance with the instructions contained therein. If the proxy is executed and returned but no specification is made, the proxy will be voted FOR the election of each of the nominees for director listed below, FOR the proposal to ratify the appointment of independent auditors and AGAINST the shareholder proposal 3 described herein.

Any proxy given pursuant to this solicitation may be revoked by the Shareholder at any time prior to its use, by the Shareholder voting in person at the meeting, by submitting a proxy bearing a date subsequent to the date on the proxy to be revoked or by written notice to the Secretary of the Company. A notice of revocation need not be on any specific form.

Record Date and Voting Securities

The Board of Directors has fixed the close of business on March 12, 2004 as the record date for determining the holders of Common Stock and Class B Stock entitled to notice of and to vote at the meeting. On March 12, 2004, Astronics had outstanding and entitled to vote at the meeting a total of 5,842,605 shares of Common Stock and 1,914,209 shares of Class B Stock. Each outstanding share of Common Stock is entitled to one vote and each outstanding share of Class B Stock is entitled to ten votes on all matters to be brought before the meeting.

The presence, in person or by proxy, of the holders of a majority of the outstanding shares of Common Stock and Class B Stock entitled to vote at the Annual Meeting will constitute a quorum. Each nominee for election as a director requires a plurality of the votes cast in order to be elected. A plurality means that the nominees with the largest number of votes are elected as directors up to the maximum number of directors to be elected at the Annual Meeting. A majority of the votes cast is required to approve the adoption of the selection of the Company's auditors and the shareholder proposal to rescind the Company's Supplemental retirement Plan and Related Post-Retirement Benefits. Under the law of the State of New York, the Company's state of incorporation, only "votes cast" by the shareholders entitled to vote are determinative of the outcome of the matter subject to shareholder vote. Votes withheld will be counted in determining the existence of a quorum, but will not be counted towards such nominee's or any other nominee's achievement of plurality or in determining the votes cast on any other proposal.

PROPOSAL 1

ELECTION OF DIRECTORS

The Shareholders are being asked to elect five directors to the Company's Board of Directors to hold office until the election and qualification of their successors at the next annual meeting. The five directors who are so elected will be all of the directors of the Company. Unless the proxy directs otherwise, the persons named in the enclosed form of proxy will vote for the election of the five nominees named below. If any of the nominees should be unable to serve as a director, or for good reason will not serve, the proxy will be voted in accordance with the best judgment of the person or persons acting under it. It is not anticipated that any of the nominees will be unable to serve.

All nominees have been members of the Board since the date indicated. The nominees for director, their ages, their principal occupations during at least the past five years, their positions and offices with Astronics and the date each was first elected a director of Astronics are as follows:

In addition to serving as a member of the Astronics Board of Directors, Robert T. Brady is presently serving on the board of directors of the following other publicly-traded companies: Moog Inc., Seneca Foods Corporation, M&T Bank Corporation and National Fuel Gas Company. Messrs. Robert J. McKenna and Kevin T. Keane are also members of the Board of Directors of MOD-PAC CORP., a former subsidiary of the Company that was spun-off to the Company's shareholders in March 2003.

THE BOARD OF DIRECTORS RECOMMENDS UNANIMOUSLY A VOTE "FOR" EACH OF THE DIRECTOR NOMINEES.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board of Directors Independence

The Board of Directors has determined that each of its current directors, except for Messrs. Kevin T. Keane and Peter J. Gundermann, is independent within the meaning of the NASDAQ Stock Market, Inc. director independence standards as currently in effect.

Board of Directors Meetings and Standing Committees

The Board of Directors has three standing committees: an Audit Committee, Compensation Committee, and Nominating/Governance Committee. During the year ended December 31, 2003, the Board of Directors held four meetings. Each director attended at least 75% of the meetings of the Board of Directors and of all committees on which he served.

