Exhibit A

April 25, 2003

Michael Emmi
Chairman
Board of Directors
Systems & Computer Technologies Corporation
4 County View Road
Malvern, Pennsylvania 19355-1408

Dear Mr. Emmi:

Tocqueville Asset Management is a large and long time shareholder of Systems & Computer Technologies. We have closely followed the company's fortunes over the past seven years, meeting and speaking frequently with management. We have watched as new strategies have been employed. We have discussed with management shifts in strategy, as well as operational issues. We have also made suggestions to management regarding ways to maximize shareholder value. Based on our familiarity with the company, its management, operations, strategy, and its long-term share price performance, we have concluded that the company, as it is currently configured and managed, is unable to bring to the surface the inherent values we see in the business enterprise. Consequently, we strongly urge the Board to hire an independent investment banker to pursue new strategies to enhance shareholder value. Such new strategies could include seeking a merger partner, or a recapitalization of the company.

Tocqueville Asset Management is one of a small number of large long-term shareholders of SCTC. Indeed the top ten shareholders, including Tocqueville, represent nearly 50% of the outstanding shares. We intend to contact these other large shareholders to explain our rationale and seek their support for this proposal. We would also appreciate the opportunity to discuss the reasons behind our proposal with you and other members of the Board of Directors. We look forward to hearing from you.

Sincerely,

Exhibit B
