REVOCAION OF PROXIES AND DISCRETIONARY

AUTHORITY

Shares of United Bancshares common stock can be voted at the Annual Meeting only if the shareholder is represented by proxy or is present in person. Shareholders who execute proxies retain the right to revoke them at any time. Unless revoked, the shares represented by such proxies will be voted at the Annual Meeting and all adjournments thereof. Proxies may be revoked (i) by written notice to the Secretary of United Bancshares (addressed to: United Bancshares, Inc., 100 South High Street, Columbus Grove, Ohio 45830, Attention: Secretary) prior to the time the proxy is voted; or (ii) by the filing of a later dated proxy prior to a vote being taken on a particular proposal at the Annual Meeting; or (iii) in open meeting at any time before the proxy is voted.

Proxies solicited by the Board of Directors will be voted in accordance with the directions given therein. Where no instructions are indicated, properly executed proxies will be voted **FOR** the nominees for director set forth in this Proxy Statement and **FOR** the ratification of the appointment of Clifton Gunderson LLP as the independent registered public accounting firm for the Corporation. The proxy confers discretionary authority on the proxy holder to vote with respect to (i) the election of any person as a director where the nominee is unavailable or unable to serve, (ii) matters incident to the conduct of the Annual Meeting, (iii) an adjournment of the meeting and (iv) any other business that may properly come before the Annual Meeting or any adjournments thereof.

PERSON MAKING THE SOLICITATION

The enclosed proxy is being solicited by United Bancshares and the cost of soliciting proxies will be borne by United Bancshares. Proxies may be solicited by mail, personal telephone, electronic mail or facsimile by directors, officers and employees of United Bancshares who will receive no compensation in addition to their regular compensation. United Bancshares may decide that it is appropriate to retain a proxy solicitation firm or agency to solicit proxies. If a proxy solicitation firm or agency is retained, United Bancshares will bear the cost.

VOTING SECURITIES

Each of the shares of United Bancshares common stock outstanding on March 10, 2011, the record date of the Annual Meeting, is entitled to one vote on all matters coming before the meeting. As of March 10, 2011, United Bancshares had 3,445,277 shares of Common Stock issued and outstanding. Only shareholders of record on the books of the Corporation on March 10, 2011 will be entitled to vote at the meeting either in person or by proxy. Pursuant to the Regulations of the Corporation, the shareholders present in person or by proxy at the Annual Meeting shall constitute a quorum.

If you are the beneficial owner of shares held in street name by a broker, bank or other nominee, your nominee is required to vote those shares in accordance with your instructions. If the nominee does not receive instructions from the beneficial owner, the nominee will be entitled to vote the shares on certain routine items. The nominee is not entitled to vote the shares (absent instructions from the beneficial owner) with respect to non-routine matters. When the nominee does not receive instructions from a beneficial owner concerning a non-routine matter, over which the nominee has no voting discretion, a broker non-vote occurs. Shares treated as broker non-votes are included for purposes of determining whether a quorum exists, however, such shares will not be counted as being in favor of or against any proposal placed before the shareholders at the Annual Meeting.

The following table sets forth, as of February 2, 2011, the ownership of common stock by management of United Bancshares, including (i) the common stock beneficially owned by each director, nominee for director and executive officer of United Bancshares and (ii) the common stock beneficially owned by all officers, directors and nominees for director as a group. Director and Nominee Qualifications

The Nominating Committee of our Board of Directors considers candidates to fill new directorships created by expansion and vacancies that may occur and makes recommendations to the Board of Directors with respect to such candidates. The Board has not adopted a policy with respect to minimum qualifications for directors, rather the Nominating Committee evaluates each individual in the context of the board as a whole, with the objective of recommending a group of persons that can best implement our business plan, perpetuate our business and represent shareholder interests. It is a policy of the Nominating Committee that candidates for director possess the highest personal and professional integrity, have demonstrated exceptional ability and judgment, and have skills and expertise appropriate for the Corporation and serving the long-term interest of the Corporation's shareholders. The committee, in making its nominations, considers all relevant qualifications of candidates for board membership, including, among other things, factors such as an individual's business experience, industry knowledge and experience, financial background, breadth of knowledge about issues affecting the Corporation, public company experience, regulatory experience, diversity, current employment and other board memberships, and whether the candidate will be independent under the listing standards of the Nasdaq Stock Market. In some cases, the Nominating Committee may require certain skills or attributes, such as financial or accounting experience, to meet specific Board needs that arise from time to time. In the case of incumbent directors whose terms of office are set to expire, the committee also reviews such director's overall service to the Corporation during his or her term and any relationships and transactions that might impair such director's independence.