The Audit Committee consists of Messrs. Brady (Chair), Drenning and McKenna, each of whom is independent within the meaning of the NASDAQ Stock Market, Inc. director independence standards as currently in effect. The Board of Directors has determined that Messrs. Brady and McKenna are each an "audit committee financial expert" as defined under federal securities laws. Information regarding the functions performed by the Committee, its membership, and the number of meetings held during the fiscal year is set forth in the "Report of the Audit Committee," included in this proxy statement. The Audit Committee held two meetings in 2003. The Audit Committee is governed by a written charter approved by the Board of Directors, a copy of which is set forth as Appendix A to this proxy statement. The charter of the Audit Committee is also posted on the Investor Relations section of the Company's website at www.astronics.com.

The Compensation Committee consists of Messrs. Drenning (Chair), Brady and McKenna, each of whom is independent within the meaning of the NASDAQ Stock Market, Inc. director independence standards as currently in effect. The Compensation Committee is responsible for reviewing and approving compensation levels for the Company's executive officers and reviewing and making recommendations to the Board of Directors with respect to other matters relating to the compensation practices of the Company. The Compensation Committee held two meetings in 2003.

The Nominating/Governance Committee consists of Messrs. McKenna (Chair), Brady and Drenning, each of whom is independent within the meaning of the NASDAQ Stock Market, Inc. director independence standards as currently in effect. The Nominating/Governance Committee is responsible for evaluating and selecting candidates for the Board of Directors and addressing corporate governance matters on behalf of the Board of Directors. In performing its duties to recommend nominees for the Board of Directors, the Nominating/Governance Committee seeks director candidates with the following qualifications, at minimum: high character and integrity; substantial life or work experience that is of particular relevance to the Company; sufficient time available to devote to his or her duties; and ability and willingness to represent the interests of all shareholders rather than any special interest group. The Nominating/Governance Committee may use third-party search firms to identify Board of Director candidates. It also relies upon recommendations from a wide variety of its contacts, including current executive officers, directors, community leaders and shareholders, as a source for potential candidates. Shareholders wishing to submit or nominate candidates for election to the Board of Directors must supply information in writing regarding the candidate to the Nominating/Governance Committee at the Company's executive offices in East Aurora, New York. This information should include the candidate's name, biographical data and qualifications. Generally, the Nominating/Governance Committee will

conduct a process of making a preliminary assessment of each proposed nominee based upon biographical data and qualifications. This information is evaluated against the criteria described above and the specific needs of the Company at the time. Additional information regarding proposed nominees may be requested. On the basis of the information gathered in this process, the Nominating/Governance Committee determines which nominee to recommend to the Board of Directors. The Nominating/Governance Committee uses the same process for evaluating all nominees, regardless of the source of the recommendation. The Nominating/Governance Committee did not hold any meetings in 2003, but met informally on several occasions. The Nominating/Governance Committee is not governed by a written charter but acts pursuant to a resolution adopted by the Board of Directors addressing the nomination process as required by federal securities laws and NASDAQ Stock Market, Inc. regulations.

Executive Sessions of the Board

Non-management directors meet regularly in executive sessions. "Non-management" directors are all those directors who are not Company employees and includes directors, if any, who are not independent as determined by the Board of Directors. The Company's non-management directors consist of all of its current directors, except Messrs. Keane and Gundermann. An executive session of the Company's non-management directors is generally held in conjunction with each regularly scheduled Board of Directors meeting. Additional executive sessions may be called at the request of the Board of Directors or the non-management directors.

Code of Ethics

The Board of Directors has adopted a Code of Business Conduct and Ethics which is applicable to its Chief Executive Officer, Chief Financial Officer as well as all other directors, officers and employees of the Company. This Code of Business Conduct and Ethics is posted on the Investor Relations section of the Company's website at www.astronics.com. The Company will disclose any amendment to this Code of Business Conduct and Ethics or waiver of a provision of this Code of Business Conduct and Ethics, including the name of any person to whom the waiver was granted, on its website.

