II. RETIREMENT AND RE-ELECTION OF DR. CHUN-YEN CHANG AS A DIRECTOR, AND NEW ELECTION OF DR. YAN-KUIN SU AND MR. CHIH-CHUNG TSAI AS DIRECTORS

He was president of the National Chiao Tung University, or NCTU, of Taiwan from 1998 to 2006. Prior to that, he served as the director of the Microelectronics and Information Systems Research Center of NCTU from 1996 to 1998 and as the dean of both the College of Electrical Engineering and Computer Science of NCTU and the College of Engineering of NCTU from 1990 to 1994. Dr. Chang holds a B.S. degree in electrical engineering from National Cheng Kung University and an M.S. degree and a Ph.D. degree in electrical engineering from NCTU.

In order to meet the Taiwan Stock Exchange’s listing requirement that Audit Committee must be formed by more than three Independent Directors, where there are only two Independent Directors in the Board the Company, and also to strengthen the composition of the Board of the Company, the Board has approved to nominate Dr. Yan-Kuin Su and Mr. Chih-Chung Tsai as new Directors of Himax.

Dr. Yan-Kuin Su is the president of Kun Shan University now and also a professor of Department of Electrical Engineering, National Cheng Kung University since 1983. Dr. Su is devoted to the field of research in

semiconductor engineering and devices, opto-electronic devices, and microwave device and integrated circuits. Mr. Tsai holds a B.S. degree and an M.S. degree in electrical engineering from National Chiao Tung University.

The affirmative vote of a majority of the votes cast at the AGM by the shareholders entitled to vote thereon is required for the re-election of Dr. Chun-Yen Chang as a director of Himax and new election of Dr. Yan-Kuin Su and Mr. Chih-Chung Tsai as new Directors of Himax.

The Board of Directors recommends a vote FOR this proposal.

III. INCREASE OF AUTHORISED SHARE CAPITAL, BONUS ISSUE, SHARE CONSOLIDATION AND AMENDMENTS TO MEMORANDUM AND ARTICLES OF ASSOCIATION OF THE COMPANY

In order to meet the Taiwan Stock Exchange's listing requirement that the par value of shares be NT\$10 or US\$0.3 per share and to increase the number of outstanding ordinary shares to be listed on the Taiwan Stock Exchange, the Board has approved the proposal to distribute 5,999 bonus shares for each ordinary share held by Members of record as of August 7, 2009 from the share premium account (the "Bonus Issue").

To enable the Company to carry out the Bonus Issue, the Board has approved the proposal to increase the authorised share capital of the Company from US\$50,000 divided into 500,000,000 shares of par value US\$0.0001 each to US\$300,000,000 divided into 3,000,000,000,000 shares of par value US\$0.0001 each (the "Increase of Authorised Share Capital") which shall take effect before the Bonus Issue. Following the Increase of Authorised Share Capital and the Bonus Issue, the Board has approved the proposal to consolidate every three thousand issued and unissued shares of par value US\$0.0001 each of the Company into one share of US\$0.3 par value each (the "Share Consolidation").

In order to meet the Taiwan Stock Exchange's listing requirement concerning protection of material shareholders rights under ROC's Company Act and Securities Exchange Act, the Board has approved the adoption of the second amended and restated memorandum and articles of association of the Company in the form attached hereto (the "Second Amended M&A") with all of the amendments highlighted for reference (the "Adoption").

The Increase of Authorised Share Capital, the Bonus Issue, the Share Consolidation and the Adoption (collectively, the "Reorganisation") are all subject to approval by the Members by way of a special resolution and at the general meeting, a single special resolution will be proposed to approve the Reorganisation.

* Subject to Members' approval of this proposal, the Company will amend the ratio between its American depositary shares ("ADSs") and ordinary shares from one to one (i.e., each ADS representing one ordinary share) to one to two (i.e., each ADS representing two ordinary shares). Such change in ADS ratio is intended to adjust for the dilution due to the bonus shares distribution and the shares consolidation so that each ADS may represent an identical share in the ordinary shares capital of the Company before and after the changes under this proposal. As a result of the proposed ratio change, the number of ADSs held will remain the same, and no action will be required by ADS holders.

The Board of Directors recommends a vote FOR this proposal.

IV. TO WAIVE AND DIS-APPLY ANY AND ALL PREEMPTIVE RIGHTS OF OFFERINGS RE CASH CAPITAL INCREASE FOR DUAL LISTING ON THE TAIWAN STOCK EXCHANGE

In order to fulfill the need for the Company's development of operation and also to meet the Taiwan Stock Exchange's listing requirement, the Board has approved the proposal to do cash capital increase by issuing new shares at certain proper time as the source be made available for public subscription prior to dual listing on the Taiwan Stock Exchange ("Taiwan Listing Offering"). The rights of Taiwan Listing Offering are all as same as the remaining ordinary shares, and will be issued in dematerialization.

It is proposed to Members to approve by way of ordinary resolution: (i) to waive and dis-apply any and all pre-emptive rights of all Members re Taiwan Listing Offering under this proposal and under Article 8 of the Second Amended M&A (subject to it becoming effective) complying with article 28-1 of the ROC Security Exchange Law, and to be made available for public subscription prior to dual listing on the Taiwan Stock Exchange; (ii) to authorize the Board to make the issuance price of the of Taiwan Listing Offering with the underwriter prior to public subscription according to the market status and the way of underwriting; (iii) to authorize the Board to decide the numbers of shares, issuance price, issuance terms and conditions, cash capital raising amount, usage plan and items for cash capital raised, expected schedule, expected benefit results, record date of cash capital increase, payment terms of Taiwan Listing Offering, and to deal with all other relative matter re Taiwan Listing Offering; (iv) and proceed the matters as instructed by the governing authorities or to adopt the necessary changes due to other circumstances required for Taiwan Listing Offering and the proposal.

The Board of Directors recommends a vote FOR this proposal.

V. TO RE-INSTATE THE EXISTING AMENDED AND RESTATED MEMORANDUM AND ARTICLES OF ASSOCIATION OF THE COMPANY WHERE THE COMPANY ABORTS THE APPLICATION TO LIST ITS SHARES ON THE TAIWAN STOCK EXCHANGE

As described under section III above, the Board has approved the proposal to adopt the Second Amended M&A, subject to approval by the Members, for the purpose of the listing of shares of the Company on the Taiwan Stock Exchange. However, if for any reason that the Board determines not to proceed with the listing application or the listing application is rejected by the Taiwan Stock Exchange, the Board proposes to re-instate the memorandum and articles of association of the Company to its existing form. The Board has approved the adoption of the third amended and restated memorandum and articles of association of the Company in the form attached hereto (the "Third Amended M&A"), subject to approval by the Members by way of a special resolution and only upon the conditions that the Second Amended M&A is then in effect and the application to list the shares of the Company on the Taiwan Stock Exchange has been aborted or rejected. The Third Amended M&A is identical to the memorandum and articles of association of the Company in effect prior to the adoption of the Second Amended M&A except that:-

- (a) the authorised share capital of the Company is stated to be US\$300,000,000 divided into 1,000,000,000 shares of nominal value or par value of US\$0.3 each, reflecting the Increase of Authorised Share Capital and Share Consolidation as referred to in section III above that would have been implemented by then; and

This proposal requires the approval of Members by way of a special resolution.

