1. The proposed maximum offering price per unit will be determined from time to time by the registrants in connection with the issuance by the registrants of the securities registered hereunder.
2. Estimated solely for the purpose of calculating the registration fee pursuant to Rule 457(o) under the Securities Act of 1933 as amended. The aggregate public offering price of all the debt securities offered hereunder will not exceed an aggregate of \$6,000,000,000, including, in the case of any debt securities issued hereunder that are denominated in any currency other than United States dollars, the amount in United States dollars equivalent to the principal amount on the date of issuance of the debt securities in one or more foreign currencies, foreign currency units or composite currencies. That amount represents the offering price of all debt securities to be issued, and is not calculated based on the principal amount of any debt securities to be issued at an original issue discount.
3. Pursuant to Rule 429 under the Securities Act of 1933, as amended, and Interpretation D.85 of the Securities and Exchange Commission's Telephone Interpretation Manual, the registration fee for a total of \$700,100,000 of debt securities of Wal-Mart Stores, Inc. is being carried forward from Wal-Mart Stores, Inc.'s Registration Statements on Form S-3, Registration Nos. 333-52045 and 333-82909. The amount of the registration fee to be paid at the time the registrants file this registration statement will be \$1,296,860.00.
4. Includes debt securities to be issued, from time to time, by one or more of the registrants and including, for each of the registrants, such indeterminate principal amount of debt securities as may from time to time be issued by each such registrant at indeterminate prices.
5. Wal-Mart Stores, Inc. is also registering under this registration statement the guarantees that it will issue with respect to any debt securities that may be issued by Wal-Mart Cayman (Euro) Finance Co., Wal-Mart Cayman (Canadian) Finance Co. and Wal-Mart Cayman (Sterling) Finance Co. No separate consideration will be received for any guarantees issued by Wal-Mart Stores, Inc. in connection with any such debt securities.

The Registrant hereby amends this Registration Statement on such date or dates as may be necessary to delay its effective date until the Registrant shall file a further amendment that specifically states that this Registration Statement shall thereafter become effective in accordance with Section 8(a) of the Securities Act of 1933 or until this Registration Statement shall become effective on such date as the Commission, acting pursuant to said Section 8(a), may determine.

We may use that registration statement to offer and sell, in one or more offerings at various times, up to a total of \$6,000,000,000 of our debt securities. As described in a separate prospectus, that registration statement also registers the offer and sale of debt securities by three of our finance subsidiaries, Wal-Mart Cayman (Euro) Finance Co., Wal-Mart Cayman (Canadian) Finance Co. and Wal-Mart Cayman (Sterling) Finance Co. This prospectus provides you with a general description of certain material terms of those debt securities. When we sell a particular series of the debt securities, we will provide a prospectus supplement describing the specific terms and conditions of that series of debt

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus includes and incorporates by reference certain statements that may be deemed to be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be included, for example, under "Wal-Mart Stores, Inc." and "Use of Proceeds," and in certain portions of our reports and other information incorporated in this prospectus by reference. These forward-looking statements may include statements that address activities, events or developments that we expect or anticipate will or may occur in the future, including:

- . future capital expenditures, including the amount and nature of those expenditures;
- . future expansion and other development trends of industry segments in which we and our subsidiaries are active;
- . our business strategy;
- . our financing strategy;
- . future expansion and growth of our business; and
- . future operations and other similar matters.

Although we believe the expectations expressed in the forward-looking statements are based on reasonable assumptions within the bounds of our knowledge of our business, a number of factors could cause actual results to differ materially from those expressed in any forward-looking statements, whether oral or written, made by us or on our behalf. Many of these factors have previously been identified in filings or statements made by us or on our behalf.

Our business operations are subject to factors outside our control. Any one, or a combination, of these factors could materially affect our financial performance. These factors include:

- . the costs of goods;
- . the cost of electricity and other energy requirements;
- . competitive pressures;
- . inflation;
- . consumer debt levels;
- . currency exchange fluctuations;
- . trade restrictions;
- . changes in tariff and freight rates;
- . unemployment levels;
- . interest rate fluctuations; and
- . other capital market and economic conditions.

Forward-looking statements that we make or that are made by others on our behalf are based on a knowledge of our business and the environment in which we

Edgar Filing: WAL MART STORES INC - Form S-3

operate, but because of the factors listed above, actual results may differ from those in the forward-looking statements. Consequently, all of the forward-looking statements made are qualified by these cautionary statements. We cannot assure you that the actual results or developments anticipated by us will be realized or, even if substantially realized, that they will have the expected consequences to or effects

3

on us or on our business or operations. Prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates. We assume no obligation to update any of the forward-looking statements.

RATIO OF EARNINGS TO FIXED CHARGES

Edgar Filing: WAL MART STORES INC - Form S-3

The following table sets forth the ratio of our earnings to fixed charges, for the periods indicated:

Year Ended January 31,					Three Mon April
1997	1998	1999	2000	2001	2000
----	----	----	----	----	----
4.59x	5.33x	6.24x	6.76x	5.54x	5.47x

For the purpose of computing our ratios of earnings to fixed charges, we have defined "earnings" to mean our earnings before income taxes and fixed charges, excluding capitalized interest and earnings attributable to minority interests owned by others in our subsidiaries.

We have also defined "fixed charges" to mean:

- . the interest that we pay; plus
- . the capitalized interest that we show on our accounting records; plus

4

- . the portion of the rental expense for real and personal property that we believe represents the interest factor in those rentals.

We have not disclosed ratios of earnings to fixed charges and preferred stock dividends because we do not have any shares of preferred stock outstanding.

USE OF PROCEEDS

Except as we otherwise specifically describe in an applicable prospectus supplement, we will use the net proceeds from the sale of the debt securities:

- . to repay the short-term borrowings that we have incurred for corporate purposes, including to finance capital expenditures such as the purchase of land and construction of stores and other facilities;
- . to repay short-term borrowings that we have incurred to acquire other companies and assets; and
- . to meet our other general working capital requirements.

Before we apply the net proceeds to one or more of these uses, we may invest those net proceeds in short-term marketable securities.

We may also incur from time to time additional debt other than through the offering of debt securities under this prospectus.

DESCRIPTION OF THE DEBT SECURITIES

We will issue the debt securities in one or more series under an indenture, dated as of July 5, 2001, among three of our finance subsidiaries, Wal-Mart

Edgar Filing: WAL MART STORES INC - Form S-3

Cayman (Euro) Finance Co., Wal-Mart Cayman (Canadian) Finance Co., and Wal-Mart Cayman (Sterling) Finance Co., (collectively, the "finance subsidiaries"), Bank One Trust Company, NA, as the indenture trustee, and us.