Compensation of Directors

For 2003, each non-management director was paid an annual retainer of \$10,000 and an additional fee of \$650 for each meeting of the Board of Directors and its committees attended by the director. Directors are permitted to defer their compensation.

The Company's 1997 Director Stock Option Plan for non-salaried outside directors provides for the grant of options to purchase up to an aggregate of 100,000 shares of Common Stock (subject to adjustment to reflect share distributions). Outside directors are eligible to receive options under this Plan at the discretion of a committee appointed by the Board of Directors who are not eligible to participate in the Plan. Under the Plan, the option price is not less than the fair market value of the shares optioned on the date of grant. There is no limit on the number of options that a participant may be granted under the Plan. Options are exercisable beginning six months after grant and for so long as the holder is a director of the Company, but not longer than ten years from the date of grant.

On February 19, 2004, the committee charged with administration of the Plan granted options to purchase shares of Common Stock to outside directors at the price of \$5.49 per share as follows: Mr. Brady - 4,000 shares; Mr. Drenning - 4,000 shares; and Mr. McKenna - 4,000 shares.

Directors' and Officers' Indemnification Insurance

On March 1, 2004, the Company renewed a Directors' and Officers' Liability Insurance policy written by The Chubb Group for a one year term expiring March 1, 2005 at an annual premium of \$61,950. The policy provides indemnification benefits and the payment of expenses in actions instituted against any director or officer of the Company for claimed liability arising out of their conduct in such capacities. No significant payments or claims of indemnification or expenses have been made under any such insurance policies by the Company at any time.

Contacting the Board of Directors

Although we do not have a formal policy regarding communications with the Board of Directors, shareholders may communicate with the Board of Directors by writing to: Board of Directors, Astronics Corporation, 130 Commerce Way, East Aurora, New York 14052. Shareholders who would like their submission directed to a particular director may so specify and the communication will be forwarded, as appropriate.

REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. Management has primary responsibility for the financial statements and the reporting process including the systems of internal controls. In fulfilling its oversight responsibilities, the Committee reviewed the audited financial statements in the Annual Report with management and the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments, and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent auditors, who are responsible for expressing an opinion on the conformity of those audited financial statements with generally accepted accounting principles, their judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee under generally accepted auditing standards. In addition, the Committee has discussed with the independent auditors the auditors' independence from management and the Company including the matters in the written disclosures required by the Independence Standards Board and considered the compatibility of non-audit services with the auditors' independence.

The Committee discussed with the Company's independent auditors the overall scope and plans for their audit. The Committee met with the independent auditors, with and without management present, to discuss the results of their examinations, their evaluations of the Company's internal controls, and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors (and the Board has approved) that the audited financial statements be included in the Annual Report on Form 10-K for the year ended December 31, 2003 for filing with the Securities and Exchange Commission. The Committee and the Board have also recommended, subject to shareholder approval, the selection of the Company's independent auditors. The Board of Directors has also determined that the members of the Committee are independent as defined in the regulations. The Board of Directors has determined that Mr. Brady and Mr. McKenna, each an independent director, are "audit committee financial experts," as defined in the regulations.

EXECUTIVE COMPENSATION

Compensation Committee Report on Executive Compensation

The Compensation Committee of the Board of Directors (the "Committee") determines the compensation of the Chief Executive Officer and the other executive officers of the Company and its subsidiaries. The Committee is composed entirely of directors who are neither executive officers nor employees of the Company. In addition to determining the salary and bonus compensation for all the Company's executive officers, the Committee determines the grants under the Company's Incentive Stock Option Plan and oversees the administration of other compensation plans and programs

Compensation of Executive Officers Generally

The Company's executive compensation program is designed to link executive pay to Company performance and to provide an incentive to executives to manage the Company with a view to enhancing stockholder value. Compensation criteria are evaluated annually to ensure they are appropriate and consistent with business objectives. Executive compensation policies and programs are intended to provide rewards related to Company, subsidiary and individual performance, stockholder value, retention of a strong management team and the encouragement of professional development and growth.

