ITEM 1.01. ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On February 23, 2006, the Compensation Committee of the Board of Directors of
Integra LifeSciences Holdings Corporation (the "Company") modified the annual
compensation payable to non-employee directors of the Company, effective as of
the Company's 2006 Annual Meeting of Stockholders.

Edgar Filing: INTEGRA LIFESCIENCES HOLDINGS CORP - Form 8-K

The compensation was modified by increasing the annual retainer payable to non-employee directors from \$40,000 to \$50,000. The annual retainer is payable in one of the following four ways, at a director's election: (1) in cash, (2) in restricted stock, (3) one half in cash and one half in restricted stock or (4) in options to purchase common stock (the number of options determined by valuing the options at 25% of the fair market value of the common stock underlying the options), with a maximum of 5,000 options.

The Compensation Committee also modified the annual equity grant made to non-employee directors to allow directors to receive their grant in the form of restricted stock. Currently, directors receive a grant of options to purchase 7,500 shares of common stock, with the Chairman of the Board receiving options to purchase 10,000 shares. Effective as of the Company's 2006 Annual Meeting of Stockholders, non-employee directors will receive an annual equity grant, at their election, of 7,500 options or 1,875 shares of restricted stock, with the Chairman receiving 10,000 options or 2,500 shares of restricted stock.

A description of the compensation of non-employee directors of the Company is attached as Exhibit 10.1 to this Current Report on Form 8-K and is incorporated by reference into this Item.
