PROXY STATEMENT

QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why did I receive these proxy materials?

We are providing these proxy materials in connection with the solicitation by the Board of Directors (the “Board”) of Merge Healthcare Incorporated (“Merge Healthcare,” the “Company,” “we,” “us” or “our”), a Delaware corporation, of proxy to be voted at our 2009 Annual Meeting of Shareholders and at any adjournment or postponement thereof.

You are invited to attend the Annual Meeting of Shareholders. It takes place on June 12, 2009, beginning at 10:00 a.m., Central Daylight Time, at the Company’s headquarters located at 6737 West Washington Street, Suite 2250, Milwaukee, Wisconsin 53214-5650.

This Notice of Annual Meeting and Proxy Statement and form of proxy and voting instructions were first made available to shareholders on April 24, 2009.

Who is entitled to vote at the Annual Meeting?

Holders of Merge Healthcare Common Stock at the close of business on April 17, 2009, are entitled to receive notice of and to vote their shares at the Annual Meeting. As of that date, there were 56,772,006 shares of Common Stock outstanding. Each share of Common Stock is entitled to one vote on each matter properly brought before the Annual Meeting.

What is the difference between holding shares as a shareholder of record and as a beneficial owner?

If your shares are registered directly in your name with Merge Healthcare’s transfer agent, American Stock Transfer & Trust Company, you are the “shareholder of record” of those shares. This Notice of Annual Meeting and Proxy Statement and accompanying documents have been provided directly to you by Merge Healthcare.

If your shares are held in a stock brokerage account or by a bank or other holder of record, you are considered the “beneficial owner” of those shares. This Notice of Annual Meeting and Proxy Statement and the accompanying documents have been forwarded to you by your broker, bank or other holder of record. As a beneficial owner, you have the right to direct your broker, bank or other holder of record how to vote your shares by using the voting instruction card or by following their instructions for voting by telephone or on the Internet.

What can I do if I change my mind after I vote my shares?

If you are a shareholder of record, you can revoke your proxy before it is voted by (i) sending written notice of revocation to the Secretary of the Company bearing a date later than the date of the proxy; or (ii) properly exercising and dating a subsequent proxy relating to the shares of Common Stock that you want voted at the Annual Meeting; or (iii) voting by ballot at the Annual Meeting.

If you are a beneficial owner of shares, you may submit new voting instructions by following the instructions of your bank, broker or other holder of record.

All votes that have been properly cast and not revoked will be voted at the Annual Meeting.

~ 1 ~

If my shares are held in street name by my broker, will my broker vote my shares for me?

For beneficial shareholders, your broker will vote your shares only if the proposal is a matter on which your broker has discretion to vote or if you provide instructions on how to vote by following the instructions provided to you by your broker. Under applicable rules, brokers have the discretion to vote on routine matters, such as uncontested director elections and the ratification of the selection of accounting firms. For any matters that come before the Annual Meeting for which your broker is not permitted to exercise voting discretion, if you do not give your broker specific instructions, your shares will be considered “broker non–votes,” will not be voted on those matters and will not be considered as present and entitled to vote with respect to those matters. However, shares represented by such “broker non–votes” will be counted in determining whether there is a quorum present.

What shares are included on the proxy card?

If you are a shareholder of record you will receive only one proxy card for all the shares you hold in certificate and in book entry form. If you are a beneficial owner, you will receive voting instructions, and information regarding consolidation of your vote, from your bank, broker or other holder of record.

What are the voting requirements to elect the Directors and to approve each of the proposals discussed in this Proxy Statement?

- **Quorum for the Annual Meeting**

Under our Bylaws as adopted on October 14, 2008 (which we refer to as our “Bylaws”), the presence of the holders of a majority of the outstanding shares of Common Stock entitled to vote at the Annual Meeting, in person or represented by proxy, is necessary to constitute a quorum. Both abstentions and broker non–votes are counted in the number of shares present in person or represented by proxy for purposes of determining whether a quorum is present.

- **Election of Directors**

Under our Bylaws, directors must be elected by a plurality of votes cast. This means that the individuals with the largest number of votes are elected as directors up to the maximum number of directors to be chosen at the Annual Meeting. Abstentions and broker non–votes are not counted as votes “for” or “against” this proposal.

- **Ratification of BDO Seidman, LLP**

Under our Bylaws, the affirmative vote of a majority of the shares of Common Stock present in person or represented by proxy and entitled to vote is required to approve the ratification of BDO Seidman, LLP as our independent registered public accounting firm. Abstentions will have the effect of a no vote and broker non–votes will have no effect on the outcome of this proposal.

Could other matters be decided at the Annual Meeting?

At the date this Proxy Statement went to press, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement. If any other matters properly come before the meeting, it is the intention of the proxies named in the proxy to vote the shares represented thereby with respect to such matters in accordance with their best judgment.

Can I access the Notice of Annual Meeting and Proxy Statement and the 2008 Annual Report on Form 10-K on the Internet?

This Notice of Annual Meeting and Proxy Statement and the 2008 Annual Report on Form 10-K are available on our website at <http://www.merge.com/annualmeeting/>. Instead of receiving future copies of our proxy statement and accompanying materials by mail, most shareholders can elect to receive an e-mail that will provide electronic links to them. Opting to receive your proxy materials online will save us the cost of producing and mailing documents to your home or business.