Any share not taken up in the share offering may be offered by the Company to the public or for subscription by designated person(s).

The Board may at any time, generally or in any particular case, waive any lien that has arisen or declare any share exempt in whole or in part, from the provisions of this Article.

23.26. Subject to these Articles, the Company may sell in such manner as the Board determines any share on which the Company has a lien, but no sale shall be made unless some sum in respect of which the lien exists is presently payable, or the liability or engagement in respect of which such lien exists is liable to be presently fulfilled or discharged nor until the expiration of fourteen (14) clear days after a notice in writing, stating and demanding payment of the sum presently payable, or specifying the liability or engagement and demanding fulfilment or discharge thereof and giving notice of the intention to sell in default, has been served on the registered holder for the time being of the share or the person entitled thereto by reason of his death or bankruptcy.

B

not presently payable as existed upon the share prior to the sale) be paid to the person entitled to the share at the time of the sale. To give effect to any such sale the Board may authorise some person to transfer the shares sold to the purchaser thereof. The purchaser shall be registered as the holder of the shares so transferred and he shall not be bound to see to the application of the purchase money, nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale.

CALLS ON SHARES

25.28. Subject to these Articles and to the terms of allotment, the Board may from time to time make calls upon the Members in respect of any moneys unpaid on their shares (whether on account of the nominal value of the shares or by way of premium), and each Member shall (subject to being given at least fourteen (14) clear days' Notice specifying the time and place of payment) pay to the Company as required by such notice the amount called on his shares. A call may be extended, postponed or revoked in whole or in part as the Board determines but no member shall be entitled to any such extension, postponement or revocation except as a matter of grace and favour.

26.29. A call shall be deemed to have been made at the time when the resolution of the Board authorising the call was passed and may be made payable either in one lump sum or by instalments.

27.30. A person upon whom a call is made shall remain liable for calls made upon him notwithstanding the subsequent transfer of the shares in respect of which the call was made. The joint holders of a share shall be jointly and severally liable to pay all calls and instalments due in respect thereof or other moneys due in respect thereof.

28.31. If a sum called in respect of a share is not paid before or on the day appointed for payment thereof, the person from whom the sum is due shall pay interest on the amount unpaid from the day appointed for payment thereof to the time of actual payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board may determine, but the Board may in its absolute discretion waive payment of such interest wholly or in part.

29.32. No Member shall be entitled to receive any dividend or bonus or to be present and vote (save as proxy for another Member) at any general meeting either personally or by proxy, or be reckoned in a quorum, or exercise any other privilege as a Member until all calls or instalments due by him to the Company, whether alone or jointly with any other person, together with interest and expenses (if any) shall have been paid.

30.33. On the trial or hearing of any action or other proceedings for the recovery of any money due for any call, it shall be sufficient to prove that the name of the Member sued is entered in the Register as the holder, or one of the holders, of the shares in respect of which such debt accrued, that the resolution making the call is duly recorded in the minute book, and that notice of such call was duly given to the Member sued, in pursuance of these Articles; and it shall not be necessary to prove the appointment of the Directors who made such call, nor any other matters whatsoever, but the proof of the matters aforesaid shall be conclusive evidence of the debt.

B

31.34. Any amount payable in respect of a share upon allotment or at any fixed date, whether in respect of nominal value or premium or as an instalment of a call, shall be deemed to be a call duly made and payable on the date fixed for payment and if it is not paid the provisions of these Articles shall apply as if that amount had become due and payable by virtue of a call duly made and notified.

32.35. On the issue of shares the Board may differentiate between the allottees or holders as to the amount of calls to be paid and the times of payment.

33.36. The Board may, if it thinks fit, receive from any Member willing to advance the same, and either in money or money's worth, all or any part of the moneys uncalled and unpaid or instalments payable upon any shares held by him and upon all or any of the moneys so advanced (until the same would, but for such advance, become presently payable) pay interest at such rate (if any) as the Board may decide. The Board may at any time repay the amount so advanced upon giving to such Member not less than one month's Notice of its intention in that behalf, unless before the expiration of such notice the amount so advanced shall have been called up on the shares in respect of which it was advanced. Such payment in advance shall not entitle the holder of such share or shares to participate in respect thereof in a dividend subsequently declared.

FORFEITURE OF SHARES

34.37. (1) If a call remains unpaid after it has become due and payable the Board may give to the person from whom it is due not less than fourteen (14) clear days' Notice:

(a) requiring payment of the amount unpaid together with any interest which may have accrued and which may still accrue up to the date of actual payment; and

(b) stating that if the Notice is not complied with the shares on which the call was made will be liable to be forfeited.

(2) If the requirements of any such Notice are not complied with, any share in respect of which such Notice has been given may at any time thereafter, before payment of all calls and interest due in respect thereof has been made, be forfeited by a resolution of the Board to that effect, and such forfeiture shall include all dividends and bonuses declared in respect of the forfeited share but not actually paid before the forfeiture.

35.38. When any share has been forfeited, notice of the forfeiture shall be served upon the person who was before forfeiture the holder of the share. No forfeiture shall be invalidated by any omission or neglect to give such Notice.

36.39. The Board may accept the surrender of any share liable to be forfeited hereunder and, in such case, references in these Articles to forfeiture will include surrender.

37.40. Any share so forfeited shall be deemed the property of the Company and may be sold, re-allotted or otherwise disposed of to such person, upon such terms and in such manner

B

as the Board determines, and at any time before a sale, re-allotment or disposition the forfeiture may be annulled by the Board on such terms as the Board determines.

38.41. A person whose shares have been forfeited shall cease to be a Member in respect of the forfeited shares but nevertheless shall remain liable to pay the Company all moneys which at the date of forfeiture were presently payable by him to the Company in respect of the shares, with (if the Directors shall in their discretion so require) interest thereon from the date of forfeiture until payment at such rate (not exceeding twenty per cent. (20%) per annum) as the Board determines. The Board may enforce payment thereof if it thinks fit, and without any deduction or allowance for the value of the forfeited shares, at the date of forfeiture, but his liability shall cease if and when the Company shall have received payment in full of all such moneys in respect of the shares. For the purposes of this Article any sum which, by the terms of issue of a share, is payable thereon at a fixed time which is subsequent to the date of forfeiture, whether on account of the nominal value of the share or by way of premium, shall notwithstanding that time has not yet arrived be deemed to be payable at the date of forfeiture, and the same shall become due and payable immediately upon the forfeiture, but interest thereon shall only be payable in respect of any period between the said fixed time and the date of actual payment.