The indenture is a contract between Wal-Mart Cayman (Euro) Finance Co., Wal-Mart Cayman (Canadian) Finance Co., and Wal-Mart Cayman (Sterling) Finance Co., the trustee and us. The trustee has two main roles. First, the trustee can enforce your rights against us if an "event of default," as that term is described below, occurs under the indenture in relation to debt securities we have issued. Second, the trustee performs certain administrative duties for us.

We have summarized below material provisions of the debt securities that we will offer and sell pursuant to this prospectus and material provisions of the indenture. However, you should understand that this is only a summary. We have not described all of the provisions of the indenture. We have filed the indenture with the SEC, and we suggest that you read the indenture. We are incorporating by reference the provisions of the indenture referred to in the following summary, whether by reference to articles, sections or defined terms. The following summary is qualified in its entirety by those provisions of the indenture.

We will describe the particular terms and conditions of any series of debt securities offered in the applicable prospectus supplement. The prospectus supplement, which we will file with the SEC, may or may not modify the general terms found in this prospectus. For a complete description of any series of debt securities, you should read both this prospectus and the prospectus supplement relating to that series of debt securities.

General

As a holder of debt securities issued under the indenture, you will be one of our unsecured creditors and will have a right to payment equal to that of our other unsecured creditors.

5

The debt securities offered by this prospectus, when aggregated with the debt securities offered by the finance subsidiaries through the separate prospectus filed under the registration statement of which this prospectus is a part, will be limited to a total of \$6,000,000,000, or the equivalent amount in any non-U.S. currency. The indenture, however, does not limit the amount of debt securities that may be issued under it and provides that debt securities may be issued under it from time to time in one or more series.

With respect to each particular series of debt securities that we offer by this prospectus, the prospectus supplement will describe the following terms of each series of debt securities:

- . the title of the series;
- . the maximum aggregate principal amount, if any, established for debt securities of the series;
- . the maximum aggregate initial public offering price, if any, established for the debt securities of the series;
- . the date or dates on which the principal will be paid;
- . the conditions pursuant to which and the times at which any premium on the debt securities of the series will be paid;

Edgar Filing: WAL MART STORES INC - Form S-3

- . the annual rate or rates, if any, at which the debt securities of the series shall bear interest, or the method or methods by which the rate or rates, if any, at which the debt securities of the series shall bear interest may be determined;
- . the date or dates from which interest, if any, shall accrue;
- . the dates on which any accrued interest shall be payable and the record dates for the interest payment dates;
- . the percentage of the principal amount at which the debt securities of the series will be issued, and if less than face amount, the portion of the principal amount that will be payable upon acceleration of those debt securities' maturity or at the time of any prepayment of those debt securities or the method for determining that amount;
- . whether we may prepay the debt securities of the series in whole or part and, if so, the time or times at which any such prepayment may be made, whether the prepayment may be made in whole or may be made in part from time to time and the terms and conditions on which such prepayment may be made, including the obligation to pay any premium or any other make-whole amount in connection with any prepayment;
- . the office or offices or agency where the debt securities of the series may be presented for registration of transfer or exchange;
- . the place or places where the principal of, premium, if any, and interest, if any, on debt securities of the series will be paid;
- . whether we will have the right to redeem or repurchase the debt securities of the series, in whole or in part, at our option, when those redemptions or repurchases may be made, the redemption or repurchase price or the method or methods for determining the redemption or repurchase price, and any other terms and conditions relating to any such redemption or repurchase by us;
- . whether, when, on what terms and at whose option we will be obligated to redeem or repurchase the debt securities of the series in whole or part at any time pursuant to any sinking fund or analogous provisions or without the benefit of any sinking fund or analogous provisions, and any redemption or repurchase price or the method for determining any redemption or

6

repurchase price;

- . whether the debt securities of the series will be convertible into any other of our securities and, if so, when the conversion of exchange right may be exercised, the conversion or exchange price or the ratio or ratios or the method of determining the conversion or exchange price or ratio and any other terms and conditions, including anti-dilution terms, upon which any conversion or exchange may occur;
- . if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which we will issue debt securities of the series;

Edgar Filing: WAL MART STORES INC - Form S-3

- . the currency in which we will pay principal, any premium, interest or other amounts owing with respect to the debt securities of the series, which may be United States dollars, a foreign currency or a composite currency;
- . any index, formula or other method that we must use to determine the amount of any payment of principal, any premium or interest on the debt securities of the series;
- . whether, and under what conditions, we will be required to pay any additional amounts;
- . whether the debt securities of the series will be issued in certificated or book-entry form;
- . any addition to or change in the events of default with respect to, or covenants relating to, the debt securities in the series;
- . whether the debt securities of the series will be subject to defeasance as provided in the indenture; and
- . any other specific terms and conditions of the series of debt securities.

If we sell any series of debt securities for, that we may pay in, or that are denominated in, one or more foreign currencies, currency units or composite currencies, we will disclose any material applicable restrictions, elections, tax consequences, specific terms and other information with respect to that series of debt securities and the relevant currencies, currency units or composite currencies in the prospectus supplement relating to the offer of that series.

We may also offer and sell a series of the debt securities as original issue discount securities, bearing no interest or interest at a rate that at the time of issuance is below market rates, or at a substantial discount below their stated principal amount. We will describe the income tax consequences and other special considerations applicable to any original issue discount securities of that kind described in the prospectus supplement relating to that series.

Events of Default and Waiver

An event of default with respect to debt securities of a series issued will occur if:

- . we fail to pay interest on any outstanding debt securities when it is due and payable and that failure continues for 30 days;
- . we fail to pay principal on any outstanding debt securities when it is due and payable;
- . we fail to perform or we breach any covenant or warranty in the indenture with respect to any debt securities outstanding or we fail to perform or breach any covenant or warranty particular to a series of debt securities and that failure continues for 90 days after we receive written notice of that default; and
- . certain events of bankruptcy, insolvency or reorganization occur with respect to us.

If an event of default with respect to any series of outstanding debt securities occurs and is continuing, the trustee or the holders of not less than

Edgar Filing: WAL MART STORES INC - Form S-3

25% in aggregate principal amount of that series of outstanding debt securities may declare the principal amount of the outstanding debt securities of that series to be immediately due and payable. The holders of a majority in aggregate principal amount of the outstanding debt securities of a series may waive an event of default resulting in acceleration of the debt securities of that series, but only if all other events of default with respect to the debt

7

securities of that series have been remedied or waived and all payments due with respect to the debt securities of that series, other than those due as a result of acceleration, have been made. If an event of default occurs and is continuing with respect to the debt securities of a series, the trustee may, in its discretion, and at the written request of holders of not less than a majority in aggregate principal amount of the outstanding debt securities of that series and upon reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request and subject to certain other conditions set forth in the indenture shall, proceed to protect the rights of the holders of the debt securities of that series. Prior to any acceleration of the maturity of the debt securities of a series, the holders of a majority in aggregate principal amount of the debt securities of that series may waive any past default under the indenture except a default in the payment of principal of, or interest on, those debt securities.