Who will pay for the cost of this proxy solicitation?

To facilitate the collection of proxies, we may appoint a proxy solicitor at the standard industry rates. We will pay the cost of soliciting proxies, including the charges of brokers, banks and other holders of record for forwarding documents to you.

Who will count the votes?

Our transfer agent, American Stock Transfer & Trust Company, will tabulate the votes.

Whom should I call with other questions?

If you have additional questions about this Proxy Statement or the meeting or would like additional copies of this document or our 2008 Annual Report on Form 10-K, please contact: Merge Healthcare Incorporated, 6737 West Washington Street, Suite 2250, Milwaukee, Wisconsin 53214-5650, Attention: General Counsel and Corporate Secretary, Telephone (414) 977-4000.

How can I communicate with the Company's Board of Directors?

Shareholders who wish to communicate with our Board may send correspondence to our General Counsel and Corporate Secretary, Merge Healthcare Incorporated, 6737 West Washington Street, Suite 2250, Milwaukee, Wisconsin 53214-5650. Our General Counsel and Corporate Secretary will submit your correspondence to our Board or the appropriate Board committee, as applicable.

The Board has instructed the General Counsel and Corporate Secretary to review all communications so received, and to exercise her discretion not to forward to the Board correspondence that is inappropriate such as business solicitations, frivolous communications and advertising, routine business matters (i.e. business inquiries, complaints, or suggestions) and personal grievances. However, any Director may at any time request the General Counsel and Corporate Secretary to forward any and all communications received by the General Counsel and Corporate Secretary but not forwarded to the Directors.

How do I submit a shareholder proposal for the 2010 annual meeting?

If a shareholder wishes to have a proposal considered for inclusion in next year's proxy statement, he or she must submit the proposal in writing so that we receive it by December 28, 2009. Proposals should be addressed to our General Counsel and Corporate Secretary, Merge Healthcare Incorporated, 6737 West Washington Street, Suite 2250, Milwaukee, Wisconsin, 53214-5650. In addition, our Bylaws provide that any shareholder wishing to nominate directors or propose any other business at the annual meeting must give us written notice by no earlier than March 12, 2010 and no later than April 12, 2010. This notice must be sent to Merge Healthcare Incorporated, 6737 West Washington Street, Suite 2250, Milwaukee, Wisconsin 53214-5650; Attention: General Counsel and Corporate

Secretary. That notice must provide certain other information as described in our Bylaws. Copies of our Bylaws are available online at www.merge.com/about/governance.aspx or see “Availability of Documents” below.

~ 3 ~

What is “householding”?

We have adopted “householding,” a procedure under which shareholders of record who have the same address and last name and do not receive proxy materials electronically will receive only one copy of our annual report and proxy statement unless one or more of these shareholders notifies us that they wish to continue receiving individual copies. This procedure saves printing and postage costs by reducing duplicative mailings. Shareholders who participate in householding will continue to receive separate proxy cards. Beneficial shareholders can request information about householding from their banks, brokers, or other holders of record. If you participate in householding and wish to receive a separate copy of the 2008 Annual Report on Form 10-K and 2009 Notice of Meeting and Proxy Statement, or if you wish to receive separate copies of future annual reports and proxy statements, please call us at (414) 977-4000 or write to: Merge Healthcare Incorporated, 6737 West Washington Street, Suite 2250, Milwaukee, Wisconsin 53214-5650, Attention: General Counsel and Corporate Secretary. We will deliver the requested documents to you promptly upon your request.

SHAREHOLDER PROPOSAL ONE – ELECTION OF DIRECTORS

Board Size. It is the policy of the Company that the number of Directors not exceed a number that can function efficiently as a body. The Nominating and Governance Committee considers candidates to fill new positions created by expansion and vacancies that occur by resignation, by retirement or for any other reason. Our Bylaws provide that the number of Directors shall consist of no less than three (3) and no more than eleven (11) Directors. The specific number of Directors shall be fixed from time to time by our Board. Currently, the size of the Board shall is six (6) Directors.

Prior to the Merrick transaction in June of 2008, described more fully below under “Transactions with Related Persons,” our Board consisted of eleven (11) Directors: Robert A. Barish (Chairperson of Nominating and Governance Committee), Dennis Brown (Chairperson of Audit Committee), Michael D. Dunham (Chairman of the Board), Anna Marie Hajek (Chairperson of Compensation Committee), Robert T. Geras, Kevin E. Moley, Kevin G. Quinn, Ramamritham Ramkumar, Richard A. Reck, R. Ian Lennox and Kenneth D. Rardin.

On June 4, 2008, the closing date of the Merrick transaction, five (5) of the eleven (11) members of our Board, Michael D. Dunham, Robert A. Barish, Ramamritham Ramkumar, R. Ian Lennox and Kenneth D. Rardin, resigned from our Board. Our Board filled the vacancies created by such resignations by appointing the following individuals designated by Merrick to serve on our Board: Justin C. Dearborn, Michael W. Ferro, Jr., Gregg G. Hartemayer, Nancy J. Koenig and Neele E. Stearns, Jr. Mr. Stearns was also appointed to serve as chairperson of the Audit Committee, and Mr. Hartemayer was appointed to serve on the Nominating and Governance Committee and the Compensation Committee.