While the Corporation does not have a formal diversity policy for Board membership, the Board seeks directors who represent a mix of backgrounds and experiences that will enhance the quality of the Board's deliberations and decisions. The Nominating Committee considers, among other factors, diversity with respect to viewpoint, skills, experience and community involvement in its evaluation of candidates for Board membership. Such diversity considerations are discussed by the Nominating Committee in connection with the general qualifications of each potential nominee.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

In the ordinary course of conducting its business, United Bancshares, for itself or through its banking subsidiary, may engage in transactions with the employees, directors and managers of United Bancshares and The Union Bank Company which may include, but not be limited to, loans. With the exception of certain discounts available to employees which are administered in accordance with Ohio banking law, all banking transactions with directors, employees or managers of United Bancshares, or its subsidiary, are conducted on the same basis and terms as would be provided to any other bank customer. In addition, each of these transactions was made on terms similar to those that could have been negotiated with an unaffiliated third party.

To the knowledge of United Bancshares, no director, officer or affiliate of the Corporation, owner of record or beneficially of more than 5% of the Corporation's common stock, or any associate of any such director, officer, affiliate of the Corporation or security holder, is an adverse party to the Corporation or any of its subsidiaries or has a material interest that is adverse to the Corporation or any of its subsidiaries.

CORPORATE GOVERNANCE

Board of Directors and Shareholders Meetings

The Board of Directors met twelve times during the fiscal year ended December 31, 2010. The directorate as a whole attended all of the Board meetings. United Bancshares encourages its directors to attend its Annual Meetings of Shareholders, and all directors attended the 2010 Annual Meeting of Shareholders. Directors receive up to \$10,000 annual compensation for their service on the Board of Directors of United Bancshares. Additionally, the Chairman of the Board receives \$5,000, the Chairman of the Audit Committee receives \$2,500, the Chairman of the Nominating Committee receives \$500 and the Chairman of the Compensation Committee receives \$500 for their service in these positions. Inside directors are not compensated for their services as directors beyond their salaries received from United Bancshares or its subsidiaries. All of the directors of United Bancshares also serve as directors of United Bancshares' depository subsidiary, The Union Bank Company. Each of the outside directors may receive additional compensation for their services as a director of a subsidiary.

Board Leadership Structure and Risk Oversight

The Chairman of the Board is a director and presides at meetings of the Board. The Chairman is appointed on an annual basis by at least a majority vote of the remaining directors. Currently, the offices of Chairman of the Board and Chief Executive Officer are separated. Such separation enables the Chairman to devote his time to managing the Board and the Chief Executive Officer to focus on the operations of the Corporation. The Corporation has no fixed policy with respect to separation of the offices of the Chairman of the Board and Chief Executive Officer, and the Board believes it is in the best interests of the Corporation and its shareholders to review the leadership structure from time to time.

The Board of Directors is responsible for consideration and oversight of risks facing the Corporation, and is responsible for ensuring that material risks are identified and managed appropriately. Several oversight functions are delegated to committees of the Board with such committees regularly reporting to the full Board the results of their respective oversight activities. As part of this process, the Board reviews management's risk-assessment process and periodically reviews the most important enterprise risks to ensure that compensation programs do not encourage excessive risk-taking. Additional review or reporting on enterprise risks is conducted as needed or as requested by the Board or Board committee.

Board of Directors Independence

Each year, the Board of Directors reviews the relationships that each director has with the Corporation and with other parties. Only those directors who do not have any of the categorical relationships that preclude them from being independent within the meaning of applicable NASDAQ Stock Market LLC (NASDAQ) Rules and who the Board of Directors affirmatively determines have no relationships that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director are considered to be independent directors. Such definition of independence may be found on the Corporation's website at <http://www.theubank.com/2705/mirror/united-bancshares.htm>. The Board of Directors has reviewed a number of factors to evaluate the independence of each of its members. These factors include its members' current and historic

relationships with the Corporation and its competitors, suppliers and customers; their relationships with management and other directors; the relationships their current and former employers have with the Corporation; and the relationships between the Corporation and other companies of which the Corporation's board members are directors or executive officers. After evaluating these factors, the Board of Directors has determined that all of the Directors, with the exception of Daniel W. Schutt, are independent directors of the Corporation within the meaning of applicable NASDAQ Rules.

