cellcom israel announces ilaa/negative rating reaffirmed for possible additional debentures to be traded in israel and additional financial information regarding subsidiary

Netanya, Israel – March 13, 2012 – Cellcom Israel Ltd. (NYSE: CEL) (TASE: CEL) (hereinafter: the "Company") announced today that, following its previous announcements regarding its preparation for a potential offering of new series of debentures to the public in Israel only, under the Company's amended shelf prospectus, Standard & Poor's Maalot, or Maalot, reaffirmed an "iIAA/negative" rating for the Company and an "iIAA rating" for additional debentures of existing series or new series of up to NIS 1 billion that the Company may issue, which, if issued, would be traded on the Tel Aviv Stock Exchange.

The contemplated offering will require filing of a supplemental shelf offering report with the ISA and TASE. In connection with the contemplated debt offering, the Company will be providing to investors in Israel Netvision's historic financial statements for the three years ended December 31, 2010 and the six months ended June 30, 2011 and 2010, as well as pro forma financial statements for the Company for the year ended December 31, 2011, prepared on a basis assuming that the acquisition of Netvision, and related financing, occurred on January 1, 2011. The financial information provided in Israel is in the Hebrew language. A convenience translation of these financial statements (excluding the footnotes, which the Company believes do not contain any material information that is not included in the Company's annual report on Form 20-F for the year ended December 31, 2011 filed on March 7, 2012) is filed herewith.

The execution, timing, terms and amount of such contemplated offering have not yet been determined and are subject to a further approval of the Company's Board of Directors. There is no assurance that such offering will be executed, nor as to its timing, terms and amount.

For additional details regarding the Company's public debentures and additional undertakings of the Company included in the amended prospectus see the Company's annual report on Form 20-F for the year ended December 31, 2011 filed on March 7, 2012, under "Item 5. Liquidity and Capital Resources – Debt Service – Shelf prospectus" and " – Public Debentures" and the Company's current report on Form 6-K filed on March 8, 2012

The contemplated offering described in this press release, will be made, if made, in Israel to residents of Israel only. The said debentures will not be registered under the U.S. Securities Act of 1933 and will not be offered or sold in the United States. This press release shall not constitute an offer to sell or the solicitation of an offer to buy any debentures.

A security rating is not a recommendation to buy, sell or hold securities, it may be subject to revision or withdrawal at any time by the assigning rating organization, and each rating should be evaluated independently of any other rating.

Forward looking statement

The information included in this press release contains, or may be deemed to contain, forward-looking statements (as defined in the U.S. Private Securities Litigation Reform Act of 1995 and the Israeli Securities Law, 1968). Said forward-looking statements, relating to the execution of the offering, the amount to be raised and the use of its proceeds are subject to uncertainties and assumptions about the shelf offering and market conditions and sufficient offers received for an

adequate price. The actual conditions could lead to materially different outcome than that set forth above.