On August 19, 2008, the date of the 2008 Annual Meeting of Shareholders, a new Board was elected. On that date, the following individuals resigned: Ms. Hajek, Ms. Koenig, Mr. Moley and Mr. Quinn; and the Board voted to utilize seven (7) Directors pursuant to the provisions of its Bylaws.

On March 2, 2009, Mr. Geras resigned as a Director to pursue a consulting opportunity with our Company. Subsequently, the Board determined that it would operate with six (6) Directors consistent with the provisions of our Bylaws.

All six (6) current members of our Board are standing for reelection to hold office until the next Annual Meeting of Shareholders or as provided in our Bylaws. The individuals named as proxy voters in the accompanying proxy, or their substitutes, will vote for the following nominees with respect to all proxies we receive unless instructions to the contrary are provided. If any nominee becomes unavailable for any reason, the votes will be cast for a substitute nominee designated by our Board. Our Directors have no reason to believe that any of the nominees named below will be unable to serve if elected.

A plurality of votes cast is required for the election of Directors.

A plurality of the votes cast means that the individuals with the largest number of votes are elected as Directors up to the maximum number of Directors to be chosen at the Annual Meeting.

CORPORATE GOVERNANCE

Role and Composition of the Board of Directors

General. The Board, which is elected by the shareholders, is the ultimate decision-making body of the Company, except with respect to those matters reserved to the shareholders. It selects the Chief Executive Officer and other members of the senior management team, which senior management team is charged with the conduct of the Company's business. Having selected the senior management team, the Board acts as an advisor and counselor to senior management and ultimately monitors its performance. The function of the Board to monitor the performance of senior management is facilitated by the presence of outside Directors of stature who have substantive knowledge of the Company's business.

Our business, property and affairs are managed under the direction of our Board. Members of our Board are kept informed of our business through discussions with our Chairman and Chief Executive Officer and other officers, by reviewing materials provided to them, by visiting our offices and by participating in meetings of the Board and its Committees.

All Board members standing for reelection are expected to attend our Annual Meeting of Shareholders, unless an emergency prevents them from doing so. At our 2008 Annual Meeting, all Directors standing for reelection attended.

In 2008, the Board of Directors met eighteen (18) times, as set forth in the table below, and had three (3) Committees: the Audit Committee, the Nominating and Governance Committee and the Compensation Committee. All of the Directors attended at least seventy five percent (75%) of the meetings of the Board, and at least seventy five percent (75%) of the meetings of all committees on which they served in 2008.

It is the general policy of the Company that all major decisions be considered by the Board as a whole. As a consequence, the Committee structure of the Board is limited to those Committees considered to be basic to, or required for, the operation of a publicly owned company. Currently, these Committees are the Audit Committee, Compensation Committee, and the Nominating and Governance Committee. The membership of these Committees is rotated from time to time.

Selection Criteria. Candidates are selected by the Nominating and Governance Committee for, among other things, their integrity, independence, diversity of experience, leadership and their ability to exercise sound judgment. Final approval of a candidate is determined by the full Board. The Nominating and Governance Committee considers candidates suggested by our shareholders for election as a Director, provided that the recommendations are made according to the procedures required under our Bylaws. Shareholder nominees whose nominations comply with these procedures will be evaluated by the Nominating and Governance Committee in the same manner as the Nominating and Governance Committee's nominees.

Director Compensation. The Nominating and Governance Committee makes recommendations to the Board regarding the compensation of Directors.

Executive Sessions. Executive sessions or meetings of outside Directors without management present are held regularly at the Board's discretion and consistent with NASDAQ Global Market Rules.

The Board has determined that each of the members of the Audit Committee is an “audit committee financial expert” for purposes of the Commission’s rules.

The Compensation Committee

The Compensation Committee is comprised entirely of independent Directors in accordance with the listing standards of the NASDAQ Global Market and each Committee member is a “non–employee director” as defined in Rule 16b–3 under the Securities Exchange Act of 1934, as amended (“Exchange Act”) and is an “outside director” as defined in Section 162(m) of the Internal Revenue Code. The Committee determines the Company’s compensation philosophy and oversees and administers the Company’s executive compensation programs. Its responsibilities also include overseeing Merge Healthcare’s compensation and benefit plans and policies, administering its stock plans (including reviewing and approving equity grants) and reviewing and approving annually all compensation programs for the Company’s executive officers.

The Compensation Committee Charter is available on our website at www.merge.com/about/governance.aspx and in print upon request. See “Availability of Documents” above. The Compensation Committee met nine (9) times in 2008, two (2) of which meetings were jointly held with the Nominating and Governance Committee.

The Nominating and Governance Committee

The Nominating and Governance Committee is comprised entirely of independent Directors. Under the terms of its Charter, the Nominating and Governance Committee is responsible for matters of corporate governance and matters relating to the practices, policies and procedures of the Board. This includes identifying, recruiting and recommending director candidates as well as considering nominees recommended by shareholders. The Committee is responsible for recommending corporate governance guidelines and otherwise taking a leadership role in shaping the corporate governance of the Company.

The Committee advises on the structure of Board meetings and recommends matters for consideration by the Board. The Committee also advises on and recommends director compensation, which is ultimately approved by the full Board.