The indenture provides that upon the occurrence of an event of default described in the first two bullet points in the first paragraph under "Events of Default and Waiver" with respect to a series of debt securities, we will, upon the trustee's demand, pay to the trustee for the benefit of the holders of the outstanding debt securities of that series, the whole amount then due and payable on the debt securities of that series for principal and interest. The indenture also provides that if we fail to pay such amount forthwith upon such demand, the trustee may, among other things, institute a judicial proceeding for the collection of those amounts.

The indenture provides that, notwithstanding any other provision of the indenture, the holder of any debt securities of a series shall have the right to institute suit for the enforcement of any payment of principal of, and interest on, the debt securities of that series when due and that such right shall not be impaired without the consent of that holder.

The trustee is required, within 90 days after the occurrence of a default with respect to the debt securities of a series, to give to the holders of the debt securities of that series notice of all uncured defaults known to it. However, except in the case of default in the payment of principal or interest on any of the debt securities of that series, the trustee will be protected in withholding that notice if the trustee in good faith determines that the withholding of that notice is in the interest of the holders of the debt securities of that series. The term "default," for the purpose of this provision only, means the occurrence of any of the events of default specified above excluding any grace periods.

We are required to file annually with the applicable trustee a written statement as to the existence or non-existence of defaults under the indenture or any series of debt securities.

Legal Defeasance and Covenant Defeasance

We and the finance subsidiaries that are parties to the indenture may, at our collective option and at any time, elect to have all of the obligations discharged with respect to the outstanding debt securities and any

Edgar Filing: WAL MART STORES INC - Form S-3

guarantee of those debt securities, except for:

- . the rights of holders of debt securities to receive payments of principal and interest from the trust referred to below when those payments are due;
- . our obligations respecting the debt securities concerning issuing temporary notes, registration of transfers of debt securities, mutilated, destroyed, lost or stolen debt securities, the maintenance of an office or agency for payment and money for debt security payments being held in trust;
- . the rights, powers, trusts, duties and immunities of the trustee and our obligations in connection therewith; and
- . the provisions of the indenture relating to such a discharge of obligations.

We refer to such a discharge as "defeasance."

In addition, other than our covenant to pay the amounts due and owing with respect to a series of debt securities, we may elect to have our obligations as the issuer of a series of debt securities released with respect to covenants relating to that series of debt securities. Thereafter, any failure to comply with those obligations will not constitute a default or event of default with respect to the debt securities of that series. If such a release of our covenants occurs, our failure to perform or our breach of the covenants or warranties defeased will no longer constitute an event of default with respect to those debt securities.

To exercise the right to either of the rights we describe above, certain conditions must be met, including:

8

- . the issuer of the affected debt securities must irrevocably deposit with the trustee, in trust for the debt security holders' benefit, cash in U.S. dollars, certain United States government securities, or a combination thereof, in amounts sufficient to pay the principal of and interest on all of the then outstanding debt securities to be affected by the defeasance at their stated maturity;
- . the trustee must receive an opinion of counsel confirming that the holders of the outstanding debt securities will not recognize income, gain or loss for federal income tax purposes as a result of that defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if that defeasance had not occurred, which opinion, in the case of the type of defeasance first described above only, will be based on a ruling of the Internal Revenue Service or a change in federal income tax law to that effect occurring after the date of the indenture;
- . no default or event of default exists on the date of such deposit, subject to certain exceptions; and
- . the trustee must receive an opinion of counsel to the effect that, after the 91st day following the deposit, the trust funds will not be part of any "estate" formed by the bankruptcy or reorganization of the party depositing those funds with the trustee or subject to the "automatic stay" under the United States Bankruptcy Code or, in the

Edgar Filing: WAL MART STORES INC - Form S-3

case of covenant defeasance, will be subject to a first priority lien in favor of the trustee for the benefit of the holders.

Satisfaction and Discharge

If we and our finance subsidiaries that are also parties to the indenture so request, the indenture will cease to be of further effect, other than as to certain rights of registration of transfer or exchange of the notes, as provided for in the indenture, and the trustee, at our expense, will execute proper instruments acknowledging satisfaction and discharge of the indenture, the debt securities and any guarantees then outstanding when:

- . either all the debt securities previously authenticated and delivered under the indenture, other than destroyed, lost or stolen securities that have been replaced or paid and notes that have been subject to defeasance, have been delivered to the trustee for cancellation; or
- . all of the securities issued under the indenture not previously delivered to the trustee for cancellation have become due and payable, will become due and payable at their stated maturity within 60 days or will become due and payable at redemption within 60 days under arrangements satisfactory to the trustee for the giving of notice of redemption by the trustee in our name and expense; and
- . in each of the foregoing cases, each issuer of the affected debt securities has irrevocably deposited or caused to be deposited with the trustee cash in U.S. dollars, certain United States government securities, or a combination thereof, in trust for the purpose and in an amount sufficient to pay and discharge the entire indebtedness arising under the debt securities issued pursuant to the indenture not previously delivered to the trustee for cancellation, for principal, and premium, if any, on and interest on these securities to the date of such deposit (in the case of notes that have become due and payable) or to the stated maturity of these securities or redemption date, as the case may be;
- . we and the finance subsidiaries have paid or caused to be paid all sums payable under the indenture by us; and
- . we and the finance subsidiaries have delivered to the trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent provided in the indenture relating to the satisfaction and discharge of the indenture, the securities issued under the indenture have been complied with.

Modification of the Indenture

The indenture provides that, with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of each affected series, modifications and alterations of such indenture may be made which affect the rights of the holders of such debt securities. However, no such modification or alteration may be made without the consent of the holder of each debt security if the modification or alteration would, among other things:

- . change the maturity of the principal of, or of any installment of interest on, any debt security, or reduce the principal amount of any debt security, or change the method of calculation of interest or the currency of payment of principal or interest on, or reduce the minimum rate of interest thereon, or impair the right to institute suit for the enforcement of any such payment on or with respect to any such debt security; or

- . reduce the above-stated percentage in principal amount of outstanding debt securities required to modify or alter such indenture.