39.42. A declaration by a Director or the Secretary that a share has been forfeited on a specified date shall be conclusive evidence of the facts therein stated as against all persons claiming to be entitled to the share, and such declaration shall (subject to the execution of an instrument of transfer by the Company if necessary) constitute a good title to the share, and the person to whom the share is disposed of shall be registered as the holder of the share and shall not be bound to see to the application of the consideration (if any), nor shall his title to the share be affected by any irregularity in or invalidity of the proceedings in reference to the forfeiture, sale or disposal of the share. When any share shall have been forfeited, notice of the declaration shall be given to the Member in whose name it stood immediately prior to the forfeiture, and an entry of the forfeiture, with the date thereof, shall forthwith be made in the register, but no forfeiture shall be in any manner invalidated by any omission or neglect to give such notice or make any such entry.

40.43. Notwithstanding any such forfeiture as aforesaid the Board may at any time, before any shares so forfeited shall have been sold, re-allotted or otherwise disposed of, permit the shares forfeited to be bought back upon the terms of payment of all calls and interest due upon and expenses incurred in respect of the share, and upon such further terms (if any) as it thinks fit.

41.44. The forfeiture of a share shall not prejudice the right of the Company to any call already made or instalment payable thereon.

42.45. The provisions of these Articles as to forfeiture shall apply in the case of non-payment of any sum which, by the terms of issue of a share, becomes payable at a fixed time, whether on account of the nominal value of the share or by way of premium, as if the same had been payable by virtue of a call duly made and notified.

PUBLIC OFFERING

B

46. The Board shall, within seven (7) calendar days after its receipt of a public tender offer to purchase shares of the Company, resolve to recommend the Members to either accept or object the tender offer purchase, and shall disclose the following by way of public announcement in any manner permitted by the Applicable Law:

- (c) whether there were major changes to the Company's financial conditions after the delivery of its most recent financial statements, and the contents of such changes; and
- (d) the type, number and amount of shares of the offeror or its affiliates held by the Directors or the major shareholders holding over ten percent (10%) of the Company's outstanding shares.

REGISTER OF MEMBERS

43.47. (1) The Company shall keep in one or more books a Register of its Members and shall enter therein the following particulars, that is to say:

- (a) the name and address of each Member, the number and class of shares held by him and the amount paid or agreed to be considered as paid on such shares;
- (b) the date on which each person was entered in the Register; and
- (c) the date on which any person ceased to be a Member.

(2) The Company may keep an overseas or local or other branch register of Members resident in any place, and the Board may make and vary such regulations as it determines in respect of the keeping of any such register and maintaining a Registration Office in connection therewith.

44.48 The Register and branch register of Members, as the case may be, shall be open to inspection for such times and on such days as the Board shall determine by Members without charge or by any other person, upon a maximum payment of \$2.50 or such other sum specified by the Board, at the Office or such other place at which the Register is kept in accordance with the Law or, if appropriate, upon a maximum payment of \$1.00 or such other sum specified by the Board at the Registration Office. The Register including any overseas or local or other branch register of Members may, after notice has been given by advertisement in an appointed newspaper or any other newspapers in accordance with the requirements of the Designated

B

Stock Exchange or by any electronic means in such manner as may be accepted by the Designated Stock Exchange to that effect, be closed at such times or for such periods not exceeding in the whole thirty (30) days in each year as the Board may determine and either generally or in respect of any class of shares.

RECORD DATES

45.49. For the purpose of determining the Members entitled to notice of or to vote at any general meeting, or any adjournment thereof, or entitled to express consent to corporate action in writing without a meeting, or entitled to receive payment of any dividend or other distribution or allotment of any rights, or entitled to exercise any rights in respect of any change, conversion or exchange of shares or for the purpose of any other lawful action, the Board may fix, in advance, a date as the record date for any such determination of Members, which date shall not be more than sixty (60) days nor less than ten (10) days before the date of such meeting, nor more than sixty (60) days prior to any other such action.

If the Board does not fix a record date for any general meeting, the record date for determining the Members entitled to a notice of or to vote at such meeting shall be at the close of business on the day next preceding the day on which notice is given, or, if in accordance with these Articles notice is waived, at the close of business on the day next preceding the day on which the meeting is held. If corporate action without a general meeting is to be taken, the record date for determining the Members entitled to express consent to such corporate action in writing, when no prior action by the Board is necessary, shall be the first date on which a signed written consent setting forth the action taken or proposed to be taken is delivered to the Company by delivery to its head office. The record date for determining the Members for any other purpose shall be at the close of business on the day on which the Board adopts the resolution relating thereto.

A determination of the Members of record entitled to notice of or to vote at a meeting of the Members shall apply to any adjournment of the meeting; provided, however, that the Board may fix a new record date for the adjourned meeting.

TRANSFER OF SHARES

46.50. Subject to these Articles, any Member may transfer all or any of his shares by an instrument of transfer in the usual or common form or in a form prescribed by the Designated Stock Exchange or in any other form approved by the Board and may be under hand or, if the transferor or transferee is a clearing house or its nominee(s), by hand or by machine imprinted signature or by such other manner of execution as the Board may approve from time to time.

47.51. The instrument of transfer shall be executed by or on behalf of the transferor and the transferee provided that the Board may dispense with the execution of the instrument of transfer by the transferee in any case which it thinks fit in its discretion to do so. Without prejudice to the last preceding Article, the Board may also resolve, either generally or in any particular case, upon request by either the transferor or transferee, to accept mechanically executed transfers. The transferor shall be deemed to remain the holder of the share until the

B

name of the transferee is entered in the Register in respect thereof. Nothing in these Articles shall preclude the Board from recognising a renunciation of the allotment or provisional allotment of any share by the allottee in favour of some other person.

48.52. (1) The Board may, in its absolute discretion, and without giving any reason therefor, refuse to register a transfer of any share (not being a fully paid up share) to a person of whom it does not approve, or any share issued under any share incentive scheme for employees upon which a restriction on transfer imposed thereby still subsists, and it may also, without prejudice to the foregoing generality, refuse to register a transfer of any share to more than four joint holders or a transfer of any share (not being a fully paid up share) on which the Company has a lien.

(2) The Board in so far as permitted by any applicable law may, in its absolute discretion, at any time and from time to time transfer any share upon the Register to any branch register or any share on any branch register to the Register or any other branch register. In the event of any such transfer, the shareholder requesting such transfer shall bear the cost of effecting the transfer unless the Board otherwise determines.

(3) Unless the Board otherwise agrees (which agreement may be on such terms and subject to such conditions as the Board in its absolute discretion may from time to time determine, and which agreement the Board shall, without giving any reason therefor, be entitled in its absolute discretion to give or withhold), no shares upon the Register shall be transferred to any branch register nor shall shares on any branch register be transferred to the Register or any other branch register and all transfers and other documents of title shall be lodged for registration, and registered, in the case of any shares on a branch register, at the relevant Registration Office, and, in the case of any shares on the Register, at the Office or such other place at which the Register is kept in accordance with the Law.