The Nominating and Governance Committee Charter is available on our website at www.merge.com/about/governance.aspx and in print upon request. See “Availability of Documents” above. The Nominating and Governance Committee met five (5) times in 2008, two (2) of which meetings were jointly held with the Compensation Committee.

Compensation Committee Interlocks and Insider Participation

During fiscal 2008 and as of the date of this Proxy Statement, none of the members of the Compensation Committee was or is an officer or employee of the Company, and no executive officer of the Company served or serves on the Compensation Committee or Board of any company that employed or employs any member of the Company’s Compensation Committee or Board.

COMPENSATION OF NON-EMPLOYEE DIRECTORS

Following the Merrick transaction discussed below, our non-employee Directors no longer receive cash compensation. Instead, the Directors received stock options, which options vest over sixteen equal quarterly increments and have an exercise price equal to the closing price of the Company's shares on the date of grant. For 2008, our current Chairman of the Board was awarded an option grant to purchase 400,000 shares of our Common Stock, our current Chairman of the Audit Committee was awarded an option grant to purchase 300,000 shares of our Common Stock, and each of our other current non-employee Directors were awarded an option grant to purchase 225,000 shares of our Common Stock.

- (2) Amounts reflect that portion of the dollar amount of options that we recognized for financial statement reporting purposes in accordance with FAS 123R for the fiscal year ended December 31, 2008. Assumptions used in the calculation of these amounts are included in Note 8 to our audited financial statements for the fiscal year ended December 31, 2008 included in our Annual Report on Form 10-K filed with the Commission on March 11, 2009. Please refer to the following table entitled "Outstanding Equity Awards of Directors at Fiscal Year End" for the aggregate number of option awards outstanding as of December 31, 2008. Our Directors have not been awarded any restricted stock.

REVIEW OF RELATED PERSON TRANSACTIONS

The Company adopted written policies and procedures regarding related person transactions. For purposes of these policies and procedures:

- A "related person" means any of our Directors, executive officers, nominees for director, holder of five percent (5%) or more of our Common Stock or any of their immediate family members; and

·A “related person transaction” generally is a transaction (including any indebtedness or a guarantee of indebtedness) in which we were or are to be a participant and the amount involved exceeds \$50,000, and in which a related person had or will have a direct or indirect material interest.

~ 12 ~

Each of our executive officers, Directors or nominees for director is required to disclose certain information relating to related persons transactions for review, approval or ratification by our Audit Committee. Disclosure to our Audit Committee should occur before, if possible, or as soon as practicable after the related person transaction is effected, but in any event as soon as practicable after the executive officer, Director or nominee for director becomes aware of the related person transaction. Our Audit Committee's decision whether or not to approve or ratify a related person transaction is to be made in light of its determination that consummation of the transaction is not or was not contrary to the best interests of the Company. Any related person transaction must be disclosed to our full Board.

TRANSACTIONS WITH RELATED PERSONS

On June 4, 2008, we consummated the transactions contemplated by a Securities Purchase Agreement (which we refer to as the "Purchase Agreement"), dated May 21, 2008, that we had entered into with certain of our subsidiaries and Merrick RIS, LLC, an affiliate of Merrick. In connection with the transactions, we issued (i) a \$15 million senior secured Term Note (which we refer to as the "Term Note"), and (ii) 21,085,715 shares of our Common Stock at a price per share of \$0.35 to Merrick. We refer to the shares issued in the transaction as the "Shares." Merrick obtained the funds to purchase the Term Note and the Shares through equity contributions made by its members.

The Term Note bears interest at 13.0% per annum, payable quarterly, and becomes payable in a single installment on the second anniversary date of the closing of the transaction. The Term Note is secured by a first priority lien on all of the assets of our and our subsidiaries' U.S. and Canadian operations.

We also entered into a Registration Rights Agreement (which we refer to as the "Registration Rights Agreement") with Merrick. The Registration Rights Agreement requires us, upon Merrick's request, to file and maintain the effectiveness of a registration statement covering the Shares. If we do not fulfill certain of our obligations under the Registration Rights Agreement with respect to registering the Shares, we will be required to pay additional interest on the outstanding principal of the Term Note as liquidated damages for our breach under the Registration Rights Agreement.

Pursuant to the terms of the Purchase Agreement, Merrick had the right to designate five (5) persons to be nominated to our Board in the future, subject to reduction upon a decrease in Merrick's ownership percentage in our Company. On July 1, 2008, the Company and Merrick amended the Purchase Agreement, pursuant to which Merrick gave up its contractual right to nominate persons to our Board. As a result, Merrick is no longer obligated to vote for the slate of Directors nominated by the Company.

Michael W. Ferro, Jr. and trusts for the benefit of Mr. Ferro's family members beneficially own a majority of the equity interest in Merrick. Mr. Ferro also serves as the chairman and chief executive officer of Merrick. Accordingly, Mr. Ferro indirectly owns or controls the Term Note and all of the Shares owned by Merrick.

Because the related person transaction policies and procedures do not apply to directors or executive officers prior to their becoming directors or executive officers, the policies and procedures did not require review, approval or ratification of the transactions above prior to or after execution.

Mr. Hartemayer owns immaterial economic interests in Merrick.

