Item 3.02

On December 29, 2004, the Company closed a funding transaction with Momona Capital Corp. and Ellis International Ltd. for the issuance of convertible 10% notes in the aggregate amount of \$200,000 and five-year "C" warrants for the purchase of, in the aggregate, 800,000 shares of common stock, at \$0.15 per share. The notes are convertible into shares of common stock of the Company at \$0.10 per common share. Conversions are limited to a maximum ownership of 9.99% of the underlying common stock at any one time. The notes are payable in twelve equal monthly installments, commencing May 1, 2005. The installment payments consist of principal and a "premium" of 20% of the principal paid per installment. The Company has the option to defer such payment until the note's maturity date on April 30, 2006, if the Company's common stock trades above \$0.15 for the five trading days prior to the due date of an installment payment and the underlying common stock is registered. In connection with this transaction, the Company issued additional notes, without attached warrants, in the aggregate amount of \$10,000 to the investors upon

identical terms as the principal notes, as a finder's fee, and paid \$3,500 in legal fees. The common stock underlying all notes and warrants carry registration rights. The Company issued the convertible notes and warrants to accredited investors, pursuant to an amendment to an October 29, 2004
