- (2) This transaction was an option grant. Accordingly, the reporting person did not pay a price to obtain the option.
- (3) 1 for 1.
- (4) Based on company performance during the 2008-2010 period, none of the stock vested.
- (5) The restricted stock units were earned based on company performance during 2009. Assuming continued employment on the payment date, which will occur in February 2012, the units will then vest in one installment and the shares will be issued.  
  
Based on company performance during 2010, approximately 145.5% of the restricted stock units originally granted were earned (as previously disclosed, the reporting person had the opportunity to earn up to 200% of the number of units originally reported). Assuming continued employment on the payment date, which will occur in February 2013, the units will then vest in one installment and the shares will be issued.
- (6) The restricted stock units may be earned based on the achievement of certain company goals during 2011. Assuming continued employment on the payment date, which will occur in February 2014, the units will then vest in one installment and shares will be issued. The target number of units that may be earned is reported above; the maximum amount is 200% of the number reported.
- (7) If the company achieves certain goals over the 2009-2011 period, the performance units will vest and stock will be awarded. The target number of units that may be earned is reported above; the maximum amount is 200% of the number reported.
