Iowa limited liability company ("NBP"). Pursuant to the terms of that certain Asset Purchase Agreement, dated as of December 19, 2005, (the "Purchase Agreement"), by and among Darling, Darling National and NBP, Darling National acquired substantially all of the assets of NBP (the "Transaction").

The assets that were acquired in the Transaction include real estate, intellectual property, equipment, inventory, contracts, permits, raw materials, supplies, work-in-process, goodwill and certain other assets as set forth in the Purchase Agreement.

On the Closing Date, Darling paid an aggregate of \$70.5 million in cash plus an adjustment for working capital (the "Cash Consideration") and an amount of Darling common stock, par value \$0.01 per share ("Darling Common Stock"), equal to 20% of the outstanding shares of Darling Common Stock (the "Stock Consideration"), calculated on a fully diluted basis on the Closing Date. Based upon the amount of Darling Common Stock outstanding as of the Closing Date as calculated on a fully diluted basis, the Stock Consideration equaled approximately 16.3 million shares. In addition to the Stock Consideration delivered on the Closing Date, the Purchase Agreement also includes a provision for the conditional issuance of additional Darling Common Stock on the last day of the 13th full consecutive month following the Closing Date (the "True-Up Date") if the dollar value of the Stock Consideration is below \$70.5 million, based upon the average per share closing price of the Darling Common Stock for the 90 calendar days prior to the True-Up Date. Darling financed a portion of the Cash Consideration through borrowings under its existing \$175 million credit facility as more fully discussed in Item 2.03 below.

The foregoing does not purport to be a complete statement of the rights and obligations under the Purchase Agreement and the Transaction or a complete explanation of the material terms thereof. The foregoing description is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is attached as Exhibit 2.1 to Darling's Current Report on Form 8-K filed on December 20, 2005, and is incorporated herein by reference.

A portion of the Cash Consideration was paid from such borrowings.

The foregoing disclosure is qualified in its entirety by reference to the full text of the Credit Agreement, a copy of which is attached as Exhibit 10.1 to Darling's Current Report on Form 8-K filed on April 13, 2006, and is incorporated herein by reference.
