Item 1.01 Entry into a Material Definitive Agreement.
Purchase Agreement with respect to Springbox Ltd.

On October 18, 2007, Viewpoint Corporation (Viewpoint) entered into a Purchase Agreement to acquire all of the outstanding partnership interests of Springbox, Ltd. (Springbox). Springbox is an Austin-based interactive marketing firm with digital web marketing and creative solutions. Springbox is expected to generate approximately \$6.0 million in gross revenue in the calendar year 2007. The agreement contains customary representations, warranties and covenants of the sellers and Viewpoint. The transaction is also subject to customary closing conditions and is expected to close in the fourth quarter of 2007.

Under the terms of the agreement, Viewpoint will be obligated, at the closing, to pay approximately \$5.5 million in a combination of stock and cash. The amount of cash payable by Viewpoint is subject to adjustment based on the net book value of Springbox as of the closing date of the transaction and (ii) the subsequent receipt by Viewpoint of accounts receivable outstanding on the closing date of the transaction. To the extent the net book value as of the closing date is greater than \$1.3 million Viewpoint is required to pay additional funds to the sellers and to the extent that the net book value of Springbox at the closing is less than \$1.3 million, the sellers are required to pay Viewpoint the difference. In addition, the sellers of Springbox are entitled to an EBITDA based earnout. Viewpoint has the option to pay shares of common stock or the fair market value of such shares in order to satisfy any obligation pursuant to the earnout.

The foregoing is a summary of the terms of the Purchase Agreement and does not purport to be complete and is qualified in its entirety by reference to the full text of the Purchase Agreement, a copy of which is filed as Exhibit 2.1 hereto and is incorporated herein by reference.

Securities Purchase Agreement

In addition, Viewpoint entered into a Securities Purchase Agreement with certain accredited investors, dated as of October 18, 2007, pursuant to which Viewpoint issued 15,714,285 shares of Viewpoint common stock in a private placement to such accredited investors at a purchase price of \$0.70 per share (resulting in aggregate gross proceeds of \$11,000,000). The investors in the transaction also received warrants to purchase an additional 4,714,285 shares of common stock at an exercise price of \$0.84 per share (subject to certain adjustments). Such warrants are not exercisable for six months following issuance and have an aggregate term of five and one-half years.

The securities offered and sold in the private placement have not been registered under the Securities Act of 1933, as amended, and were sold in reliance upon the exemption from securities registration afforded by Regulation D. Each investor represented to Viewpoint that it is an Accredited Investor , as defined in Rule 501 of Regulation D under the Securities Act. In connection with the private placement, Viewpoint entered into a Registration Rights Agreement