Until their appointments as officers of our Company, Mr. Dearborn served as the general counsel and a managing director of Merrick, and Ms. Koenig served as the chief executive officer of Merrick Healthcare, LLC, a portfolio company of Merrick Ventures. Mr. Dearborn and Ms. Koenig resigned from all of their positions with Merrick and its affiliates (other than our Company and our subsidiaries) upon joining our Company.

The Company entered into a Consulting Agreement effective as of January 1, 2009 with Merrick RIS, LLC, which allows the Company to take advantage of certain consulting services offered by Merrick. These services include, but are not limited to, investor relations, financial analysis and strategic planning. This transaction was approved by the Audit Committee in accordance with its written policies and procedures regarding related person transactions. The cost of this Consulting Agreement for the first quarter of 2009 was \$130,229 and is estimated to be \$520,000 for 2009.

~ 13 ~

Effective March 31, 2009, the Company entered into a software license agreement with Merrick Healthcare Solutions, an entity doing business as Olivia Greets. Olivia Greets is wholly owned by Merrick. This transaction was approved by the Audit Committee in accordance with its written policies and procedures regarding related person transactions. The revenue generated by this agreement is estimated to be \$400,000, exclusive of optional services, which may be purchased by Olivia Greets, over its term.

COMPENSATION DISCUSSION AND ANALYSIS

INTRODUCTION

This Compensation Discussion and Analysis describes our executive compensation program for 2008 and certain elements of the 2009 program. We use this program to attract, motivate, and retain colleagues whom the Board has selected to lead our business.

This section of the Proxy Statement explains how the Compensation Committee made its compensation decisions for our officers who also comprise our named executive officers. Those Named Executive Officers are our Chief Executive Officer, Justin C. Dearborn; our President, Merge Fusion, Nancy J. Koenig; our Vice President, General Counsel and Corporate Secretary, Ann Mayberry-French; our Chief Financial Officer, Steven M. Oreskovich; and our President, Merge OEM, Antonia A. Wells.

MARKET AND BUSINESS CONDITIONS

We and our industry continue to face challenges due to the profoundly changed global business environment in which we operate. Merge Healthcare improved its financial position during the second half of 2008 and continues to take steps to manage overhead while growing revenue in order to improve our financial strength and sustain future performance. In furtherance of our company-wide transformational efforts, which commenced in mid-2008, we have continued to operate two operational units: Merge OEM (selling customized software solutions to original equipment manufacturers in the healthcare information technology industry) and Merge Fusion (selling software solutions to end-users such as radiologists, diagnostic imaging centers and hospitals). These business units are focused on providing software solutions for digital imaging in the health care market space. Our business structure is designed to provide each global business unit with the authority and accountability to make decisions as part of the overall Merge Healthcare global business – quickly and with agility – in the best interest of its stakeholders, including our customers. We believe this business model will contribute to improved performance and increased shareholder value.

PHILOSOPHY AND GOALS OF OUR EXECUTIVE COMPENSATION PROGRAM

Compensation Philosophy

The primary objectives of our executive compensation policies are as follows:

- to attract and retain talented executives by providing compensation that is in alignment with the compensation provided to executives at companies of comparable size and growth trajectory in the health care information technology industry, while maintaining compensation within levels that are consistent with our annual budget, financial objectives and operating performance; and
- to provide appropriate incentives for executives to work toward the achievement of our annual financial performance and business goals, based primarily on diluted earnings per share.

Our incentive compensation programs are designed to reward executive and other employee contributions based on the success of our organization. Specifically, they are designed to reward achievement of our annual financial performance and business goals and creation of shareholder value.

Compensation Mix

Historically, we have used a mix of short-term compensation (base salaries and annual cash incentive bonuses) and long-term compensation (stock option grants and restricted stock awards) to meet the objectives of our compensation programs. We do not have a fixed policy for allocating between long-term and short-term compensation or between cash and non-cash compensation. Because we believe that it is important to align the interests of our executives with those of our shareholders, equity incentive compensation has made up a portion of each current executive's overall compensation package. In the near term, we plan to continue to use primarily short-term compensation (base salaries and annual cash incentive bonuses) as well as long-term compensation, as appropriate.

The compensation that we pay our Named Executive Officers consists of base salary, cash incentive compensation and stock option awards. The following discussion explains the reason we pay each element of compensation, how the amount of each element is determined, and how each element fits into our overall compensation philosophy and affects decisions regarding other elements.

We seek to pay executives a base salary in alignment with salaries of executives at companies of comparable position in the healthcare information technology industry and at a rate that fits within our annual budget, financial objectives and operating performance. We have not historically attempted to make base salary a certain percentage of total compensation.

Although the Company reported total net income of approximately \$2.3 million in the third and fourth quarters of 2008, the 2008 full year operations resulted in a net loss of approximately \$23.7 million. In light of the Company's 2008 annual performance and the public sentiment regarding corporate bonus payouts for substandard, annual corporate performance, the Compensation Committee determined that the Company performance did not warrant cash incentive payments for 2008. Additionally, for 2009, no company wide merit awards or salary increases to Named Executive Officers were given for the same reasons.

Role of the Compensation Committee

The Compensation Committee of our Board is responsible for administering our compensation practices and ensuring they are designed to drive corporate performance. Our Compensation Committee reviews compensation policies affecting our executive officers annually, taking into consideration our financial performance, our position within the health care information technology industry, the executive compensation policies of similar companies in similar industries and, when reviewing individual compensation levels, certain individual factors, including the executive's level of experience and responsibility and the personal contribution that the individual has made to our success. Further, our Compensation Committee also considers the global economic trends and the macroeconomic environment.

