Item 2.02 Results of Operations and Financial Condition.

The information set forth in Item 8.01 of this Current Report is hereby incorporated by reference into this Item 2.02.

Item 8.01 Other Events.

On December 17, 2010, Darling International Inc. ("Darling" or the "Company") completed its acquisition of Griffin Industries, Inc. and its subsidiaries ("Griffin") (the "Griffin Transaction"). As previously reported in the Company's Quarterly Report on Form 10-Q for the quarterly period ended April 2, 2011, effective January 2, 2011, as a result of the Griffin Transaction, the Company's business operations were reorganized into two new segments, Rendering and Bakery, in order to better align its business with the underlying markets and customers that the Company serves.

The Company is filing this Current Report on Form 8-K (this "Report") for the purpose of, among other things, incorporating its contents into a Registration Statement on Form S-4 that the Company will be filing to register the Company's 8.5% Senior Notes due in 2018. This report includes updates to certain disclosures contained in the Company's Annual Report on Form 10-K for the year ended January 1, 2011 ("2010 Form 10-K"), as filed with the Securities and Exchange Commission ("SEC") on March 2, 2011 to retrospectively reflect the reorganization of the Company's operating segments into two new segments, Rendering and Bakery. Additionally, the Company is revising its historical financial statements in its 2010 Form 10-K to provide guarantor financial information for all periods presented as required by Regulation S-X promulgated by the SEC. Each item in the Company's 2010 Form 10-K being updated herein is filed as a separate exhibit to this Report. The specific disclosures that are being updated are as follows:

The Results of Operations section included in Part II, Item 7 "Management's Discussion and Analysis of Financial Condition and Results of Operations" of the Company's 2010 Form 10-K (filed as Exhibit 99.1 herein);

Notes 1, 2, 6, 18, 21 and 22 to the Company's audited consolidated financial statements as of January 1, 2011 and January 2, 2010 and for each of the years in the three-year period ended January 1, 2011, included in Part II, Item 8 "Financial Statements and Supplementary Data" of the Company's 2010 Form 10-K (filed as Exhibit 99.2 herein).

The updated operating segment disclosures and updated guarantor financial information included in this Report do not impact any of the Company's previously filed consolidated balance sheets, consolidated statements of operations, consolidated statements of stockholders equity and comprehensive income(Loss) and/or consolidated statements of cash flows. The updated disclosure items in the Company's 2010 Form 10-K included in this Report have not been updated for any events occurring after the respective dates the 2010 Form 10-K were originally filed other than the updated operating segment disclosures resulting for the reorganized segments, the addition of guarantor financial information and subsequent events. This Report should be read in conjunction with the 2010 Form 10-K (except Part II, Items 7 and 8) and other reports on Form 10-Q and Form 8-K.