The trustee and we, without the consent of the holders of the debt securities, may execute an indenture or supplemental indentures to:

- . evidence the succession of another corporation to us and the successor's assumption to our respective agreements and obligations with respect to the debt securities and the indenture;
- . add to our covenants further restrictions or conditions that our board of directors and the trustee consider to be for the protection of holders of all or any series of the debt securities and to make the occurrence of a default in any of those additional covenants, restrictions or conditions a default or an event of default under the indenture subject to certain limitations;
- . cure ambiguities or correct or supplement any provision contained in the indenture or any supplemental indenture that may be defective or inconsistent with another provision;
- . provide for the issuance of debt securities whether or not then outstanding under the indenture in coupon form and to provide for exchangeability of the coupon form securities with other debt securities issued under the indenture in fully registered form;
- . establish new series of debt securities and the form or terms of such series of debt securities and to provide for the issuance of securities of any series so established; and
- . evidence and provide for the acceptance of appointment of a successor trustee and to change the indenture as necessary to have more than one trustee under the indenture.

Amalgamation, Consolidation, Merger or Sale of Assets

The indenture provides that we may, without the consent of the holders of any of the outstanding debt securities of any series, amalgamate, consolidate with, merge into or transfer our assets substantially as an entirety to any person, provided that:

- . any successor to us assumes our obligations on the debt securities and under the indenture;
- . any successor to us must be an entity incorporated or organized under the laws of the United States;
- . after giving effect thereto, no event of default, as defined in the indenture, shall have occurred and be continuing; and
- . certain other conditions under the indenture are met. Any such amalgamation, consolidation, merger or transfer of assets substantially as an entirety that meets the conditions described above would not create any default or event of default that would entitle holders of the debt securities or the trustee, on their behalf, to take any of the actions described above under "Events of Default and Waiver."

Edgar Filing: WAL MART STORES INC - Form S-3

Debt and Lien Incurrence

The indenture and the debt securities do not contain any provision that would limit our right to incur other indebtedness, enter into any sale and leaseback transaction or grant liens on our assets.

The Indenture Trustee

Bank One Trust Company, NA is the trustee under the indenture governing the debt securities and will also be the registrar and paying agent. The trustee is a national banking association with its principal offices in Chicago, Illinois.

The trustee has two main roles under the indenture. First, the trustee can enforce your rights against us if any of the actions described above under "Events of Default and Waiver," occurs. Second, the trustee performs certain administrative duties for us. The trustee is entitled, subject to the duty of the trustee during a default to act with the required standard of care, to be indemnified by the holders of the debt securities before proceeding to exercise any right or power under the indenture at the request of those holders. The indenture provides that the holders of a majority in principal amount of the debt securities may direct, with regard to that series, the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or

10

power conferred on the trustee, with respect to the debt securities, although the trustee may decline to act if that direction is contrary to law or if the trustee determines in good faith that the proceeding so directed would be illegal or would result in personal liability to it.

Bank One Trust Company, NA also serves as trustee under an indenture, dated as of April 1, 1991, between it and us. As of May 31, 2001, we had issued a total of \$17.46 billion of our senior unsecured securities under that indenture as supplemented through the date of this offering memorandum. Bank One Trust Company, NA also serves as trustee under an indenture, dated as of December 1, 1986, covering secured bonds issued in the aggregate principal amount of \$137,082,000 by the owner trustees of approximately 24 SAM'S Clubs store properties that are leased to one of our subsidiaries. Bank One Leasing Corporation, an affiliate of Bank One Trust Company, NA established a business trust that purchased 15 Wal-Mart discount stores for \$53,661,785 and leased the stores back to us for an initial term of 20 years in a transaction consummated on December 22, 1992. On November 10, 1994, a second business trust of which Bank One Leasing Corporation is a beneficiary purchased an additional 23 Wal-Mart discount stores for \$128,842,500 and leased the stores back to us for an initial term of 20 years. Bank One Trust Company, NA also serves as trustee under an indenture, dated as of April 27, 2001 between Wal-Mart Canada Venture Corp., one of our subsidiaries, us, as guarantor, and Bank One Trust Company, NA, as the indenture trustee. On April 27, 2001, Wal-Mart Canada Venture Corp. issued a total of \$325,000,000 of its senior unsecured debt securities under that indenture that are guaranteed by us.

We expect to maintain banking relationships in the ordinary course of business with Bank One, NA, an affiliate of Bank One Trust Company, NA.

When we sell a particular series of the debt securities, we will provide a prospectus supplement describing the specific terms and conditions of that series of debt securities, including:

- . the public offering price;

The particular prospectus supplement may also contain important information about U. S. federal income tax consequences and, in certain circumstances, consequences under other countries' tax laws to which you may become subject if you acquire the debt securities being offered by that prospectus supplement. The prospectus supplement may also update or change information contained in this prospectus.

SPECIAL NOTE REGARDING FORWARD-LOOKING STATEMENTS

This prospectus includes and incorporates by reference certain statements that may be deemed to be "forward-looking statements" within the meaning of the Private Securities Litigation Reform Act of 1995. Forward-looking statements may be included, for example, under "Wal-Mart Stores, Inc." and "Use of Proceeds," and in certain portions of Wal-Mart's reports and other information incorporated in this prospectus by reference. These forward-looking statements may include statements that address activities, events or developments that Wal-Mart expects or anticipates will or may occur in the future, including:

- . future operations and other similar matters.

Edgar Filing: WAL MART STORES INC - Form S-3

Although we and Wal-Mart believe the expectations expressed in the forward-looking statements are based on reasonable assumptions within the bounds of Wal-Mart's knowledge of its business, a number of factors could cause actual results to differ materially from those expressed in any forward-looking statements, whether oral or written, made by us or Wal-Mart or on our or its behalf. Many of these factors have previously been identified in filings or statements made by Wal-Mart or on its behalf.

Wal-Mart's business operations are subject to factors outside its control. Any one, or a combination, of these factors could materially affect Wal-Mart's financial performance. These factors include:

- . the costs of goods;

Forward-looking statements that we or Wal-Mart make or that are made by others on our or Wal-Mart's behalf are based on a knowledge of Wal-Mart's business and the environment in which it operates, but because of the factors listed above, actual results may differ from those in the forward-looking statements. Consequently, all of the forward-looking statements made are qualified by these cautionary statements. Neither Wal-Mart nor we can assure you that the actual results or developments anticipated by Wal-Mart will be realized or, even if substantially realized, that they will have the expected consequences to or effects on Wal-Mart or on its business or operations. Prospective investors are cautioned not to place undue reliance on these forward-looking statements, which speak only as of their dates. Neither Wal-Mart nor we assume any obligation to update any of the forward-looking statements.

RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth the ratio of earnings to fixed charges for Wal-Mart, for the periods indicated:

For the purpose of computing Wal-Mart's ratios of earnings to fixed charges, we have defined "earnings" to mean Wal-Mart's earnings before income taxes and fixed charges, excluding capitalized interest and earnings attributable to minority interests owned by others in Wal-Mart's subsidiaries.

