Item 1.01 Entry into a Material Definitive Agreement

On March 4, 2014, The AES Corporation (the “Company” or “AES”) announced an offering of \$750,000,000 aggregate principal amount of its 5.500% Senior Notes due 2024 (the “Notes”). Goldman, Sachs & Co., Citigroup Global Markets Inc. and Credit Suisse Securities (USA) LLC were joint book-running managers for the offering of the Notes.

The public offering price of the Notes was 100.00% of the principal amount. AES received net proceeds of approximately \$741.9 million, after deducting underwriting discounts and estimated offering expenses payable by the Company. AES intends to use the net proceeds from the offering of the Notes, as well as, if necessary, other available funds, to fund the repayment of AES’s 8.00% senior notes due 2017 expended to be purchase in a concurrent tender offer and to pay certain related fees and expenses. If any net proceeds from the offering remain after completion of the tender offers, AES intends to use such proceeds to retire certain outstanding indebtedness and for general corporate purposes.

The Notes were offered and sold pursuant to an Underwriting Agreement (the “Underwriting Agreement”), dated March 4, 2014, among AES, Goldman, Sachs & Co., Citigroup Global Markets Inc. and Credit Suisse Securities (USA) LLC, as representatives of the several underwriters, under AES’s automatic shelf registration statement (the “Registration Statement”) on Form S-3 (Registration No. 333-186888), filed with the Securities and Exchange Commission (the “SEC”) on February 27, 2013. AES has filed with the SEC a prospectus supplement, dated March 4, 2014, together with the accompanying prospectus, dated February 27, 2013, relating to the offer and sale of the Notes.

The Notes were issued on March 7, 2014 pursuant to a Senior Indenture, dated as of December 8, 1998 (the “Base Indenture”), as amended and supplemented by a ninth supplemental indenture, dated as of April 3, 2003 (the “Ninth Supplemental Indenture”) and the seventeenth supplemental indenture, dated as of March 7, 2014 (the “Seventeenth Supplemental Indenture”, and together with the Base Indenture and the Ninth Supplemental Indenture, the “Indenture”), between AES and Wells Fargo Bank, N.A., as successor to Bank One, National Association (formerly known as The First National Bank of Chicago), as Trustee.

Interest on the Notes accrues at a rate of 5.500% per year, and interest is payable on March 15 and September 15 of each year, beginning September 15, 2014. The Notes will mature on March 15, 2024. The Company may redeem all or a part of the Notes on or after March 15, 2019, on any one or more occasions, as described in the Indenture. In addition, at any time prior to March 15, 2019, the Company may redeem all or a part of the Notes at a redemption price equal to 100% of the principal amount of the Notes to be redeemed plus a “make-whole” premium as of, and accrued and unpaid interest, if any, to, but not including, the date of redemption, as described in the Indenture.

Upon the occurrence of a Change of Control (as defined in the Indenture), the Company must offer to repurchase the Notes at a price equal to 101% of their principal amount, plus accrued and unpaid interest, if any, to, but not including, the date of repurchase. The Indenture also contains covenants, subject to certain exceptions, restricting the ability of the Company to incur debt secured by any Principal Property (as defined in the Indenture) or by the debt or capital stock of any subsidiary held by the Company; to enter into any sale-lease back transactions involving any Principal Property; or to consolidate, merge, convey or transfer substantially all of its assets; as well as other covenants that are customary for debt securities like the Notes. In addition, the Indenture contains customary events of default.

The above description of the Underwriting Agreement, the Indenture and the Notes is qualified in its entirety by reference to the Underwriting Agreement, the Indenture and the form of Notes, each of which is incorporated by reference into the Registration Statement. The Base Indenture has been incorporated by reference as Exhibit 4.3 to the Registration Statement. The Underwriting Agreement, Seventeenth Supplemental Indenture and form of Notes are attached to this Current Report on Form 8-K as Exhibit 1.1, Exhibit 4.1 and Exhibit 4.2, respectively, and are incorporated by reference into the Registration Statement. An opinion regarding the legality of the Notes is incorporated by reference into the Registration Statement and is attached to this Current Report on Form 8-K as Exhibit 5.1.