49.53. Without limiting the generality of the last preceding Article, the Board may decline to recognise any instrument of transfer unless:-

(a) a fee of such maximum sum as the Designated Stock Exchange may determine to be payable or such lesser sum as the Board may from time to time require is paid to the Company in respect thereof;

(b) the instrument of transfer is in respect of only one class of share;

(c) the instrument of transfer is lodged at the Office or such other place at which the Register is kept in accordance with the Law or the Registration Office (as the case may be) accompanied by the relevant share certificate(s) and such other evidence as the Board may reasonably require to show the right of the transferor to make the transfer (and, if the instrument of transfer is executed by some other person on his behalf, the authority of that person so to do); and

(d) if applicable, the instrument of transfer is duly and properly stamped.

B

50.54. If the Board refuses to register a transfer of any share, it shall, within two months after the date on which the transfer was lodged with the Company, send to each of the transferor and transferee notice of the refusal.

51.55. The registration of transfers of shares or of any class of shares may, after notice has been given by advertisement in an appointed newspaper or any other newspapers or by any other means in accordance with the requirements of the Designated Stock Exchange to that effect be suspended at such times and for such periods (not exceeding in the whole thirty (30) days in any year) as the Board may determine.

TRANSMISSION OF SHARES

52.56. If a Member dies, the survivor or survivors where the deceased was a joint holder, and his legal personal representatives where he was a sole or only surviving holder, will be the only persons recognised by the Company as having any title to his interest in the shares; but nothing in this Article will release the estate of a deceased Member (whether sole or joint) from any liability in respect of any share which had been solely or jointly held by him.

53.57. Any person becoming entitled to a share in consequence of the death or bankruptcy or winding-up of a Member may, upon such evidence as to his title being produced as may be required by the Board, elect either to become the holder of the share or to have some person nominated by him registered as the transferee thereof. If he elects to become the holder he shall notify the Company in writing either at the Registration Office or Office, as the case may be, to that effect. If he elects to have another person registered he shall execute a transfer of the share in favour of that person. The provisions of these Articles relating to the transfer and registration of transfers of shares shall apply to such notice or transfer as aforesaid as if the death or bankruptcy of the Member had not occurred and the notice or transfer were a transfer signed by such Member.

54.58. A person becoming entitled to a share by reason of the death or bankruptcy or winding-up of a Member shall be entitled to the same dividends and other advantages to which he would be entitled if he were the registered holder of the share. However, the Board may, if it thinks fit, withhold the payment of any dividend payable or other advantages in respect of such share until such person shall become the registered holder of the share or shall have effectually transferred such share, but, subject to the requirements of Article 7584(2) being met, such a person may vote at meetings.

UNTRACEABLE MEMBERS

55.59. (1) Without prejudice to the rights of the Company under paragraph (2) of this Article, the Company may cease sending cheques for dividend entitlements or dividend warrants by post if such cheques or warrants have been left uncashed on two consecutive occasions. However, the Company may exercise the power to cease sending cheques for

B

dividend entitlements or dividend warrants after the first occasion on which such a cheque or warrant is returned undelivered.

(2) The Company shall have the power to sell, in such manner as the Board thinks fit, any shares of a Member who is untraceable, but no such sale shall be made unless:

- (a) all cheques or warrants in respect of dividends of the shares in question, being not less than three in total number, for any sum payable in cash to the holder of such shares in respect of them sent during the relevant period in the manner authorised by the Articles of the Company have remained uncashed;
- (b) so far as it is aware at the end of the relevant period, the Company has not at any time during the relevant period received any indication of the existence of the Member who is the holder of such shares or of a person entitled to such shares by death, bankruptcy or operation of law; and
- (c) the Company, if so required by the rules governing the listing of shares on the Designated Stock Exchange, has given notice to, and caused advertisement in newspapers to be made in accordance with the requirements of, the Designated Stock Exchange of its intention to sell such shares in the manner required by the Designated Stock Exchange, and a period of three months or such shorter period as may be allowed by the Designated Stock Exchange has elapsed since the date of such advertisement.

For the purpose of the foregoing, the “relevant period” means the period commencing twelve (12) years before the date of publication of the advertisement referred to in paragraph (c) of this Article and ending at the expiry of the period referred to in that paragraph.

(3) To give effect to any such sale the Board may authorise some person to transfer the said shares and an instrument of transfer signed or otherwise executed by or on behalf of such person shall be as effective as if it had been executed by the registered holder or the person entitled by transmission to such shares, and the purchaser shall not be bound to see to the application of the purchase money nor shall his title to the shares be affected by any irregularity or invalidity in the proceedings relating to the sale. The net proceeds of the sale will belong to the Company and upon receipt by the Company of such net proceeds it shall become indebted to the former Member for an amount equal to such net proceeds. No trust shall be created in respect of such debt and no interest shall be payable in respect of it and the Company shall not be required to account for any money earned from the net proceeds which may be employed in the business of the Company or as it thinks fit. Any sale under this Article shall be valid and effective notwithstanding that the Member holding the shares sold is dead, bankrupt or otherwise under any legal disability or incapacity.

GENERAL MEETINGS

60. An annual general meeting of the Company shall be held and convened by the Board in each year, but no later than six (6) months after the close of each fiscal year. A general meeting of the Company shall be held within the territory of the ROC at such time and place as

B

may be determined by the Board; however for so long as the shares of the Company are listed on the Taiwan Stock Exchange, the Board may pass a resolution to convene a general meeting outside the territory of the ROC in which case, an application shall be submitted to the Taiwan Stock Exchange Corporation for its approval within two (2) days after the date that the Board has resolved as such. Without prejudice to the generality of the foregoing, where any general meeting of the Company is to be held outside the territory of ROC, the Company shall appoint an agent of stock affairs within the ROC to administer and handle affairs relating to voting by Members at such general meeting.

56. An annual general meeting of the Company shall be held in each year other than the year of the Company's incorporation at such time and place as may be determined by the Board.

61. One or more Member (s) holding one percent (1%) or more of the total number of outstanding shares of the Company may submit to the Company not more than one proposal for consideration and if appropriate, approval at the annual general meeting, provided that only one matter may be proposed in each single proposal. The Company shall give a public notice in such manner as permitted by Applicable Law at such time deemed appropriate by the Board specifying the place and a period of not less than ten (10) days for Members to submit proposals. Any Member(s) whose proposal has been submitted and accepted by the Board, shall continue to be entitled to attend the annual general meeting in person or by proxy or in the case of a corporation, by its authorised representative(s), and participate in the discussion of such proposal. The Board may exclude a proposal submitted by a Member if (i) the proposal involves matters which cannot be resolved at the annual general meeting in accordance with or under Applicable Laws; (ii) the number of shares held by the Member(s) is less than one percent (1%) of the total number of issued and outstanding shares in the Register of Members as of the record date determined by the Board or upon commencement of the non-book-entry period before the annual general meeting; (iii) the proposal submitted concerns more than one matter; or (iv) the proposal is submitted after the expiration of the specified period determined by the Board, in which case, the rejected proposal shall not be discussed at the annual general meeting. The Company shall, prior to the dispatch of a Notice of the annual general meeting, inform the Members the result of submission of proposals and list in the Notice of annual general meeting the proposals accepted for consideration and approval at the annual general meeting. The chairman of the annual general meeting or if the chairman is not a director of the Company, any director of the Company shall explain at the annual general meeting the reasons for excluding proposals submitted by Members.

