Item 5. Other Events

On January 30, 2003, Vectren Corporation (the Company), the parent company of Vectren Utility Holdings, Inc. (VUHI), released preliminary financial information to the investment community regarding the Company's results of operations for the year ended December 31, 2002. The Vectren Corporation press release is included herein as Exhibit 99-1. As noted in the press release, the Company's 2001 financial results, as well as the financial results of its subsidiaries, will be restated.

Specific to VUHI, preliminary net income for the year ended December 31, 2002 was \$94.4 million, compared net income for the year ended December 31, 2001 of \$38.5 million, as restated.

For the year ended December 31, 2001, the effect of the restatement reduced VUHI's previously reported net income by \$12.2 million. Other summarized effects of the restatement on VUHI's previously released 2001 operating and balance sheet data and summarized operating and balance sheet data at December 31, 2002 are presented in Exhibit 99-2 of the filing.

The Company's accounting group also identified items that relate to 2000 and

prior periods. Following consultation with Deloitte & Touche, the Company concluded that, since 2001 is already being restated, the best course of action would be to restate and reaudit 2000 results, including the results of VUHI. The Company has no reason to believe the 2002 and restated 2001 results will change; it is possible, however, that the reaudit of 2000 could result in adjustments.

The Company cautions that actual results could differ materially from those contained in this filing. Specifically, the reaudit of its 2000 financial statements could result in restating its results from 2000, 2001, and 2002. In connection with the "safe harbor" provisions of the Private Securities Litigation Reform Act of 1995, the Company is hereby filing cautionary statements identifying important factors that could cause actual results of the Company and its subsidiaries, including Vectren Utility Holdings, Inc., Indiana Gas Company, Inc. and Southern Indiana Gas and Electric Company, to differ materially from those projected in forward-looking statements of the Company and its subsidiaries made by, or on behalf of, the Company and its subsidiaries.