Components of Compensation

The primary components of the Company's executive compensation program are salary, bonuses and stock options which become exercisable over time.

Salary and Bonuses

. The Committee reviews the salary of executive officers annually. The Committee's review takes into consideration the Company's performance with respect to customary financial and operating yardsticks, including revenues, operating income, earnings, cash flow, and return on shareholder equity. In making salary decisions, the Committee exercises its discretion and judgment based on the foregoing criteria, without applying a specific formula to each factor considered. The Committee also reviews an annual survey of the compensation levels of executives in similar industry segments. A substantial portion of executive compensation each year is in the form of bonuses, which are awarded by the Committee immediately following the fiscal year just concluded.

Stock Options

. The Committee believes that stock options are an important method of rewarding management and of aligning management's interests with those of the stockholders. The Committee also recognizes that the Company conducts its business in competitive industries and that, in order to remain competitive and pursue a growth strategy, it must employ talented executives and managers. The Company believes that stock options are important in attracting and retaining such employees. For these reasons, the Company adopted the Incentive Stock Option Plan as a stock-based incentive program primarily for its officers and managers. Under the Incentive Stock Option Plan, the Committee may grant options to officers and managers who are expected to contribute to the Company's success. In determining the size of stock option grants, the Committee focuses primarily on the Company's performance and the role of the executives and managers in accomplishing performance objectives. Stock options generally become exercisable in equal installments over a five-year period and are granted with an exercise price equal to the fair market value of the Common Stock as of the date of grant.

The Committee intends to continue using stock options as a long-term incentive for executive officers and managers. Because options provide rewards only to the extent the Company's stock price increases and to the extent the executives remain with the Company until the options become exercisable, the Committee believes that stock options granted under the Incentive Stock Option Plan are an appropriate means to provide executives and managers with incentives that align their interests with those of stockholders.

Compensation of the Chief Executive Officer

Mr. Gundermann, our Chief Executive Officer, was compensated in 2003 utilizing the same general philosophy and criteria described above. The Committee believes that Mr. Gundermann's total compensation for the 2003 fairly and sufficiently rewarded him for performance.

Supplemental Executive Retirement Plan Table

The Company has a non-qualified supplemental retirement defined benefit plan for certain executives which targets a retirement benefit based on 65% of the three-year average compensation. SERP benefits are payable only to "retirement-eligible" participants, i.e., employees designated to participate in the SERP and each of whom, upon termination of employment, has attained age 65 with not less than 10 years of service (as defined) or at age 60 or later with a combined total of age and years of service equal to 90.

For purposes of illustration, the following tables show the estimated amounts of annual retirement income that would be payable at the present time under various assumptions as to compensation and years of service to employees who participate in the SERP. The amounts presented are subject to reduction for Social Security benefits and for Profit Sharing benefits earned under the Company's Defined Profit Sharing/401(k) Plan. A discount factor applies for retirement-eligible participants who start to receive benefits before attaining age 65.

PROPOSAL 2

APPOINTMENT OF INDEPENDENT AUDITORS

The Audit Committee, with the approval of the Board of Directors, has selected Ernst & Young LLP, independent certified public accountants, to act as auditors of Astronics Corporation for 2004. Representatives of Ernst & Young LLP are expected to attend the meeting and will have the opportunity to make a statement if they desire and will be available to respond to appropriate questions.

Audit Fees

The following table sets forth the fees billed to the Company for the last two fiscal years by the Company's independent certified public accounts, Ernst & Young LLP:

	<u>2003</u>	<u>2002</u>
Audit fees	67,600	104,600
Audit related fees	4,668	4,500
Tax fees	12,400	29,000
All other fees	-	-

During 2002, audit fees included amounts for the required audit of the Company's subsidiary, MOD-PAC CORP., for the three years ended December 31, 2001 in connection with the spin-off of MOD-PAC CORP. Tax fees for 2002 also included services related to the MOD-PAC CORP. spin-off.