57.62. Each general meeting, other than an annual general meeting, shall be called an extraordinary general meeting. General meetings may be held at such times and in any location in the world as may be determined by the Board.

58.63. Only a majority of the Board or the Chairman of the Board may call extraordinary general meetings, which extraordinary general meetings shall be held at such times and locations (as permitted hereby) as such person or persons shall determine. the Board shall determine PROVIDED THAT one or more Member(s) holding three-percent (3%) or more of the total number of the outstanding voting shares of the Company continuously for a period of one (1) year or more may, by filing with the Company a written proposal setting forth therein the subjects for discussion, consideration and approval and the reasons, request the Board to convene an extraordinary general meeting. If the Board

B

fails to give notice for convening an extraordinary general meeting within fifteen (15) days after receiving such request, the proposing Member(s) may convene an extraordinary general meeting by sending out a notice of general meeting in accordance with Article 64 and such Member(s) shall be entitled to determine the time and place of the general meeting, provided that if the general meeting will not be held within the territory of the ROC, an application shall be submitted by such Member(s) to the Taiwan Stock Exchange Corporation for its prior approval. The Board will not be required to prepare the manual referred to in Article 67 where a general meeting is convened by Member(s).

NOTICE OF GENERAL MEETINGS

59.64. (1) An annual general meeting and any extraordinary general meeting may be called by not less than ten (10) clear days' Notice but a general meeting may be called by shorter notice, subject to the Law, if it is so agreed:

(a) in the case of a meeting called as an annual general meeting, by all the Members entitled to attend and vote thereat; and

(b) in the case of any other meeting, by a majority in number of the Members having the right to attend and vote at the meeting, being a majority together holding not less than ninety-five per cent. (95%) in nominal value of the issued shares giving that right.

(2) Without prejudice to Article 64(3), the notice shall specify the time and place of the meeting and, in case of special business, the general nature of the business. The notice convening an annual general meeting shall specify the meeting as such. Notice of every general meeting shall be given to all Members other than to such Members as, under the provisions of these Articles or the terms of issue of the shares they hold, are not entitled to receive such notices from the Company, to all persons entitled to a share in consequence of the death or bankruptcy or winding-up of a Member and to each of the Directors and members of the Auditors Audit Committee.

(3) The following matters may not be considered, discussed or proposed for approval at a general meeting unless they have been included in the Notice of general meeting with reasonable amount of explanations:

(a) any election or removal of Directors;

APPRAISAL RIGHT OF DISSENTING MEMBERS

65. Subject to compliance with Applicable Law, a Member who has expressed his dissent, in writing or verbally with a record, before or during a general meeting, with respect to any resolution proposed at a general matter in relation to the following matter(s), may abstain from exercising his voting rights in respect of such resolution(s) and request the Company to acquire or purchase his share(s) at the then prevailing fair price:

- (a) splitting of a material part of the business of the Company by way of disposal or otherwise, consolidation or merger of the Company; or
- (b) the Company proposes to enter into, amend, or terminate any Lease Contract, Management Contract or Joint Operation Contract.

66. (1) Subject to the above, the Member shall give written notice to request the Company to acquire or purchase his shares no later than twenty (20) days after the passing of a conditional or unconditional resolution approving any of the above matter(s) at the relevant general meeting, and shall state in such request the class and number of shares that such Member requests the Company to repurchase.

(2) If agreement on the price of the shares can be reached between the Member and the Company, the Company shall repurchase and pay for the shares within ninety (90) days from the date on which the conditional or unconditional resolution was passed. If no agreement is reached within sixty (60) days of the date on which the resolution was passed, the Member may, within thirty (30) days from the date on which the sixty-day (60) period expires, apply to a competent court for a ruling on the price. Subject to the ruling of the competent court, the Company shall pay judgment interest on the price as determined by the court from the date of expiration of the period referred to above.

(3) The payment of repurchase price to the Members shall be made at the same time against the delivery of the relevant share certificate(s) and an instrument(s) of transfer in

B

respect of the shares subject to such instrument(s) of transfer for the repurchase being duly executed by such Member to the Company, and the date of transfer of such shares shall be the date on which payment is made by the Company to the Member and the register of members of the Company shall be updated accordingly.

60. The accidental omission to give Notice of a meeting or (in cases where instruments of proxy are sent out with the Notice) to send such instrument of proxy to, or the non-receipt of such Notice or such instrument of proxy by, any person entitled to receive such Notice shall not invalidate any resolution passed or the proceedings at that meeting.

(4) The request of a Member pursuant to Article 65 shall become ineffective if the Company announces before completion of the purchase under Article 66(3) that the Company will not proceed with the matters that such Member dissented to under Article 65 or where the Company is prohibited under Applicable Law to repurchase the relevant shares. Where a Member fails to make a request within the period prescribed in Articles 66 (1) and (2) above, such Member is deemed to have duly waived its rights under Article 65.

PROCEEDINGS AT GENERAL MEETINGS

67. The Board shall prepare a manual setting out the agenda of a general meeting of Members (including all the subjects and matters to be resolved at the meeting) and shall make public announcement(s) in a manner permitted by Applicable Law to disclose the contents of such manual together with other information related to the said meeting at least fifteen (15) days prior to the date of the relevant general meeting. Such manual shall be distributed to the Members attending the general meeting in person, by proxy or by corporate representative(s) (where the Member is a corporation) at the general meeting.

61.68. (1) All business shall be deemed special that is transacted at an extraordinary general meeting, and also all business that is transacted at an annual general meeting, with the exception of the election of Directors.

(2) No business other than the appointment of a chairman of a meeting shall be transacted at any general meeting unless a quorum is present at the commencement of the business. AtSubject to these Articles (in particular, Articles 87 and 88), at any general meeting of the Company, two (2) Members entitled to vote and present in person or by proxy or (in the case of a Member being a corporation) by its duly authorised representative representing not lessmore than one-third half (1/2) in nominal value of the total issued voting shares in the Company throughout the meeting shall form a quorum for all purposes.the purpose of the meeting.

62.69. If within thirty (30) minutes (or such longer time not exceeding one hour as the chairman of the meeting may determine to wait) after the time appointed for the meeting a quorum is not present, the meeting shall stand adjourned to the same day in the next week at the same time and place or to such time and place as the Board may determine. If at such adjourned meeting a quorum is not present within half an hour from the time appointed for holding the meeting, the meeting shall be dissolved.

