\$ The yield has been calculated assuming that a tax rebate of 15% is available to the eligible investors and that no surcharge is payable in case of all the options.

Full and firm allotment is assured for all valid applications for the Tax Saving Bond.

As per the Finance Act 2002, the maximum limit for taking benefit of the rebate under Section 88 of the Income Tax Act is fixed at Rs. 1,00,000/-. Out of this, Rs. 30,000/- can be invested only in such eligible issue of capital, the proceeds of which are to be utilised in infrastructure projects.

Tax Saving Bonds offered by ICICI Bank is one such eligible investment for this purpose.