Pre-Approval Policies and Procedures. The Audit Committee has adopted a policy that requires advance approval of all audit, audit-related, tax services, and other services performed by the independent auditor. The policy provides for pre-approval by the Audit Committee of specifically defined audit and non-audit services. Unless the specific service has been previously pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent auditor is engaged to perform it. The Audit Committee may delegate to an Audit Committee member the authority to approve permitted services provided that the delegated member reports any decisions to the Committee at its next scheduled meeting.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE PROPOSAL TO RATIFY THE APPOINTMENT OF ERNST & YOUNG LLP AS THE COMPANY'S INDEPENDENT AUDITORS.

PROPOSAL 3

SHAREHOLDER PROPOSAL TO RECOMMEND RESCISSION OF THE COMPANY'S
SUPPLEMENTAL RETIREMENT PLAN AND RELATED POST-RETIREMENT BENEFITS

Donald R. and Alexandria J. McIntyre, 8 Sunrise Terrace, West Seneca, New York 14224, who own over 10,000 shares of the Company's stock, have advised that they intend to present the following resolution at the Annual Meeting. In accordance with the applicable proxy statement regulations, the proposed resolution and supporting statement, for which the Board of Directors and the Company accept no responsibility, are set forth below. Approval of the proposal would require a majority of votes cast in person or by proxy at the Annual Meeting.

Shareholder Resolution

"This is to recommend that the Board of Directors rescind the provisions under which the Supplemental Retirement Plan and Related Post Retirement Benefits were implemented."

Proponent's Supporting Statement

"Rationale for above proposal: This is a welfare plan that only benefits the senior management of Astronics Corp. Currently one member is receiving pension benefits of approximately \$112,000 a year, plus paid medical, dental and long term care insurance. The last two years (FYE 12/31/2001 and 2002) Astronics Corp. has contributed almost one million dollars each year to this plan. Since this plan is not recognized by the Internal Revenue Service every dollar that goes into this plan comes out of the shareholder's equity. This represented an approximate reduction in net income of 14% each year in net income. At the end of 2002 this plan was under funded by approximately \$6.9 million dollars. With the spin-off Mod-Pac Corporation and the resulting loss of their earnings the shareholders of Astronics could be looking at 20-25% of Astronics net income being diverted to this plan."

Response of the Board of Directors

The shareholders' proposal requests the Board of Directors to rescind the "provisions" under which the Company's Supplemental Executive Retirement Plan, or SERP, and Related Post Retirement Benefits were implemented.

The Board of Directors and the Compensation Committee strongly believe that a defined benefit plan, such as the SERP, which provides executives with a retirement benefit targeted at 65% of their three year average compensation and related medical, dental and long term care benefits, is reasonable and necessary to attract and retain talented executives. The Board of Directors and the Compensation Committee believe that removing this benefit from our executives' compensation would likely place Astronics at a competitive disadvantage with respect to executive recruitment.

The Company does not sponsor any other retirement plans except for a profit sharing/401(k) plan for all employees that is funded by employee contributions, limited 401(k) matching contributions from the Company and discretionary profit sharing contributions by the Company. The SERP is a defined benefit program in which estimated future retirement benefits are actuarially calculated and expensed each year. The plan was established by the Board of Directors to maintain the Company's competitive position in retaining and attracting senior executive level talent.

For additional information, we encourage you to read note 8, "Supplemental Retirement Plan and Related Post Retirement Benefits," in the notes to our 2003 Consolidated Financial Statements contained in our 2003 Annual Report and the discussion in this Proxy Statement under the heading "Supplemental Executive Retirement Plan Table."