Independent members of the Board of Directors of the Corporation meet in executive session without management present, and are scheduled to do so at least two times per year. The Board of Directors has designated James N. Reynolds as the presiding director for these meetings.

Shareholder Communications

Our shareholders may communicate directly with the members of the Board of Directors or the individual chairman of standing committees of the Board of Directors by writing directly to those individuals at the following address: 100 South High Street, Columbus Grove, Ohio 45830. The Corporation's general policy is to forward, and not to intentionally screen, any mail received at the Corporation's corporate office that is sent directly to an individual.

Code of Ethics

On February 17, 2004, the Board of Directors adopted a Code of Ethics which is applicable to the Chief Executive Officer, Chief Financial Officer and all other senior financial officers. A copy of the Code of Ethics may be found on the Corporation's website at <http://www.theubank.com/2705/mirror/united-bancshares.htm>. In addition, the Board of Directors has adopted a code of ethics that applies to all of our employees, officers and directors.

COMMITTEES OF THE BOARD OF DIRECTORS

The Corporation has an Audit Committee, the members of which are R. Steven Unverferth, Robert L. Dillhoff, and Robert L. Benroth (Chairman). The Audit Committee was created and a written charter for the Audit Committee was adopted on August 8, 2000, and amended on February 15, 2005. All of the members of the Audit Committee are (i) independent directors as defined in Nasdaq Stock Market Rule 4200(a)(15); (ii) meet the criteria for independence set forth in Rule 10A(m)(3) of the Securities Exchange Act of 1934; and (iii) have not participated in the preparation of the financial statements of the Corporation or any current subsidiary of the Corporation at any time during the past three years. The Board of Directors has determined that Robert L. Benroth is an "audit committee financial expert" as defined in Item 401(h) of Regulation S-K. The Audit Committee has the sole authority to retain and dismiss the

independent auditors and reviews their performance and independence with management. The primary functions of the Audit Committee are to oversee: (i) the audit of the financial statements of the Corporation provided to the SEC, the Corporation's shareholders and to the general public; (ii) the Corporation's internal financial and accounting controls and processes; and (iii) the independent audit process. The Audit Committee met a total of five times during the fiscal year ended December 31, 2010. A copy of the Audit Committee Charter may be found on the Corporation's website at <http://www.theubank.com/2705/mirror/united-bancshares.htm>.

The Corporation has a Nominating Committee, the members of which are Robert L. Dillhoff (Chairman), Robert L. Benroth, and H. Edward Rigel. Each member of the Nominating Committee is independent within the meaning of applicable SEC and NASDAQ Rules. The Nominating Committee was formed in 2003. This Committee is responsible for reviewing the qualifications of potential candidates for the Board of Directors, including those potential candidates submitted by shareholders. In addition, the Nominating Committee recommends to the Board of Directors candidates for election as directors at the Corporation's annual meetings and candidates to fill vacancies on the Board of Directors. United Bancshares does not have a formal policy regarding consideration of such recommendations, however, any recommendations received from shareholders will be evaluated in the same manner that potential nominees suggested by the Board of Directors are evaluated, as described below. Shareholders may send director nomination recommendations to the Secretary of the Corporation at 100 South High

Street, Columbus Grove, Ohio 45830. The Nominating Committee met a total of one time during the fiscal year ended December 31, 2010. The Nominating Committee has adopted a written charter which may be found on the Corporation's website at <http://www.theubank.com/2705/mirror/united-bancshares.htm>.

It is a policy of the Nominating Committee that candidates for director possess the highest personal and professional integrity, have demonstrated exceptional ability and judgment, and have skills and expertise appropriate for the Corporation and serving the long-term interest of the Corporation's shareholders. The Nominating Committee's process for identifying and evaluating nominees is as follows: (1) in the case of incumbent directors whose terms of office are set to expire, the Nominating Committee reviews such directors' overall service to the Corporation during their term, including the number of meetings attended, level of participation, quality of performance, and any related party transactions with the Corporation during the applicable time period; and (2) in the case of new director candidates, the Nominating Committee first conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating Committee may conduct an interview of a possible candidate and then meet to discuss and consider such candidates' qualifications, including whether the nominee is independent for purposes of the NASDAQ Rules. It then selects a candidate for recommendation to the Board of Directors by majority vote. In seeking potential nominees, the Nominating Committee uses its network of contacts and those who have expressed interest to compile a list of potential candidates. To date, the Nominating Committee has not paid a fee to any third party to assist in the process of identifying or evaluating director candidates. The Nominating Committee meets as many times as necessary to determine the nominees for the Board of Directors for the next annual meeting.