Annually, our Compensation Committee reviews the base salaries of all executive officers and based on these reviews, may adjust these salaries to ensure external competitiveness and to reflect the executive's individual position and performance, as well as the performance of our Company. In addition to these factors, our Compensation Committee considers the recommendations of our Chief Executive Officer when adjusting base salaries of our Named Executive Officers other than himself. We may also make base salary adjustments during the year if the scope of an executive officer's responsibility changes relative to the other executives.

Modifications To Our Executive Compensation Program

The Committee continues to focus its efforts to refine the executive compensation structure and process consistent with evolving good governance practices.

Beginning in June 2008, in connection with the investment by Merrick in our Company, several changes occurred in the makeup of our senior management team. Specifically, effective on the closing of the Merrick investment, Mr. Dearborn became our Chief Executive Officer, Mr. Oreskovich became our Chief Financial Officer, Ms. Koenig became our President of Merge Fusion and Ms. Wells became our President of Merge OEM. In connection with these changes, the Compensation Committee proposed and the Board accepted several modifications to our executive officer and director compensation programs to ensure that we offer competitive compensation that will help us to retain our executive officers and to reflect the views of the current members of our Board and the Compensation Committee on appropriate compensation structures.

During 2008, we also implemented a different director compensation program than previously utilized for our Directors as set forth in the Director compensation discussion.

We have entered into employment agreements with four (4) Named Executive Officers: Mr. Dearborn, Ms. Koenig, Mr. Oreskovich and Ms. Wells. The agreements formalize and confirm the base compensation, target annual bonus amounts and the stock option grants that we agreed to in connection with the hiring of Mr. Dearborn and Ms. Koenig, and Mr. Oreskovich's and Ms. Wells' promotions. The agreements provide for twelve (12) months' base salary as severance upon a termination other than for cause or other than due to the executive officer's death or disability, conditioned on the executive officer's execution of a release agreement. The agreements do not include a definition of "cause." In addition, upon a change of control of the Company, all of the executive officers' stock options will vest. We proposed the amounts of these severance benefits and the triggering events based on the subjective judgments and experiences of the members of the Compensation Committee indicating that these amounts are consistent with market practice and that the triggering events are likely to involve circumstances in which it is customary and appropriate to offer the protections embodied in the employment agreements.

We established the terms of the compensation arrangements with four (4) of our Named Executive Officers at the time of the closing of the Merrick investment, as noted above. Under the employment agreements, Mr. Dearborn receives an annual base salary of \$250,000 and has a target annual bonus equal to his base salary. Ms. Koenig receives an annual base salary of \$200,000 and has a target annual bonus equal to her base salary. Ms. Wells receives an annual base salary of CAD\$200,000 and has a target annual bonus equal to her annual base salary. Mr. Oreskovich receives an annual base salary of \$200,000 and has a target annual bonus equal to 50% of his annual base salary. The compensation arrangement for Ms. Mayberry-French was determined upon her date of hire. Those arrangements are as follows: Ms. Mayberry-French was hired at an annual salary of \$150,000 and received a salary increase effective on January 1, 2009, due to additional responsibility for the Human Resources function of the Company. Ms. Mayberry-French now receives an annual salary of \$160,000 and has a target annual bonus of thirty five percent (35%) of her base salary. Achievement of bonus for each of the current executive officers is tied to factors defined by the Compensation Committee for the 2009 annual bonus program and could result in a bonus amount that is more or less than the targeted bonus.

In addition, in connection with their appointment as executive officers of our Company in 2008, we granted Mr. Dearborn, Ms. Koenig, Ms. Mayberry-French, Mr. Oreskovich and Ms. Wells options to purchase 600,000, 200,000, 200,000, 100,000 and 200,000 shares of our Common Stock, respectively, at the closing price for a share of our Common Stock on the date of grant. The options are non-qualified stock options, expire on the sixth anniversary of the grant date and vest at a rate of 25% per year, contingent on the executive officer's continuous employment through the applicable vesting date. The vesting of the options will accelerate on a change in control of our Company. These options were granted under our 2005 Equity Incentive Plan.

POTENTIAL PAYMENTS UPON TERMINATION OR CHANGE IN CONTROL

Description of Agreements Providing for Potential Payments

Prior to the closing of the investment by Merrick in our Company, we had in place agreements that required us to provide compensation to certain of our executive officers in the event of a termination of employment. These agreements generally called for increased payments if the termination of employment occurred in connection with a change of control.

With respect to the restricted stock award agreements of Mr. Oreskovich and Ms. Wells, the restrictions lapse and the restricted stock becomes fully vested upon resignation for good reason (as defined in the agreement). The agreements also provide for the lapse of the restrictions and full vesting upon: (a) the executive officer's termination of employment due to disability; (b) the executive officer's termination of employment by us without cause; (c) the executive officer's involuntary termination of employment within 365 days after a change in control; (d) the executive officer's resignation for good reason within 365 days of a change in control; or (e) the sale by us of the business unit with respect to which the Named Executive Officer primarily performs services.