Plan Funding

By definition the plan is an unfunded plan; by design there are no plan assets. Because the plan is unfunded, assets that would otherwise be held in investments in a typical defined benefit pension plan are being invested in the operations of the Company. Funding of the liability occurs as payments are made to participants after termination of employment upon retirement. There is no impact on the cash flow of the Company until benefits are paid. In 2003 benefits paid by the Company under the plan totaled \$123 thousand.

The proponent of the proposal asserts that the Company has contributed almost one million dollars to the plan in each of the years 2001 and 2002. Actual payments made under the plan, however, were \$112 thousand and \$124 thousand for the years 2001 and 2002, respectively.

Tax Treatment

The proponent of the proposal asserts that, "[s]ince this plan is not recognized by the Internal Revenue Service every dollar that goes into this plan comes out of the shareholder's equity." Payments made under the plan are deductible. Net income and equity reflect the tax benefit relating to the cost of the plan.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "AGAINST" THE SHAREHOLDER PROPOSAL TO RECOMMEND THE RESCISSION OF THE COMPANY'S SUPPLEMENTAL RETIREMENT PLAN AND RELATED POST-RETIREMENT BENEFITS.

SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

During 2003, all executive officers and directors of the Company timely filed with the Securities Exchange Commission all required reports with respect to beneficial ownership of the Company's securities.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

During the year ended December 31, 2003, MOD-PAC CORP., a former subsidiary of the Company, performed printing and order fulfillment services for VistaPrint Corporation, resulting in net sales of \$2,206,000. Robert S. Keane, the son of Kevin T. Keane, is a shareholder in and the President and Chief Executive Officer of VistaPrint Corporation. Daniel G. Keane, the son of Kevin T. Keane, is the President and Chief Executive Officer of MOD-PAC CORP. In addition, Kevin T. Keane is a shareholder in VistaPrint Corporation holding less than five percent of its capital stock.

Effective on March 14, 2003, the capital stock of MOD-PAC CORP. was distributed by the Company to its shareholders of record as of February 18, 2003.

John B. Drenning, a director of the Company, is a partner in the law firm of Hodgson Russ LLP. Hodgson Russ performed legal services for the Company in 2003.

ASTRONICS CORPORATION

Audit Committee Charter

Organization

This charter governs the operations of the audit committee. The committee shall review and reassess the charter at least annually and obtain the approval of the board of directors. The committee shall be members of, and appointed by, the board of directors and shall comprise at least three directors, each of whom are independent of management and the Company. Members of the committee shall be considered independent as long as they do not accept any consulting, advisory, or other compensatory fee from the Company and are not an affiliated person of the Company or its subsidiaries, and meet the independence requirements of the stock exchange listing standards. All committee members shall be financially literate, and at least one member shall be a "financial expert," as defined by SEC regulations.

Purpose

The audit committee shall provide assistance to the board of directors in fulfilling their oversight responsibility to the shareholders, potential shareholders, the investment community, and others relating to: the integrity of the Company's financial statements; the financial reporting process; the systems of internal accounting and financial controls; the performance of the Company's internal audit function and independent auditors; the independent auditor's qualifications and independence; and the Company's compliance with ethics policies and legal and regulatory requirements. In so doing, it is the responsibility of the committee to maintain free and open communication between the committee, independent auditors, the internal auditors, and management of the Company.

In discharging its oversight role, the committee is empowered to investigate any matter brought to its attention with full access to all books, records, facilities, and personnel of the Company and the authority to engage independent counsel and other advisers as it determines necessary to carry out its duties.

Duties and Responsibilities

The primary responsibility of the audit committee is to oversee the Company's financial reporting process on behalf of the board and report the results of their activities to the board. While the audit committee has the responsibilities and powers set forth in this Charter, it is not the duty of the audit committee to plan or conduct audits or to determine that the Company's financial statements are complete and accurate and are in accordance with generally accepted accounting principles. Management is responsible for the preparation, presentation, and integrity of the Company's financial statements and for the appropriateness of the accounting principles and reporting policies that are used by the Company. The independent auditors are responsible for auditing the Company's financial statements and for reviewing the Company's unaudited interim financial statements.

