Item 5.02. Departure of Director or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

In accordance with its written charter, the Nominating and Corporate Governance Committee (the "Governance Committee") of the board of directors (the "Board") of Darling International Inc. (the "Company") is charged with evaluating annually the status of the Board's compensation in relation to comparable U.S. companies and reporting its findings to the Board. In December 2010, the Compensation Committee of the Board retained Aon Hewitt ("Hewitt"), an outside global human resources consulting firm, to review the Company's executive compensation program. In conjunction with such review, Hewitt also reviewed the Company's compensation program for its outside directors. Based on Hewitt's findings and recommendations, the Governance Committee recommended to the Board certain changes to the Company's compensation program for its outside directors. Consistent with these recommendations, on February 24, 2011, the Board adopted the Amended and Restated Non-Employee Director Restricted Stock Award Plan, as originally approved on March 9, 2006 and amended on January 15, 2009, pursuant to the Company's 2004 Omnibus Incentive Plan (the "Restated Directors Plan"). The Restated Directors Plan increases the annual grant of restricted stock awarded to each non-employee director of the Company from \$20,000 to \$60,000.

Furthermore, as previously reported, in accordance with Hewitt's recommendation regarding director compensation, non-employee directors will no longer receive automatic grants of stock options on initial election or upon the Company's achievement of predefined return on gross investment targets.

The foregoing description is not intended to be complete and is qualified in its entirety by reference to the full text of the Restated Directors Plan attached hereto as Exhibit 10.1 and the 2004 Omnibus Incentive Plan, which was filed as Exhibit 10.1 to the Company's Current Report on Form 8-K, filed with the Securities and Exchange Commission on May 17, 2005.

Item 8.01. Other Events.

Consistent with Hewitt's recommendations regarding director compensation, on February 24, 2011, the Board also approved an increase in the annual retainer paid to each outside director from \$35,000 to \$45,000, effective as of January 1, 2011.

Item 9.01. Financial Statements and Exhibits.

10.1 Amended and Restated Non-Employee Director Restricted Stock Award Plan adopted February 24, 2011.