United Bancshares has a Compensation Committee, the members of which are David P. Roach, R. Steven Unverferth and Robert L. Dillhoff (Chairman). Each member of the Compensation Committee is independent within the meaning of applicable NASDAQ Rules and non-employee directors within the meaning of Section 162 of the Internal Revenue Code and Rule 16b-3 under the Exchange Act. The Compensation Committee is responsible for reviewing the compensation, performance and retention related issues with respect to the executive officers of United Bancshares. The Compensation Committee does not have a charter. In 2010, the Compensation Committee met three times.

The Compensation Committee of the Board of Directors is responsible for determining the compensation to be paid to the Corporation's executive officers and for the performance review of the Chief Executive Officer, while the entire Board of Directors of the Corporation is responsible for developing the executive compensation principles, policies and programs for all of our executive officers. In establishing the final compensation for the named executive officers, the Compensation Committee proposes the compensation amounts to the Board of Directors, which makes any necessary changes to the compensation and gives final approval of the compensation.

Audit Committee Report

The Audit Committee of United Bancshares' Board of Directors is responsible for providing independent, objective oversight of the Corporation's accounting functions and internal controls. The Audit Committee is composed of three directors, each of whom is independent within the meaning of applicable NASDAQ Rules. The Audit Committee operates under a written charter approved by the Board of Directors. A copy of the Audit Committee Charter may be

found on the Corporation's website at <http://www.theubank.com/2705/mirror/united-bancshares.htm>.

Management of the Corporation is responsible for the Corporation's financial reporting process, including its system of internal controls, and for the preparation of consolidated financial statements in accordance with U.S. generally accepted accounting principles. The Corporation's auditors are responsible for auditing those financial statements. The Audit Committee's responsibility is to monitor and review these processes.

The Audit Committee has reviewed and discussed the audited consolidated financial statements with management. The Committee has also reviewed and discussed with Clifton Gunderson LLP, the Corporation's independent auditors, the matters

required to be discussed by SAS 61 (Statement on Auditing Standards), as may be modified or supplemented. The Audit Committee also discussed with the independent auditors the overall quality of the Corporation's accounting policies.

The Audit Committee also has received the written disclosures from the independent accountants regarding its independence within the meaning of the Securities Acts administered by the Securities and Exchange Commission and, as required, has discussed with Clifton Gunderson its independence.

Based on the foregoing discussions, the Audit Committee recommended to the Board of Directors that the audited consolidated financial statements be included in the Corporation's Annual Report on Form 10-K for the fiscal year ended December 31, 2010, as filed with the SEC.

Such amounts have been expensed and are reflected as an accrued liability by the Corporation, but have not been funded.

The Union Bank Company sponsors supplemental income plans. These non-qualified retirement plans benefit certain individuals designated by the Board of Directors of the Bank. The supplemental income plans provide eligible individuals with supplemental retirement benefits, the amount of which is based upon the individual's years of service with The Union Bank Company. Currently, Mr. Schutt, Mr. Young and Ms. Oatman are among those individuals who participate in the plans. The formula by which benefits are determined is based upon age, years of service, age at retirement and actuarially determined variables. Under his plan, Mr. Schutt's annual retirement benefit will be \$40,000 per year for fifteen years. Under his plan, Mr. Young's retirement benefit, if he retires at age 65, will be a lump sum distribution of approximately \$144,000. Under her plan, Ms. Oatman's retirement benefit, if she retires at age 65, will be a lump sum distribution of approximately \$144,000. The current accrued values of the named executive's plans are \$382,655, \$9,642 and \$5,453 for Mr. Schutt, Mr. Young and Ms. Oatman, respectively.

Benefits under the supplemental income plan become payable when the designated individual's employment terminates with The Union Bank Company due to normal retirement, early retirement, death or disability.

Potential Payments upon Termination or Change in Control

The employment agreements of the named executive officers, as well as the Chief Executive Officer's Executive Supplemental Income Agreement and Change In Control Agreement, and the Chief Financial Officer's Salary Continuation Agreement provide for payments and/or vesting of benefits under certain circumstances in connection with termination of employment and a change in control. The triggering events for payments and vesting of benefits in the various agreements and plans are relatively common for agreements and plans of this nature, and are designed to provide for fair treatment of the participants under the various circumstances and to reasonably reward the participants for their loyalty and commitment to the Corporation. The following section describes the potential payments and other benefits that would have been received by each named executive if there had been a change in control or other termination of their employment with the Corporation on the last day of 2010.