B

63.70. The chairman of the Company shall preside as chairman at every general meeting. If at any meeting the chairman is not present within fifteen (15) minutes after the time appointed for holding the meeting, or is not willing to act as chairman, the Directors present shall choose one of their number to act, or if one Director only is present he shall preside as chairman if willing to act. If no Director is present, or if each of the Directors present declines to take the chair, or if the chairman chosen shall retire from the chair, the Members present in person or by proxy and entitled to vote shall elect one of their number to be chairman.

64.71. The chairman may adjourn the meeting from time to time and from place to place, but no business shall be transacted at any adjourned meeting other than the business which might lawfully have been transacted at the meeting had the adjournment not taken place. When a meeting is adjourned for fourteen (14) days or more, at least seven (7) clear days' notice of the adjourned meeting shall be given specifying the time and place of the adjourned meeting but it shall not be necessary to specify in such notice the nature of the business to be transacted at the adjourned meeting and the general nature of the business to be transacted. Save as aforesaid, it shall be unnecessary to give notice of an adjournment.

65.72. If an amendment is proposed to any resolution under consideration but is in good faith ruled out of order by the chairman of the meeting, the proceedings on the substantive resolution shall not be invalidated by any error in such ruling. In the case of a resolution duly proposed as a special resolution, no amendment thereto (other than a mere clerical amendment to correct a patent error) may in any event be considered or voted upon.

VOTING

66.73. Subject to any special rights or restrictions as to voting for the time being attached to any shares by or in accordance with these Articles, at any general meeting on a show of hands every Member present in person (or being a corporation, is present by a duly authorised representative), or by proxy shall have one vote and on a poll every Member present in person or by proxy or, in the case of a Member being a corporation, by its duly authorised representative shall have one vote for every fully paid share of which he is the holder but so that no amount paid up or credited as paid up on a share in advance of calls or instalments is treated for the foregoing purposes as paid up on the share and fraction shares will not be entitled to any fractional voting right. Notwithstanding anything contained in these Articles, where more than one proxy is appointed by a Member which is a clearing house (or its nominee(s)), each such proxy shall have one vote on a show of hands.

A resolution put to the vote of a meeting shall be decided on a show of hands unless (before or on the declaration of the result of the show of hands or on the withdrawal of any other demand for a poll) a poll is demanded:

(a) by the chairman of such meeting; or

(b) by at least three Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy for the time being entitled to vote at the meeting; or

B

(c) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and representing not less than one-tenth of the total voting rights of all Members having the right to vote at the meeting; or

(d) by a Member or Members present in person or in the case of a Member being a corporation by its duly authorised representative or by proxy and holding shares in the Company conferring a right to vote at the meeting being shares on which an aggregate sum has been paid up equal to not less than one-tenth of the total sum paid up on all shares conferring that right.

A demand by a person as proxy for a Member or in the case of a Member being a corporation by its duly authorised representative shall be deemed to be the same as a demand by a Member.

67.74. Unless a poll is duly demanded and the demand is not withdrawn, a declaration by the chairman that a resolution has been carried, or carried unanimously, or by a particular majority, or not carried by a particular majority, or lost, and an entry to that effect made in the minute book of the Company, shall be conclusive evidence of the facts without proof of the number or proportion of the votes recorded for or against the resolution.

68.75. If a poll is duly demanded the result of the poll shall be deemed to be the resolution of the meeting at which the poll was demanded. There shall be no requirement for the chairman to disclose the voting figures on a poll.

69.76. A poll demanded on the election of a chairman, or on a question of adjournment, shall be taken forthwith. A poll demanded on any other question shall be taken in such manner (including the use of ballot or voting papers or tickets) and either forthwith or at such time (being not later than thirty (30) days after the date of the demand) and place as the chairman directs. It shall not be necessary (unless the chairman otherwise directs) for notice to be given of a poll not taken immediately.

70.77. The demand for a poll shall not prevent the continuance of a meeting or the transaction of any business other than the question on which the poll has been demanded, and, with the consent of the chairman, it may be withdrawn at any time before the close of the meeting or the taking of the poll, whichever is the earlier.

71.78. On a poll votes may be given either personally or by proxy.

72.79. A person entitled to more than one vote on a poll need not use all his votes or cast all the votes he uses in the same way.

73.80. All questions submitted to a meeting shall be decided by a simple majority of votesway of an ordinary resolution, except where a greater majority is required by these Articles or by the Applicable Law. In the case of an equality of votes, whether on a show of hands or on a poll, the chairman of such meeting shall be entitled to a second or casting vote in addition to any other vote he may have.

B

81. The following matters require approval of the Members by way of a special resolution:

- (a) any proposal for the Company to enter into, amend, or terminate any Lease Contract, Management Contract or Joint Operation Contract;
- (b) any amendment or modification to the Memorandum and/or these Articles;
- (c) upon recommendation of the Board, payment of dividends or distributions partly or wholly by way of issuance of new shares of the Company;
- (d) any dissolution, voluntary winding-up, merger, consolidation, amalgamation or a splitting of a material part of the business of the Company by way of disposal or otherwise of the Company; and
- (e) private placement of equity-linked securities of the Company.

82. To the extent permitted by Applicable Law and notwithstanding any provisions provided in these Articles, the Board may resolve to allow Members not attending and voting at a general meeting in person, by proxy or by corporate representatives (where a Member is a corporation), to exercise their voting power and cast their votes by a written instrument approved by the Board or by way of electronic transmission (as provided under the ROC Electronic Signatures Act) prior to commencement of the general meeting, provided that the relevant method and procedures are specified in the Notice of that meeting and complied with by such Member(s). However, if a general meeting is convened outside the territory of the ROC, to the extent permitted by Applicable Law, the Company must allow the Members to exercise their voting rights and cast their votes by way of a written instrument approved by the Board or by way of electronic transmission in the manner referred to in the foregoing. For the avoidance of doubt, those Members voted in the manner mentioned in the foregoing shall for purposes of these Articles and the Law be deemed to have appointed the chairman of the general meeting as their proxy to vote their shares at the general meeting in the manner directed by the written instrument or electronic document. The chairman as proxy shall not have the power to exercise the voting rights of such Members with respect to any matters not referred to or indicated in the written or electronic document and/or any amendment to resolution(s) proposed at the general meeting. Where a Member has exercised the voting power and casted its votes by written instrument or by way of electronic transmission intends to attend the meeting physically in person, such Member shall send a separate written declaration of intention to rescind and revoke the votes casted by way of written instrument or electronic transmission to the Company at least one (1) business day prior to the date of the general meeting failing which, the Member shall be deemed to have waived his right to attend and vote at the relevant general meeting in person, the deemed appointment by the Member of the chairman as proxy shall remain valid and the Company shall not count any votes cast by such Member physically at the relevant general meeting.

