ITEM 6. Contracts, Arrangements, Understandings or Relationships with respect to Securities of the Issuer

The information set out in Item 4 of this Schedule 13D is hereby incorporated herein by reference.

Stockholders Agreement

On April 20, 2017, in connection with entering into the Temasek Investment Agreement and an investment agreement (as amended, the “NIH Investment Agreement” and the transactions contemplated thereby being the “NIH Investment”) with North Island Holdings I, LP (“NIH”), the Issuer entered into a Stockholders Agreement (the “Stockholders Agreement”) with TJMT Holdings LLC (“TJMT”), Havelock, Aranda (together with Havelock, the “Temasek Entities”) and NIH. The provisions of the Stockholders Agreement summarized below took effect at the closing of the Acquisition.

Under the Stockholders Agreement, TJMT has agreed to take all necessary action, including voting all of its shares of capital stock of the Issuer, or providing written consent, to cause the election of the directors nominated by NIH pursuant to the NIH Investment Agreement and in accordance with the terms of the Stockholders Agreement. Further, TJMT has agreed, for so long as NIH is entitled to nominate a director, to take all necessary action, including voting its shares of capital stock of the Issuer, to ensure that the provisions in respect of corporate opportunities and director and officer indemnification, exculpation and advancement of expenses set forth in the Issuer’s certificate of incorporation and by-laws are not amended, modified or supplemented in any manner without NIH’s prior written consent. To the extent TJMT transfers any of its shares to an affiliated transferee, that transferee would also be bound by the terms of the Stockholders Agreement. TJMT’s obligations pursuant to NIH’s director nomination right will automatically terminate upon the termination of NIH’s right to appoint directors pursuant to the NIH Investment Agreement.

The Stockholders Agreement also grants the Temasek Entities and NIH tag-along rights, subject to customary exceptions, in connection with a transfer of shares by TJMT that are subject to cutback provisions on a pro rata basis (in each case calculated based on a fully exchanged and converted to Class A Shares basis).

The foregoing summary of the terms of the Stockholders Agreement is not a complete description thereof and is qualified in its entirety by the full text of such agreement, which is filed as Exhibit 99.3 hereto and incorporated herein by reference.

Amended and Restated Registration Rights Agreement

On April 20, 2017, in connection with entering into the Temasek Investment Agreement and the NIH Investment Agreement, the Issuer, TJMT, the Temasek Entities, NIH and certain direct or indirect equityholders of the Issuer entered into the Amended and Restated Registration Rights Agreement (the "Amended and Restated Registration Rights Agreement"). The Amended and Restated Registration Rights Agreement grants the parties certain demand and other registration rights. The Amended and Restated Registration Rights Agreement took effect at the closing of the Acquisition.

Subject to several exceptions, including certain specified underwriter cutbacks and the Issuer's right to defer a demand registration under certain circumstances, TJMT, the Temasek Entities and NIH may require that the Issuer register for public resale under the Securities Act of 1933, as amended, all common stock of the Issuer constituting registrable securities that they request be registered at any time so long as the securities requested to be registered in each registration statement have an aggregate estimated market value of at least \$50 million. Under the Amended and Restated Registration Rights Agreement, the Issuer is not obligated to effectuate more than seven demand registrations for TJMT, more than four demand registrations for NIH or more than three demand registrations for the Temasek Entities. TJMT, the Temasek Entities and NIH also have the right to require the Issuer to register the sale of the registrable securities held by them on a registration statement on Form S-3, subject to offering size and other restrictions. In addition, the Issuer is required to file a shelf registration statement for the registrable securities, and cause such shelf registration statement to become effective, within one year after the earlier of the closing of the Temasek Investment and the NIH Investment.

If TJMT, the Temasek Entities or NIH make a request for registration, the non-requesting parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights in connection with the request. If such request is for an underwritten offering, the piggyback registration rights are subject to underwriter cutback provisions. In addition, the parties to the Amended and Restated Registration Rights Agreement are entitled to piggyback registration rights with respect to any registration initiated by the Issuer or another stockholder, and if any such registration is in the form of an underwritten offering, such piggyback registration rights are subject to underwriter cutback provisions.

Pursuant to the Amended and Restated Registration Rights Agreement, NIH will have no registration rights until after the first anniversary of the closing of the NIH Investment and during such period NIH shall be deemed to be an Excluded Party (as defined in the Amended and Restated Registration Rights Agreement) in connection with certain cutback provisions (unless TJMT exercises its registration rights under the Amended and Restated Registration Rights Agreement, in which case NIH will have the right to exercise its registration rights).

In connection with the registrations described above, the Issuer will indemnify any selling stockholders, and the Issuer will bear all fees, costs and expenses (except underwriting commissions and discounts and fees and expenses of the selling stockholders and their internal and similar costs (other than the fees and expenses of a single law firm representing the selling stockholders)).

The foregoing summary of the terms of the Amended and Restated Registration Rights Agreement is not a complete description thereof and is qualified in its entirety by the full text of such agreement, which is filed as Exhibit 99.4 hereto and incorporated herein by reference.

Amended and Restated Lock-up Waivers Agreement

On April 20, 2017, in connection with the Amended and Restated Registration Rights Agreement, Mr. Vincent Viola, TJMT, Virtu Employee Holdco LLC, the Issuer, the Temasek Entities, NIH and the other parties thereto entered into the Amended and Restated Lock-up Waivers Agreement (the "Amended and Restated Lock-up Waivers Agreement"). The Amended and Restated Lock-up Waivers Agreement governs any underwriter lock-ups to which TJMT, the

Temasek Entities and NIH are subject, and the priority on release of such lock-ups. The Amended and Restated Lock-up Waivers Agreement took effect at the closing of the Acquisition.

The foregoing summary of the terms of the Amended and Restated Lock-up Waivers Agreement is not a complete description thereof and is qualified in its entirety by the full text of such agreement, which is filed as Exhibit 99.5 hereto and incorporated herein by reference.

Letter Agreement

On July 19, 2017, Aranda and the Issuer entered into a letter agreement (the “Letter Agreement”), which provides that notwithstanding anything to the contrary in the Temasek Investment Agreement, 6,346,155 Class A Shares would be acquired by Aranda on July 20, 2017, and an additional 1,666,666 Class A Shares would be acquired by Aranda, at a purchase price of \$15.60 per Class A Share, at a second closing to be held five business days after the receipt of certain regulatory approvals (the “Second Closing”). The Letter Agreement further provides that if the Second Closing has not occurred on or before October 6, 2017, neither the Issuer nor Aranda will be obliged to consummate the Second Closing, and the Issuer and Aranda will discuss in good faith possible alternative investment arrangements.

The foregoing summary of the terms of the Letter Agreement is not a complete description thereof and is qualified in its entirety by the full text of such agreement, which is filed as Exhibit 99.6 hereto and incorporated herein by reference.

Except as described in this Schedule 13D, none of the Reporting Persons has any contracts, arrangements, understandings or relationships (legal or otherwise) with any person with respect to any securities of the Issuer, including, but not limited to, any contracts, arrangements, understandings or relationships concerning the transfer or voting of such securities, finder’s fees, joint ventures, loan or option arrangements, puts or calls, guarantees of profits, division of profits or losses, or the giving or withholding of proxies.