The committee, in carrying out its responsibilities, believes its policies and procedures should remain flexible, in order to best react to changing conditions and circumstances. The committee should take appropriate actions to set the overall corporate "tone" for quality financial reporting, sound business risk practices, and

ethical behavior. The following shall be the principal duties and responsibilities of the audit committee. These are set forth as a guide with the understanding that the committee may supplement them as appropriate.

The committee shall be directly responsible for the appointment and termination (subject, if applicable, to shareholder ratification), compensation, and oversight of the work of the independent auditors, including resolution of disagreements between management and the auditor regarding financial reporting. The committee shall pre-approve all audit and non-audit services provided by the independent auditors and shall not engage the independent auditors to perform the specific non-audit services proscribed by law or regulation. The committee may delegate pre-approval authority to a member of the audit committee. The decisions of any audit committee member to whom pre-approval authority is delegated must be presented to the full audit committee at its next scheduled meeting.

At least annually, the committee shall obtain and review a report by the independent auditors describing:

• The firm's internal quality control procedures.

• Any material issues raised by the most recent internal quality control review, or peer review, of the firm, or by any inquiry or investigation by governmental or professional authorities, within the preceding five years, respecting one or more independent audits carried out by the firm, and any steps taken to deal with any such issues.

• All relationships between the independent auditor and the Company (to assess the auditor's independence).

In addition, the committee shall set clear hiring policies for employees or former employees of the independent auditors that meet the SEC regulations and stock exchange listing standards.

The committee shall discuss with the internal auditors and the independent auditors the overall scope and plans for their respective audits, including the adequacy of staffing and compensation. Also, the committee shall discuss with management, the internal auditors, and the independent auditors the adequacy and effectiveness of the accounting and financial controls, including the Company's policies and procedures to assess, monitor, and manage business risk, and legal and ethical compliance programs (e.g., Company's Code of Conduct).

The committee shall meet separately periodically with management, the internal auditors, and the independent auditors to discuss issues and concerns warranting committee attention. The committee shall provide sufficient opportunity for the internal auditors and the independent auditors to meet privately with the members of the committee. The committee shall review with the independent auditor any audit problems or difficulties and management's response.

The committee shall receive regular reports from the independent auditor on the critical policies and practices of the Company, and all alternative treatments of financial information within generally accepted accounting principles that have been discussed with management.

The committee shall review management's assertion on its assessment of the effectiveness of internal controls as of the end of the most recent fiscal year and the independent auditors' report on management's assertion.

The committee shall review and discuss earnings press releases, as well as financial information and earnings guidance provided to analysts and rating agencies.

The committee shall review the interim financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations with management and the independent auditors prior to the filing of the Company's Quarterly Report on Form 10-Q. Also, the committee shall discuss the results of the quarterly review and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall review with management and independent auditors the financial statements and disclosures under Management's Discussion and Analysis of Financial Condition and Results of Operations to be included in the Company's Annual Report on Form 10-K (or the annual report to shareholders if distributed prior to the filing of Form 10-K), including their judgment about the quality, not just the acceptability, of accounting principles, the reasonableness of significant judgments, and the clarity of the disclosures in the financial statements. Also, the committee shall discuss the results of the annual audit and any other matters required to be communicated to the committee by the independent auditors under generally accepted auditing standards.

The committee shall establish procedures for the receipt, retention, and treatment of complaints received by the issuer regarding accounting, internal accounting controls, or auditing matters, and the confidential anonymous submission by employees of the issuer of concerns regarding questionable accounting or auditing matters.

The committee shall receive corporate attorney's reports of evidence of a material violation of securities laws or breaches of fiduciary duty.

The committee also prepares its report to be included in the Company's annual proxy statement, as required by SEC regulations.

The committee shall perform an evaluation of its performance at least annually to determine whether it is functioning effectively.