74.83. Where there are joint holders of any share any one of such joint holder may vote, either in person or by proxy, in respect of such share as if he were solely entitled thereto, but if more than one of such joint holders be present at any meeting the vote of the senior who tenders a vote, whether in person or by proxy, shall be accepted to the exclusion of the votes of the

B

other joint holders, and for this purpose seniority shall be determined by the order in which the names stand in the Register in respect of the joint holding. Several executors or administrators of a deceased Member in whose name any share stands shall for the purposes of this Article be deemed joint holders thereof.

75.84. (1) A Member who is a patient for any purpose relating to mental health or in respect of whom an order has been made by any court having jurisdiction for the protection or management of the affairs of persons incapable of managing their own affairs may vote, whether on a show of hands or on a poll, by his receiver, committee, curator bonis or other person in the nature of a receiver, committee or curator bonis appointed by such court, and such receiver, committee, curator bonis or other person may vote on a poll by proxy, and may otherwise act and be treated as if he were the registered holder of such shares for the purposes of general meetings, provided that such evidence as the Board may require of the authority of the person claiming to vote shall have been deposited at the Office, head office or Registration Office, as appropriate, not less than forty-eight (48) hours before the time appointed for holding the meeting, or adjourned meeting or poll, as the case may be.

The Board may resolve that no such assets shall be made available to Members with registered addresses in any particular territory or territories where, in the absence of a registration

B

statement or other special formalities, such distribution of assets would or might, in the opinion of the Board, be unlawful or impracticable and in such event the only entitlement of the Members aforesaid shall be to receive cash payments as aforesaid. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

145.161. (1) Whenever the Board or the Company in general meeting has resolved that a dividend be paid or declared on any class of the share capital of the Company, subject to Article 81, the Board may further resolve either:

(a) that such dividend be satisfied wholly or in part in the form of an allotment of shares credited as fully paid up, provided that the Members entitled thereto will be entitled to elect to receive such dividend (or part thereof if the Board so determines) in cash in lieu of such allotment. In such case, the following provisions shall apply:

(i) the basis of any such allotment shall be determined by the Board;

(ii) the Board, after determining the basis of allotment, shall give not less than ten (10) days' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;

(iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and

(iv) the dividend (or that part of the dividend to be satisfied by the allotment of shares as aforesaid) shall not be payable in cash on shares in respect whereof the cash election has not been duly exercised ("the non-elected shares") and in satisfaction thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the non-elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the non-elected shares on such basis; or

(b) that the Members entitled to such dividend shall be entitled to elect to receive an allotment of shares credited as fully paid up in lieu of the whole or such part of the dividend as the Board may think fit. In such case, the following provisions shall apply:

B

- (i) the basis of any such allotment shall be determined by the Board;
 - (ii) the Board, after determining the basis of allotment, shall give not less than ten (10) days' Notice to the holders of the relevant shares of the right of election accorded to them and shall send with such notice forms of election and specify the procedure to be followed and the place at which and the latest date and time by which duly completed forms of election must be lodged in order to be effective;
 - (iii) the right of election may be exercised in respect of the whole or part of that portion of the dividend in respect of which the right of election has been accorded; and
 - (iv) the dividend (or that part of the dividend in respect of which a right of election has been accorded) shall not be payable in cash on shares in respect whereof the share election has been duly exercised ("the elected shares") and in lieu thereof shares of the relevant class shall be allotted credited as fully paid up to the holders of the elected shares on the basis of allotment determined as aforesaid and for such purpose the Board shall capitalise and apply out of any part of the undivided profits of the Company (including profits carried and standing to the credit of any reserves or other special account, share premium account, capital redemption reserve other than the Subscription Rights Reserve) as the Board may determine, such sum as may be required to pay up in full the appropriate number of shares of the relevant class for allotment and distribution to and amongst the holders of the elected shares on such basis.
- (2)(a) The shares allotted pursuant to the provisions of paragraph (1) of this Article shall rank *pari passu* in all respects with shares of the same class (if any) then in issue save only as regards participation in the relevant dividend or in any other distributions, bonuses or rights paid, made, declared or announced prior to or contemporaneously with the payment or declaration of the relevant dividend unless, contemporaneously with the announcement by the Board of their proposal to apply the provisions of sub-paragraph (a) or (b) of paragraph (2) of this Article in relation to the relevant dividend or contemporaneously with their announcement of the distribution, bonus or rights in question, the Board shall specify that the shares to be allotted pursuant to the provisions of paragraph (1) of this Article shall rank for participation in such distribution, bonus or rights.
- (b) The Board may do all acts and things considered necessary or expedient to give effect to any capitalisation pursuant to the provisions of paragraph (1) of this Article, with full power to the Board to make such provisions as it thinks fit in the case of shares becoming distributable in fractions (including provisions whereby, in whole or in part, fractional

B

entitlements are aggregated and sold and the net proceeds distributed to those entitled, or are disregarded or rounded up or down or whereby the benefit of fractional entitlements accrues to the Company rather than to the Members concerned). The Board may authorise any person to enter into on behalf of all Members interested, an agreement with the Company providing for such capitalisation and matters incidental thereto and any agreement made pursuant to such authority shall be effective and binding on all concerned.

(3) The Company may upon the recommendation of the Board by ordinary special resolution resolve in respect of any one particular dividend of the Company that notwithstanding the provisions of paragraph (1) of this Article a dividend may be satisfied wholly in the form of an allotment of shares credited as fully paid up without offering any right to shareholders to elect to receive such dividend in cash in lieu of such allotment.

(4) The Board may on any occasion determine that rights of election and the allotment of shares under paragraph (1) of this Article shall not be made available or made to any shareholders with registered addresses in any territory where, in the absence of a registration statement or other special formalities, the circulation of an offer of such rights of election or the allotment of shares would or might, in the opinion of the Board, be unlawful or impracticable, and in such event the provisions aforesaid shall be read and construed subject to such determination. Members affected as a result of the foregoing sentence shall not be or be deemed to be a separate class of Members for any purpose whatsoever.

(5) Any resolution declaring a dividend on shares of any class, whether a resolution of the Company in general meeting or a resolution of the Board, may specify that the same shall be payable or distributable to the persons registered as the holders of such shares at the close of business on a particular date, notwithstanding that it may be a date prior to that on which the resolution is passed, and thereupon the dividend shall be payable or distributable to them in accordance with their respective holdings so registered, but without prejudice to the rights inter se in respect of such dividend of transferors and transferees of any such shares. The provisions of this Article shall mutatis mutandis apply to bonuses, capitalisation issues, distributions of realised capital profits or offers or grants made by the Company to the Members.

RESERVES

The Company shall at all times comply with the provisions of the Law in relation to the share premium account.

(2) Before recommending any dividend, the Board may set aside out of the profits of the Company such sums as it determines as reserves which shall, at the discretion of the Board, be applicable for any purpose to which the profits of the Company may be properly applied and pending such application may, also at such discretion, either be employed in the

B

business of the Company or be invested in such investments as the Board may from time to time think fit and so that it shall not be necessary to keep any investments constituting the reserve or reserves separate or distinct from any other investments of the Company. The Board may also without placing the same to reserve carry forward any profits which it may think prudent not to distribute.