~ 21 ~

A number of former officers of the Company had employment agreements with the potential for payment of certain amounts upon termination or a change in control. However, concurrent with the Merrick transaction described above, such former officers entered into severance agreements with us, which resulted in us paying a lower amount to them upon their separation from the Company. For descriptions of the Named Executive Officer's employment agreements, see "Modifications To Our Executive Compensation Program" above.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires our executive officers, members of our Board, and persons who own more than ten percent (10%) of a registered class of our equity securities, to file initial statements of beneficial ownership (Form 3), and statements of changes in beneficial ownership (Forms 4 or 5). The Commission requires executive officers, directors and greater than ten percent (10%) shareholders to furnish us with copies of all these forms filed with the Commission.

To our knowledge, based solely upon our review of the copies of these forms received by us, or written representations from certain reporting persons that no additional forms were required for those persons, we believe that all of our executive officers and Directors complied with their reporting obligations during 2008, with the exception of the following: A Form 4 was filed on June 9, 2008, on behalf of Nancy J. Koenig with respect to the reporting of an option grant made on June 4, 2008 and an open market purchase made on June 5, 2008, and a Form 4 was filed on June 10, 2008, on behalf of Neele E. Stearns, Jr. with respect to the reporting of an open market purchase made on June 5, 2008, each of which filings were not made on a timely basis due to the delay in securing Edgar access codes upon their appointment as an executive officer or Director of the Company. A Form 4 was filed on June 30, 2008, on behalf of Kevin G. Quinn with respect to open market purchases made on June 12, 2008 and June 20, 2008, and the respective share purchase rights attaching to such shares, which rights were called for redemption on June 23, 2008.

SHAREHOLDER PROPOSAL TWO – RATIFICATION OF THE APPOINTMENT OF BDO SEIDMAN, LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR 2009

BACKGROUND

The Audit Committee of our Board has selected BDO Seidman, LLP to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2009. BDO Seidman, LLP was our independent registered public accounting firm and has audited our consolidated balance sheet as of December 31, 2008 and the consolidated statements of operations, shareholders' equity, comprehensive income (loss) and cash flows for the year then ended. Prior to that time, KPMG LLP had served as our independent registered public accounting firm.

Representatives of BDO Seidman will be present at our Annual Meeting. They will have the opportunity to make a statement if they so desire and to respond to appropriate questions.

REASONS FOR THE PROPOSAL

Selection of our independent registered public accounting firm is not required to be submitted for shareholder approval, but the Audit Committee of our Board is seeking ratification of its selection of BDO Seidman, LLP as a matter of good corporate practice. If our shareholders do not ratify this selection, the Audit Committee of our Board will consider it a direction to select another independent registered public accounting firm for 2009. Even if the selection is ratified, the Audit Committee may, in its discretion, appoint a different independent registered public accounting firm at any time during the year if it determines that such a change would be in our and our shareholders' best interests.

VOTE REQUIRED AND RECOMMENDATION OF THE BOARD OF DIRECTORS

To ratify the selection of BDO Seidman, LLP as our independent registered public accounting firm, the votes cast for ratification must be the majority of shares present and entitled to vote (in person or by proxy) at the Annual Meeting. Unless otherwise specified, the proxies solicited hereby will be voted in favor of the ratification of BDO Seidman, LLP as our independent registered public accounting firm for 2009.

~ 24 ~

CHANGE IN INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

On June 24, 2008, we notified KPMG LLP on behalf of the Audit Committee that, effective June 24, 2008, we would be replacing KPMG LLP as our independent registered public accounting firm.

During our fiscal years ended December 31, 2006 and December 31, 2007 and the subsequent period through June 24, 2008, we have not had any disagreements with KPMG LLP on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which disagreements, if not resolved to KPMG LLP's satisfaction, would have caused KPMG LLP to make reference thereto in their reports on the financial statements for such years.

On June 24, 2008, the Audit Committee decided to engage BDO Seidman, LLP as our independent registered public accounting firm for fiscal year 2008. BDO Seidman, LLP formally accepted the engagement on June 26, 2008, and we and BDO Seidman, LLP entered into an engagement letter on that date. We did not engage BDO Seidman, LLP in any consultations prior to June 26, 2008.

RECOMMENDATION OF THE BOARD

The Board unanimously recommends a vote "FOR" ratification of the selection of BDO Seidman, LLP as our independent registered public accounting firm for the 2009 fiscal year.

AUDIT AND NON-AUDIT FEES

The following table presents fees for professional services rendered by BDO Seidman, LLP for the audit of the Company's annual financial statements for the year ended December 31, 2008.

	2008
Audit fees(1)	\$ 337,000
Audit-related fees	-
Tax	-
All other fees	-
Total fees	\$ 337,000

Audit fees include fees for the annual financial statement audit, quarterly reviews, consents and review of, and (1) assistance with, Current Reports on Form 8-K. In 2008, management's report on internal control over financial reporting was not subject to attestation by BDO Seidman, LLP pursuant to temporary rules of the Commission that permitted the Company to provide only a report from management. The Company did not pay any fees to BDO Seidman, LLP in 2007.

POLICY ON AUDIT COMMITTEE PRE-APPROVAL OF AUDIT AND PERMISSIBLE NON-AUDIT SERVICES OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Consistent with the Commission and the Public Company Accounting Oversight Board ("PCAOB") requirements regarding auditor independence, the Audit Committee has responsibility for appointing, setting compensation and overseeing the work of the independent registered public accounting firm. In recognition of this responsibility, the

Audit Committee has established a policy to pre-approve all audit and permissible non-audit services provided by the independent registered public accounting firm.