- . We have also defined "fixed charges" to mean:
- . the interest that Wal-Mart pays; plus
- . the capitalized interest that Wal-Mart shows on its accounting records; plus
- . the portion of the rental expense for real and personal property that Wal-Mart believes represents the interest factor in those rentals.

We have not disclosed Wal-Mart's ratios of earnings to fixed charges and preferred stock dividends because Wal-Mart does not have any shares of preferred stock outstanding.

USE OF PROCEEDS

Except as we otherwise specifically describe in an applicable prospectus supplement, we will use the net proceeds from the sale of the debt securities to finance the operations and expansion activities of foreign operating subsidiaries of Wal-Mart. Before we apply the net proceeds to one or more of these uses, we may invest those net proceeds in short-term marketable securities.

We may also incur from time to time additional debt other than through the offering of debt securities under this prospectus.

DESCRIPTION OF THE DEBT SECURITIES

We will issue the debt securities in one or more series under an indenture, dated as of July 5, 2001, among Wal-Mart Stores, Inc., the finance subsidiaries and Bank One Trust Company, NA, as the indenture trustee.

The indenture is a contract between Wal-Mart, the trustee and each of the finance subsidiaries. The trustee has two main roles. First, the trustee can enforce your rights against us if an "event of default," as that term is described below, occurs under the indenture in relation to debt securities we have issued and against Wal-Mart pursuant to the guarantee if it fails to perform its obligations under the guarantees of the debt securities. Second, the trustee performs certain administrative duties for Wal-Mart and us.

We have summarized below material provisions of the debt securities that we will offer and sell pursuant to this prospectus and material provisions of the indenture. However, you should understand that this is only a summary, and we have not described all of the provisions of the indenture. Wal-Mart and we have filed the indenture with the SEC, and we suggest that you read the indenture. We are incorporating by reference the provisions of the indenture referred to in the following summary, whether by reference to articles, sections or defined terms. The summary is qualified in its entirety by those provisions of the indenture.

We will describe the particular terms and conditions of any series of debt

Edgar Filing: WAL MART STORES INC - Form S-3

securities offered in the applicable prospectus supplement. The prospectus supplement, which we will file with the SEC, may or may not modify the general terms found in this prospectus. For a complete description of any series of debt securities, you should read both this prospectus and the prospectus supplement relating to that series of debt securities.

5

General

As a holder of debt securities issued under the indenture, you will be one of our unsecured creditors and will have a right to payment equal to that of our other unsecured creditors.

The debt securities offered by this prospectus, when aggregated with the debt securities offered by Wal-Mart through the separate prospectus filed under the registration statement of which this prospectus is a part, will be limited to a total of \$6,000,000,000, or the equivalent amount in any non-U.S. currency. The indenture, however, does not limit the amount of debt securities that may be issued under it and provides that debt securities may be issued under it from time to time in one or more series.

With respect to each particular series of debt securities offered by this prospectus, a prospectus supplement will describe the following terms of that series of debt securities:

- . the title of the series;
- . the maximum aggregate principal amount, if any, established for debt securities of the series;
- . the maximum aggregate initial public offering price, if any, established for the debt securities of the series;
- . the date or dates on which the principal will be paid;
- . the conditions pursuant to which, and the times at which, any premium on the debt securities of the series will be paid;
- . the annual rate or rates, if any, at which the debt securities of the series shall bear interest, or the method or methods by which the rate or rates, if any, at which the debt securities of the series shall bear interest may be determined;
- . the date or dates from which interest, if any, shall accrue;
- . the dates on which any accrued interest shall be payable and the record dates for the interest payment dates;
- . the percentage of the principal amount at which the debt securities of the series will be issued, and if less than face amount, the portion of the principal amount that will be payable upon acceleration of those debt securities' maturity or at the time of any prepayment of those debt securities or the method for determining that amount;
- . whether we may prepay the debt securities of the series in whole or part and, if so, the time or times at which any such prepayment may be made, whether the prepayment may be made in whole or may be made in part from time to time and the terms and

Edgar Filing: WAL MART STORES INC - Form S-3

conditions on which such prepayment may be made, including the obligation to pay any premium or any other make-whole amount in connection with any prepayment;

- . the office or offices or agency where the debt securities of the series may be presented for registration of transfer or exchange;
- . the place or places where the principal of, premium, if any, and interest, if any, on debt securities of the series will be paid;
- . whether we will have the right to redeem or repurchase the debt securities of the series, in whole or in part, at our option, when those redemptions or repurchases may be made, the redemption or repurchase price or the method or methods for determining the redemption or repurchase price, and any other terms and conditions relating to any such redemption or repurchase by us;

6

- . whether, when, on what terms and at whose option we will be obligated to redeem or repurchase the debt securities of the series in whole or part at any time pursuant to any sinking fund or analogous provisions or without the benefit of any sinking fund or analogous provisions, and any redemption or repurchase price or the method for determining any redemption or repurchase price;
- . if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which we will issue debt securities of the series;
- . the currency in which we will pay principal, any premium, interest or other amounts owing with respect to the debt securities of the series, which may be United States dollars, a foreign currency or a composite currency;
- . any index, formula or other method that we must use to determine the amount of any payment of principal, any premium or interest on the debt securities of the series;
- . whether, and under what conditions, we will be required to pay any additional amounts;
- . whether the debt securities of the series will be issued in certificated or book-entry form;
- . any addition to or change in the events of default with respect to, or covenants relating to, the debt securities in the series;
- . whether the debt securities of the series will be subject to defeasance as provided in the indenture; and
- . any other specific terms and conditions of the series of debt securities.

If we sell any series of debt securities for, that we may pay in, or that are denominated in, one or more foreign currencies, currency units or composite currencies, we will disclose any material applicable restrictions, elections, tax consequences, specific terms and other information with respect to that series of debt securities and the relevant currencies, currency units or

Edgar Filing: WAL MART STORES INC - Form S-3

composite currencies in the prospectus supplement relating to the offer of that series.

We may also offer and sell a series of the debt securities as original issue discount securities, bearing no interest or interest at a rate that at the time of issuance is below market rates, or at a substantial discount below their stated principal amount. We will describe the tax consequences and other special considerations applicable to any original issue discount securities of that kind described in the prospectus supplement relating to that series.

7

Events of Default and Waiver

An event of default with respect to debt securities of a series issued will occur if:

- . we fail to pay interest on any outstanding debt securities when it is due and payable and that failure continues for 30 days;
- . we fail to pay principal on any outstanding debt securities when it is due and payable;
- . we fail to perform or we breach any covenant or warranty in the indenture with respect to any debt securities outstanding or we fail to perform or breach any covenant or warranty particular to a series of debt securities and that failure continues for 90 days after we receive written notice of that default; and
- . certain events of bankruptcy, insolvency or reorganization occur with respect to us.