CAPITALISATION

147.163. (1) The Company may, upon the recommendation of the Board, at any time and from time to time pass an ordinary resolution to the effect that it is desirable to capitalise all or any part of any amount for the time being standing to the credit of any reserve or fund (including a share premium account and capital redemption reserve and the profit and loss account) whether or not the same is available for distribution and accordingly that such amount be set free for distribution among the Members or any class of Members who would be entitled thereto if it were distributed by way of dividend and in the same proportions, on the footing that the same is not paid in cash but is applied either in or towards paying up the amounts for the time being unpaid on any shares in the Company held by such Members respectively or in paying up in full unissued shares, debentures or other obligations of the Company, to be allotted and distributed credited as fully paid up among such Members, or partly in one way and partly in the other, and the Board shall give effect to such resolution provided that, for the purposes of this Article, a share premium account and any capital redemption reserve or fund representing unrealised profits, may be applied only in paying up in full unissued shares of the Company to be allotted to such Members credited as fully paid.

(2) Notwithstanding any provisions in these Articles, the Board may resolve to capitalise any sum for the time being standing to the credit of any of the reserve accounts or to the credit of the retained earnings or profit and loss account or funds legally available by applying such sum in paying up unissued shares to be allotted to service providers and employees (including directors) of the Company or its affiliate (meaning any individual, corporation, partnership, association, joint-stock company, trust, unincorporated association or other entity (other than the Company) that directly, or indirectly through one or more intermediaries, controls, is controlled by or is under common control with, the Company) upon exercise of any options or awards granted under any share incentive scheme or employee benefit scheme or other arrangement which relates to such persons that has been adopted or approved by the Members at a general meeting.

148.164. The Board may settle, as it considers appropriate, any difficulty arising in regard to any distribution under the last preceding Article and in particular may issue certificates in respect of fractions of shares or authorise any person to sell and transfer any fractions or may resolve that the distribution should be as nearly as may be practicable in the correct proportion but not exactly so or may ignore fractions altogether, and may determine that cash payments shall be made to any Members in order to adjust the rights of all parties, as may seem expedient to the Board. The Board may appoint any person to sign on behalf of the persons entitled to participate in the distribution any contract necessary or desirable for giving effect thereto and such appointment shall be effective and binding upon the Members.

B

SUBSCRIPTION RIGHTS RESERVE

149.165. The following provisions shall have effect to the extent that they are not prohibited by and are in compliance with the Law:

- (1) If, so long as any of the rights attached to any warrants issued by the Company to subscribe for shares of the Company shall remain exercisable, the Company does any act or engages in any transaction which, as a result of any adjustments to the subscription price in accordance with the provisions of the conditions of the warrants, would reduce the subscription price to below the par value of a share, then the following provisions shall apply:
 - (a) as from the date of such act or transaction the Company shall establish and thereafter (subject as provided in this Article) maintain in accordance with the provisions of this Article a reserve (the "Subscription Rights Reserve") the amount of which shall at no time be less than the sum which for the time being would be required to be capitalised and applied in paying up in full the nominal amount of the additional shares required to be issued and allotted credited as fully paid pursuant to sub-paragraph (c) below on the exercise in full of all the subscription rights outstanding and shall apply the Subscription Rights Reserve in paying up such additional shares in full as and when the same are allotted;
 - (b) the Subscription Rights Reserve shall not be used for any purpose other than that specified above unless all other reserves of the Company (other than share premium account) have been extinguished and will then only be used to make good losses of the Company if and so far as is required by law;
 - (c) upon the exercise of all or any of the subscription rights represented by any warrant, the relevant subscription rights shall be exercisable in respect of a nominal amount of shares equal to the amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be the relevant portion thereof in the event of a partial exercise of the subscription rights) and, in addition, there shall be allotted in respect of such subscription rights to the exercising warrant holder, credited as fully paid, such additional nominal amount of shares as is equal to the difference between:
 - (i) the said amount in cash which the holder of such warrant is required to pay on exercise of the subscription rights represented thereby (or, as the case may be, the relevant portion thereof in the event of a partial exercise of the subscription rights); and
 - (ii) the nominal amount of shares in respect of which such subscription rights would have been exercisable having regard to the provisions of the conditions of the warrants, had it been possible for such subscription rights to represent the right to subscribe for shares at less than par and immediately upon such exercise so much of the sum standing to the credit of the Subscription Rights Reserve as is required to pay up in full such additional nominal amount of shares shall be capitalised and applied in paying up in full

B

such additional nominal amount of shares which shall forthwith be allotted credited as fully paid to the exercising warrantholders; and

(d) if, upon the exercise of the subscription rights represented by any warrant, the amount standing to the credit of the Subscription Rights Reserve is not sufficient to pay up in full such additional nominal amount of shares equal to such difference as aforesaid to which the exercising warrantholder is entitled, the Board shall apply any profits or reserves then or thereafter becoming available (including, to the extent permitted by law, share premium account) for such purpose until such additional nominal amount of shares is paid up and allotted as aforesaid and until then no dividend or other distribution shall be paid or made on the fully paid shares of the Company then in issue. Pending such payment and allotment, the exercising warrantholder shall be issued by the Company with a certificate evidencing his right to the allotment of such additional nominal amount of shares. The rights represented by any such certificate shall be in registered form and shall be transferable in whole or in part in units of one share in the like manner as the shares for the time being are transferable, and the Company shall make such arrangements in relation to the maintenance of a register therefor and other matters in relation thereto as the Board may think fit and adequate particulars thereof shall be made known to each relevant exercising warrantholder upon the issue of such certificate.

(2) Shares allotted pursuant to the provisions of this Article shall rank *pari passu* in all respects with the other shares allotted on the relevant exercise of the subscription rights represented by the warrant concerned. Notwithstanding anything contained in paragraph (1) of this Article, no fraction of any share shall be allotted on exercise of the subscription rights.

(3) The provision of this Article as to the establishment and maintenance of the Subscription Rights Reserve shall not be altered or added to in any way which would vary or abrogate, or which would have the effect of varying or abrogating the provisions for the benefit of any warrantholder or class of warrantholders under this Article without the sanction of a special resolution of such warrantholders or class of warrantholders.

(4) A certificate or report by the auditors/Audit Committee for the time being of the Company as to whether or not the Subscription Rights Reserve is required to be established and maintained and if so the amount thereof so required to be established and maintained, as to the purposes for which the Subscription Rights Reserve has been used, as to the extent to which it has been used to make good losses of the Company, as to the additional nominal amount of shares required to be allotted to exercising warrantholders credited as fully paid, and as to any other matter concerning the Subscription Rights Reserve shall (in the absence of manifest error) be conclusive and binding upon the Company and all warrantholders and shareholders.
