(Attach extra Sheets if Needed)

Talk America Holdings, Inc. ("Registrant") could not file those portions of its Form 10-K for the fiscal year ended December 31, 2005 indicated above to which this Form relates without unreasonable effort or expense because Registrant is still in the process of completing its financial reporting procedures. In addition, the assessment of the Registrant's report on internal control over financial reporting as of December 31, 2005 is still being completed, including evaluating the remediation of previously reported material weaknesses, in accordance with Section 404 of the Sarbanes-Oxley Act of 2002 and the related rules of the Public Company Accounting Oversight Board. If it is ultimately determined that the previously reported material weaknesses have not been remediated, Registrant will conclude that the internal control over financial reporting was not effective at December 31, 2005.

Registrant currently anticipates that it will be able to file the indicated portions of its Form 10-K for the fiscal year ended December 31, 2005 within the additional 15-day period specified in Rule 12b-25(b)(2)(ii).