If an event of default with respect to any series of outstanding debt securities occurs and is continuing, the trustee or the holders of not less than 25% in aggregate principal amount of that series of outstanding debt securities may declare the principal amount of the outstanding debt securities of that series to be immediately due and payable. The holders of a majority in aggregate principal amount of the outstanding debt securities of a series may waive an event of default resulting in acceleration of the debt securities of that series, but only if all other events of default with respect to the debt securities of that series have been remedied or waived and all payments due with respect to that series of debt securities, other than those due as a result of acceleration, have been made. If an event of default occurs and is continuing with respect to the debt securities of a series, the trustee may, in its discretion, and at the written request of holders of not less than a majority in aggregate principal amount of the outstanding debt securities of that series and upon reasonable indemnity against the costs, expenses and liabilities to be incurred in compliance with such request and subject to certain other conditions set forth in the indenture shall, proceed to protect the rights of the holders of the debt securities of that series. Prior to any acceleration of the maturity of the debt securities of a series, the holders of a majority in aggregate principal amount of the debt securities of that series may waive any past default under the indenture except a default in the payment of principal of, or interest on, those debt securities.

The indenture provides that upon the occurrence of an event of default described in the first two bullet points in the first paragraph under "Events of Default and Waiver" with respect to a series of debt securities, we will, upon the trustee's demand, pay to the trustee for the benefit of the holders of the outstanding debt securities of that series, the whole amount then due and payable on the debt securities of that series for principal and interest. The

Edgar Filing: WAL MART STORES INC - Form S-3

indenture also provides that if we fail to pay such amount forthwith upon such demand, the trustee may, among other things, institute a judicial proceeding for the collection of those amounts.

The indenture provides that, notwithstanding any other provision of the indenture, the holder of any debt securities of a series shall have the right to institute suit for the enforcement of any payment of principal of, and interest on, the debt securities of that series when due and that such right shall not be impaired without the consent of that holder.

The trustee is required, within 90 days after the occurrence of a default with respect to the debt securities of a series, to give to the holders of the debt securities of that series notice of all uncured defaults known to it. However, except in the case of default in the payment of principal or interest on any of the debt securities of that series, the trustee will be protected in withholding that notice if the trustee in good faith determines that the withholding of that notice is in the interest of the holders of the debt securities of that series. The term "default," for the purpose of this provision only, means the occurrence of any of the events of default specified above excluding any grace periods.

We are required to file annually with the applicable trustee a written statement as to the existence or non-existence of defaults under the indenture or any series of debt securities.

Legal Defeasance and Covenant Defeasance

We, the other finance subsidiaries and Wal-Mart may, at our collective option and at any time, elect to have all of the obligations discharged with respect to the outstanding debt securities and any guarantee of those debt securities, except for:

- . the rights of holders of debt securities to receive payments of principal and interest from the trust referred to below when those payments are due;
- . our obligations respecting the debt securities concerning issuing temporary notes, registration of transfers of debt securities, mutilated, destroyed, lost or stolen debt securities, the maintenance of an office or agency for payment and money for debt security payments being held in trust;
- . the rights, powers, trusts, duties and immunities of the trustee and our obligations in connection therewith; and

8

- . the provisions of the indenture relating to such a discharge of obligations.

We refer to such a discharge as "defeasance."

In addition, other than our covenant to pay the amounts due and owing with respect to a series of debt securities, we may elect to have our obligations as the issuer of a series of debt securities released with respect to covenants relating to that series of debt securities. Thereafter, any failure to comply with those obligations will not constitute a default or event of default with respect to the debt securities of that series. If such a release of our covenants occurs, our failure to perform or our breach of the covenants or warranties defeased will no longer constitute an event of default with respect to those debt securities.

Edgar Filing: WAL MART STORES INC - Form S-3

To exercise either of the rights we describe above, certain conditions must be met, including:

- . the issuer of the affected debt securities must irrevocably deposit with the trustee, in trust for the debt security holders' benefit, cash in U.S. dollars, certain United States government securities, or a combination thereof, in amounts sufficient to pay the principal of and interest on all of the then outstanding debt securities to be affected by the defeasance at their stated maturity;
- . the trustee must receive an opinion of counsel confirming that the holders of the outstanding debt securities will not recognize income, gain or loss for federal income tax purposes as a result of that defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if that defeasance had not occurred, which opinion, in the case of the type of defeasance first described above only, will be based on a ruling of the Internal Revenue Service or a change in federal income tax law to that effect occurring after the date of the indenture;
- . no default or event of default exists on the date of such deposit, subject to certain exceptions; and
- . the trustee must receive an opinion of counsel to the effect that, after the 91st day following the deposit, the trust funds will not be part of any "estate" formed by the bankruptcy or reorganization of the party depositing those funds with the trustee or subject to the "automatic stay" under the United States Bankruptcy Code or, in the case of covenant defeasance, will be subject to a first priority lien in favor of the trustee for the benefit of the holders.

Satisfaction and Discharge

If we, Wal-Mart and the other finance subsidiaries so request, the indenture will cease to be of further effect, other than as to certain rights of registration of transfer or exchange of any debt securities, as provided for in the indenture, and the trustee, at the joint expense of Wal-Mart and the finance subsidiaries, will execute proper instruments acknowledging satisfaction and discharge of the indenture, the debt securities and the related guarantees when:

- . either all the debt securities previously authenticated and delivered under the indenture, other than destroyed, lost or stolen securities that have been replaced or paid and debt securities that have been subject to defeasance, have been delivered to the trustee for cancellation; or
- . all of the securities issued under the indenture not previously delivered to the trustee for cancellation have become due and payable, will become due and payable at their stated maturity within 60 days or will become due and payable at redemption within 60 days under arrangements satisfactory to the trustee for the giving of notice of redemption by the trustee in our name and expense; and
- . in each of the foregoing cases, each issuer of the affected debt securities pursuant to the indenture have irrevocably deposited or caused to be deposited with the trustee cash in U.S. dollars, certain United States government securities, or a combination thereof, in trust for the purpose and in an amount sufficient to pay and discharge the entire indebtedness arising under the debt securities issued by them pursuant to the indenture and not previously delivered to the

Edgar Filing: WAL MART STORES INC - Form S-3

trustee for cancellation, for principal, and premium, if any, on and interest on these securities to the date of such deposit (in the case of notes that have become due and payable) or to the stated maturity of these securities or redemption date, as the case may be;

- . Wal-Mart and those of the finance subsidiaries with any debt securities outstanding under the indenture have paid or caused to be paid all sums payable under the indenture by them; and

9

- . each of Wal-Mart and the finance subsidiaries have delivered to the trustee an officers' certificate and an opinion of counsel, each stating that all conditions precedent provided in the indenture relating to the satisfaction and discharge of the indenture, the securities issued under the indenture have been complied with.