~ 25 ~

Prior to engagement of the independent registered public accounting firm for each year's audit, management will submit a list to the Audit Committee for its approval of services and related fees expected to be rendered and fees expected to be incurred during that year within each of four (4) categories of services to the Audit Committee for approval.

- Audit services include audit work performed on the financial statements and internal control over financial reporting, as well as work that generally only the independent registered public accounting firm can reasonably be expected to provide, including quarterly reviews, comfort letters, statutory audits, and discussions surrounding the proper application of financial accounting and/or reporting standards.
- Audit-Related services are for assurance and related services that are traditionally performed by the independent registered public accounting firm, including due diligence related to mergers and acquisitions, employee benefit plan audits, and special procedures required to meet certain regulatory requirements.
- Tax services include all services, except those services specifically related to the audit of the financial statements, performed by the independent registered public accounting firm's tax personnel, including tax analysis; assisting with coordination of execution of tax-related activities, primarily in the area of corporate development; supporting other tax-related regulatory requirements; and tax compliance and reporting. The Company generally does not request such services from the independent registered public accounting firm.
- All Other services are those services not captured in the audit, audit-related or tax categories. The Company generally does not request such services from the independent registered public accounting firm.

The Audit Committee requires the independent registered public accounting firm and management to report actual fees versus the budget periodically throughout the year by category of service. During the year, circumstances may arise when it may become necessary to engage the independent registered public accounting firm for additional services not contemplated in the original pre-approval categories. In those instances, the Audit Committee requires specific pre-approval before engaging the independent registered public accounting firm. The Audit Committee may delegate pre-approval authority to one or more of its members. The member to whom such authority is delegated must report any pre-approval decisions to the Audit Committee at its next scheduled meeting.

AUDIT COMMITTEE REPORT

The information contained in this report shall not be deemed to be "soliciting material" or "filed" or incorporated by reference in future filings with the Commission, or subject to the liabilities of Section 18 of the Exchange Act, except to the extent that we specifically incorporate it by reference into a document filed under the Securities Act of 1933, as amended, or the Exchange Act.

We, the members of the Audit Committee, represent the following:

1. The Audit Committee has reviewed and discussed the Company's audited financial statements with management;

The Audit Committee has received the written disclosures and the letter from BDO Seidman, LLP required by the Public Company Accounting Oversight Board rule that relates to independence (Rule 3526), as may be modified or supplemented, and has discussed with BDO Seidman, LLP, its independence as the Company's independent registered public accounting firm; and

Based on the review and discussions referred to above, the Audit Committee recommended to our Board that the
4. audited financial statements be included in the Company's Annual Report on Form 10-K for the year ended
December 31, 2008, for filing with the Commission.

The Committee shall be comprised of three (3) or more directors, as determined by the Board on the recommendation of the Nominating Committee of the Board. Each member of the Committee shall be “independent” as defined by the rules of The Nasdaq Stock Market (“NASDAQ”) and the United States Securities and Exchange Commission (the “SEC”) that are applicable to audit committee members. Each committee member shall also be free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment as a member of the Committee.

All members of the Committee shall have a basic understanding of finance and accounting and be able to read and understand fundamental financial statements, including the Company’s consolidated balance sheets, statements of operations and statements of cash flows. At least one member of the Committee shall have accounting or related financial management expertise consisting of employment experience in finance or accounting, requisite professional certification in accounting, or other comparable experience or background, which results in the individual’s financial sophistication, including being or having been a chief executive officer, chief financial officer or other senior officer with financial oversight responsibilities.

The Committee shall comply with any other audit committee composition requirements of NASDAQ and the SEC.

C. Meetings

The Committee shall meet with such frequency and at such intervals as it shall determine necessary to carry out its duties and responsibilities, but not less than quarterly. In addition, the Committee shall hold any special meetings as may be necessary or called by the Chairperson of the Committee or at the request of the Public Accountants or the Company’s management. Representatives of the Public Accountants, members of the Company’s management and others may attend meetings of the Committee at the invitation of the Committee and shall provide pertinent information as necessary. As part of its purpose to foster open and candid communication, the Committee shall meet periodically as necessary with the Public Accountants, the Company’s management and any others that the Committee invites to meet with it in separate executive sessions to discuss any matters that the Committee or these individuals believe should be discussed privately with the Committee. The Committee may meet via telephone conference calls or take action in writing executed by all of the members. Except as otherwise specifically provided for in this Charter, a quorum shall consist of three members.

Unless the Board elects a Chairperson of the Committee (the “Chairperson”), the Committee shall elect a Chairperson by majority vote. The Chairperson of the Committee shall set the agenda of each meeting and arrange for the distribution of the agenda, together with supporting material, to the Committee members prior to each meeting. The Chairperson will also cause minutes of each meeting to be prepared and circulated to the Committee members.

The Committee may delegate, subject to any rules or limitations it deems appropriate, to one or more designated members of the Committee the authority to grant such pre-approvals; provided, however, that the decisions of any member to whom authority is so delegated to pre-approve an activity shall be presented to the full Committee for ratification at its next meeting.