While the definition of change in control varies among our various agreements and plans, in general a change in control means a change in the ownership or effective control of the Corporation, or in the ownership of a substantial portion of the assets of the Corporation.

Daniel W. Schutt

Under the terms of Mr. Schutt's employment agreement, which expired by its terms on January 13, 2010, he would have received no change in control payment as of the end of 2010. Under Mr. Schutt's Salary Continuation Agreement, in the event of a change in control during 2010, Mr. Schutt would be entitled to receive annual payments of \$40,000 for the 15 years after the change in control. Under the terms of Mr. Schutt's Change in Control Agreement, in the event that his employment was involuntarily terminated for any reason other than Cause (as defined in the Change in Control Agreement) or he terminated his employment for Good Reason (as defined in the Change in Control Agreement) during 2010, he would have been entitled to a payment in the amount of \$500,000, paid in a lump sum, and due within 30 days of the change in control if the termination occurred prior to the date of the change in control, or within 30 days of his termination of employment termination, if the termination occurred after the date of the change in control.

In the event that Mr. Schutt left the employment of the Corporation for any other reason (including death, disability, retirement, termination for cause, or resignation) during 2010, he would only have been entitled to compensation through the last date of the employment. Under his Salary Continuation Agreement, in the event that he left the employment of the Corporation for any of the above reasons, other than death or termination for cause, he would have been entitled to receive annual payments of \$40,000 for the 15 years.

In the event that Mr. Schutt died during 2010, under his Salary Continuation Agreement, his beneficiaries would have been entitled to receive annual payments of \$40,000 for the 15 years after Mr. Schutt's death.

Brian D. Young

Under the terms of Mr. Young's employment agreement, if a change in control were to have occurred at the end of 2010, Mr. Young would have been entitled to the lesser of \$487,500 (2.5 times his base salary as the date of the change of control), or one dollar less than the largest amount that could be paid to him without the payment qualifying as a parachute payment under Section 280G(b)(2)(A) of the Internal Revenue Code of 1986, as amended. The Corporation would have had to make the payment within 15 days of the change in control. The Corporation would also have to pay the premiums for Mr. Young's COBRA insurance for one year following the termination.

Also, in the event that Mr. Young's employment was terminated in connection with the change in control, he also would be entitled to the entire amount accrued under his Salary Continuation Agreement, or \$9,642 to be paid within 90 days from the change in control.

In the event that Mr. Young was terminated without cause, or resigned due to (a) a material diminution of his duties, responsibilities, compensation or benefits, (b) a reduction in his base salary, (c) a required relocation of more than 20

miles from Columbus Grove, Ohio, or (d) a disagreement as to the strategic plan of the Corporation, Mr. Young would be entitled to the same benefits as if a change in control happened. In addition, in such event, Mr. Young would have been entitled to a payment of \$9,642 (the amount accrued under the Salary Continuation Agreement).

In the event that Mr. Young was terminated for cause, Mr. Young would be entitled to payment of his base salary through the end of his employment, and no further payments.

In the event that Mr. Young voluntarily resigned other than for the reasons listed above, or was disabled at the end of 2010, he would be entitled to payment of his base salary through the end of his employment, and would be entitled to a payment of \$9,642 (the amount accrued under the Salary Continuation Agreement).

In the event that Mr. Young's employment with the Corporation terminated due to death at the end of 2010, his beneficiaries would be entitled to the payment of his base salary through the end of his employment, and would be entitled to a payment of approximately \$144,000.

Heather M. Oatman

Under Ms. Oatman's Salary Continuation Agreement, in the event that Ms. Oatman's employment was terminated in connection with a change in control of the Corporation in 2010, she would be entitled to the entire amount accrued under the Salary Continuation Agreement, or \$5,453 to be paid within 90 days from the change in control.

In the event that Ms. Oatman was terminated for cause, Ms. Oatman would be entitled to payment of her base salary through the end of her employment, and no further payments.

In the event that Ms. Oatman voluntarily resigned other than for the reasons listed above, or was disabled at the end of 2010, she would be entitled to payment of her base salary through the end of her employment, and she would be entitled to a payment of \$5,453 (the amount accrued under the Salary Continuation Agreement).

In the event that Ms. Oatman's employment with the Corporation terminated due to death at the end of 2010, her beneficiaries would be entitled to the payment of her base salary through the end of her employment, and would be entitled to a payment of approximately \$144,000.