Modification of the Indenture

The indenture provides that, with the consent of the holders of not less than a majority in aggregate principal amount of the outstanding debt securities of each affected series, modifications and alterations of such indenture may be made which affect the rights of the holders of such debt securities. However, no such modification or alteration may be made without the consent of the holder of each debt security if the modification or alteration would, among other things:

- . change the maturity of the principal of, or of any installment of interest on, any debt security, or reduce the principal amount of any debt security, or change the method of calculation of interest or the currency of payment of principal or interest on, or reduce the minimum rate of interest thereon, or impair the right to institute suit for the enforcement of any such payment on or with respect to any such debt security; or
- . reduce the above-stated percentage in principal amount of outstanding debt securities required to modify or alter such indenture.

The trustee, Wal-Mart and the finance subsidiaries, without the consent of the holders of the debt securities, may execute an indenture or supplemental indentures to:

- . evidence the succession of another corporation to Wal-Mart or any of the finance subsidiaries and the successor's assumption to pertinent party's respective agreements and obligations with respect to the debt securities and the indenture;
- . add to covenants further restrictions or conditions that the board of directors of the issuer of particular debt securities and the trustee consider to be for the protection of holders of all or any of that series of the debt securities and to make the occurrence of a default in any of those additional covenants, restrictions or conditions a default or an event of default under the indenture subject to certain limitations;
- . cure ambiguities or correct or supplement any provision contained in the indenture or any supplemental indenture that may be defective or inconsistent with another provision;
- . provide for the issuance of debt securities whether or not then outstanding under the indenture in coupon form and to provide for

Edgar Filing: WAL MART STORES INC - Form S-3

exchangeability of the coupon form securities with other debt securities issued under the indenture in fully registered form;

- . establish new series of debt securities and the form or terms of such series of debt securities and to provide for the issuance of securities of any series so established; and
- . evidence and provide for the acceptance of appointment of a successor trustee and to change the indenture as necessary to have more than one trustee under the indenture.

10

Amalgamation, Consolidation, Merger or Sale of Assets

The indenture provides that Wal-Mart or we may, without the consent of the holders of any of the outstanding debt securities, amalgamate, consolidate with, merge into or transfer our assets substantially as an entirety to any person, provided that:

- . any successor to us assumes our obligations on the debt securities and under the indenture or any successor to Wal-Mart assumes Wal-Mart's obligations under the guarantees and the indenture;
- . any successor to us must be an entity incorporated or organized under the laws of the United States or the jurisdiction in which it is organized immediately prior to the event, and that any successor to Wal-Mart must be incorporated under the laws of the United States;
- . after giving effect thereto, no event of default, as defined in the indenture, shall have occurred and be continuing; and
- . certain other conditions under the indenture are met. Any such amalgamation, consolidation, merger or transfer of assets substantially as an entirety that meets the conditions described above would not create any event of default or default which would entitle holders of the debt securities or the trustee, on their behalf, to take any of the actions described above under "Events of Default and Waiver."

Debt and Lien Incurrence

The indenture and the debt securities do not contain any provision that would limit our right to incur other indebtedness, enter into any sale and leaseback transaction or grant liens on our assets.

The Indenture Trustee

Bank One Trust Company, NA is the trustee under the indenture governing the debt securities and will also be the registrar and paying agent. The trustee is a national banking association with its principal offices in Chicago, Illinois.

The trustee has two main roles under the indenture. First, the trustee can enforce your rights against us or Wal-Mart if any of the actions described above under "Events of Default and Waiver" occur. Second, the trustee performs certain administrative duties for us. The trustee is entitled, subject to the duty of the trustee during a default to act with the required standard of care, to be indemnified by the holders of the debt securities before proceeding to exercise any right or power under the indenture at the request of those holders. The indenture provides that the holders of a majority in principal amount of the

Edgar Filing: WAL MART STORES INC - Form S-3

debt securities may direct, with regard to that series, the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any trust or power conferred on the trustee, with respect to the debt securities, although the trustee may decline to act if that direction is contrary to law or if the trustee determines in good faith that the proceeding so directed would be illegal or would result in personal liability to it.

Bank One Trust Company, NA also serves as trustee under an indenture, dated as of April 1, 1991, between it and Wal-Mart. As of May 31, 2001, Wal-Mart had issued a total of \$17.46 billion of its senior unsecured securities under that indenture as supplemented through the date of this offering memorandum. Bank One Trust Company, NA also serves as trustee under an indenture, dated as of December 1, 1986, covering secured bonds issued in the aggregate principal amount of \$137,082,000 by the owner trustees of approximately 24 SAM'S Clubs store properties that are leased to a subsidiary of Wal-Mart. Bank One Leasing Corporation, an affiliate of Bank One Trust Company, NA established a business trust that purchased 15 Wal-Mart discount stores for \$53,661,785 and leased the stores back to Wal-Mart for an initial term of 20 years in a transaction consummated on December 22, 1992. On November 10, 1994, a second business trust of which Bank One Leasing Corporation is a beneficiary purchased an additional 23 Wal-Mart discount stores for \$128,842,500 and leased the stores back to Wal-Mart for an initial term of 20 years. Bank One Trust Company, NA also serves as trustee under an indenture, dated as of April 27, 2001 between it, Wal-Mart, as guarantor, and Wal-Mart Canada Venture Corp., one of Wal-Mart's subsidiaries. On April 27, 2001, Wal-Mart Canada Venture Corp. issued a total of \$325 million of its senior unsecured debt securities under that indenture that are guaranteed by Wal-Mart.

Wal-Mart expects to maintain banking relationships in the ordinary course of business with Bank One, NA, an affiliate of Bank One Trust Company, NA. One or more of the Finance Subsidiaries may maintain banking relationships in the ordinary course of business with Bank One, NA.

DESCRIPTION OF THE GUARANTEES

The following discussion contains a description of the material provisions of the guarantee and is subject to, and is qualified in its entirety by reference to, the guarantee agreement and to the Trust Indenture Act. We urge you to read the form of guarantee agreement that is filed as an exhibit to the registration statement of which this prospectus forms a part. Wal-Mart will unconditionally and irrevocably guarantee the payment of all principal and interest on the debt securities. The guarantees will constitute general unsecured, unsubordinated obligations of Wal-Mart, which will be equal in right of payment with the existing and future senior, unsecured, unsubordinated debt of Wal-Mart. In general, the guarantee provides that if we fail to pay any interest payment or the principal when it is due and payable, Wal-Mart will, without action by the trustee or any holder of the debt securities, pay the amount of the interest payment or the principal then due. The guarantee will not require the holders of the debt securities to take any action or institute any proceeding against us in order to demand or receive payments under the terms of the guarantee. Although upon making any such payment, Wal-Mart will be subrogated to the rights of the holders of the debt securities against us for any payment of interest or principal we fail to make, Wal-Mart will not be entitled to make a claim against us with respect to those rights until the debt securities have been paid in full.

TAX CONSEQUENCES TO HOLDERS

A prospectus supplement may describe the principal income tax

Edgar Filing: WAL MART STORES INC - Form S-3

consequences of acquiring, owning and disposing of debt securities of some series in the following circumstances:

- . payment of the principal, interest and any premium in a currency other than the U. S. dollar;
- . the issuance of any debt securities with "original issue discount," as defined for U. S. federal income tax purposes;
- . the issuance of any debt securities with an associated "bond premium," as defined for U.S federal income tax purposes; and
- . the inclusion of any special terms in debt securities that may have a material effect for U. S. federal income tax purposes.

In addition, if the tax laws of foreign countries are material to a particular series of debt securities, a prospectus supplement may describe the principal income tax consequences of acquiring, owning and disposing of debt securities of some series under similar circumstances.

If we use an underwriter or underwriters in the sales, we and Wal-Mart will execute an underwriting agreement with those underwriters at the time of sale of the debt securities and the name of the underwriters will be set forth in the prospectus supplement, which will be used by the underwriters to make resales of the debt securities in respect of which this prospectus is delivered to the public. The compensation of any underwriters will also be set forth in the prospectus supplement.

Underwriters, dealers, agents and other persons may be entitled, under agreements that may be entered into with us, to indemnification by us against certain civil liabilities, including liabilities under the Securities Act of 1933, or to our contributing to payments those underwriters, dealers, agents and other persons are required to make.

ITEM 15. INDEMNIFICATION OF DIRECTORS AND OFFICERS

WAL-MART STORES, INC.

Wal-Mart Stores, Inc.'s By-Laws provide that each person who was or is made a party to, or is involved in, any action, suit or proceeding by reason of the fact that he or she was a director or officer of the Wal-Mart Stores, Inc. (or was serving at the request of the Wal-Mart Stores, Inc. as a director, officer, employee or agent for another entity) will be indemnified and held harmless by the Wal-Mart Stores, Inc., to the full extent authorized by the Delaware General Corporation Law (the "DGCL").

DGCL Section 145 provides, among other things, that the Wal-Mart Stores, Inc. may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending, or completed action, suit, or proceeding (other than an action by or in the right of the Wal-Mart Stores, Inc.) by reason of the fact that the person is or was a director, officer, agent, or employee of the Wal-Mart Stores, Inc. or is or was serving at the Wal-Mart Stores, Inc.'s request as a director, officer, agent, or employee of another corporation, partnership, joint venture, trust, or other enterprise, against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by the person in connection with such action, suit, or proceeding. The power to indemnify applies only if such person acted in good faith and in a manner he reasonably believed to be in the best interest, or not opposed to the best interest, of the Wal-Mart Stores, Inc., and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful.

The power to indemnify applies to actions brought by or in the right of the Wal-Mart Stores, Inc. as well, but only to the extent of defense expenses (including attorneys' fees but excluding amounts paid in settlement) actually and reasonably incurred and not to any satisfaction of a judgment or settlement of the claim itself, and with the further limitation that in such actions no indemnification shall be made in the event of any adjudication of liability to the Wal-Mart Stores, Inc., unless the court believes that in light of all the circumstances indemnification should apply.

To the extent a present or former director or officer of the Wal-Mart Stores, Inc. is successful on the merits or otherwise in defense of any action, suit, or proceeding described in the preceding two paragraphs, such person is entitled, pursuant to DGCL Section 145, to indemnification against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

The Wal-Mart Stores, Inc.'s Certificate of Incorporation provides that to the fullest extent permitted by Delaware General Corporation Law as the same exists or may hereafter be amended, a director of the Wal-Mart Stores, Inc. shall not be liable to the Wal-Mart Stores, Inc. or its stockholders for monetary damages for breach of fiduciary duty as a director. The Delaware General Corporation Law permits Delaware corporations to include in

II-1

their certificates of incorporation a provision eliminating or limiting director liability for monetary damages arising from breaches of their fiduciary duty. The only limitations imposed under the statute are that the provision may not eliminate or limit a director's liability (i) for breaches of the director's

Edgar Filing: WAL MART STORES INC - Form S-3

duty of loyalty to the corporation or its stockholders, (ii) for acts or omissions not in good faith or involving intentional misconduct or known violations of law, (iii) for the payment of unlawful dividends or unlawful stock purchases or redemptions, or (iv) for transactions in which the director received an improper personal benefit.

The Wal-Mart Stores, Inc. is insured against liabilities that it may incur by reason of its indemnification of officers and directors in accordance with its By-Laws. In addition, directors and officers are insured, at the Wal-Mart Stores, Inc.'s expense, against certain liabilities that might arise out of their employment and are not subject to indemnification under the By-Laws.

The foregoing summaries are necessarily subject to the complete text of the statute, Certificate of Incorporation, By-Laws and agreements referred to above and are qualified in their entirety by reference thereto.

ITEM 17. UNDERTAKINGS

(a) Each undersigned registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this Registration statement:

Edgar Filing: WAL MART STORES INC - Form S-3

(i) To include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) To reflect in the Prospectus any facts or events arising after the effective date of the Registration Statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the Registration Statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar amount of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated offering range may be reflected in the form of a prospectus filed with the Commission pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20 percent change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective Registration Statement;

(iii) To include any material information with respect to the plan of distribution not previously disclosed in the Registration Statement or any material change to such information in the Registration Statement.

(2) That, for the purpose of determining any liability under the Securities Act of 1933, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(b) Each undersigned registrant hereby undertakes that, for purposes of determining any liability under the Securities Act of 1933, each filing of Wal-Mart's annual report pursuant to Section 13(a) or 15(d) of the Securities Exchange Act of 1934 (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Securities Exchange Act of 1934) that is incorporated by reference in the Registration Statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

II-4

(c) Insofar as indemnification for liabilities arising under the Securities Act of 1933 may be permitted to directors, officers and controlling persons of the registrant pursuant to the foregoing provisions, or otherwise, the registrant has been advised that in the opinion of the Securities and Exchange Commission such indemnification is against public policy as expressed in the Securities Act of 1933 and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel in the

Edgar Filing: WAL MART STORES INC - Form S-3

matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act of 1933 and will be governed by the final adjudication of such issue.

(d) Each undersigned Registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act of 1933, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b) (1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act of 1933, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at the time shall be deemed to be the initial bona fide offering thereof.
